As it relates to Interim CHOICES Group 3, open for enrollment only between July 1, 2012 and June 30, 2015, includes only adults age sixty-five (65) or older or age twenty-one (21) or older with physical disabilities who receive SSI or meet Nursing Facility Financial eligibility criteria.

Specific to CHOICES and ECF CHOICES, the State’s Beneficiary Support System contractor will assist applicants and enrollees with navigation of the CONTRACTOR’s appeals and grievance processes upon request by applicants and enrollees.

Benefit Appeal – As distinguished from an Eligibility Appeal, a “Benefit Appeal” concerns an enrollee’s request to contest an MCC’s adverse benefit determination by receiving a State Fair Hearing (SFH). CMS has determined that the provisions contained in 42 C.F.R. 438 subpart F, which require MCOs to maintain an internal appeal system, and which require enrollees to exhaust the MCO internal appeal process before being permitted to request a SFH, are satisfied by TENNCARE’s requirement that the CONTRACTOR comply with the “Reconsideration” phase of the state fair hearing process (also called the “appeal process”). In accordance with CMS approval, the CONTRACTOR shall not have an internal appeal process that enrollees are required to exhaust before they may request a SFH through the TENNCARE appeal process. The CONTRACTOR’s “Reconsideration” of its initial adverse benefit determination during the TENNCARE appeal process is deemed by CMS to satisfy the requirement for a MCO-level appeal.

Benefit Appeal System – Synonymous with State Fair Hearing (SFH) System, SFH Process, Appeal System, and Appeal Process. References to Appeal System or Appeal Process refers to both (1) the *processes* the CONTRACTOR implements to comply with its TENNCARE Appeal Process-related obligations (such as timely issuance of a compliant Notice of Adverse Benefit Determination (NABD), timely compliance with the Reconsideration phase of the Appeal Process, timely compliance with TENNCARE-issued directives instructing CONTRACTOR to approve and arrange provision of a benefit in accordance with an Order resulting from the Appeal Process, etc.), and (2) the processes the CONTRACTOR implements to collect, track and maintain the information gathered in accordance with the Appeal Process.

Centers of Excellence (COE) for Behavioral Health – COEs that provide a limited range of direct services to children in and at risk for state custody (i.e., not just DCS children/youth). These services are to augment the existing service system. The CHOICES 217-Like HCBS Group includes persons who could have been eligible under 42 CFR 435.217 had the state continued its 1915(c) HCBS waiver for elders and/or persons with physical disabilities. TENNCARE has the discretion to apply an enrollment target to this group, as described in TennCare rules and regulations.

CHOICES Home and Community-Based Services (HCBS) – Services that are available only to eligible persons enrolled in CHOICES Group 2 or Group 3 as an alternative to long-term care institutional services in a nursing facility or to delay or prevent placement in a nursing facility. Only certain CHOICES HCBS are eligible for Consumer Direction. CHOICES HCBS do not include home health or private duty nursing services or any other HCBS that are covered by Tennessee’s Title XIX state plan or under the TennCare demonstration for all eligible enrollees, although such services are subject to estate recovery and shall be counted for purposes of determining whether a CHOICES member’s needs can be safely met in the community within his or her individual cost neutrality cap.

CHOICES Member – A member who has been enrolled by TENNCARE into CHOICES.

Chronic Condition – as defined by Population Health (and AHRQ) is a condition that lasts twelve (12) months or longer and meets one of both of the following tests: (a) it places limitation on self-care, independent living, and social interactions; (b) it results in the need for ongoing intervention with medical products, services, and special equipment (see Perrin et al., 1993).

Confidential Information – Any non-public, confidential or proprietary information, whether written, graphic, oral, electronic, visual or fixed in any tangible medium or expression, which is created under this Contract. Any such information relating to individuals enrolled in the TennCare program (“TennCare members”), or relating to individuals who may be potentially enrolled in the TennCare program, which is provided to or obtained under this Contract, shall also be treated as “Confidential Information” to the extent that confidential status is afforded such information under state and federal laws or regulations. Contractor Risk Agreement (CRA) – The Contract between the CONTRACTOR and TENNCARE regarding requirements for operation and administration of the managed care TennCare program, including CHOICES and ECF CHOICES.

Cost Neutrality Cap – The requirement that the cost of providing care to a member in CHOICES Group 2, including CHOICES HCBS and Medicaid reimbursed home health and private duty nursing, shall not exceed the cost of providing nursing facility services to the member, as determined in accordance with TennCare policy. A member’s individual cost neutrality cap shall be the average cost of Level 1 nursing facility care, or upon implementation of the new nursing facility reimbursement methodology, the average cost of nursing facility care (the Level 1/Level 2 distinction will be eliminated), unless a higher cost neutrality cap is established by TENNCARE based on information submitted by the AAAD or MCO (as applicable) in the level of care application, because the member would qualify to receive Enhanced Respiratory Care reimbursement in a nursing facility.

The CONTRACTOR shall not cause applications for TennCare to be submitted. However, as provided in Section A.2.9.6.3, the CONTRACTOR shall facilitate members' eligibility determination for CHOICES and ECF CHOICES enrollment. The CONTRACTOR shall also conduct outreach and provide assistance as needed to members enrolled in CHOICES and ECF CHOICES in completing an annual renewal packet for eligibility redetermination.

A.2.3.5 Eligibility Determination and Determination of Cost Sharing

The State shall have sole responsibility for determining the eligibility of an individual for TennCare. The State shall have sole responsibility for determining the applicability of TennCare cost sharing amounts, the collection of applicable premiums, and determination of patient liability.

A.2.3.6 Eligibility for Enrollment in an MCO

Except for TennCare enrollees enrolled in the Program of All-Inclusive Care for the Elderly (PACE) and enrollees who are only receiving assistance with Medicare cost sharing, all TennCare enrollees will be enrolled in an MCO, including TennCare Select (see definition in Section A.1 of this Contract).

A.2.4 ENROLLMENT IN AN MCO

A.2.4.1 General

TENNCARE is solely responsible for enrollment of TennCare enrollees in an MCO.

A.2.4.2 Authorized Service Area

2.4.2.1 Grand Region

Enrollees will be enrolled in MCOs by Grand Region(s) of the state. The specific counties in each Grand Region are listed in Section A.1 of this Contract.

2.4.2.2 CONTRACTOR's Authorized Service Area

The CONTRACTOR is authorized under this Contract to serve enrollees who reside in the Grand Region(s) specified below:

East Grand Region Middle Grand Region West Grand Region

2.4.2.2.1 The CONTRACTOR must serve all Grand Regions in the state.

2.4.2.2.2 If for any reason it is determined by TENNCARE that the CONTRACTOR is not adequately serving one or more authorized Grand Regions, TENNCARE may, pursuant to Sections D.3 and E.14.6 Termination for Convenience or Sections D.4 and E.14.2 Termination for Cause of this Contract, at any time, terminate

authorization of any or all of the Grand Regions being served and disenroll the enrollees in the Grand Region from the health plan.

- 2.4.2.2.3 To the extent possible and practical, TENNCARE shall provide advance notice to all other MCOs of the approved closing, limiting, or re-opening of enrollment of any MCO serving the Grand Region whichever is applicable; however, failure by TENNCARE to provide advance notice shall not limit in any manner the responsibility of each MCO to comply with the terms of this Contract.
- 2.4.2.2.4 If authorization to serve a specific Grand Region is terminated, regardless of the reason, the CONTRACTOR shall submit a termination plan as specified in Section E.14.8 of this Contract, specific to the Grand Region being terminated.

A.2.4.3 **Maximum Enrollment**

- 2.4.3.1 The CONTRACTOR agrees to accept enrollment in the CONTRACTOR's MCO of up to fifty percent (50%) of the eligible population in the applicable Grand Region. TENNCARE shall determine and notify the CONTRACTOR of the number of eligibles in the applicable Grand Region and the CONTRACTOR's maximum enrollment limit, which shall be approximately fifty percent (50%) of the eligible population in the applicable Grand Region.
 - 2.4.3.1.1 If TENNCARE determines an MCO (hereafter called an Underperforming MCO), other than the CONTRACTOR, is not adequately serving one or more Grand Regions and determines the CONTRACTOR has adequate capacity and it is necessary to transfer additional enrollment from the Underperforming MCO into the CONTRACTOR's plan, the CONTRACTOR agrees to accept enrollment of up to seventy percent (70%) of the eligible population in the applicable Grand Region.
- 2.4.3.2 TENNCARE may establish an enrollment threshold for the CONTRACTOR at a percentage of the CONTRACTOR's maximum enrollment limit and may limit enrollee assignment in certain circumstances in order to remain within the threshold. This enrollment threshold may be adjusted by TENNCARE at its discretion.
- 2.4.3.3 Once the CONTRACTOR's enrollment threshold is met, TENNCARE may discontinue default assignment of enrollees to the CONTRACTOR's MCO. Enrollees who select the CONTRACTOR or whose family members are enrolled in the CONTRACTOR's MCO shall continue to be enrolled in the CONTRACTOR's MCO until the maximum enrollment limit established in Section A.2.4.3.1 above is met.
- 2.4.3.4 Both TENNCARE and the CONTRACTOR recognize that management of the CONTRACTOR's maximum enrollment limit and enrollment threshold within exact limits may not be possible. In the event enrollment in the CONTRACTOR's MCO exceeds the maximum enrollment limit, TENNCARE may reduce enrollment in the CONTRACTOR's MCO based on a plan established by TENNCARE that provides appropriate notice to the CONTRACTOR, allows appropriate choice of MCOs for enrollees, and meets the objectives of the TennCare program.

- 2.4.3.5 The establishment of a maximum enrollment limit and/or of an enrollment threshold does not obligate the State to enroll a certain number of TennCare enrollees in the CONTRACTOR's MCO and does not create in the CONTRACTOR any rights, interests or claims of entitlement to enrollment. The CONTRACTOR's actual enrollment level will be determined through the MCO selection and assignment process described in Section A.2.4.4 below.
- 2.4.3.6 Upon the request of TENNCARE, the CONTRACTOR shall demonstrate to the satisfaction of TENNCARE it has the capacity to serve the number of enrollees in the maximum enrollment limit.

A.2.4.4 MCO Selection and Assignment

2.4.4.1 General

TENNCARE shall enroll individuals determined eligible for TennCare and eligible for enrollment in an MCO that is available in the Grand Region in which the enrollee resides. Enrollment in an MCO may be the result of an enrollee's selection of a particular MCO or assignment by TENNCARE. Enrollment in the CONTRACTOR's MCO is subject to the CONTRACTOR's maximum enrollment limit and threshold (see Section A.2.4.3) and capacity to accept additional members.

2.4.4.2 Current TennCare Enrollees

Except as provided in Section A.2.4.4.6 below, TennCare enrollees who are known to be eligible for enrollment with the CONTRACTOR as of the start date of operations (defined in Section A.1 of this Contract) and residing in the Grand Region served by the CONTRACTOR (referred to herein as "current TennCare enrollees") shall be assigned by TENNCARE to the MCOs serving the Grand Region in accordance with the process described in Section A.2.4.4.6 below. Except as otherwise provided in Section A.2.4.4, this includes enrollees currently enrolled in another MCO, including TennCare Select.

2.4.4.3 New TennCare Enrollees

- 2.4.4.3.1 Except as otherwise provided in this Contract, all non-SSI applicants shall be required at the time of their application to select an MCO other than TennCare Select from those MCOs available in the Grand Region where the applicant resides. If the applicant does not select an MCO, the person will be assigned to an MCO by the State in accordance with Section A.2.4.4.6.
- 2.4.4.3.2 Adults eligible for TennCare as a result of being eligible for SSI benefits will be assigned to an MCO (other than TennCare Select) by the State.
- 2.4.4.3.3 Children eligible for TennCare as a result of being eligible for SSI will be assigned to TennCare Select (defined in Section A.1 of this Contract) but may opt-out of TennCare Select and choose another MCO.
- 2.4.4.3.4 TennCare may allow enrollment of new TennCare enrollees in TennCare Select if there is insufficient capacity in other MCOs.

2.4.4.4 Children in State Custody

TennCare enrollees who are children in the custody of the Department of Children's Services (DCS) will be enrolled in TennCare Select. When these enrollees exit state custody, they remain enrolled in TennCare Select for a specified period of time and then are disenrolled from TennCare Select. After disenrollment from TennCare Select, if the enrollee has a family member in an MCO (other than TennCare Select) he/she will be enrolled in that MCO. Otherwise, the enrollee will be given the opportunity to select another MCO. If the enrollee does not select another MCO, he/she will be assigned to an MCO (other than TennCare Select) using the default logic in the auto assignment process (see Section A.2.4.4.6 below).

2.4.4.4.1 Notwithstanding the enrollment requirements of Section A.2.4.4, children in the custody of DCS enrolled in TennCare Select who transition to ECF CHOICES and exit State custody shall not remain enrolled in TennCare Select after this transition. In instances in which children transitioning have physicians of a specialty type that are not contracted with the receiving MCO, the CONTRACTOR shall ensure that children transitioning out of State custody and enrolling in the MCO's health plan shall continue to have access to such providers for up to ninety (90) calendar days or until the child may be reasonably transferred without disruption to a contract provider, unless specified otherwise by TENNCARE.

2.4.4.5 Enrollment in MCO Other than the MCO Selected

In certain circumstances, if an enrollee requests enrollment in a particular MCO, the enrollee may be assigned by the State to an MCO other than the one that he/she requested. Examples of circumstances when an enrollee would not be enrolled in the requested MCO include, but are not limited to, such factors as the enrollee does not reside in the Grand Region covered by the requested MCO, the enrollee has other family members already enrolled in a different MCO, the MCO is closed to new TennCare enrollment, or the enrollee is a member of a population that is to be enrolled in a specified MCO as defined by TENNCARE (e.g., children in the custody of the Department of Children's Services are enrolled in TennCare Select).

2.4.4.6 Auto Assignment

2.4.4.6.1 TENNCARE will auto assign an enrollee to an MCO, in specified circumstances, including but not limited to, the enrollee does not request enrollment in a specified MCO, cannot be enrolled in the requested MCO, or is an adult eligible as a result of receiving SSI benefits.

2.4.4.6.2 The current auto assignment process does not apply to children eligible for TennCare as a result of being eligible for SSI or children in the state's custody.

2.4.4.6.3 There are four different levels to the current auto assignment process:

2.4.4.6.3.1 If the enrollee was previously enrolled with an MCO and lost TennCare eligibility for a period of two (2) months or less, the enrollee will be re-enrolled with that MCO.

2.4.4.6.3.2 If the enrollee has family members in an MCO (other than TennCare Select), the enrollee will be enrolled in that MCO.

- 2.4.4.6.3.3 If the enrollee is a newborn, the enrollee will be assigned to his/her mother's MCO.
- 2.4.4.6.3.4 If none of the above applies, the enrollee will be assigned using default logic that randomly assigns enrollees to MCOs (other than TennCare Select).
- 2.4.4.6.4 TENNCARE may modify the auto assignment algorithm to change or add criteria including but not limited to quality measures or cost or utilization management performance.
- 2.4.4.6.5 During implementation of this Contract there may be a one-time exception to the auto assignment process described above. If an incumbent MCO (defined herein as an MCO other than TennCare Select that had a contract with the Division of TennCare immediately preceding the start date of operations under this Contract) will provide covered services as of the start date of operations under this Contract in the same Grand Region as the previous contract, current TennCare enrollees who are known to be members of the incumbent MCO may be assigned by TENNCARE to remain with the incumbent MCO with enrollment effective the start date of operations. Current TennCare enrollees who are not known to be members of an incumbent MCO will be assigned by TENNCARE to an MCO in accordance with the process described in Section A.2.4.4.6. However, TENNCARE will assign current TennCare enrollees to ensure similar levels of enrollment as of the start date of operations for the MCOs serving the Grand Region.

2.4.4.7 Non-Discrimination

- 2.4.4.7.1 The CONTRACTOR shall accept enrollees in the order in which applications are approved and enrollees are assigned to the CONTRACTOR (whether by selection or assignment).
- 2.4.4.7.2 The CONTRACTOR shall accept an enrollee in the health condition the enrollee is in at the time of enrollment and shall not discriminate against individuals on the basis of health status or need for health care services.

2.4.4.8 Family Unit

If an individual is determined eligible for TennCare and has another family member already enrolled in an MCO, that individual shall be enrolled in the same MCO. This does not apply when the individual or family member is assigned to TennCare Select. If the newly enrolled family member opts to change MCOs during the 90-day change period (see Section A.2.4.7.2.1), all family members in the case will be transferred to the new MCO.

A.2.4.5 Effective Date of Enrollment

2.4.5.1 Initial Enrollment of Current TennCare Enrollees

The effective date of initial enrollment in an MCO for TennCare enrollees who are enrolled in accordance with Section A.2.4.4.2 shall be the date provided on the outbound 834 enrollment file from TENNCARE. In general, the effective date of enrollment for these enrollees will be the start date of operations.

2.4.5.2 Ongoing Enrollment

In general, a member's effective date of enrollment in the CONTRACTOR's MCO will be the member's effective date of eligibility for TennCare. For SSI enrollees the effective date of eligibility/enrollment is determined by the Social Security Administration in approving SSI coverage for the individual. The effective date of eligibility for other TennCare enrollees is the date of application or the date of the qualifying event (e.g., the date the spend down obligation is met for medically needy enrollees). The effective date on the outbound 834 enrollment file provided by TENNCARE to the CONTRACTOR shall govern regardless of the other provisions of this Section A.2.4.5.2.

2.4.5.3 In the event the effective date of eligibility provided by TENNCARE to the CONTRACTOR for either the initial enrollment of current TennCare enrollees or ongoing enrollment precedes the start date of operations, the CONTRACTOR shall treat the enrollee as a member of the CONTRACTOR's MCO effective on the start date of operations. Although the enrollee is not a member of the CONTRACTOR's MCO prior to the start date of operations, the CONTRACTOR shall be responsible for the payment of claims incurred by the enrollee during the period of eligibility prior to the start date of operations as specified in Section B.1.

2.4.5.4 Enrollment Prior to Notification

2.4.5.4.1 Because individuals can be retroactively eligible for TennCare, and the effective date of initial enrollment in an MCO is the effective date of eligibility or start date of operations, whichever is sooner, the effective date of enrollment may occur prior to the CONTRACTOR being notified of the person's enrollment. Therefore, enrollment of individuals in the CONTRACTOR's MCO may occur without prior notice to the CONTRACTOR or enrollee.

2.4.5.4.2 The CONTRACTOR shall not be liable for the cost of any covered services prior to the effective date of enrollment/eligibility but shall be responsible for the costs of covered services obtained on or after 12:01 a.m. on the effective date of enrollment/eligibility.

2.4.5.4.3 TENNCARE shall make payments to the CONTRACTOR from the effective date of an enrollee's date of enrollment/eligibility. If the effective date of enrollment/eligibility precedes the start date of operations, payment shall be made in accordance with Section C.3.

2.4.5.4.4 Except for applicable TennCare cost sharing and patient liability, the CONTRACTOR shall ensure that members are held harmless for the cost of covered services provided as of the effective date of enrollment with the CONTRACTOR.

A.2.4.6 **Eligibility and Enrollment Data**

2.4.6.1 The CONTRACTOR shall receive, process, and update outbound 834 enrollment files from TENNCARE. Enrollment data shall be updated or uploaded systematically to the CONTRACTOR's eligibility/enrollment database(s) within twenty-four (24) hours of receipt from TENNCARE. Any outbound 834 transactions which fail to update/load systematically must be manually updated within twenty-four (24) hours of receipt. The CONTRACTOR shall report to TENNCARE, in a form and format to be provided by TENNCARE, outbound 834 transactions that are not processed within these time frames and include information regarding when the transactions

were completed. Any transactions that are not updated/loaded within twenty-four (24) hours of receipt from TENNCARE and/or persistent issues with high volumes of transitions that require manual upload may require the CONTRACTOR to initiate a Corrective Action Plan for resolution of the issues preventing compliance. If the CONTRACTOR has reason to believe they may not meet this requirement based on unusual circumstances, the CONTRACTOR must notify TENNCARE and TENNCARE may make an exception without requiring a Corrective Action Plan.

- 2.4.6.2 The CONTRACTOR shall provide a daily electronic eligibility file (inbound 834) to TENNCARE as specified and in conformance to data exchange format and method standards outlined in Section A.2.23.5.

A.2.4.7 **Enrollment Period**

2.4.7.1 General

- 2.4.7.1.1 The CONTRACTOR shall be responsible for the provision and costs of all covered physical health and behavioral health services provided to enrollees during their period of enrollment with the CONTRACTOR. The CONTRACTOR shall also be responsible for the provision and costs of covered long-term care services provided to CHOICES and ECF CHOICES members.
- 2.4.7.1.2 Enrollment shall begin at 12:01 a.m. on the effective date of enrollment in the CONTRACTOR's MCO and shall end at 12:00 midnight on the date that the enrollee is disenrolled from the CONTRACTOR's MCO (see Section A.2.5).
- 2.4.7.1.3 Once enrolled in the CONTRACTOR's MCO, the member shall remain enrolled in the CONTRACTOR's MCO until or unless the enrollee is disenrolled pursuant to Section A.2.5 of this Contract.

2.4.7.2 Changing MCOs

2.4.7.2.1 *90-Day Change Period*

After becoming eligible for TennCare and enrolling in the CONTRACTOR's MCO (whether the result of selection by the enrollee or assignment by TENNCARE), enrollees shall have one (1) opportunity, anytime during the ninety (90) day period immediately following the date of enrollment with the CONTRACTOR's MCO or the date TENNCARE sends the member notice of enrollment in an MCO, whichever is later, to request to change MCOs. Children eligible for TennCare as a result of being eligible for SSI may request to enroll in another MCO or remain with TennCare Select.

2.4.7.2.2 *Annual Choice Period*

- 2.4.7.2.2.1 TENNCARE shall provide an opportunity for members to change MCOs (excluding TennCare Select) every twelve (12) months. Children eligible for TennCare as a result of being eligible for SSI may request to enroll in another MCO or remain with TennCare Select.
- 2.4.7.2.2.2 Members who do not select another MCO will be deemed to have chosen to remain with their current MCO.

2.4.7.2.2.3 Enrollees who select a new MCO shall have one (1) opportunity anytime during the ninety (90) day period immediately following the specified enrollment effective date in the newly selected MCO to request to change MCOs.

2.4.7.2.3 *Appeal Based on Hardship Criteria*

As provided in TennCare rules and regulations, members may appeal to TENNCARE to change MCOs based on hardship criteria.

2.4.7.2.4 *Additional Reasons for Disenrollment*

As provided in Section A.2.5.2, a member may be disenrolled from the CONTRACTOR's MCO for the reasons specified therein.

2.4.7.3 Member Moving out of Grand Region

The CONTRACTOR shall be responsible for the provision and cost of all covered services for any member moving outside the CONTRACTOR's Grand Region until the member is disenrolled by TENNCARE. TENNCARE shall continue to make payments to the CONTRACTOR on behalf of the enrollee until such time as the enrollee is enrolled in another MCO or otherwise disenrolled by TENNCARE (e.g., enrollee is terminated from the TennCare program). TENNCARE shall notify the CONTRACTOR promptly upon enrollment of the enrollee in another MCO.

A.2.4.8 Transfers from Other MCOs

2.4.8.1 The CONTRACTOR shall accept enrollees (enrolled or pending enrollment) from any MCO in the CONTRACTOR's service area as authorized by TENNCARE. The transfer of membership may occur at any time during the year. No enrollee from another MCO shall be transferred retroactively to the CONTRACTOR except as specified in Section A.2.4.9. Except as provided in Section A.2.4.9, the CONTRACTOR shall not be responsible for payment of any covered services incurred by enrollees transferred to the CONTRACTOR prior to the effective date of transfer to the CONTRACTOR.

2.4.8.2 Transfers from other MCOs shall be in consideration of the maximum enrollment levels established in Section A.2.4.3.

2.4.8.3 To the extent possible and practical, TENNCARE shall provide advance notice to all MCOs serving a Grand Region of the impending failure of one of the MCOs serving the Grand Region; however, failure by TENNCARE to provide advance notice shall not limit in any manner the responsibility of each MCO to accept enrollees from failed MCOs.

A.2.4.9 Enrollment of Newborns

2.4.9.1 TennCare-eligible newborns and their mothers, to the extent that the mother is eligible for TennCare, should be enrolled in the same MCO with the exception of newborns that are SSI eligible at birth. Newborns that are SSI eligible at birth shall be assigned to TennCare Select but may opt out and enroll in another MCO.

- 2.4.9.2 A newborn may be inadvertently enrolled in an MCO different than its mother. When such cases are identified by the CONTRACTOR, the CONTRACTOR shall immediately report to TENNCARE, in accordance with written procedures provided by TENNCARE, that a newborn has been incorrectly enrolled in an MCO different than its mother.
- 2.4.9.3 Upon receipt of notice from the CONTRACTOR or discovery by TENNCARE that a newborn has been incorrectly enrolled in an MCO different than its mother, TENNCARE shall immediately:
- 2.4.9.3.1 Disenroll the newborn from the incorrect MCO;
 - 2.4.9.3.2 Enroll the newborn in the same MCO as its mother with the same effective date as when the newborn was enrolled in the incorrect MCO;
 - 2.4.9.3.3 Recoup any payments made to the incorrect MCO for the newborn; and
 - 2.4.9.3.4 Make payments only to the correct MCO for the period of coverage.
- 2.4.9.4 The MCO in which the newborn is correctly enrolled shall be responsible for the coverage and payment of covered services provided to the newborn for the full period of eligibility. Except as provided below, the MCO in which the newborn was incorrectly enrolled shall have no liability for the coverage or payment of any services during the period of incorrect MCO assignment. TENNCARE shall only be liable for the capitation payment to the correct MCO.
- 2.4.9.5 There are circumstances in which a newborn's mother may not be eligible for participation in the TennCare program. The CONTRACTOR shall be required to process claims received for services provided to newborns within the time frames specified in Section A.2.22.4 of this Contract. A CONTRACTOR shall not utilize any blanket policy which results in the automatic denial of claims for services provided to a TennCare-eligible newborn, during any period of enrollment in the CONTRACTOR's MCO, because the newborn's mother is not a member of the CONTRACTOR's MCO. However, it is recognized that in complying with the claims processing time frames specified in Section A.2.22.4 of this Contract, a CONTRACTOR may make payment for services provided to a TennCare-eligible newborn enrolled in the CONTRACTOR's MCO at the time of payment but the newborn's eligibility may subsequently be moved to another MCO. In such event, the MCO in which the newborn is first enrolled (first MCO) may submit supporting documentation to the MCO in which the newborn is moved (second MCO) and the second MCO shall reimburse the first MCO within thirty (30) calendar days of receipt of such properly documented request for reimbursement, for the amount expended on behalf of the newborn prior to the newborn's eligibility having been moved to the second MCO. Such reimbursement shall be the actual amount expended by the first MCO. The second MCO agrees that should the second MCO fail to reimburse the first MCO the actual amount expended on behalf of the newborn within thirty (30) calendar days of receipt of a properly documented request for payment, TENNCARE is authorized to deduct the amount owed from any funds due the second MCO and to reimburse the first MCO. In the event that the CONTRACTOR fails to reimburse the first MCO the actual amount expended on behalf of the newborn within thirty (30) calendar days of receipt of a properly documented request for payment, TENNCARE may assess liquidated damages as specified in Section E.29.2. Should it become necessary for TENNCARE to intervene in such cases, both the second MCO and the first MCO agree that

TENNCARE shall be held harmless by both MCOs for actions taken by TENNCARE to resolve the dispute.

A.2.4.10 Information Requirements Upon Enrollment

As described in Section A.2.17 of this Contract, the CONTRACTOR shall provide the following information to new members: a member handbook, an identification card, and information regarding how to access and/or request a general provider directory and/or a CHOICES or ECF CHOICES provider directory. In addition, the CONTRACTOR shall provide CHOICES members with CHOICES member education materials and ECF CHOICES members with ECF CHOICES member education materials (see Section A.2.17.7).

A.2.5 DISENROLLMENT FROM AN MCO

A.2.5.1 General

A member may be disenrolled from the CONTRACTOR's MCO only when authorized by TENNCARE.

A.2.5.2 Acceptable Reasons for Disenrollment from an MCO

A member may request disenrollment or be disenrolled from the CONTRACTOR's MCO if:

- 2.5.2.1 The member selects another MCO during the ninety (90) day change period after enrollment with the CONTRACTOR's MCO and is enrolled in another MCO;
- 2.5.2.2 The member selects another MCO during the annual choice period and is enrolled in another MCO;
- 2.5.2.3 A request by the member to change MCOs based on hardship criteria (pursuant to TennCare rules and regulations) is approved by TENNCARE, and the member is enrolled in another MCO.
- 2.5.2.4 An appeal by the member to change MCOs based on hardship criteria (pursuant to TennCare rules and regulations) is decided by TENNCARE in favor of the member, and the member is enrolled in another MCO;
- 2.5.2.5 The member is assigned incorrectly to the CONTRACTOR's MCO by TENNCARE and enrolled in another MCO;
- 2.5.2.6 The member moves outside the MCO's service area and is enrolled in another MCO;
- 2.5.2.7 A CHOICES or ECF CHOICES member may request reassignment and shall have cause to change MCO assignment if all requirements are met in TennCare Rule 1200-13-13-.03(2)(c), or TennCare Rule 1200-13-14-.03(2)(c) as applicable;
- 2.5.2.8 During the appeal process, if TENNCARE determines it is in the best interest of the enrollee and TENNCARE (see Section A.2.19.3.9);
- 2.5.2.9 The member loses eligibility for TennCare;
- 2.5.2.10 TENNCARE grants members the right to terminate enrollment pursuant to Section E.29.1, and the member is enrolled in another MCO;

- 2.5.2.11 The CONTRACTOR no longer participates in TennCare; or
- 2.5.2.12 This Contract expires or is terminated.

A.2.5.3 Unacceptable Reasons for Disenrollment from an MCO

The CONTRACTOR shall not request disenrollment of an enrollee for any reason. TENNCARE shall not disenroll members for any of the following reasons:

- 2.5.3.1 Adverse changes in the enrollee's health;
- 2.5.3.2 Pre-existing medical or behavioral health conditions;
- 2.5.3.3 High cost medical or behavioral health bills;
- 2.5.3.4 Failure or refusal to pay applicable TennCare cost sharing responsibilities, except when this results in loss of eligibility for TennCare;
- 2.5.3.5 Enrollee's utilization of medical or behavioral health services;
- 2.5.3.6 Enrollee's diminished mental capacity; or
- 2.5.3.7 Enrollee's uncooperative or disruptive behavior resulting from his or her special needs (except when his or her continued enrollment in the MCO seriously impairs the entity's ability to furnish services to either this particular enrollee or other enrollees).

A.2.5.4 Informing TENNCARE of Potential Ineligibility

Although the CONTRACTOR may not request disenrollment of a member, the CONTRACTOR shall inform TENNCARE promptly when the CONTRACTOR knows or has reason to believe that an enrollee may satisfy any of the conditions for termination from the TennCare program as described in TennCare rules and regulations.

A.2.5.5 Effective Date of Disenrollment from an MCO

2.5.5.1 Member Requested Disenrollment

All TENNCARE approved disenrollment requests from enrollees shall be effective on or before the first calendar day of the second month following the month of an enrollee's request to disenroll from an MCO. The effective date shall be indicated on the termination record sent by TENNCARE.

2.5.5.2 Other Disenrollments

The effective date of disenrollments other than at the request of the member shall be determined by TENNCARE and indicated on the termination record.

A.2.6 BENEFITS/SERVICE REQUIREMENTS AND LIMITS

A.2.6.1 CONTRACTOR Covered Benefits

- 2.6.1.1 The CONTRACTOR shall cover the physical health, behavioral health and long-term care services/benefits outlined below. Additional requirements for behavioral health services are included in Section A.2.7.2 and Attachment I.
- 2.6.1.2 The CONTRACTOR shall integrate the delivery of physical health, behavioral health and long-term care services. This shall include but not be limited to the following:
- 2.6.1.2.1 The CONTRACTOR shall operate a member services toll-free phone line (see Section A.2.18.1) that is used by all members, regardless of whether they are calling about physical health, behavioral health and/or long-term care services. The CONTRACTOR shall not have a separate number for members to call regarding behavioral health and/or long-term care services. The CONTRACTOR may either route the call to another entity or conduct a “warm transfer” to another entity, but the CONTRACTOR shall not require an enrollee to call a separate number regarding behavioral health and/or long-term care services.
- 2.6.1.2.2 If the CONTRACTOR’s nurse triage/nurse advice line is separate from its member services line, the CONTRACTOR shall comply with the requirements in Section A.2.6.1.2.2 as applied to the nurse triage/nurse advice line. The number for the nurse triage/nurse advice line shall be the same for all members, regardless of whether they are calling about physical health, behavioral health and/or long-term services, and the CONTRACTOR may either route calls to another entity or conduct “warm transfers,” but the CONTRACTOR shall not require an enrollee to call a separate number.
- 2.6.1.2.3 As required in Section A.2.9.6, the CONTRACTOR shall ensure continuity and coordination among physical health, behavioral health, and long-term services and supports and ensure collaboration among physical health, behavioral health, and long-term services and supports providers. For CHOICES members and ECF CHOICES members, the member’s Care Coordinator, Support Coordinator, or Integrated Support Coordination Team, as applicable, shall ensure continuity and coordination of physical health, behavioral health, and long-term services and supports, and facilitate communication and ensure collaboration among physical health, behavioral health, and long-term services and supports providers.
- 2.6.1.2.4 Each of the CONTRACTOR’s Population Health programs (see Section A.2.8) shall address the needs of members who have co-morbid physical health and behavioral health conditions.
- 2.6.1.2.5 The CONTRACTOR shall provide the appropriate level of Population Health services (see Section A.2.8.4 of this Contract) to non-CHOICES and non-ECF CHOICES members with co-morbid physical health and behavioral health conditions. These members should have a single case manager that is trained to provide Population Health services to enrollees with co-morbid physical and behavioral health conditions. The CONTRACTOR shall report on its Population Health activities per requirements in Section A.2.30.5.

2.6.1.2.6 If the CONTRACTOR uses different Systems for physical health services, behavioral health and/or long-term care services, these systems shall be interoperable. In addition, the CONTRACTOR shall have the capability to integrate data from the different systems.

2.6.1.2.7 The CONTRACTOR's administrator/project director (see Section A.2.29.1.3.1) shall be the primary contact for TENNCARE regarding all issues, regardless of the type of service, and shall not direct TENNCARE to other entities. The CONTRACTOR's administrator/project director shall coordinate with the CONTRACTOR's Behavioral Health Director who oversees behavioral health activities (see Section A.2.29.1.3.5 of this Contract) for all behavioral health issues and the senior executive responsible for CHOICES activities (see Sections A.2.29.1.3.7 of this Contract) for all issues pertaining to the CHOICES and ECF CHOICES programs.

2.6.1.4.1 The CMS Managed Care Rules specify that an MCO may cover, in addition to services covered under the state plan, any services necessary for compliance with the requirements for parity in mental health and substance use disorder benefits in 42 CFR part 438, subpart K. In accordance with this requirement, this Contract identifies the types and amount, duration and scope of services consistent with the analysis of parity compliance conducted by TENNCARE.

- 2.6.1.4.1.1 In accordance with 42 CFR 438.905(a), the CONTRACTOR must comply with 42 CFR Subpart K—Parity in Mental Health and Substance Use Disorder Benefits requirements for all enrollees of a MCO in states that cover both medical/surgical benefits and mental health or substance use disorder benefits under the state plan.
- 2.6.1.4.1.2 TENNCARE does not impose an annual dollar limit on any medical/surgical benefits or includes an aggregate lifetime or annual dollar limit that applies to medical/surgical benefits provided to enrollees through a contract with the state, therefore, the CONTRACTOR shall not impose an aggregate lifetime or annual dollar limit on mental health or substance use disorder benefits, in accordance with 42 CFR 438.905(b), 42 CFR 438.905(c), and 42 CFR 438.905(e).
- 2.6.1.4.1.3 In accordance with 42 CFR 438.910(b)(1), the CONTRACTOR shall not apply any financial requirement or treatment limitation to mental health or substance use disorder benefits in any classification that is more restrictive than the predominant financial requirement or treatment limitation of that type applied to substantially all medical/surgical benefits in the same classification furnished to enrollees (whether or not the benefits are furnished by the same managed care contractor).
- 2.6.1.4.1.4 In accordance with 42 CFR 438.910(b)(2) and as specified in the benefit charts of Section A.2.6.1.3 and A.2.6.1.4, if an enrollee is provided mental health or substance use disorder benefits in any classification of benefits (inpatient, outpatient, emergency care, or prescription drugs), mental health or substance use disorder benefits must be provided to the MCO enrollee in every classification in which medical/surgical benefits are provided.
- 2.6.1.4.1.5 In accordance with 42 CFR 438.910(c)(3), the CONTRACTOR shall not apply any cumulative financial requirements for mental health or substance use disorder benefits in a classification (inpatient, outpatient, emergency care, prescription drugs) that accumulates separately from any established for medical/surgical benefits in the same classification.
- 2.6.1.5 Long-Term Care Benefits for CHOICES Members
- 2.6.1.5.1 In addition to physical health benefits (see Section A.2.6.1.3) and behavioral health benefits (see Section A.2.6.1.4), the CONTRACTOR shall provide long-term care services (including CHOICES HCBS and nursing facility care) as described in this Section A.2.6.1.5 to members who have been enrolled into CHOICES by TENNCARE, as shown in the outbound 834 enrollment file furnished by TENNCARE to the CONTRACTOR.
- 2.6.1.5.2 TennCare enrollees will be enrolled by TENNCARE into CHOICES if the following conditions, at a minimum, are met:

 - 2.6.1.5.2.2 For Groups 1 and 2, TENNCARE determines that the enrollee meets nursing facility level of care including for Group 2, that the enrollee needs ongoing CHOICES HCBS in order to live safely in the home or community setting and to delay or prevent nursing facility placement;

- 2.6.1.5.2.3 For Group 2, the CONTRACTOR or, for new TennCare applicants, TENNCARE or its designee, determines that the enrollee’s combined CHOICES HCBS, private duty nursing and home health care can be safely provided at a cost less than the cost of nursing facility care for the member;
- 2.6.1.5.2.4 For Group 3, TENNCARE determines that the enrollee meets the at-risk level of care; and
- 2.6.1.5.2.5 For Groups 2 and 3, but excluding Interim Group 3, if there is an enrollment target, TENNCARE determines that the enrollment target has not been met or, for Group 2, approves the CONTRACTOR’s request to provide CHOICES HCBS as a cost effective alternative (see Section A.2.6.5). Enrollees transitioning from a nursing facility to the community will not be subject to the enrollment target for Group 2 but must meet categorical and financial eligibility for Group 2.

The CONTRACTOR shall monitor all short-term NF stays for Group 2 and Group 3 members and shall ensure that the member is transitioned from Group 2 or Group 3, as applicable, to Group 1 at any time a) it is determined that the stay will not be short-term or the member will not transition back to the community; and b) prior to exhausting the ninety (90)-day short-term NF benefit covered for CHOICES Group 2 and Group 3 members.
- 2.6.1.5.3.1.1 The ninety (90) day limit shall be applied on a per admission (and not a per year) basis. A member may receive more than one short-term stay during the year; however, the visits shall not be consecutive. Further, the CONTRACTOR shall be responsible for carefully reviewing any instance in which a member receives multiple short-term stays during the year or across multiple years, including a review of the circumstances which resulted in each nursing facility admission, and shall evaluate whether the services and supports provided to the member are sufficient to safely meet his needs in the community such that transition back to CHOICES Group 2 or Group 3 (as applicable) is appropriate.
- 2.6.1.5.3.1.2 The CONTRACTOR shall monitor, on an ongoing basis, members utilizing the short-term NF benefit, and shall submit to TENNCARE on a monthly basis a member-by-member status for each Group 2 and Group 3 member utilizing the short-term NF stay benefit, including but not limited to the name of each Group 2 and Group 3 member receiving short-term NF services, the NF in which s/he currently resides, the date of admission for short-term stay, the number of days of short-term NF stay utilized for this admission, and the anticipated date of discharge back to the community. For any member exceeding the ninety (90)-day limit on short-term NF stay, the CONTRACTOR shall include explanation regarding why the benefit limit has been exceeded, and specific actions the CONTRACTOR is taking to facilitate discharge to the community or transition to Group 1, as applicable, including the anticipated timeline.

- 2.6.1.5.4 In addition to the benefit limits described above, in no case shall the CONTRACTOR exceed the member's individual cost neutrality cap (as defined in Section A.1 of this Contract) for CHOICES Group 2 or the expenditure cap for Group 3.
- 2.6.1.5.4.1 For CHOICES members in Group 2, the services that shall be compared against the member's individual cost neutrality cap include the total cost of CHOICES HCBS and Medicaid reimbursed home health care and private duty nursing. The total cost of CHOICES HCBS includes all covered CHOICES HCBS and other non-covered services that the CONTRACTOR elects to offer as a cost effective alternative to nursing facility care pursuant to Section A.2.6.5.2 of this Contract including, as applicable: CHOICES HCBS in excess of specified CHOICES benefit limits, the one-time transition allowance for Group 2 and NEMT for Groups 2 and 3.
- 2.6.1.5.4.2 For CHOICES members in Group 3, the total cost of CHOICES HCBS, excluding minor home modifications, shall not exceed the expenditure cap (as defined in Section A.1 of this Contract).
- 2.6.1.5.5 CHOICES members may, pursuant to Section A.2.9.7, choose to participate in consumer direction of eligible CHOICES HCBS and, at a minimum, hire, fire and supervise workers of eligible CHOICES HCBS.
- 2.6.1.5.6 The CONTRACTOR shall, on an ongoing basis, monitor CHOICES members' receipt and utilization of long-term care services and identify CHOICES members who are not receiving long-term care services. Pursuant to Section A.2.30.11.4, the CONTRACTOR shall, on a monthly basis, notify TENNCARE regarding members that have not received long-term care services for a thirty (30) day period of time. The CONTRACTOR shall be responsible for immediately initiating disenrollment of any member who is not receiving TennCare-reimbursed long-term care services and is not expected to resume receiving long-term care services within the next thirty (30) days, except under extenuating circumstances which must be reported to TennCare on the CHOICES Utilization Report. Acceptable circumstances may include, but are not limited to, a member's temporary hospitalization or temporary receipt of Medicare-reimbursed skilled nursing facility care. Such notification and/or disenrollment shall be based not only on receipt and/or payment of claims for long-term care services, but also upon review and investigation by the CONTRACTOR as needed to determine whether the member has received long-term care services, regardless of whether claims for such services have been submitted or paid.
- 2.6.1.5.7 The CONTRACTOR may submit to TENNCARE a request to no longer provide long-term care services to a member due to concerns regarding the ability to safely and effectively care for the member in the community and/or to ensure the member's health, safety and welfare. Acceptable reasons for this request include but are not limited to the following:
 - 2.6.1.5.7.1 A member in Group 2 for whom the CONTRACTOR has determined that it cannot safely and effectively meet the member's needs at a cost that is less than the member's cost neutrality cap, and the member declines to transition to a nursing facility;
 - 2.6.1.5.7.2 A member in Group 2 or 3 who repeatedly refuses to allow a Care Coordinator entrance into his/her place of residence (Section A.2.9.6);

- 2.6.1.5.7.3 A member in Group 2 or 3 who refuses to receive critical HCBS as identified through a comprehensive assessment and documented in the member's PCSP; and
- 2.6.1.5.7.4 A member in Group 1 who fails to pay his/her patient liability and the CONTRACTOR is unable to find a nursing facility willing to provide services to the member (Section A.2.6.7.2).
- 2.6.1.5.7.5 A member in Group 2 or 3 who refuses to pay his/her patient liability and for whom the CONTRACTOR is either: 1) in the case of persons receiving CBRA services, unable to identify another provider willing to provide services to the member; or 2) in the case of persons receiving non-residential HCBS or companion care, the CONTRACTOR is unwilling to continue to serve the member, and the Division of TennCare has determined that no other MCO is willing to serve the member.
- 2.6.1.5.7.6 The CONTRACTOR's request to no longer provide long-term care services to a member shall include documentation as specified by TENNCARE. The State shall make any and all determinations regarding whether the CONTRACTOR may discontinue providing long-term care services to a member, disenrollment from CHOICES, and, as applicable, termination from TennCare.
- 2.6.1.5.8 The CONTRACTOR may submit to TENNCARE a request to disenroll from CHOICES a member who is not receiving any Medicaid-reimbursed LTC services based on the CONTRACTOR's inability to reach the member only when the CONTRACTOR has exhausted all reasonable efforts to contact the member, and has documented such efforts in writing, which must be submitted with the disenrollment request. Efforts to contact the member shall include, at a minimum:
 - 2.6.1.5.8.1 Multiple attempts to contact the member, his/her representative or designee (as applicable) by phone. Such attempts must occur over a period of at least two (2) weeks and at different times of the day and evening, including after business hours. The CONTRACTOR shall attempt to contact the member at the phone number provided in the outbound 834 enrollment file, any additional phone numbers the CONTRACTOR has on file, including referral records and case management notes; and phone numbers that may be provided in TENNCARE's PAE Tracking System. The CONTRACTOR shall also contact the member's Primary Care Provider and any contracted LTSS providers that have delivered services to the member during the previous six (6) months in order to obtain contact information that can be used to reach the member;
 - 2.6.1.5.8.2 At least one (1) visit to the member's most recently reported place of residence except in circumstances where significant safety concerns prevent the CONTRACTOR from completing the visit, which shall be documented in writing; and
 - 2.6.1.5.8.3 An attempt to contact the member by mail at the member's most recently reported place of residence at least two (2) weeks prior to the request to disenroll.

2.6.1.6.4 In addition to the benefits specified above which shall be delivered in accordance with the definitions, including limitations set forth in the approved 1115 waiver and in TennCare rule, a person enrolled in ECF CHOICES Groups 4, 5, and 6 may receive short-term nursing facility care, without being required to disenroll from their ECF CHOICES group until such time that it is determined that transition back to HCBS in ECF CHOICES will not occur within ninety (90) days from admission. A person enrolled in ECF CHOICES Groups 7 and 8 shall not be eligible to receive short-term nursing facility care.

2.6.1.6.5 The CONTRACTOR shall review all requests for short-term NF stays and shall authorize and/or reimburse short-term NF stays for Groups, 4, 5 and 6 members only when (1) the member is enrolled in ECF CHOICES Group 4, 5, or 6 and receiving HCBS upon admission; (2) the member meets the nursing facility level of care in place at the time of admission; (3) the member’s stay in the facility is expected to be less than ninety (90) days; and (4) the member is expected to return to the community upon its conclusion. The CONTRACTOR shall monitor all short-term NF stays for Group 4, 5, and 6 members and shall ensure that the member is disenrolled from ECF CHOICES if a) it is determined that the stay will not be short-term or the member will not transition back to the community; and b) prior to exhausting the ninety (90)-day short-term NF benefit covered for ECF CHOICES Group 4, 5, and 6. A person enrolled in ECF CHOICES Groups 7 or 8 is not eligible for a short-term NF stay and must be disenrolled from ECF CHOICES in order to receive Medicaid-reimbursed NF services.

2.6.1.6.6 The ninety (90) day limit shall be applied on a per admission (and not a per year) basis. A member may receive more than one short-term stay during the year; however, the visits shall not be consecutive. Further, the CONTRACTOR shall be responsible for carefully reviewing any instance in which a member receives multiple short-term stays during the year or across multiple years, including a review of the circumstances which resulted in each nursing facility admission, and shall evaluate whether the services and supports provided to the member are sufficient to safely meet his needs in the community such that transition back to ECF CHOICES Group 4, 5 or 6 (as applicable) is appropriate.

2.6.1.6.7 The CONTRACTOR shall monitor, on an ongoing basis, members utilizing the short-term NF benefit, and shall submit to TENNCARE on a monthly basis a member-by-member status for each Group 4, 5, or 6 member utilizing the short-term NF stay benefit, including but not limited to the name of each Group 4, 5, or 6 member receiving short-term NF services, the NF in which s/he currently resides, the date of admission for short-term stay, the number of days of short-term NF stay utilized for this admission, and the anticipated date of discharge back to the community. For any member exceeding the ninety (90)-day limit on short-term NF stay, the CONTRACTOR shall include explanation regarding why the benefit limit has been exceeded, and specific actions the CONTRACTOR is taking to facilitate discharge to the community including the anticipated timeline.

- 2.6.1.6.8 The cost of such services shall not be counted toward the person's expenditure cap. During the short-term stay, the person's patient liability amount will continue to be calculated based on the community personal needs allowance in order to allow the person to maintain his/her community residence. Additional tracking, reporting and monitoring processes will be put in place for these services.
- 2.6.1.6.9 ECF CHOICES benefits will be subject to an annual per member expenditure cap. Specifically:
 - 2.6.1.6.9.1 Individuals receiving Group 4 benefits will be subject to a \$15,000 cap, not counting the cost of minor home modifications;
 - 2.6.1.6.9.2 Individuals receiving Group 5 benefits will be subject to a \$30,000 cap. The State may grant an exception for emergency needs up to \$6,000 in additional services per year, but shall not permit expenditures to exceed a hard cap of \$36,000 per calendar year, except that, for purposes of compliance with the federal HCBS Settings Rule, a member receiving Community Living Supports may be permitted to exceed the cap when necessary to permit access to Supported Employment and/or Individual Employment Support benefits.
 - 2.6.1.6.9.2.1 The exception applies only to newly requested Individual Employment Support benefits; previously approved Individual Employment Support benefits that have been provided within a member's Expenditure Cap shall not be shifted above the Expenditure Cap by adding other HCBS which are not eligible for this exception.
 - 2.6.1.6.9.2.2 For a Group 5 member requiring a Community Stabilization and Transition rate of reimbursement for Community Living Supports (CLS), the higher cost of transitional CLS shall be excluded from the Group 5 member's Expenditure Cap for the year in which the transitional CLS are required, when a member is expected to be safely and appropriately served within the Group 5 Expenditure Cap, once transition to the appropriate ongoing CLS level occurs and the transitional rate ends.
 - 2.6.1.6.9.3 Individuals receiving Group 6 benefits will be subject to an annual expenditure cap as follows:
 - 2.6.1.6.9.3.1 Individuals in Group 6 with low need as determined by the State shall be subject to a \$45,000 expenditure cap. The State may, on a case-by-case basis, grant an exception for emergency or one-time (including transitional CLS) needs up to seven thousand five hundred dollars (\$7,500) per calendar year. Except as provided below, the CONTRACTOR shall not permit HCBS expenditures to exceed a hard cap of \$52,500 per calendar year.
 - 2.6.1.6.9.3.2 Individuals in Group 6 with moderate need as determined by the State shall be subject to a \$67,500 expenditure cap. The State may, on a case-by-case basis, grant an exception for emergency or one-time (including transitional CLS) needs up to seven thousand five hundred dollars (\$7,500) per calendar year. Except as provided below, the CONTRACTOR shall not permit HCBS expenditures to exceed a hard cap of \$75,000 per calendar year.
 - 2.6.1.6.9.3.2.1 Any exception for emergency or one-time needs that may be granted shall apply only for the calendar year in which the exception is approved.

- 2.6.1.6.9.3.2.2 For purposes of compliance with the federal HCBS Settings Rule, a member receiving Community Living Supports may be permitted to exceed the \$75,000 hard cap when necessary to permit access to Supported Employment and/or Individual Employment Support benefits.
- 2.6.1.6.9.3.2.3 This exception shall apply *only* to newly requested Individual Employment Support benefits. Previously approved Individual Employment Support benefits that have been provided within a member's Expenditure Cap shall not be shifted above the Expenditure Cap by adding other HCBS which are not eligible for this exception.
- 2.6.1.6.9.3.3 Individuals with high need as determined by the State shall be subject to a \$88,250 expenditure cap. The State may, on a case-by-case basis, grant an exception for emergency or one-time (including transitional CLS) needs up to seven thousand five hundred dollars (\$7,500) per calendar year. Except as provided below, the CONTRACTOR shall not permit HCBS expenditures to exceed a hard cap of \$95,750 per calendar year.
- 2.6.1.6.9.3.4 The State may grant an exception as follows: for individuals with DD and exceptional medical/behavioral needs as determined by the State, up to the average cost of NF plus specialized services that would be needed for persons with such needs determined appropriate for NF placement; or for individuals with ID and exceptional medical/behavioral needs as determined by the State, up to the average cost of private ICF/IID services.
- 2.6.1.6.9.3.4.1 No exceptions to the Expenditure Cap shall be permitted for individuals with exceptional medical/behavioral needs as determined by the State. When a member's Expenditure Cap is based on the comparable cost of institutional care (an individual cost neutrality cap), the member's Expenditure Cap shall not be exceeded.
- 2.6.1.6.9.4 Individuals receiving Group 7 benefits shall be subject to an expenditure cap based on the comparable cost of institutional care as determined by TENNCARE.
- 2.6.1.6.9.4.1 Any home health or PDN services the member receives shall be counted against the expenditure cap.
- 2.6.1.6.9.4.2 While integrated in the delivery system, behavioral health services (other than IBFCTSS) shall not be counted against the expenditure cap.
- 2.6.1.6.9.4.3 No exceptions to the expenditure cap shall be permitted for individuals in ECF CHOICES Group 7.
- 2.6.1.6.9.5 Individuals receiving Group 8 benefits shall be subject to an expenditure cap based on the comparable cost of institutional care, as determined by TENNCARE, which may as determined appropriate, take into account the cost of short-term inpatient psychiatric hospitalization or other restrictive treatment setting for which the CONTRACTOR would otherwise be responsible for payment.
- 2.6.1.6.9.5.1 Any home health or PDN services the member receives shall be counted against the expenditure cap.

- 2.6.1.6.9.5.2 While integrated in the delivery system, behavioral health services (other than IBCTSS) will not be counted against the expenditure cap.
- 2.6.1.6.9.5.3 No exceptions to the expenditure cap shall be permitted for individuals in ECF CHOICES Group 8
- 2.6.1.6.10 ECF CHOICES members may, pursuant to Section A.2.9.7, choose to participate in consumer direction of eligible ECF CHOICES HCBS and, at a minimum, hire, fire and supervise workers of eligible ECF CHOICES HCBS.
- 2.6.1.6.11 The CONTRACTOR shall, on an ongoing basis, monitor ECF CHOICES members' receipt and utilization of long-term services and supports and identify ECF CHOICES members who are not receiving long-term services and supports. Pursuant to Section A.2.30.11.4, the CONTRACTOR shall, on a monthly basis, notify TENNCARE regarding members that have not received long-term services and supports for a thirty (30) day period of time. The CONTRACTOR shall be responsible for immediately initiating disenrollment of any member who is not receiving TennCare-reimbursed long-term services and supports and is not expected to resume receiving long-term services and supports within the next thirty (30) days, except under extenuating circumstances which must be reported to TennCare on the CHOICES and ECF CHOICES Utilization Report. Acceptable circumstances may include, but are not limited to, a member's temporary hospitalization or temporary receipt of Medicare-reimbursed skilled nursing facility care. Such notification and/or disenrollment shall be based not only on receipt and/or payment of claims for long-term services and supports, but also upon review and investigation by the CONTRACTOR as needed to determine whether the member has received long-term services and supports, regardless of whether claims for such services have been submitted or paid.
- 2.6.1.6.12 The CONTRACTOR may submit to TENNCARE a request to no longer provide long-term services and supports to a member due to concerns regarding the ability to safely and effectively care for the member in the community and/or to ensure the member's health, safety and welfare. Acceptable reasons for this request include but are not limited to the following:
 - 2.6.1.6.12.1 A member in any ECF CHOICES Group for whom the CONTRACTOR has determined that it cannot safely and effectively meet the member's needs at a cost that is less than the member's expenditure cap when the member is unable or unwilling to transition to a different ECF CHOICES Group in which the member's needs could be safely and effectively met within the expenditure cap that would be applied in that Group;
 - 2.6.1.6.12.2 A member in any ECF CHOICES Group who repeatedly refuses to allow a Support Coordinator entrance into his/her place of residence (Section A.2.9.6);
 - 2.6.1.6.12.3 A member in any ECF CHOICES Group who refuses to receive critical HCBS as identified through a comprehensive assessment and documented in the member's PCSP; and

- 2.6.1.6.12.4 A member in any ECF CHOICES Group who refuses to pay his/her patient liability and for whom the CONTRACTOR is either: 1) in the case of persons receiving CBRA services, unable to identify another provider willing to provide services to the member; or 2) in the case of persons receiving non-residential HCBS or companion care, the CONTRACTOR is unwilling to continue to serve the member, and the Division of TennCare has determined that no other MCO is willing to serve the member.
- 2.6.1.6.13 The CONTRACTOR's request to no longer provide long-term services and supports to a member shall include documentation as specified by TENNCARE. The State shall make any and all determinations regarding whether the CONTRACTOR may discontinue providing long-term services and supports to a member, disenrollment from ECF CHOICES, and, as applicable, termination from TennCare.
- 2.6.1.6.14 The CONTRACTOR may submit to TENNCARE a request to disenroll from ECF CHOICES a member who is not receiving any Medicaid-reimbursed long-term services and supports based on the CONTRACTOR's inability to reach the member only when the CONTRACTOR has exhausted all reasonable efforts to contact the member, and has documented such efforts in writing, which must be submitted with the disenrollment request. Efforts to contact the member shall include, at a minimum:
- 2.6.1.6.14.1 Multiple attempts to contact the member, his/her representative or designee (as applicable) by phone. Such attempts must occur over a period of at least two (2) weeks and at different times of the day and evening, including after business hours. The CONTRACTOR shall attempt to contact the member at the phone number provided in the outbound 834 enrollment file, any additional phone numbers the CONTRACTOR has on file, including referral records and case management or support coordination notes; and phone numbers that may be provided in TENNCARE's PAE Tracking System. The CONTRACTOR shall also contact the member's Primary Care Provider and any contracted providers of long-term services and supports that have delivered services to the member during the previous six (6) months in order to obtain contact information that can be used to reach the member;
- 2.6.1.6.14.2 At least one (1) visit to the member's most recently reported place of residence except in circumstances where significant safety concerns prevent the CONTRACTOR from completing the visit, which shall be documented in writing; and
- 2.6.1.6.14.3 An attempt to contact the member by mail at the member's most recently reported place of residence at least two (2) weeks prior to the request to disenroll.

A.2.6.2 **TennCare Benefits Provided by TENNCARE**

TennCare shall be responsible for the payment of the following benefits:

2.6.2.1 Dental Services

Except as provided in Section A.2.6.1.3 of this Contract, dental services shall not be provided by the CONTRACTOR but shall be provided by a dental benefits manager (DBM) under contract with TENNCARE. Coverage of dental services is described in TennCare rules and regulations.

2.6.2.2 Pharmacy Services

Except as provided in Section A.2.6.1.3 of this Contract, pharmacy services shall not be provided by the CONTRACTOR but shall be provided by a pharmacy benefits manager (PBM) under contract with TENNCARE. Coverage of pharmacy services is described in TennCare rules and regulations. TENNCARE does not cover pharmacy services for enrollees who are dually eligible for TennCare and Medicare.

2.6.2.3 ICF/IID Services and Alternatives to ICF/IID Services

For qualified enrollees in accordance with TennCare policies and/or TennCare rules and regulations, TENNCARE covers the costs of long-term care institutional services in an Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) or alternative to an ICF/IID provided through a Home and Community Based Services (HCBS) waiver for persons with intellectual disabilities. The CONTRACTOR shall be responsible for providing HCBS to members with an intellectual or developmental disability who are enrolled in ECF CHOICES, as an alternative to services in a Nursing Facility.

A.2.6.3 **Medical Necessity Determination**

- 2.6.3.1 The CONTRACTOR may place appropriate limits on a covered benefit. In accordance with the TennCare medical necessity rule, the CONTRACTOR may establish procedures for the determination of medical necessity and for the use of medically appropriate cost effective alternative benefits. The CONTRACTOR may also limit benefits for the purpose of utilization control in accordance with NCQA standards, as long as (1) the furnished benefits can reasonably achieve the purpose for which they are furnished, and as long as (2) the benefits furnished for enrollees with chronic conditions (or who require LTSS) are authorized in a manner that reflects the enrollee's ongoing need for such benefits. See 42 C.F.R. §438.3(e)(2) and 42 C.F.R. §438.210(a)(4). Additionally, the CONTRACTOR shall include in its review of medical necessity for CHOICES or ECF CHOICES HCBS and HCBS-related services, including Durable Medical Equipment, for individuals receiving HCBS in CHOICES, ECF CHOICES, or a Section 1915(c) HCBS Waiver, whether the HCBS or related service provide an opportunity for the member receiving long-term services and supports to have access to the benefits of community living, achieve person-centered goals, be free of undue restraint, and live and work in the setting of their choice as prescribed in TennCare policy.
- 2.6.3.2 The CONTRACTOR shall use written criteria based on sound clinical evidence to make utilization decisions. The written criteria shall specify procedures for appropriately applying the criteria. The criteria must satisfy NCQA standards. The CONTRACTOR shall apply objective and evidence-based criteria and take individual circumstances and the local delivery into account when determining the medical appropriateness of health care services.
- 2.6.3.3 The CONTRACTOR shall ensure that the services are sufficient in amount, duration, or scope to reasonably achieve the purpose for which the services are furnished. The CONTRACTOR shall not arbitrarily deny or reduce the amount, duration, or scope of a required service solely because of the diagnosis, type of illness, or condition.
- 2.6.3.4 The CONTRACTOR may deny benefits which are excluded under TennCare rule and may premise such denial on the applicable exclusion rule.

2.6.3.5 Prior to any reduction of home health or private duty nursing services prescribed by a treating physician for a chronic condition, the CONTRACTOR shall review nursing and aide care notes and the results of face-to-face assessments, including care coordination or case management visits conducted by the CONTRACTOR. The CONTRACTOR shall provide such documentation which supports the CONTRACTOR's medical necessity determination to TENNCARE upon request, including in response to any Appeal that may be filed regarding such action..

A.2.6.4 **Second Opinions**

The CONTRACTOR shall provide for a second opinion in any situation where there is a question concerning a diagnosis or the options for surgery or other treatment of a health condition when requested by a member, parent and/or legally appointed representative. The second opinion shall be provided by a contracted qualified health care professional or the CONTRACTOR shall arrange for a member to obtain one from a non-contract provider. The second opinion shall be provided at no cost to the member.

A.2.6.5 **Use of Cost Effective Alternative Services**

2.6.5.1 The CONTRACTOR shall be allowed to use cost effective alternative services, whether listed as covered or non-covered or omitted in Section A.2.6.1 of this Contract, when the use of such alternative services is medically appropriate and is cost effective. This may include, for example, use of nursing facilities as step down alternatives to acute care hospitalization or hotel accommodations for persons on outpatient radiation therapy to avoid the rigors of daily transportation. The CONTRACTOR may not require the enrollee to accept a CEA in lieu of a covered service. The CONTRACTOR shall comply with TennCare policies and procedures. As provided in the applicable TennCare policies and procedures, services not listed in the TennCare policies and procedures must be prior approved in writing by TENNCARE.

2.6.5.2 For CHOICES and ECF CHOICES members, the CONTRACTOR may choose to provide the following as a cost effective alternative to other covered services:

2.6.5.2.1 CHOICES HCBS to CHOICES or ECF CHOICES members who would otherwise receive nursing facility care. If a member meets categorical and financial eligibility requirements for enrollment in Group 2 or ECF CHOICES and also meets the nursing facility level of care, as determined by TENNCARE, and would otherwise remain in or be admitted to a nursing facility (as determined by the CONTRACTOR and demonstrated to the satisfaction of TENNCARE), the CONTRACTOR may, at its discretion and upon TENNCARE written prior approval, offer that member CHOICES HCBS or ECF CHOICES HCBS, as appropriate, as a cost effective alternative to nursing facility care (see Section A.2.9.6.3.20). In this instance, TENNCARE will enroll the member receiving CHOICES HCBS or ECF CHOICES as a cost effective alternative to nursing facility services in Group 2 or in the appropriate ECF CHOICES Group, notwithstanding any enrollment target for the group that has been reached.

2.6.5.2.2 HCBS to CHOICES members in Group 2 in excess of the benefit limits described in Section A.2.6.1.5.3 and ECF CHOICES HCBS in excess of the benefit limits described in Section A.2.6.1.6 for ECF CHOICES members who meet the nursing facility level of care as a cost effective alternative to nursing facility care or covered home health services.

- 2.6.5.2.3 CHOICES HCBS to CHOICES members in Group 3 in excess of the benefit limits described in Section A.2.6.1.5.3 and ECF CHOICES to ECF CHOICES members in excess of the benefit limits described in Section to A.2.6.1.6 for ECF CHOICES members who do not meet the nursing facility level of care as a cost effective alternative to covered home health services. For members in Group 3 and members in ECF CHOICES who do not meet nursing facility level of care CHOICES HCBS in excess of benefit limits specified in Section A.2.6.1.5.3 and ECF CHOICES in excess of benefit limits specified in Section A.2.6.1.6 may not be offered as a cost effective alternative to nursing facility care.
- 2.6.5.2.4 Non-covered HCBS to CHOICES members in Group 2 and ECF CHOICES members who meet the nursing facility level of care not otherwise specified in this Contract or in applicable TennCare policies and procedures, upon written prior approval from TENNCARE.
- 2.6.5.2.5 For CHOICES Group 1 members transitioning from a nursing facility to Group 2 or Group 3 or ECF CHOICES, a one-time transition allowance, per member. The amount of the transition allowance shall not exceed two thousand dollars (\$2,000). The allowance may be used for rent and/or utility deposits (rental security deposits required to obtain a lease—e.g., first and last month’s rent—may be covered even if not refundable; ongoing rent may not), essential kitchen appliances, basic furniture, and essential basic household items, such as towels, linens, and dishes. In provider-owned settings (including settings which the provider owns, co-owns, has any ownership interest in, or has any affiliation with the entity that owns the home in which the member will reside), the transition allowance shall only be used for household items and furnishings that are for the member’s personal use, such as bedroom furniture, towels, linens, sheets, and other similar items as approved by TENNCARE. A transition allowance shall not be used for rent or for household items and furnishings for common use of all persons residing in the home. Regardless of setting, items purchased as part of the Transition Allowance shall be the personal property of the member, not the provider. When the CONTRACTOR elects to provide a Transition Allowance to a member transitioning to CHOICES Group 3 or ECF CHOICES, the amount of the Transition Allowance shall be applied to the member’s Expenditure Cap.
- 2.6.5.2.6 For CHOICES members in Groups 2 or 3, non-emergency medical transportation (NEMT) not otherwise covered by this Contract.
- 2.6.5.3 If the CONTRACTOR chooses to provide cost effective alternative services to a CHOICES or ECF CHOICES member, in no case shall the cost of CHOICES HCBS, private duty nursing and home health care exceed the member's Expenditure Cap for Group 2 exceed a member’s cost neutrality cap. In no case shall the cost of ECF CHOICES HCBS, private duty nursing and home health care for members in ECF CHOICES Group 6 who are granted an exception to the expenditure cap based on exceptional medical and/or behavioral needs, and for members enrolled in ECF CHOICES Groups 7 and 8 who also have an Expenditure Cap based on the comparable cost of institutional care. For CHOICES members enrolled in Group 3 and ECF CHOICES members, the total cost of CHOICES HCBS or ECF CHOICES, as applicable, excluding, for members in Group 3 and Group 4 the cost of minor home modifications, shall not exceed the expenditure cap. The total cost of CHOICES HCBS includes all covered CHOICES HCBS and other non-covered services that the CONTRACTOR elects to offer as a cost effective alternative to

nursing facility care for CHOICES Group 2 members pursuant to Section A.2.6.5.2 of this Contract including, as applicable: CHOICES HCBS in excess of specified benefit limits, the one-time transition allowance for CHOICES Group 1 members who are transitioning to CHOICES Group 2 or Group 3, and NEMT for Groups 2 and 3. The total cost of ECF CHOICES HCBS includes all covered ECF CHOICES HCBS and other non-covered services the CONTRACTOR elects to offer as a cost-effective alternative to nursing facility care for members who meet nursing facility level of care, including a transition allowance, or to other covered benefits for all ECF CHOICES members, including ECF CHOICES HCBS in excess of specified benefit limits.

2.6.5.4 The CONTRACTOR may elect, at its sole discretion, to exceed the limits for adult dental services in ECF CHOICES as specified in Section A.2.6.1.6.3 as a cost-effective alternative service when the provision of such additional dental services would be medically appropriate and offer a more cost-effective alternative to other covered services the member would otherwise require.

2.6.5.5 When the CONTRACTOR approves CHOICES or ECF CHOICES HCBS as a CEA to another covered benefit (including but not limited to home health, private duty nursing, or nursing facility services) and subsequently elects to reduce or terminate such CEA service, the CONTRACTOR shall, prior to initiating the adverse action, review whether the covered benefit will, upon reduction or termination of the CEA service, be medically necessary. The CONTRACTOR shall review previous and current comprehensive assessments and the PCSP to ensure that the member's needs will continue to be met safely with the benefits the member will continue to receive and will make such documentation available in the course of any appeal pertaining to the CEA service and as requested by TENNCARE.

A.2.6.6 **Additional Services and Use of Incentives**

2.6.6.1 The CONTRACTOR shall not advertise any services that are not required by this Contract other than those covered pursuant to Section A.2.6.1 of this Contract.

2.6.6.2 The CONTRACTOR shall not offer or provide any services other than services covered by this Contract (see Section A.2.6.1) or services provided as a cost effective alternative (see Section A.2.6.5) of this Contract. However, the CONTRACTOR may provide incentives that have been specifically prior approved in writing by TENNCARE. For example, TENNCARE may approve the use of incentives given to enrollees to encourage participation in Population Health programs.

A.2.6.7 **Cost Sharing and Patient Liability**

2.6.7.1 General

The CONTRACTOR and all providers and subcontractors shall not require any cost sharing or patient liability responsibilities for covered services except to the extent that cost sharing or patient liability responsibilities are required for those services by TENNCARE in accordance with TennCare rules and regulations, including but not limited to, not holding enrollees liable for debt due to insolvency of the CONTRACTOR or non-payment by the State to the CONTRACTOR. Any cost sharing imposed on Medicaid enrollees shall be in accordance with Medicaid FFS requirements at 42 CFR 447.50 through 42 CFR 447.82. Further, the CONTRACTOR and all providers and subcontractors shall not charge enrollees for missed appointments.

2.6.7.2 Patient Liability

2.6.7.2.1 TENNCARE will notify the CONTRACTOR of any applicable patient liability amounts for CHOICES and ECF CHOICES members via the outbound 834 enrollment file.

2.6.7.2.1.1 When TENNCARE notifies the CONTRACTOR of patient liability amounts for CHOICES or ECF CHOICES members via the outbound 834 enrollment file with an effective date any time other than the first day of the month, the CONTRACTOR shall determine and apply the pro-rated portion of patient liability for that month.

2.6.7.2.2 The CONTRACTOR shall delegate collection of patient liability for CHOICES Group 1 members to the nursing facility and shall pay the facility net of the applicable patient liability amount.

2.6.7.2.2.1 In accordance with the involuntary discharge process, including notice and appeal (see Section A.2.12.10.3), a nursing facility may refuse to continue providing services to a member who fails to pay his or her patient liability and for whom the nursing facility can demonstrate to the CONTRACTOR that it has made a good faith effort to collect payment.

2.6.7.2.2.2 If the CONTRACTOR is notified that a nursing facility is considering discharging a member (see Section A.2.12.10.3), the CONTRACTOR shall work to find an alternate nursing facility willing to serve the member and document its efforts in the member's files.

2.6.7.2.2.3 If the CONTRACTOR is unable to find an alternate nursing facility willing to serve the member and the member otherwise qualifies to enroll in CHOICES Group 2, the CONTRACTOR shall determine if it can safely and effectively serve the member in the community and within the cost neutrality cap. If it can, and the CONTRACTOR is willing to continue serving a member who has failed to pay his or her patient liability or if TENNCARE determines that the member would not have patient liability in the community setting, the member shall be offered a choice of CHOICES HCBS. If the member chooses CHOICES HCBS, the CONTRACTOR shall forward all relevant information to TENNCARE for a decision regarding transition to Group 2 (Section A.2.9.6.8).

2.6.7.2.2.4 If the CONTRACTOR is unable to find an alternate nursing facility willing to serve the member and the CONTRACTOR determines that it cannot safely and effectively serve the member in the community and within the cost neutrality cap, the member declines to enroll in Group 2, or TENNCARE determines that the member would continue to have patient liability in the community setting and the CONTRACTOR is unwilling to continue serving the member who has failed to pay his or her patient liability, or TENNCARE denies enrollment in Group 2, the CONTRACTOR may, pursuant to Section A.2.6.1.5.7, request to no longer provide long-term care services to the member.

2.6.7.2.3 For CHOICES Group 2 and 3 and ECF CHOICES members, patient liability shall be collected as follows:

- 2.6.7.2.3.1 The Contractor shall delegate collection of patient liability for CHOICES Group 2 and 3 and ECF CHOICES members who reside in a CBRA (i.e., an assisted care living facility, a home where the member receives community living supports or community living supports-family model, or adult care home as licensed under 68-11-201) to the CBRA provider and shall pay the provider net of the applicable patient liability amount.
- 2.6.7.2.3.2 The CONTRACTOR shall collect patient liability from CHOICES Group 2 and Group 3 and ECF CHOICES members (as applicable) who receive CHOICES HCBS or ECF CHOICES in his/her own home, including members who are receiving short-term nursing facility care, or who receive adult day care services and from Group 2 members who receive Companion Care.
- 2.6.7.2.3.2.1 The CONTRACTOR shall use calculated patient liability amounts to offset the cost of CHOICES Group 2 or CHOICES Group 3 or ECF CHOICES benefits (or CEA services provided as an alternative to covered CHOICES Group 2 or Group 3 or ECF CHOICES benefits) reimbursed by the CONTRACTOR for that month.
- 2.6.7.2.3.2.2 The CONTRACTOR shall not collect patient liability that exceeds the cost of CHOICES Group 2 or CHOICES Group 3 or ECF CHOICES benefits (or CEA services provided as an alternative to CHOICES Group 2 or Group 3 or ECF CHOICES benefits) reimbursed by the CONTRACTOR for that month.
- 2.6.7.2.3.2.3 The CONTRACTOR shall, upon notification in the outbound 834 enrollment file of retroactive adjustments in patient liability amounts based on Item D deductions, without requiring any action on the part of the member or provider, adjust the Group 2 or Group 3 or ECF CHOICES member's patient liability for the following month(s) until reimbursement of any overpayment is accomplished, or shall refund any overpayments within thirty (30) days of a request from the member or when the member will not continue to have patient liability obligations going forward.
- 2.6.7.2.3.3 If a Group 2 or Group 3 or ECF CHOICES member fails to pay required patient liability, pursuant to Section A.2.6.1.5.7.6, the CONTRACTOR may request to no longer provide long-term services and supports to the member.
- 2.6.7.2.3.4 The CONTRACTOR shall not waive or otherwise fail to establish and maintain processes for collection of patient liability in accordance with this Contract.

2.6.7.3 Preventive Services

TennCare cost sharing or patient liability responsibilities shall apply to covered services other than the preventive services described in TennCare rules and regulations.

2.6.7.4 Cost Sharing Schedule

The current TennCare cost sharing schedule is included in this Contract as Attachment II. The CONTRACTOR shall not waive or use any alternative cost sharing schedules, unless required by TENNCARE.

2.6.7.5 Provider Requirements

- 2.6.7.5.1 Providers or collection agencies acting on the provider's behalf may not bill enrollees for amounts other than applicable TennCare cost sharing or patient liability amounts for covered services, including but not limited to, services that the State or the CONTRACTOR has not paid for, except as permitted by TennCare rules and regulations and as described below. Providers may seek payment from an enrollee only in the following situations.
- 2.6.7.5.1.1 If the services are not covered services and, prior to providing the services, the provider informed the enrollee that the services were not covered. The provider shall inform the enrollee of the non-covered service and have the enrollee acknowledge the information. If the enrollee still requests the service, the provider shall obtain such acknowledgment in writing prior to rendering the service. Regardless of any understanding worked out between the provider and the enrollee about private payment, once the provider bills an MCO for the service that has been provided, the prior arrangement with the enrollee becomes null and void without regard to any prior arrangement worked out with the enrollee.
- 2.6.7.5.1.2 If the enrollee's TennCare eligibility is pending at the time services are provided and if the provider informs the person they will not accept TennCare assignment whether or not eligibility is established retroactively. Regardless of any understanding worked out between the provider and the enrollee about private payment, once the provider bills an MCO for the service the prior arrangement with the enrollee becomes null and void without regard to any prior arrangement worked out with the enrollee.
- 2.6.7.5.1.3 If the enrollee's TennCare eligibility is pending at the time services are provided, however, all monies collected, except applicable TennCare cost sharing or patient liability amounts shall be refunded when a claim is submitted to an MCO because the provider agreed to accept TennCare assignment once retroactive TennCare eligibility was established. (The monies collected shall be refunded as soon as a claim is submitted and shall not be held conditionally upon payment of the claim.)
- 2.6.7.5.1.4 If the services are not covered because they are in excess of an enrollee's benefit limit, and the provider complies with applicable TennCare rules and regulations.
- 2.6.7.5.2 The CONTRACTOR shall require, as a condition of payment, that the provider accept the amount paid by the CONTRACTOR or appropriate denial made by the CONTRACTOR (or, if applicable, payment by the CONTRACTOR that is supplementary to the enrollee's third party payer) plus any applicable amount of TennCare cost sharing or patient liability responsibilities due from the enrollee as payment in full for the service. Except in the circumstances described above, if the CONTRACTOR is aware that a provider, or a collection agency acting on the provider's behalf, bills an enrollee for amounts other than the applicable amount of TennCare cost sharing or patient liability responsibilities due from the enrollee, the CONTRACTOR shall notify the provider and demand that the provider and/or collection agency cease such action against the enrollee immediately. If a provider continues to bill an enrollee after notification by the CONTRACTOR, the CONTRACTOR shall refer the provider to the Tennessee Bureau of Investigation.

A.2.7 SPECIALIZED SERVICES

A.2.7.1 Emergency Services

- 2.7.1.1 Emergency services (as defined in Section A.1 of this Contract) shall be available twenty-four (24) hours a day, seven (7) days a week.
- 2.7.1.2 The CONTRACTOR shall review and approve or disapprove claims for emergency services based on the definition of emergency medical condition specified in Section A.1 of this Contract. The CONTRACTOR shall base coverage decisions for emergency services on the severity of the symptoms at the time of presentation and shall cover emergency services where the presenting symptoms are of sufficient severity to constitute an emergency medical condition in the judgment of a prudent layperson. The CONTRACTOR shall not impose restrictions on coverage of emergency services more restrictive than those permitted by the prudent layperson standard. The CONTRACTOR shall have policies that address emergency and non-emergency use of services provided in an outpatient emergency setting.
- 2.7.1.3 The CONTRACTOR shall provide coverage for inpatient and outpatient emergency services, furnished by a qualified provider, regardless of whether the member obtains the services from a contract provider, that are needed to evaluate or stabilize an emergency medical condition that is found to exist using the prudent layperson standard. These services shall be provided without prior authorization in accordance with 42 CFR 438.114. The CONTRACTOR shall pay for any emergency screening examination services conducted to determine whether an emergency medical condition exists and for all emergency services that are medically necessary until the member is stabilized. However, the CONTRACTOR shall have policies to determine when non-emergency services are provided in an outpatient emergency setting.
- 2.7.1.4 If an emergency screening examination leads to a clinical determination by the examining provider that an actual emergency medical condition exists, the CONTRACTOR shall pay for both the services involved in the screening examination and the services required to stabilize the member. The CONTRACTOR shall be required to pay for all emergency services which are medically necessary until the clinical emergency is stabilized. This includes all medical and behavioral health services that may be necessary to assure, within reasonable medical probability, that no material deterioration of the member's condition is likely to result from, or occur during, discharge of the member or transfer of the member to another facility. If there is a disagreement between the treating facility and the CONTRACTOR concerning whether the member is stable enough for discharge or transfer, or whether the medical benefits of an un-stabilized transfer outweigh the risks, the judgment of the attending provider(s) actually caring for the member at the treating facility prevails and is binding on the CONTRACTOR. The CONTRACTOR, however, may establish arrangements with a treating facility whereby the CONTRACTOR may send one of its own providers with appropriate emergency room privileges to assume the attending provider's responsibilities to stabilize, treat, and transfer the member, provided that such arrangement does not delay the provision of emergency services.

- 2.7.1.5 The CONTRACTOR shall not retroactively deny a claim for an emergency screening examination because the condition, which appeared to be an emergency medical condition under the prudent layperson standard, turned out to be non-emergency in nature. If an emergency screening examination leads to a clinical determination by the examining provider that an actual emergency medical condition does not exist, then the determining factor for payment liability shall be whether the member had acute symptoms of sufficient severity at the time of presentation. In such cases, the CONTRACTOR shall review the presenting symptoms of the member and shall pay for all services involved in the screening examination where the presenting symptoms (including severe pain) were of sufficient severity to have warranted emergency attention under the prudent layperson standard regardless of final diagnosis.
- 2.7.1.6 When the member's PCP or the CONTRACTOR instructs the member to seek emergency services, the CONTRACTOR shall be responsible for payment for the medical screening examination and for other medically necessary emergency services, without regard to whether the member's condition meets the prudent layperson standard.
- 2.7.1.7 Once the member's condition is stabilized, the CONTRACTOR may require prior authorization for hospital admission or follow-up care.

In the event the failed referral is for dental services, the CONTRACTOR shall coordinate with the DBM to arrange for services.
- 2.7.6.1.7 The CONTRACTOR shall not require prior authorization for periodic and interperiodic screens conducted by PCPs. The CONTRACTOR shall provide all medically necessary covered services regardless of whether the need for such services was identified by a provider who had received prior authorization from the CONTRACTOR or from a contract provider.
- 2.7.6.1.8 The CONTRACTOR shall have a tracking system to monitor each TennCare Kids eligible member's receipt of the required screening, diagnosis, and treatment services. The tracking system shall have the ability to generate immediate reports on each member's TennCare Kids status, reflecting all encounters reported more than sixty (60) days prior to the date of the report.
- 2.7.6.1.9 In the event that a member under sixteen (16) years of age is seeking behavioral health TennCare Kids services and the member's parent(s), or legally appointed representative is unable to accompany the member to the examination, the CONTRACTOR shall require that its providers either contact the member's parent(s), or legally appointed representative to discuss the findings and inform the family of any other necessary health care, diagnostic services, treatment or other measures recommended for the member or notify the MCO to contact the parent(s), or legally appointed representative with the results.
- 2.7.6.1.10 The CONTRACTOR's TennCare Kids and Quality staff shall participate in a collaborative workgroup, consisting of the MCOs, the Tennessee Department of Health, and TennCare. This workgroup will address, but is not limited to, innovative ways to improve EPSDT screening rates.

2.7.6.2 Member Education and Outreach

- 2.7.6.2.1 The CONTRACTOR shall be responsible for outreach activities and for informing members who are under the age of twenty-one (21), or their parent or legally appointed representative, of the availability of TennCare Kids services. All TennCare Kids member materials shall be submitted to TENNCARE for written approval prior to distribution in accordance with Section A.2.17.1 and shall be made available in accordance with the requirements specified in Section A.2.17.2.
- 2.7.6.2.2 The CONTRACTOR shall have a minimum of six (6) “outreach contacts” per member per calendar year in which it provides information about TennCare Kids to members. The minimum “outreach contacts” include: one (1) member handbook as described in Section A.2.17.4, four (4) quarterly member newsletters as described in Section A.2.17.5, and one (1) reminder notice issued before a screening is due. The reminder notice shall include an offer of transportation and scheduling assistance.
- 2.7.6.2.2.1 If the CONTRACTOR’s TennCare Kids screening rate is below ninety percent (90%), as determined in the most recent CMS 416 report, the CONTRACTOR shall conduct New Member Calls for all new members under the age of twenty-one (21) to inform them of TennCare Kids services including assistance with appointment scheduling and transportation to appointments.
- 2.7.6.2.2.2 The CONTRACTOR shall have the ability to conduct TennCare Kids outreach in formats appropriate to members who are blind, deaf, illiterate or have Limited English Proficiency. At least one of the 6 outreach attempts identified above shall advise members regarding how to request and/or access such assistance and/or information. The CONTRACTOR shall collaborate with agencies that have established procedures for working with special populations in order to develop effective outreach materials.
- 2.7.6.2.3 The CONTRACTOR shall have a mechanism for systematically notifying families when TennCare Kids screens are due.
- 2.7.6.2.4 As part of its TennCare Kids policies and procedures, the CONTRACTOR shall have a written process for following up with members who do not get their screenings timely. This process for follow up shall include provisions for documenting all outreach attempts and maintaining records of efforts made to reach out to members who have missed screening appointments or who have failed to receive regular check-ups. The CONTRACTOR shall make at least two (2) efforts per year in excess of the six (6) “outreach contacts” to get the member in for a screening. The efforts shall be in different formats.
- 2.7.6.2.5 The CONTRACTOR shall have a process for determining if a member who is eligible for TennCare Kids has used no services within a year. Two (2) reasonable attempts to re-notify such members about TennCare Kids must be made and shall be in different formats.
- 2.7.6.2.6 The CONTRACTOR shall make available to members and families accurate lists of names and phone numbers of contract providers who are currently accepting TennCare members as described in Section A.2.17.8 of this Contract.
- 2.7.6.2.7 The CONTRACTOR shall target specific informing activities to pregnant women and families with newborns. Provided that the CONTRACTOR is aware of the pregnancy, the CONTRACTOR shall inform all pregnant women prior to the

estimated delivery date about the availability of TennCare Kids services for their children. The CONTRACTOR shall offer TennCare Kids services for the child when it is born.

2.7.6.2.8 The CONTRACTOR shall provide member education, outreach, and screening events in community settings. Screening events shall be conducted in each of the Grand Regions, covered by this Contract in accordance with the following specifications (See Section A.2.7.4.2):

2.7.6.2.8.1 Beginning in Federal Fiscal Year 2020, screening events and/or campaigns shall be implemented statewide, with focus on those areas identified with low EPSDT screening rates, following guidance from the previous FFY data and the EPSDT Strategy Meeting.

2.7.6.2.8.2 The CONTRACTOR shall conduct screening events and/or campaigns through each region it serves to ensure all members have reasonable access to EPSDT outreach during a Federal Fiscal Year. Results of the CONTRACTOR's or STATE's CMS 416 report, as well as county demographics, shall be utilized in determining counties for targeted activities and in developing strategies for specific age groups. The CONTRACTOR shall develop outreach strategies for specific populations including members who have limited English proficiency, low literacy levels, behavioral health needs, special health care needs or who are pregnant.

2.7.6.3 Screening

2.7.6.3.1 The CONTRACTOR shall provide periodic comprehensive child health assessments meaning, "regularly scheduled examinations and evaluations of the general physical and mental health, growth, development, and nutritional status of infants, children, and youth".

2.7.6.3.2 At a minimum, these screens shall include periodic and interperiodic screens and be provided at intervals which meet reasonable standards of medical, behavioral and dental practice, as determined by the State after consultation with recognized medical and dental organizations involved in child health care. The State has determined that "reasonable standards of medical and dental practice" are those standards set forth in the American Academy of Pediatrics Recommendations for Preventive Pediatric Health Care for medical practice and American Academy of Pediatric Dentistry (AAPD) guidelines for dental practice. Tools used for screening shall be consistent with the screening guidelines recommended by the State which are available on the TennCare web site. These include, but are not limited to recommended screening guidelines for developmental/behavioral surveillance and screening, hearing screenings, and vision screenings.

2.7.6.3.3 The screens shall include, but not be limited to:

2.7.6.3.3.1 Comprehensive health and developmental history (including assessment of physical and mental health development and dietary practices);

2.7.6.3.3.2 Comprehensive unclothed physical examination, including measurements (the child's growth shall be compared against that considered normal for the child's age and gender);

- 2.7.6.3.3.3 Appropriate immunizations scheduled according to the most current Advisory Committee on Immunization Practices (ACIP) schedule according to age and health history;
- 2.7.6.3.3.4 Appropriate vision and hearing testing provided at intervals which meet reasonable standards of medical practice and at other intervals as medically necessary to determine the existence of suspected illness or condition;
- 2.7.6.3.3.5 Appropriate laboratory tests (including lead toxicity screening appropriate for age and risk factors). All children are considered at risk and shall be screened for lead poisoning. All children shall receive a screening blood lead test at twelve (12) and twenty-four (24) months of age. Children between the ages of thirty-six (36) months and seventy-two (72) months of age shall receive a screening blood lead test if they have not been previously screened for lead poisoning. A blood lead test shall be used when screening Medicaid-eligible children. A blood lead test equal to or greater than five (5) ug/dL obtained by capillary specimen (finger stick) shall be confirmed by using a venous blood sample; and
- 2.7.6.3.3.6 Health education which includes anticipatory guidance based on the findings of all screening. Health education should include counseling to both members and members' parents or to the legally appointed representative to assist in understanding what to expect in terms of the child's development and to provide information about the benefits of healthy lifestyles and practices as well as accident and disease prevention.
- 2.7.6.3.4 The CONTRACTOR shall encourage providers to refer children to dentists for periodic dental screens beginning no later than three (3) years of age and earlier as needed (as early as six (6) to twelve (12) months in accordance with the American Academy of Pediatric Dentistry (AAPD) guidelines) and as otherwise appropriate.
- 2.7.6.3.5 The CONTRACTOR shall establish a procedure for PCPs or other providers completing TennCare Kids screenings to refer TennCare Kids eligible members requiring behavioral health services to appropriate providers.
- 2.7.6.4 Services
- 2.7.6.4.1 Should screenings indicate a need, the CONTRACTOR shall provide all necessary health care, diagnostic services, treatment, and other measures described in 42 USC 1396d(a) (Section 1905(a) of the Social Security Act) to correct or ameliorate or prevent from worsening defects and physical and mental illnesses and conditions discovered by the screening services, whether or not such services are covered under the Medicaid State plan (see Section A.2.7.6.4.8). This includes, but is not limited to, the services detailed below.
- 2.7.6.4.2 The CONTRACTOR shall provide treatment for defects in vision and hearing, including eyeglasses and hearing aids.
- 2.7.6.4.3 The CONTRACTOR shall coordinate with the DBM to ensure that TennCare Kids eligible members receive dental care services furnished by direct referral to a dentist, at as early an age as necessary, and at intervals which meet reasonable standards of dental practice as determined by the State and at other intervals as medically necessary to determine the existence of a suspected illness or condition.

- 2.7.6.4.4 The CONTRACTOR shall not require prior authorization or written PCP referral in order for a member to obtain a mental health or substance abuse assessment, whether the assessment is requested as follow-up to a TennCare Kids screening or an interperiodic screening. This requirement shall not preclude the CONTRACTOR from requiring notification for a referral for an assessment. Furthermore, the CONTRACTOR shall establish a procedure for PCPs, or other providers, completing TennCare Kids screenings, to refer members under the age of twenty-one (21) for a mental health or substance abuse assessment.
- 2.7.6.4.5 For services not covered by Section 1905(a) of the Social Security Act, but found to be needed as a result of conditions disclosed during screening and diagnosis, the CONTRACTOR shall provide referral assistance as required by 42 CFR 441.61, including referral to providers and State health agencies.
- 2.7.6.4.6 *Transportation Services*
- 2.7.6.4.6.1 The CONTRACTOR shall provide transportation assistance for a child and for the child's escort or accompanying adult, including related travel expenses, cost of meals, and lodging en route to and from TennCare covered services. The requirement to provide the cost of meals shall not be interpreted to mean that a member (or the child's escort or accompanying adult) can request meals while in transport to and from care. Reimbursement for meals and lodging shall only be provided when transportation for a TennCare covered service cannot be completed in one (1) day and would require an overnight stay.
- 2.7.6.4.6.2 The CONTRACTOR shall offer transportation and scheduling assistance to all members under age twenty-one (21) who do not have access to transportation in order to access covered services. This may be accomplished through various means of communication to members, including but not limited to, member handbooks, TennCare Kids outreach notifications, etc.
- 2.7.6.4.7 *Services for Elevated Blood Lead Levels*
- 2.7.6.4.7.1 The CONTRACTOR shall provide follow up for elevated blood lead levels. Determining elevated blood levels requiring follow-up shall be in accordance with current CDC guidelines. Elevated blood lead follow up guidelines include follow up blood tests and investigations to determine the source of lead, when indicated.
- 2.7.6.4.7.2 The CONTRACTOR shall provide for any follow up service within the scope of the federal Medicaid statute, including diagnostic or treatment services determined to be medically necessary when elevated blood lead levels are identified in children. Such services would include Population Health Care Coordination or Complex Case management services and a one (1) time investigation to determine the source of lead.
- 2.7.6.4.7.3 The CONTRACTOR is responsible for the primary environmental lead investigation—commonly called a “lead inspection”—for children when elevated blood levels suggest a need for such an investigation.
- 2.7.6.4.7.4 If the lead inspection does not reveal the presence of lead paint in the home, there may be a need for other testing, such as risk assessments involving water and soil sampling or inspections of sites other than the primary residence if the child spends a substantial amount of time in another location. The CONTRACTOR is

not responsible for either the risk assessments or the lead inspection at the secondary site. However, the CONTRACTOR shall contact the DOH when these services are indicated as this agency is responsible for these services.

2.7.6.4.7.5 CONTRACTOR reimbursement for the primary environmental investigations is limited to the items specified in Part 5 of the State Medicaid Manual. These items include the health professional’s time and activities during the on-site investigation of the child’s primary residence. They do not include testing of environmental substances such as water, paint, or soil.

- 2.9.2.2.1 If the member is receiving services from a non-contract provider, the CONTRACTOR shall be responsible for the costs of continuation of medically necessary covered prenatal services, without any form of prior approval, until such time as the CONTRACTOR can reasonably transfer the member to a contract provider without impeding service delivery that might be harmful to the member's health.

- 2.9.2.5 If the CONTRACTOR becomes aware that a CHOICES or ECF CHOICES member will be transferring to another MCO, the CONTRACTOR (including, but not limited to the member's Care Coordinator or care coordination team or Support Coordinator or support coordination team, or the Integrated Support Coordination Team, as applicable) shall, in accordance with protocols established by TENNCARE, work with the other MCO in facilitating a seamless transition for that member.

- 2.9.6.1.1 The CONTRACTOR shall provide care coordination to all members enrolled in TennCare CHOICES and support coordination to all members enrolled in ECF CHOICES in accordance with this Contract and to other TennCare members only in order to determine the member's eligibility for and facilitate the member's enrollment in TennCare CHOICES or ECF CHOICES. Except for the initial process for current members that is necessary to determine the member's eligibility for and facilitate the member's enrollment in TennCare CHOICES or ECF CHOICES, care coordination shall not be available to non-CHOICES members, and support coordination shall not be available to non-ECF CHOICES members.
- 2.9.6.1.2 The CONTRACTOR shall provide care coordination and support coordination in a comprehensive, holistic, person-centered manner.
- 2.9.6.1.3 The CONTRACTOR shall use care coordination as the continuous process of: (1) assessing a member's physical, behavioral, functional, and psychosocial needs; (2) identifying the physical health, behavioral health and long-term care services and other social support services and assistance (e.g., housing or income assistance) that are necessary to meet identified needs; (3) ensuring timely access to and provision, coordination and monitoring of physical health, behavioral health, and long-term care services needed to help the member maintain or improve his or her physical or behavioral health status or functional abilities and maximize independence; and (4) facilitating access to other social support services and assistance needed in order to ensure the member's health, safety and welfare, and as applicable, to delay or prevent the need for more expensive institutional placement.
- 2.9.6.1.4 The CONTRACTOR shall use support coordination as the continuous process of: (1) identifying, developing, and supporting opportunities for a member's community involvement, including achieving and maintaining competitive, integrated employment consistent with the member's individual strengths, preferences and conditions for success; (2) leveraging member strengths, resource and opportunities available in the member's community, and natural supports available to the member in coordination with ECF services and supports to enable the member to achieve his/her desired lifestyle and goals for community involvement, employment and independent living and wellness; (3) assessing a member's physical, behavioral, functional, and psychosocial needs; (4) identifying the physical health, behavioral health and long-term services and other support services and assistance (e.g., vocational rehabilitation, housing or income assistance) that are necessary to enable the member to achieve his/her desired lifestyle, goals for community involvement, employment and independent living, and wellness, and to address identified needs; (5) ensuring timely access to and provision, coordination and monitoring of physical health, behavioral health, and long-term services and supports necessary to facilitate

the member's community involvement, including achieving and maintaining competitive, integrated employment, consistent with the member's individual strengths, preferences and conditions for success and necessary to maintain or improve his or her physical or behavioral health status and functional abilities, to maximize independence, to ensure the member's rights and choices, health, safety and welfare, and as applicable, to delay or prevent the need for more restrictive and more expensive institutional placement; and (6) facilitating access to other support services and assistance the member needs to achieve his/her desired lifestyle, goals for community involvement, employment and independent living and wellness, and to address identified needs.

- 2.9.6.1.5 Long-term services and supports identified through care coordination or support coordination and provided by the CONTRACTOR shall build upon and not supplant a member's existing support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the member through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance. However, once a member qualifies for CHOICES, he is no longer eligible to receive services under the State-funded Options program (see Rule 0030-2-1-.01), and neither the State nor the CONTRACTOR can require that services available to a member through CHOICES be provided instead through programs funded by Title III of the Older Americans Act.
- 2.9.6.1.6 The CONTRACTOR shall develop and implement policies and procedures for care coordination and for support coordination that comply with the requirements of this Contract.
- 2.9.6.1.7 The CONTRACTOR shall compute Care Coordination CHOICES-related timelines and Support Coordination ECF CHOICES-related timelines as follows:
 - 2.9.6.1.7.1 The date of receipt of the referral by the CONTRACTOR (which shall not include any additional days for the CONTRACTOR to process the referral or assign to appropriate staff) shall be the anchor date for the referral process. The anchor date is not included in the calculation of days.

 - 2.9.6.1.7.3 The Business Day (see Section 1) immediately following the anchor date is day one (1) of timelines utilizing business days. Each subsequent business day is included in the computation.
 - 2.9.6.1.7.4 The calendar day immediately following the anchor date is day one (1) of timelines utilizing calendar days. Each subsequent calendar day is included in the computation.
- 2.9.6.1.8 The CONTRACTOR's failure to meet requirements, including timelines, for care coordination or support coordination set forth in this Contract, except for good cause, constitutes non-compliance with this Contract. Such failure shall not affect any determination of eligibility for CHOICES or ECF CHOICES enrollment, which shall be based only on whether the member meets CHOICES or ECF CHOICES eligibility and enrollment criteria, as defined pursuant to the Section 1115 TennCare

Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols. Nor shall such failure affect any determination of coverage for CHOICES or ECF CHOICES benefits which shall be based only on the covered benefits for the applicable CHOICES or ECF CHOICES group in which the member is enrolled as defined pursuant to the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols; and in accordance with requirements pertaining to medical necessity.

2.9.6.1.9 The CONTRACTOR shall ensure that its care coordination and support coordination program complies with 42 CFR 438.208 and 42 § C.F.R. 441.301(c)(4)-(6).

2.9.6.1.10 The CONTRACTOR shall ensure that, upon enrollment into CHOICES or ECF CHOICES, the appropriate level of Population Health (see Section A.2.8.4 of this Contract) activities are integrated with CHOICES care coordination or ECF CHOICES support coordination processes and functions, and that the member's assigned Care Coordinator, Support Coordinator, or Integrated Support Coordination Team, as applicable, has primary responsibility for coordination of all the member's physical health, behavioral health, and long-term services and supports needs. The Care Coordinator, Support Coordinator, or Integrated Support Coordination Team may use resources and staff from the CONTRACTOR's Population Health programs, including persons with specialized expertise in areas such as behavioral health, to supplement but not supplant the role and responsibilities of the Care Coordinator/care coordination, Support Coordinator/support coordination team, or Integrated Support Coordination Team, as applicable.

2.9.6.2 Intake Process for Members New to Both TennCare and CHOICES or ECF CHOICES

2.9.6.2.1 The CONTRACTOR shall refer all inquiries regarding CHOICES or ECF CHOICES enrollment by or on behalf of potential applicants who are not enrolled with the CONTRACTOR to TENNCARE or its designee, as applicable for each program. The form and format for such referrals shall be developed in collaboration with the CONTRACTOR and TENNCARE or its designee.

2.9.6.2.3.1 For persons wishing to apply for CHOICES, TENNCARE or its designee may employ a screening process, using the tools and protocols specified by TENNCARE, to assist with intake for persons new to both TENNCARE and CHOICES. For potential applicants for ECF CHOICES, TENNCARE or its designee shall employ an electronic referral form, using the protocols specified by TENNCARE, to assist with referral and screening for persons new to both TENNCARE and ECF CHOICES. The ECF CHOICES self-referral and screening process is mandatory. For both programs, such screening process shall assess: (1) whether the potential applicant appears to meet categorical and financial eligibility criteria for CHOICES or ECF CHOICES, as applicable; and (2) whether the potential applicant appears to meet level of care eligibility for enrollment in CHOICES or ECF CHOICES. For ECF CHOICES, the screening process shall also gather information that can be used by TENNCARE to

prioritize the potential applicant for intake based on established prioritization and enrollment criteria. If the initial contact is not telephonic, or if TENNCARE or its designee is not able to provide assistance at the point of contact, within two (2) business days, TENNCARE or its designee shall contact the applicant to provide assistance to the potential applicant, as needed, in completing the online self-referral.

- 2.9.6.2.3.2 For persons 1) identified by TENNCARE or its designee as meeting the screening criteria; 2) who do not meet screening criteria but elect to proceed with intake; or 3) for CHOICES applicants for whom TENNCARE or its designee opts not to use a screening process, TENNCARE or its designee will conduct a face-to-face intake visit with the potential applicant.
- 2.9.6.2.3.3 As part of this intake visit for CHOICES, TENNCARE or its designee will, using the tools and protocols specified by TENNCARE, conduct a level of care and comprehensive assessment; and assess the potential applicant's existing natural support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the individual through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance.
- 2.9.6.2.3.4 For ECF CHOICES intake visits, TENNCARE or its designee will, using the intake packet and protocols specified by TENNCARE, gather basic information that will allow TENNCARE to verify the potential applicant's target population and prioritize the applicant for enrollment based on established prioritization and enrollment criteria.
- 2.9.6.2.3.5 TENNCARE or its designee shall conduct the intake visit for potential CHOICES or ECF CHOICES applicants in the potential applicant's place of residence, except under extenuating circumstances (such as the member's hospitalization), which shall be documented in writing.
- 2.9.6.2.3.6 As part of the intake visit for potential CHOICES applicants, TENNCARE or its designee shall: (1) document and confirm the applicant's current address and phone number(s); (2) provide general CHOICES education and information, as specified by TENNCARE, and assist in answering any questions the applicant may have; (3) provide information about estate recovery; (4) complete Medicaid and level of care (i.e., PAE) applications and provide assistance, as necessary, in gathering documentation needed by the State to determine TennCare eligibility; (5) provide choice counseling and facilitate the selection of an MCO by the applicant or his/her representative; (6) for applicants seeking enrollment in CHOICES Group 1 or Group 2, provide information regarding freedom of choice of nursing facility versus CHOICES HCBS, both verbally and in writing, and obtain a Freedom of Choice form signed and dated by the applicant or his/her representative; (7) provide detailed information and obtain signed acknowledgement of understanding regarding a CHOICES member's responsibility with respect to payment of patient liability amounts, including, as applicable, the potential consequences for non-payment of patient liability which may include loss of the member's current nursing facility or CBRA provider or MCO, disenrollment from CHOICES, and to the extent the member's eligibility is dependent on receipt of long-term care services, possible loss of eligibility for TennCare; (8) for applicants who want to receive NF services, provide information regarding the completion of all PASRR requirements prior to nursing facility admission and conduct the level I PASRR screening; (9) for applicants

who are seeking CHOICES HCBS: (a) conduct a risk assessment in accordance with protocols developed by TENNCARE and discuss with the applicant identified risks of receiving care in the home or community-based setting, the consequences of such risks, and strategies to mitigate the identified risks; and (b) provide information regarding consumer direction and obtain signed documentation of the applicant's interest in participating in consumer direction; and (10) provide information regarding next steps in the process including the need for approval by TENNCARE to enroll in CHOICES and the functions of the CONTRACTOR upon enrollment, including that the CONTRACTOR will develop and approve a PCSP.

- 2.9.6.2.3.7 As part of the face-to-face intake visit for potential ECF CHOICES applicants, TENNCARE or its designee shall, in accordance with requirements set forth in protocol: (1) document and confirm the potential applicant's current address and phone number(s); (2) provide general ECF CHOICES education and information, as specified by TENNCARE, including an explanation of the PAE completion and submission process, and assist in answering any questions the potential applicant may have; and (3) gather all required supporting documentation needed by TENNCARE to verify target population and to prioritize the person for enrollment based on established prioritization and enrollment criteria. TENNCARE or its designee may complete actions required as part of the enrollment process (see A.2.9.6.2.3.9) and obtain the required signatures during the intake visit for potential applicants that TENNCARE or its designee determines are likely to qualify in either an open priority category or a reserve capacity slot, but shall not proceed with enrollment activities (including completion and submission of a PAE) until such time that TENNCARE's designee is notified by TENNCARE that the person meets prioritization criteria for enrollment into a category that is currently open for enrollment and for which a slot is available, or that the person meets criteria for an available reserve capacity slot.
- 2.9.6.2.3.8 When it is determined by TENNCARE that a potential applicant for ECF CHOICES meets target population and also meets prioritization criteria for enrollment into a category that is currently open for enrollment and for which a slot is available, or that the person meets criteria for an available reserve capacity slot (which may require submission to the interagency review committee before such determination can be made), TENNCARE or its designee shall proceed with an enrollment visit. The enrollment visit may, on a case-by-case basis, be completed telephonically if it is determined during the intake visit that the applicant is likely to qualify in either an open priority category or a reserve capacity slot, actions required as part of the enrollment process (see A.2.9.6.2.3.9) including the required signatures have been completed, and an explanation of the PAE completion and submission process has been provided.
- 2.9.6.2.3.9 As part of the enrollment visit for ECF CHOICES, TENNCARE or its designee shall, as applicable (see 2.9.6.2.3.8.1) and in accordance with requirements set forth in protocol: (1) confirm or update, as applicable, the applicant's current address and phone number(s); (2) review ECF CHOICES education and information, as specified by TENNCARE, and assist in answering any questions the applicant may have; (3) make sure the applicant is aware that DIDD policy does not permit a person enrolled in ECF CHOICES to enroll in the Family Support Program operated by DIDD; (4) complete level of care (i.e., PAE) and Medicaid applications and provide assistance, as necessary, in gathering documentation needed by the State to determine medical and financial eligibility

for reimbursement of LTSS, including post-eligibility provisions (i.e., patient liability); (5) provide choice counseling and facilitate the selection of an MCO by the applicant or his/her representative; (6) provide information about estate recovery; (7) provide detailed information and obtain signed acknowledgement of understanding regarding an ECF CHOICES member's responsibility with respect to payment of patient liability amounts, including, as applicable, the potential consequences for non-payment of patient liability; (8) provide information regarding consumer direction and obtain signed documentation of the applicant's interest in participating in consumer direction; and (9) provide information regarding next steps in the process including the need for approval by TENNCARE to enroll in ECF CHOICES and the functions of the CONTRACTOR upon enrollment, including that the CONTRACTOR shall work with the applicant to develop and approve a PCSP. The enrollment visit shall be face-to-face, except in circumstances described in A.2.9.6.2.3.7 where TENNCARE's designee has already completed actions required as part of the enrollment process and obtained the required signatures during the face-to-face intake visit, in which case TENNCARE's designee may proceed with enrollment, and shall contact the ECF CHOICES applicant either in person or telephonically within five (5) business days of the decision to proceed with enrollment to inform the applicant that TENNCARE's designee shall be completing and submitting the PAE on the applicant's behalf, and will explain that the applicant will receive the outcome of this submission from TENNCARE via mail.

- 2.9.6.2.3.10 The State will be responsible for determining TennCare categorical and financial eligibility and level of care and enrolling eligible TennCare members into CHOICES or ECF CHOICES.
- 2.9.6.2.3.11 TENNCARE will notify the CONTRACTOR via the outbound 834 enrollment file when a person has been enrolled in CHOICES or ECF CHOICES, the member's CHOICES or ECF CHOICES Group, and any applicable patient liability amounts (See Section A.2.6.7).
- 2.9.6.2.3.11.1 For members in CHOICES Group 2, TENNCARE will notify the CONTRACTOR of the member's cost neutrality cap (see definition in Section 1 and Section A.2.6.1.5.2.3), which shall be the average cost of Level 1 nursing facility care, or upon implementation of the new nursing facility reimbursement methodology, the average cost of nursing facility care because the Level 1/Level 2 distinction will be eliminated, unless a higher cost neutrality cap is established by TENNCARE based on information submitted by the AAAD or MCO (as applicable) in the level of care, because the member would qualify to receive Enhanced Respiratory Care reimbursement in a nursing facility.
- 2.9.6.2.3.11.2 For members in ECF CHOICES, TENNCARE shall notify the CONTRACTOR of the member's expenditure cap (see definition in Section 1) on the outbound 271 file, and the CONTRACTOR shall receive, process, and update this file in accordance with Section A.2.4.6.1.
- 2.9.6.2.3.12 TENNCARE or its designee will make available to the CONTRACTOR all documentation from the intake visit (and for ECF CHOICES, the enrollment visit).
- 2.9.6.2.3.13 The CONTRACTOR shall complete all intake processes in Section A.2.9.6.2 within thirty (30) calendar days, unless an exception is granted by TENNCARE in writing due to extenuating circumstances beyond the CONTRACTOR's

control. If TENNCARE grants an exception, such exception will provide the CONTRACTOR an additional thirty (30) calendar days to complete an intake process for the applicant, totaling sixty (60) calendar days to complete the intake process. If TENNCARE grants the CONTRACTOR an exception and the CONTRACTOR does not complete the intake process within sixty (60) calendar days, the CONTRACTOR shall close the referral, notify TENNCARE, and document the reason(s) the intake process was not completed for that applicant, and shall maintain such documentation and provide the documentation to TENNCARE upon request.

2.9.6.2.4 *Functions of the CONTRACTOR for Members in CHOICES Group 1*

2.9.6.2.4.1 For members enrolled in CHOICES Group 1, who are, upon CHOICES enrollment, receiving nursing facility services, the CONTRACTOR shall reimburse such services in accordance with the level of reimbursement for nursing facility services approved by TENNCARE (see Section A.2.14.1.14), except that, until the new nursing facility reimbursement methodology is effective in the TennCare Rules, the CONTRACTOR may reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement. Reimbursement for such services shall be for the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not move members enrolled in CHOICES Group 1 who are, upon CHOICES enrollment, receiving nursing facility services, to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider. If the nursing facility is a non-contract provider, the CONTRACTOR shall (a) provide continuation of the services pending enrollment of the facility as a contract provider, if the provider is eligible for enrollment in Medicaid, and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations; (b) provide continuation of the services pending facilitation of the member's transition to a contract facility and reimburse such services from the non-contract nursing facility in accordance with TennCare rules and regulations, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations.

2.9.6.2.4.2 The CONTRACTOR shall, within thirty (30) calendar days of notice of the member's enrollment in CHOICES, conduct a face-to-face visit with the member and perform any additional comprehensive assessment deemed necessary by the CONTRACTOR (see Section A.2.9.6.5.1). The Care Coordinator shall review the PCSP developed by the nursing facility and may supplement the PCSP as necessary and appropriate (see Section A.2.9.6.6.1).

2.9.6.2.4.3 The CONTRACTOR shall not transition members in Group 1 to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility and is enrolled in Group 2 or a member enrolled in CHOICES on or after July 1, 2012 no longer meets nursing facility level of care but does meet the at-risk level of care and is enrolled in Group 3.

- 2.9.6.2.4.4 For purposes of the CHOICES program, the CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care (i.e., reimbursement, including the duration of such level of reimbursement) approved by TENNCARE (see Section A.2.14.1.14), except that, until the new nursing facility reimbursement methodology is effective in the TennCare Rules, the CONTRACTOR may reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement.
- 2.9.6.2.4.5 The CONTRACTOR shall be responsible for monitoring the member's continued need for and receipt of skilled and/or rehabilitative services in a NF only when approval of NF LOC is conditioned on the receipt of such services, and in such case, when skilled and/or rehabilitative services are no longer medically necessary, shall submit information needed by TENNCARE to reevaluate whether the member continues to meet level of care for nursing facility services (see also Section A.2.14.1.14).
- 2.9.6.2.4.6 Any time the CONTRACTOR submits a level of care application to TENNCARE for a member in a Nursing Facility, the CONTRACTOR shall, as expeditiously as possible and within no more than two (2) business days, notify the Nursing Facility that a level of care application has been submitted, and shall provide a copy of such application to the Nursing Facility.
- 2.9.6.2.5 *Functions of the CONTRACTOR for Members in CHOICES Groups 2 and 3, and ECF CHOICES*
- 2.9.6.2.5.1 For members enrolled in CHOICES Group 2 who are, upon CHOICES enrollment, receiving community-based residential alternative services that are covered in CHOICES, the CONTRACTOR shall, immediately upon notice of the member's enrollment in CHOICES, authorize such services from the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not transition members enrolled in CHOICES Group 2 who are, upon CHOICES enrollment, receiving services in a community-based residential alternative setting to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR; or (3) the facility where the member is residing is not a contract provider; if the facility is a non-contract provider, the CONTRACTOR shall authorize medically necessary services from the non-contract provider for at least thirty (30) days which shall be extended as necessary to ensure continuity of care pending the facility's enrollment with the CONTRACTOR or the member's transition to a contract provider.
- 2.9.6.2.5.2 For members in CHOICES Group 2 who upon CHOICES enrollment are receiving services in a community-based residential alternative setting, within ten (10) business days of notice of the member's enrollment in CHOICES the Care Coordinator shall conduct a face-to-face visit with the member, perform a comprehensive assessment (see Section A.2.9.6.5), develop a PCSP (see Section A.2.9.6.6), and authorize and initiate additional CHOICES HCBS specified in the PCSP (i.e., assistive technology).

- 2.9.6.2.5.3 For CHOICES and ECF CHOICES members, the Support Coordinator, Care Coordinator, or Integrated Support Coordination Team, as applicable, shall conduct a face-to-face visit with the member, initiate a comprehensive assessment in a manner sufficient to ensure strengths, needs, opportunities, and challenges are identified and addressed as set forth below, and conduct a caregiver assessment, and authorize and initiate CHOICES HCBS and ECF CHOICES HCBS as described and in accordance with timeframes specified in this section.
- 2.9.6.2.5.3.1 For CHOICES members, the CONTRACTOR shall authorize and initiate immediately needed CHOICES HCBS within ten (10) business days of receiving notice of a member's enrollment, except when a later date is requested by the member which shall be documented in writing (e.g., when a CHOICES member elects to participate in consumer direction and refuses services from an agency in the interim). CHOICES HCBS authorized and initiated while the member's comprehensive PCSP is developed will continue automatically after the comprehensive PCSP is developed, unless a limited duration is specified in the member's PCSP and authorized accordingly.
- 2.9.6.2.5.3.2 For ECF CHOICES members, the CONTRACTOR shall determine if the member immediately needs any ECF CHOICES HCBS while the comprehensive PCSP is developed. Immediately needed ECF CHOICES HCBS may include (but are not limited to) services that a person needs in order to facilitate timely discharge from an inpatient setting or to prevent inappropriate placement in an inpatient or other restrictive setting, to prevent imminent placement outside the person's current living arrangement, to address severe co-occurring behavioral health and/or psychiatric conditions that place the person or others at significant risk of harm, or consistent with the program's primary goals, to prevent imminent loss of competitive integrated employment or an offer of such employment. Intensive Behavioral Family-Centered Treatment, Stabilization and Supports (IBFCTSS) and Intensive Behavioral Community Transition and Stabilization Services shall be considered "immediately needed" services. The CONTRACTOR may utilize other covered benefits or cost-effective alternative services as needed to address immediate needs while ECF CHOICES services are put into place, or provide incentives to providers with prior approval from TENNCARE to provide such immediately needed services and to put in place sustainable strategies to enable the provider to do so on ongoing basis. The CONTRACTOR shall document immediately needed ECF CHOICES HCBS or other covered benefits or cost-effective alternative services to address immediate needs in the PCSP and shall authorize and initiate any immediately needed ECF CHOICES HCBS or other covered benefits or cost-effective alternative services to address immediate needs within ten (10) business days of receiving notice of a member's enrollment, or as expeditiously as needed to facilitate timely discharge, avoid inappropriate placement, or to avoid imminent loss of competitive integrated employment or an offer of such employment. In the case of immediately needed ECF CHOICES HCBS, initiation shall include the commencement of the actual provision of services (or other covered benefits or cost-effective alternative services). Any ECF CHOICES HCBS authorized and initiated while the member's comprehensive PCSP is developed shall continue automatically after the comprehensive PCSP is developed, unless a limited duration is specified in the member's PCSP and authorized accordingly. For ECF CHOICES members who were enrolled under one of the employment-related priority categories, the development of the person centered support plan process shall first address, the goals and support/service needs specific to the

employment-related priority category through which the member gained enrollment into the program.

- 2.9.6.2.5.3.2.1 For members enrolled in ECF CHOICES Group 7, service initiation shall include the initial face-to-face contact with the IBFCTSS provider, full engagement of the IBFCTSS clinical team, and other in-home supports sufficient to meet person's needs. In the event that qualified staff must be identified and trained (e.g., in order to meet individualized needs), the Supportive Home Care component of the IBFCTSS benefit shall be initiated as soon as possible, but no more than 60 days following effective date of enrollment in Group 7, so long as other covered benefits or cost-effective alternative services are provided in the home to ensure the person's needs are met. The CONTRACTOR shall submit a copy of the PCSP, identifying immediately needed services, and a revised PCSP, as assessments are completed and remaining service components are put into place. Other covered benefits or CEA services shall be billed separately, and not as the Supportive Home Care component of the IBFCTSS benefit, until such time that qualified staff begin providing the Supportive Home Care component of the IBFCTSS benefit.
- 2.9.6.2.5.3.2.2 For members enrolled in ECF CHOICES Group 8, service initiation shall include the initial face-to-face contact with the IBCTSS provider, engagement of the IBCTSS clinical team for purposes of assessment/planning, and alternative placement services (e.g., crisis respite, etc.) sufficient to meet person's needs (unless the person is not yet stable/ready for discharge). In the event that qualified staff must be identified and trained (e.g., in order to meet individualized needs), IBCTSS shall be initiated as soon as possible, but no more than 60 days following the effective date of enrollment in Group 8, so long as other alternative placement services are in place to facilitate immediate transition (unless the person is not yet stable/ready for discharge). The CONTRACTOR shall submit a copy of the PCSP, identifying immediately needed (alternative placement) services, and shall notify TennCare when IBCTSS services are initiated. Alternative placement services shall be billed separately, and not as the IBCTSS benefit, until such time that qualified staff are in place and the IBCTSS benefit is initiated.
- 2.9.6.2.5.3.3 The PCSP shall identify all CHOICES HCBS and ECF CHOICES HCBS that are needed, including those services that are immediately needed upon enrollment or other covered benefits or cost-effective alternative services to address immediate needs and those services identified through the person-centered planning process that are needed to help members achieve their goals across all domains of the PCSP.
- 2.9.6.2.5.3.4 The Care Coordinator, Support Coordinator, or Integrated Support Coordination Team, as applicable, shall, within thirty (30) calendar days of notice of enrollment in CHOICES or ECF CHOICES, complete the comprehensive assessment (see A.2.9.6.5.2.5), develop the PCSP, and authorize and initiate services as specified in the PCSP, except when a later date, for one or more specified services, is requested by the member which shall be documented in writing in the manner prescribed by TennCare, including but not limited to, (1) when an ECF CHOICES member elects to participate in consumer direction and refuses services from an agency in the interim; or (2) a member requests additional time to complete person-centered planning processes, select a provider

and/or staff that are best aligned with his or her goals, needs, and preferences, or visit and select from available options or develop a Community Living Supports living arrangement. In non-urgent circumstances, which shall be distinct from those described in A.2.9.6.2.5.3.2, “initiation” may also take into account the time required by the selected provider to hire and train qualified staff if the CONTRACTOR has informed the member of any providers with existing trained staff available to initiate the service and the member has declined those providers. In this case, services shall be considered “initiated” if a provider has been selected by the member, the services have been authorized by the CONTRACTOR, the provider has agreed to provide the requested service(s), and the CONTRACTOR verifies that the provider is actively engaged in hiring and/or training staff to provide the requested services. The CONTRACTOR shall be responsible for ongoing follow-up with the provider selected by the member to ensure that these processes are completed timely and services commence. The PCSP shall be developed in accordance with protocols developed by TENNCARE and the principles of self-determination, including dignity of risk and supported decision-making. The CONTRACTOR shall discuss with the member opportunities, benefits, and potential negative outcomes associated with risks that may result from the member’s decisions, and strategies to mitigate potential negative outcomes associated with identified risks, which shall be documented in the PCSP as appropriate.

- 2.9.6.2.5.3.4.1 In developing the PCSP for ECF CHOICES, the Support Coordinator shall ensure that the Employment Informed Choice Process is followed.
- 2.9.6.2.5.3.4.1.1 Upon completion of Exploration services, if the member elects not to pursue Individualized Integrated Employment or Self-Employment, the Support Coordinator shall obtain signed acknowledgement from the member/representative before Community Integration Support Services and/or Independent Living Skills Training may continue or be newly authorized. The signed acknowledgement is to be obtained after the Support Coordinator meets with the individual and involved family, guardian, or conservator, if applicable, to review results of Exploration services and the Exploration report and provide re-education or additional education on the benefits of employment and supports available for employment. If the person still declines to pursue employment, and declines to participate in any employment service, the Support Coordinator shall obtain written confirmation of the person’s informed choice not to pursue individualized, integrated employment or Self-Employment at the time. The meeting, including signing of the acknowledgement when applicable, shall occur within thirty (30) calendar days of the CONTRACTOR receiving the completed Exploration report. If Community Integration Support Services and/or Independent Living Skills Training are already authorized, these services may continue until the meeting is held and signed acknowledgement is obtained.
- 2.9.6.2.5.3.4.2 The CONTRACTOR shall ensure a seamless transition from (a) CHOICES HCBS or ECF CHOICES HCBS that are immediately needed by the member to (b) CHOICES HCBS or ECF CHOICES HCBS in the PCSP that are needed on an ongoing basis, including those immediately needed services that are also needed on an ongoing basis, with no gaps in care.
- 2.9.6.2.5.4 The Care Coordinator shall, for all other CHOICES members in Groups 2 and 3 not specified in Sections A.2.9.6.2.5.1 – A.2.9.6.2.5.2 above, within ten (10)

business days of notice of the member's enrollment in CHOICES, conduct a face-to-face visit with the member, initiate a comprehensive assessment in a manner sufficient to ensure immediate needs are identified and addressed (see Section A.2.9.6.5), conduct a caregiver assessment, and authorize and initiate CHOICES HCBS, except when a later date is requested by the member which shall be documented in writing (e.g., when a CHOICES member elects to participate in consumer direction and refuses services from an agency in the interim).

- 2.9.6.2.5.5 At the discretion of the CONTRACTOR, authorization of home health or private duty nursing services may be completed by the Care Coordinator or through the CONTRACTOR's established UM processes but shall be in accordance with Section A.2.9.2.1 of this Contract, which requires the CONTRACTOR to continue providing medically necessary home health or private duty nursing services the member was receiving upon TennCare enrollment.
- 2.9.6.2.5.6 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 2 to a nursing facility unless the member meets nursing facility level of care in place at the time of admission and (1) is expected to require short-term nursing facility services for ninety (90) days or less; (2) chooses to transition to a nursing facility and enroll in Group 1; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of a Group 2 member and at a cost that is less than the member's cost neutrality cap and the member agrees to transition to a nursing facility and enroll in Group 1.
- 2.9.6.2.5.7 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 3 to a nursing facility unless the member meets nursing facility level of care in place at the time of admission and: (1) is expected to require short-term nursing facility services for ninety (90) days or less; or (2) chooses to transition to a nursing facility and enroll in Group 1.
- 2.9.6.2.5.8 In preparation for the face-to-face visit, the Care Coordinator or Support Coordinator shall review in-depth the information from the intake AND enrollment process (see Section A.2.9.6.2.3), and the Care Coordinator or Support Coordinator shall consider that information when developing the member's plan of care or PCSP, as applicable.
- 2.9.6.2.5.9 As part of the face-to-face visit for members in CHOICES Group 2, the Care Coordinator shall make a determination regarding whether the person's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care, and provide explanation to the member regarding the individual cost neutrality cap, including that a change in needs or circumstances that would result in the cost neutrality cap being exceeded or that would result in the CONTRACTOR's inability to safely and effectively meet the member's needs in the community and within the cost neutrality cap may result in the member's disenrollment from CHOICES Group 2, in which case, the member's Care Coordinator will assist with transition to a more appropriate care delivery setting;
- 2.9.6.2.5.10 As part of the face-to-face visit for members in CHOICES Group 3, the Care Coordinator shall provide explanation to the member regarding the fifteen thousand dollar (\$15,000) expenditure cap and make a determination whether the member's needs can be safely met within the array of services and supports that would be available if the applicant was enrolled in CHOICES Group 3, including

CHOICES HCBS up to the expenditure cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers and make a determination whether the member's needs can be safely met within the array of services and supports that would be available if the applicant was enrolled in CHOICES Group 3, including CHOICES HCBS up to the expenditure cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers;

- 2.9.6.2.5.10.1 If the member has been conditionally enrolled into CHOICES Group 3 and is in a nursing facility, the Care Coordinator shall work with the nursing facility to coordinate timely transition to the community and initiation of CHOICES HCBS.
- 2.9.6.2.5.10.2 If the Care Coordinator determines that the member's needs cannot be safely met in the community within the array of services and supports that would be available as described in Section A.2.9.6.2.5.10 the Care Coordinator shall, in a manner prescribed by TENNCARE, complete a *Safety Determination Request Form*, including all required documentation as required by TENNCARE, and coordinate with TENNCARE to review the member's level of care, and if nursing facility level of care is approved, to facilitate transition to CHOICES Group 1 or 2.
- 2.9.6.2.5.11 As part of the face-to-face visit for members in CHOICES Group 2 or Group 3, the Care Coordinator shall conduct a risk assessment and incorporate identified risks and corresponding mitigation strategies into the member's PCSP.
- 2.9.6.2.5.12 As part of the face-to-face visit, for members determined to need eligible CHOICES HCBS or eligible ECF CHOICES HCBS, the Care Coordinator or Support Coordinator, as applicable, shall verify the member's interest in participating in consumer direction and obtain written confirmation of the member's decision. The Care Coordinator or Support Coordinator shall also, using current information regarding the CONTRACTOR's network, provide member education regarding choice of contract providers for CHOICES HCBS or ECF CHOICES, subject to the provider's availability and willingness to timely deliver services, which shall include information, as applicable, regarding providers who are able to assign staff who are linguistically competent in the member and/or primary caregiver's primary spoken language, or in sign language, or who can facilitate non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication and obtain signed confirmation of the member's choice of contract providers.
- 2.9.6.2.5.13 For purposes of CHOICES or ECF CHOICES HCBS, service authorizations shall include the amount, frequency, and duration of each service to be provided and, except for services provided through Consumer Direction, the schedule at which such care is typically needed or preferred, if applicable, and whether the member requests or agrees to accept flexibility in his/her typical schedule, as applicable and after the member has received education on options and advantages of flexible scheduling; the requested start date; and other relevant information as required by TENNCARE. The CONTRACTOR shall not lead a member to develop a schedule that is more prescriptive than is needed or

preferred, or that does not provide for flexibility that the member may want—whether to allow flexibility so the member’s preferred provider has capacity to deliver needed services or to provide the member with flexibility to adjust the schedule as his or her needs and preferences change. When a member’s PCSP includes CHOICES or ECF CHOICES HCBS that will be delivered by multiple providers (e.g., Individual Employment Supports, Community Integration Support Services, and Personal Assistance), the CONTRACTOR shall be responsible for providing assistance to the member and providers to coordinate on an ongoing basis the scheduling of these services in accordance with the member’s needs and preferences, and to avoid duplication. The CONTRACTOR shall be responsible for ensuring that the provider receives sufficient information as part of the referral to make an informed decision regarding the provider’s ability to deliver services in accordance with the member’s needs, including the member’s zip code or specific area where the service is desired; the member’s support needs, including specialized physical or behavioral health or functional support needs that could require special training or expertise; the amount and type of service needed; start date needed and/or desired; goals the service is intended to address with specificity to the extent necessary to reflect member preferences; schedule needed or preferred by the member or indication of flexible scheduling needed or preferred; staffing ratio if applicable (e.g., 1:1, 1:2 or 1:3 for Community Integration Support Services); member needs and preferences regarding staff and, if applicable, individuals who may be paired with the member to share staff support. The CONTRACTOR may share the PCSP (or relevant parts of the PCSP) as needed to address some or all of the information specified above. The CONTRACTOR shall be responsible for confirming the provider’s capacity and commitment to initiate services as authorized on or before the requested start date, and if the provider is unable to initiate services as authorized on or before the requested start date, for arranging an alternative provider who is able to initiate services as authorized on or before the requested start date. The CONTRACTOR may determine, subject to requirements set forth in the approved service definitions, and in policy and protocol, the duration of time for which CHOICES or ECF CHOICES HCBS will be authorized. Additionally, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES or ECF CHOICES HCBS in accordance with the PCSP, including transition from CHOICES HCBS or ECF CHOICES HCBS that are immediately needed by the member to .services needed on an ongoing basis, as specified in the PCSP. The CONTRACTOR shall further be responsible for ensuring that service authorizations are consistent with the PCSP, including the schedule at which services are needed or preferred (see above) and any updates to the PCSP, and/or schedule, and except in the following circumstance, for notifying providers in advance when a service authorization (including a schedule) will be changed. Retroactive entry or adjustments in service authorizations for CHOICES or ECF CHOICES HCBS should be made only when required to accommodate payment of services that had been authorized but an adjustment in the schedule of services was required based on the member’s needs.

2.9.6.2.5.14 The member’s Care Coordinator/care coordination or Support Coordinator/support coordination team shall provide at least verbal notification to the member prior to initiation of CHOICES HCBS or ECF CHOICES HCBS identified in the plan of care or PCSP, as applicable regarding any change in providers selected by the member for each CHOICES or ECF CHOICES HCBS, including the reason such change has been made.

- 2.9.6.2.5.15 If the CONTRACTOR is unable to initiate any CHOICES HCBS or ECF CHOICES HCBS in accordance with the timeframes specified herein, the CONTRACTOR shall issue written notice to the member, documenting the service(s) that will be delayed, the reasons for the delay, and the date the service(s) will start, and shall make good faith efforts to ensure that services are provided as soon as practical.
- 2.9.6.2.5.16 TENNCARE may establish, pursuant to policies and protocols for management of waiting or referral lists, alternative timeframes for completion of specified intake functions and activities when there is a waiting or referral list, or upon implementation of ECF CHOICES.
- 2.9.6.3 CHOICES and ECF CHOICES Intake Process for the CONTRACTOR's Current Members
 - 2.9.6.3.1 The CONTRACTOR shall develop and implement policies and procedures for ongoing identification of members who may be eligible for CHOICES. The CONTRACTOR shall use the following, at a minimum, to identify members who may be eligible for CHOICES:
 - 2.9.6.3.1.1 Referral from member's PCP, specialist or other provider or other referral source;
 - 2.9.6.3.1.2 Self-referral by member or referral by member's family or guardian;
 - 2.9.6.3.1.3 Identification by the CONTRACTOR of a member receiving home health or private duty nursing services who will be subject to a reduction in covered services provided by the CONTRACTOR upon turning twenty-one (21) years of age (see Section A.2.9.4).
 - 2.9.6.3.1.4 Referral from CONTRACTOR's staff including but not limited to Population Health and UM staff;
 - 2.9.6.3.1.5 Notification of hospital admission (see Section A.2.12.9.44); and
 - 2.9.6.3.1.6 Periodic review (at least quarterly) of:
 - 2.9.6.3.1.6.1 Claims or encounter data;
 - 2.9.6.3.1.6.2 Hospital admission or discharge data;
 - 2.9.6.3.1.6.3 Pharmacy data; and
 - 2.9.6.3.1.6.4 Data collected through the Population Health and/or UM processes.
 - 2.9.6.3.1.6.5 The CONTRACTOR may define in its policies and procedures other steps that will be taken to better assess if the members identified through means other than referral or notice of hospital admission will likely qualify for CHOICES, and may target its screening and intake efforts to a more targeted list of persons that are most likely to need and to qualify for CHOICES services.

- 2.9.6.3.1.6.6 TENNCARE may establish, pursuant to policies and protocols for management of waiting lists, alternative timeframes for completion this task when there is a waiting list.
- 2.9.6.3.1.6.7 The CONTRACTOR shall develop and implement policies and procedures for identification of members who may eligible for ECF CHOICES, as directed by TENNCARE pursuant to any outreach protocol that may be developed.
- 2.9.6.3.2 As part of its identification process for members who may be eligible for CHOICES, the CONTRACTOR may initiate a telephone screening process, using the tool and protocols specified by TENNCARE. Such screening process shall: (1) verify the member's current eligibility category based on information provided by TENNCARE in the outbound 834 enrollment file; for persons seeking access to CHOICES HCBS through enrollment in CHOICES Groups 2 or 3, identify whether the member meets categorical eligibility requirements for enrollment in such group based on his/her current eligibility category, and if not, whether the member appears to meet categorical and financial eligibility criteria for the Institutional (i.e., CHOICES 217-Like HCBS or CHOICES At-Risk Demonstration) category; (2) determine whether the member appears to meet level of care eligibility for CHOICES; and (3) for members seeking access to CHOICES HCBS through enrollment in CHOICES Group 2, determine whether it appears that the member's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care. Such telephone screening shall be conducted at the time of the initial call by the CONTRACTOR unless the member requests that the screening be conducted at another time, which shall be documented in writing in the CHOICES intake record.
- 2.9.6.3.3 For referrals of potential applicants for ECF CHOICES, the CONTRACTOR shall provide basic education developed by TENNCARE about the program, and advise the potential applicant of the availability of TENNCARE's online self-screening tool, but shall offer assistance in completing the online screening tool, if needed or preferred.
- 2.9.6.3.3.1 For potential applicants who need assistance to complete the online self-referral tool, the CONTRACTOR shall provide telephonic assistance and shall utilize TENNCARE's online self-referral tool, capturing the information in the online referral system for purposes of referral list management. If the initial contact is not telephonic, or if TENNCARE or its designee is not able to provide assistance at the point of contact, within two (2) business days, TENNCARE or its designee shall contact the applicant to offer assistance in completing the self-referral using the online self-referral tool.
- 2.9.6.3.4 For CHOICES referrals by or on behalf of a potential CHOICES member, regardless of referral source, if the CONTRACTOR uses a telephone screening process, and for all ECF CHOICES referrals on behalf of a potential ECF CHOICES member, the CONTRACTOR shall make every effort to conduct such screening process at the time of referral, unless the person making the referral is not able or not authorized by the member to assist with the screening process, in which case the CONTRACTOR shall complete the screening process as expeditiously as possible. The ECF CHOICES screening process shall be mandatory.
- 2.9.6.3.4.1 Documentation of at least three (3) attempts occurring over a period of no less than three (3) days to contact the member by phone (which shall include at least one (1) attempt to contact the member at the number most recently reported by the member and at least one (1) attempt to contact the member at the number

provided in the referral, if different, and which shall occur at different times of the day and evening, including after business hours), followed by a letter sent to the member's most recently reported address that provides information about CHOICES or ECF CHOICES and how to obtain a screening for CHOICES or ECF CHOICES, shall constitute sufficient effort by the CONTRACTOR to assist a member who has been referred for CHOICES or ECF CHOICES, regardless of referral source. TENNCARE will review the CONTRACTOR's referral data, including the number of referred members the CONTRACTOR is unable to reach, and may institute additional requirements as necessary to ensure reasonable efforts to reach the member and complete the referral and intake process.

- 2.9.6.3.5 For persons referred for enrollment in CHOICES that are identified through notification of hospital admission, the CONTRACTOR shall work with the discharge planner to determine whether long-term care services may be needed upon discharge, and if so, shall complete all applicable screening and/or intake processes immediately to facilitate timely transition to the most integrated and cost effective long-term care delivery setting appropriate for the member's needs.
- 2.9.6.3.6 For identification by the CONTRACTOR of a member who may be eligible for CHOICES by means other than referral or notice of hospital admission, if the CONTRACTOR uses a telephone screening process, the CONTRACTOR shall complete the telephone screening process as expeditiously as possible.
 - 2.9.6.3.6.1 Documentation of at least one (1) attempt to contact the member by phone at the number most recently reported by the member, followed by a letter sent to the member's most recently reported address that provides information about CHOICES and how to obtain a screening for CHOICES shall constitute sufficient effort by the CONTRACTOR to assist a member that has been identified by the CONTRACTOR by means other than referral.
- 2.9.6.3.7 If the CONTRACTOR uses a telephone screening process for potential CHOICES applicants, the CONTRACTOR shall document all screenings conducted by telephone and their disposition, with a written record.
- 2.9.6.3.8 If the member does not meet the telephone screening criteria for CHOICES, the CONTRACTOR shall within five (5) business days of the screening notify the member verbally and in writing in the format prescribed by TENNCARE: (1) that he/she does not appear to meet the criteria for enrollment in CHOICES; (2) that he/she has the right to continue with the CHOICES intake process and, if determined not eligible, to receive notice of such denial, including the member's due process right to appeal; and (3) how, if the member wishes to proceed with the CHOICES intake process, the member can submit a written request to proceed with the CHOICES intake process to the CONTRACTOR. In the event that a member does submit such written request, the CONTRACTOR shall process the request as a new referral and shall conduct a face to-face intake visit, including level of care assessment and comprehensive assessment, within ten (10) business days of receipt of the member's written request, unless a later date is requested by the member, which shall be documented in writing in the CHOICES intake record.
- 2.9.6.3.9 If the CONTRACTOR is conducting a telephonic screening or assisting a potential ECF CHOICES applicant with a self-referral, and the potential applicant does not appear to meet the screening criteria for ECF CHOICES (i.e., does not appear to

qualify for the program) based on the results of the screening tool, the CONTRACTOR shall:

- 2.9.6.3.9.1 Without screening any member out, advise the potential applicant during the call that he/she does not appear to meet the criteria for enrollment into ECF CHOICES; and
- 2.9.6.3.9.2 Provide the potential applicant with the opportunity to proceed with the self-referral, and with intake and potential enrollment into the program in accordance with TennCare established prioritization and enrollment, including target population, criteria.
- 2.9.6.3.9.3 If the potential applicant indicates during the call that he wants to proceed with the self-referral, the CONTRACTOR shall assist the potential applicant with completing the self-referral.
- 2.9.6.3.9.4 If the potential applicant indicates during the call that he does not want to proceed with the self-referral, the CONTRACTOR shall advise the potential applicant how to re-initiate a self-referral, including the availability of assistance as needed.
- 2.9.6.3.10 If, through the screening process described above, or upon other identification by the CONTRACTOR of a member who appears to be eligible for CHOICES for whom the CONTRACTOR opts not to use such screening process, within five business days, the Care Coordinator shall conduct a face-to-face intake visit with the member that includes a level of care assessment and a comprehensive assessment (see Section A.2.9.6.5) using tool(s) prior approved by TENNCARE and in accordance with the protocols specified by TENNCARE. For members seeking enrollment in ECF CHOICES, the CONTRACTOR shall complete the intake visit within five (5) business days, unless otherwise specified, of receiving the referral from TENNCARE via TENNCARE's electronic eligibility system except when the member requests a later date. The CONTRACTOR shall notify the member in advance of the intake visit documentation that the CONTRACTOR will need during the intake visit. TENNCARE may, at its discretion, modify these timelines in writing to the CONTRACTOR as necessary during program implementation and for efficient management of the referral process.
- 2.9.6.3.10.1 For members in a nursing facility or seeking nursing facility services, the Care Coordinator shall perform any additional comprehensive assessment deemed necessary by the CONTRACTOR (see Section A.2.9.6.5.1).
- 2.9.6.3.10.2 For members seeking CHOICES HCBS, during the intake visit the Care Coordinator shall, using the tools and protocols specified by TENNCARE, conduct a comprehensive assessment (See Section A.2.9.6.5) and shall assess the member's existing natural support system, including but not limited to informal supports provided by family and other caregivers, services that may be available at no cost to the member through other entities, and services that are reimbursable through other public or private funding sources, such as Medicare or long-term care insurance; and identify the long-term care services and home health and/or private duty nursing services that may be needed by the member upon enrollment into CHOICES that would build upon and not supplant a member's existing natural support system. Additionally, the CONTRACTOR may perform the caregiver assessment (See Section A.2.9.6.5.2.6) during the intake visit, but shall perform the caregiver assessment no later than ten (10)

business days after receipt of referral as detailed in Section A.2.9.6.3.12, but prior to the development of the PCSP to ensure that caregiver needs are addressed, as appropriate. The Care Coordinator or Support Coordinator shall also ensure that all identified caregivers have the Care Coordinator or Support Coordinator's name and contact information in accordance with Section A.2.9.6.4.3.

- 2.9.6.3.10.3 The CONTRACTOR shall complete all intake processes within thirty (30) calendar days, unless an exception is granted by TENNCARE in writing due to extenuating circumstances beyond the CONTRACTOR's control. If TENNCARE grants an exception, such exception shall provide the CONTRACTOR an additional thirty (30) calendar days to complete the intake process for the applicant, totaling sixty (60) calendar days to complete the intake process. If TENNCARE grants the CONTRACTOR an exception and the CONTRACTOR does not complete the intake process within sixty (60) calendar days, the CONTRACTOR shall close the referral, notify TENNCARE, and document the reason(s) the intake process was not completed for that applicant, and shall maintain such documentation and provide the documentation to TENNCARE upon request.
- 2.9.6.3.11 As part of the face-to-face intake visit for CHOICES, the Care Coordinator shall: (1) document and confirm the applicant's current address and phone number(s) and assist the member in updating his or her address with TENNCARE or the Social Security Administration, if applicable; (2) provide general CHOICES education and information, as specified by TENNCARE, to the member and assist in answering questions the member may have; (3) provide information about estate recovery; (4) provide assistance, as necessary, in gathering documentation needed by TENNCARE to determine categorical/financial eligibility for LTSS; (5) for members seeking enrollment in CHOICES Group 1 or Group 2, provide information regarding freedom of choice of nursing facility versus CHOICES HCBS, both verbally and in writing, and obtain a Freedom of Choice form signed and dated by the member or his/her representative; (6) provide detailed information and signed acknowledgement of understanding regarding a CHOICES member's responsibility with respect to payment of patient liability amounts, including, as applicable, the potential consequences for non-payment of patient liability which may include loss of the member's current nursing facility or CBRA provider or MCO, disenrollment from CHOICES, and to the extent the member's eligibility is dependent on receipt of long-term care services, possible loss of eligibility for TennCare; and (7) for members who want to receive nursing facility services, provide information regarding the completion of all PASRR requirements prior to nursing facility admission and conduct the level I PASRR screening; (8) for members who are seeking CHOICES HCBS, the Care Coordinator, shall: (a) conduct a risk assessment to identify risks to the member, the consequences of such risks, strategies to mitigate the identified risks, and the member's decision regarding his/her acceptance of risk to be included in the PCSP; and (b) provide information regarding consumer direction and obtain written confirmation of the member's decision regarding participation in consumer direction; (9) for members seeking enrollment in Group 2, make a determination regarding whether the person's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care, and provide explanation to the member regarding the individual cost neutrality cap, including that a change in needs or circumstances that would result in the cost neutrality cap being exceeded or that would result in the CONTRACTOR's inability to safely and effectively meet the member's needs in the community and within the cost neutrality cap may result in the member's disenrollment from CHOICES Group 2, in which case, the member's Care

Coordinator will assist with transition to a more appropriate care delivery setting; (10) for members seeking enrollment in Group 3, provide explanation to the member regarding the fifteen thousand dollar (\$15,000) expenditure cap and make a determination whether the member's needs can be safely met within the array of services and supports that would be available if the applicant was enrolled in CHOICES Group 3, including CHOICES HCBS up to the expenditure cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers; and (11) for all members, using current information regarding the CONTRACTOR's network, provide information regarding choice of contract providers, subject to the provider's availability and willingness to timely deliver services, which shall include information, as applicable, regarding providers who are able to assign staff who are linguistically competent in the member and/or primary caregiver's primary spoken language, or in sign language, or who can facilitate non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication and obtain signed documentation of the member's choice of contract providers.

- 2.9.6.3.12 If the member does not meet appear to meet CHOICES enrollment criteria, the Care Coordinator may advise the member verbally: (1) that he/she does not appear to meet the criteria for enrollment in CHOICES; but shall also advise the member (2) that he/she has the right to continue with the CHOICES intake process and, if determined not eligible, to receive notice of such denial, including the member's due process right to a fair hearing.
 - 2.9.6.3.12.1 The decision to discontinue the CHOICES intake process must be made by the member or the member's representative and the CONTRACTOR shall not encourage the member or member's representative to discontinue the process;
 - 2.9.6.3.12.2 Upon the member's decision to continue the CHOICES intake, the Care Coordinator shall continue the intake process and complete all required activities, including submission of the level of care to TENNCARE;
 - 2.9.6.3.12.3 Upon the member's decision to discontinue the CHOICES intake process, the Care Coordinator shall, in the manner prescribed by TENNCARE, document the member's decision to terminate the CHOICES intake process, including the member's or representative's signature and date. The CONTRACTOR shall maintain this documentation in the member's record and provide a copy to the member/representative; or
 - 2.9.6.3.12.4 The CONTRACTOR shall provide the member with information about how to initiate a new CHOICES screening and intake process in the future.
- 2.9.6.3.13 If, during the face-to-face intake visit the member or the member's representative elects to terminate the intake process for any other reason (e.g., estate recovery, patient liability, or does not need the services available through CHOICES), the Care Coordinator shall, in the manner prescribed by TENNCARE, document the member's decision to terminate the CHOICES intake process, including the member's or representative's signature and date. The CONTRACTOR shall maintain this documentation in the member's record and provide a copy to the member/representative.

- 2.9.6.3.13.1 The decision to discontinue the CHOICES intake process must be made by the member or the member's representative and the CONTRACTOR shall not encourage the member or member's representative to discontinue the process;
- 2.9.6.3.13.2 The CONTRACTOR shall provide the member with information about how to initiate a new CHOICES screening and intake process in the future.
- 2.9.6.3.14 As part of the face-to-face intake visit for ECF CHOICES, the CONTRACTOR shall, using the intake packet and protocols specified by TENNCARE, gather information needed by TENNCARE to verify the potential applicant's target population and gather basic information that will allow TENNCARE to prioritize the potential applicant for enrollment based on established prioritization and enrollment criteria. The CONTRACTOR may complete actions required as part of the enrollment process (see A.2.9.6.3.16) and obtain the required signatures during the intake visit for potential applicants the CONTRACTOR determines are likely to qualify in either an open priority category or a reserve capacity slot but shall not proceed with enrollment activities (including completion and submission of a PAE) until such time that the CONTRACTOR is notified by TENNCARE that the person meets prioritization criteria for enrollment into a category that is currently open for enrollment and for which a slot is available, or that the person meets criteria for an available reserve capacity slot.
- 2.9.6.3.14.1 During the intake visit, the CONTRACTOR shall provide assistance to the member as needed in requesting and/or obtaining documentation to verify the member's target population as specified by TENNCARE, including an explanation of the PAE completion and submission process; however, the member and/or authorized representative shall be responsible for providing proof of eligibility for determination by TENNCARE prior to enrollment in ECF CHOICES.
- 2.9.6.3.14.2 If the CONTRACTOR does not obtain documentation during the face-to-face visit for ECF CHOICES that reasonably establishes that the member has an ID or DD the CONTRACTOR shall:
- 2.9.6.3.14.2.1 Advise the person verbally that they do not appear to meet target population for enrollment into ECF CHOICES but shall complete the intake (unless the person chooses to withdraw from the process and signs a form indicating such). If the person is found by TENNCARE not to qualify for enrollment based on target population, the person will receive formal notice of denial and due process, including the right to request a fair hearing regarding program eligibility.
- 2.9.6.3.14.2.1.1 The decision regarding whether to remain on the ECF CHOICES referral list must be made by the member or the member's representative, as applicable; the CONTRACTOR shall not encourage the member or member's representative to withdraw from the referral process for ECF CHOICES;
- 2.9.6.3.14.2.1.2 If the person requests to remain on the ECF CHOICES referral list, the CONTRACTOR shall note in the referral record and in the tracking system the outcome of the intake process.
- 2.9.6.3.14.2.1.3 If the person does not want to remain on the ECF CHOICES referral list, the CONTRACTOR shall request that the person sign a statement withdrawing from the referral process for ECF CHOICES, maintain such signed statement

in the referral record, advise the person how to initiate a new referral in the future, and close the referral in the tracking system.

- 2.9.6.3.15 When it is determined by TENNCARE that a potential applicant for ECF CHOICES meets prioritization criteria for enrollment into a category that is currently open for enrollment and for which a slot is available, or that the member meets criteria for an available reserve slot (which may require submission to the interagency review committee before such determination can be made), the CONTRACTOR shall proceed with enrollment. A face-to-face enrollment visit shall be completed within five (5) business days, unless otherwise specified by TENNCARE, of determination to proceed with enrollment of applicant into ECF CHOICES (unless a later date is requested by the applicant), or in circumstances described in A.2.9.6.3.14 where the CONTRACTOR has already completed actions as required as part of the enrollment process and obtained the required signatures during the face-to-face intake visit, in which case the CONTRACTOR may proceed with enrollment to inform the applicant that the CONTRACTOR will be completing and submitting the PAE on the applicant's behalf, and will explain that the applicant will receive the outcome of this submission from TENNCARE via mail.
- 2.9.6.3.15.1 The CONTRACTOR shall conduct an enrollment visit or proceed with enrollment, as applicable, only when the CONTRACTOR is notified by TENNCARE that the person meets prioritization criteria for enrollment into a category that is currently open for enrollment and for which a slot is available, or that the person meets criteria for an available reserve capacity slot.
- 2.9.6.3.15.2 The CONTRACTOR shall complete all enrollment processes within thirty (30) calendar days, unless an exception is granted by TENNCARE in writing due to extenuating circumstances beyond the CONTRACTOR's control. If TENNCARE grants an exception, such exception shall provide the CONTRACTOR an additional thirty (30) calendar days to complete the enrollment process for the applicant, totaling sixty (60) calendar days to complete the enrollment process. If TENNCARE grants the CONTRACTOR an exception and the CONTRACTOR does not complete the enrollment process within sixty (60) calendar days, the CONTRACTOR shall close the referral, notify TENNCARE, and document the reason(s) the enrollment process was not completed for that applicant, and shall maintain such documentation and provide the documentation to TENNCARE upon request.
- 2.9.6.3.16 As part of the enrollment visit for ECF CHOICES, the CONTRACTOR shall, as applicable (see 2.9.6.3.15.1.) and in accordance with requirements set forth in protocol: (1) confirm or update, as applicable, the member's current address and phone number(s); (2) review ECF CHOICES education and information, as specified by TENNCARE, and assist in answering any questions the applicant may have; (3) make sure the member is aware that DIDD policy does not permit a person enrolled in ECF CHOICES to enroll in the Family Support Program operated by DIDD; (4) complete the level of care (i.e., PAE) application and provide assistance, as necessary, in gathering documentation needed by the State to determine medical and financial eligibility for reimbursement of LTSS, including post-eligibility provisions (i.e., patient liability); (5) provide information about estate recovery; (6) provide detailed information and obtain signed acknowledgement of understanding regarding a CHOICES member's responsibility with respect to payment of patient liability amounts, including, as applicable, the potential consequences for non-payment of patient liability; (7) provide information regarding consumer direction; and (8) provide information regarding next steps in the process including the need for

approval by TENNCARE to enroll in ECF CHOICES and the functions of the CONTRACTOR, including that the CONTRACTOR will work with the applicant to develop and approve a PCSP.

- 2.9.6.3.16.1 The CONTRACTOR may, at its discretion, initiate the comprehensive assessment and determine immediately needed services as part of the face-to-face intake/enrollment visit for ECF CHOICES.
- 2.9.6.3.17 For CHOICES referrals by or on behalf of a potential CHOICES member, regardless of referral source, the Care Coordinator shall conduct the face-to-face intake visit and shall develop a PCSP as appropriate (see Section A.2.9.6.6), within ten (10) business days of receipt of such referral, unless a later date is requested by the member, which shall be documented in writing in the CHOICES intake record.
- 2.9.6.3.18 For members identified by the CONTRACTOR as potentially eligible for CHOICES by means other than referral, the Care Coordinator shall conduct the face-to-face intake visit and shall develop a PCSP, as appropriate (see Section A.2.9.6.6), and authorize and initiate CHOICES HCBS within thirty (30) days of identification of the member as potentially eligible for CHOICES. For persons identified through notification of hospital admission, the CONTRACTOR shall coordinate with the hospital discharge planner to determine whether long-term care services may be needed upon discharge, and if so, complete all applicable screening and/or intake processes immediately to facilitate timely transition to the most integrated and cost effective long-term care delivery setting appropriate for the member's needs.
- 2.9.6.3.19 Once completed, in the manner prescribed by TENNCARE the CONTRACTOR shall submit the level of care (i.e., PAE application) and supporting documentation, as specified by TENNCARE, to verify that the member's needs can be safely and effectively met in the community and within the cost neutrality cap or expenditure cap, as applicable, to TENNCARE as soon as possible but no later than five (5) business days of the face-to-face visit.
- 2.9.6.3.19.1 If the Contractor determines that the member's assessed acuity score is less than nine (9) and the member's needs cannot be safely met in the community within the array of services and supports available if the member were enrolled in CHOICES Group 3 or ECF CHOICES Group 5, as applicable, or the member or his or her representative request a safety determination, the Contractor shall, in accordance with timeframes specified in A.2.9.6.3.18 and in a manner specified in TennCare protocol, complete the Safety Determination Request Form, including all required documentation, and submit the completed Safety Determination Request Form to TENNCARE along with the member's completed PAE.
- 2.9.6.3.19.2 If the CONTRACTOR is unable to obtain the supporting documentation within five (5) business days, such as required medical information, and the absence of such documentation delays the submission of the PAE to TENNCARE, the CONTRACTOR must document and continue efforts to collect supporting documentation. Such efforts may include assisting member to secure physician visit, and or other medical appointments necessary in order to obtain required supporting documentation.
- 2.9.6.3.19.3 Efforts to collect supporting documentation required for the submission of the PAE shall include at least three (3) attempts utilizing the following methods or combination of methods: contacting the physician, medical facility, or other

healthcare entity by telephone, fax and/or in writing; visiting the healthcare entity, if possible and practicable, to request and/or pick up the required documentation; and contacting the member by phone, face-to-face, or in writing to request assistance in obtaining the needed documentation. Multiple faxes or calls to the physician or provider shall not be sufficient. If a recent history and physical or other medical records supporting the functional deficits are not available (e.g., the applicant has not received medical care in the last 365 days), the CONTRACTOR shall help to arrange an appointment with the member's primary care provider in order to obtain the needed information.

- 2.9.6.3.19.4 The CONTRACTOR must submit the PAE to TENNCARE within twenty (20) business days from the date of the enrollment visit regardless of whether the CONTRACTOR has received the supporting documentation. After submitting the PAE to TENNCARE, if the PAE submission results in a denial or the inability to approve the level of care indicated on the PAE if supporting documentation had been submitted to support such approval, the CONTRACTOR shall continue diligent efforts to collect supporting documentation as specified in Section A.2.9.6.3.18.2. Pursuant to TennCare Rules, if within thirty (30) calendar days of the initial PAE submission, the CONTRACTOR obtains additional supporting documentation, the CONTRACTOR shall submit a revised PAE with the supporting documentation. After thirty (30) calendar days from the initial PAE submission have passed, the CONTRACTOR shall have no obligation to make efforts to collect supporting documentation, but shall be required to submit a new PAE with supporting documentation to TENNCARE if such documentation is subsequently received.
- 2.9.6.3.19.5 The CONTRACTOR shall be responsible for ensuring that the level of care, including Safety Determination Request Form, as applicable, is accurate and complete, satisfies all technical requirements specified by TENNCARE, and accurately reflects the member's current medical and functional status based on information gathered, at a minimum, from the member, his or her representative, the Care Coordinator's or Support Coordinator's direct observations, and the history and physical or other medical records which shall be submitted with the application. The CONTRACTOR shall note in the level of care any discrepancies between these sources of information, and shall provide explanation regarding how the CONTRACTOR addressed such discrepancies in the level of care. If a PAE is denied for insufficiency, inconsistency, or error, the PAE must be revised within one (1) business day to cure the deficiency and be resubmitted.
- 2.9.6.3.19.6 If TENNCARE receives a safety request from a NF or hospital on behalf of one of the CONTRACTOR's members, and the request contains insufficient medical evidence for TENNCARE to make a safety determination, TENNCARE may request that the CONTRACTOR conduct an assessment pursuant to TennCare Rules to gather additional information needed by TENNCARE to make a safety determination. If TENNCARE makes such a request, the CONTRACTOR shall conduct the assessments required pursuant to TennCare Rules and complete the Safety Determination Request Form, including all required documentation, within five (5) business days from notification by TENNCARE, except when a delay results from the needs or request of the member which shall be documented in writing.
- 2.9.6.3.20 If a member is seeking access to CHOICES HCBS through enrollment in CHOICES Group 2 or access to ECF CHOICES HCBS through enrollment in ECF CHOICES Group 6 and the enrollment target for the group has been reached, the

CONTRACTOR may, subject to established eligibility and enrollment criteria, elect to enroll the person into CHOICES Group 2 or ECF CHOICES Group 6, as applicable, as a cost-effective alternative if the person is currently receiving nursing facility services or would be imminently placed in a nursing facility, absent such enrollment and the availability of CHOICES or ECF CHOICES HCBS, as applicable. The CONTRACTOR shall notify TENNCARE if the CONTRACTOR wishes to enroll the person in CHOICES Group 2 or ECF CHOICES Group 6 as a cost effective alternative (CEA) to nursing facility care that would otherwise be provided, and shall submit to TENNCARE the following:

- 2.9.6.3.20.1 A written summary of the CONTRACTOR's CEA determination, including an explanation of the member's circumstances which warrant the immediate provision of nursing facility services unless CHOICES or ECF CHOICES HCBS are immediately available.
- 2.9.6.3.20.2 TENNCARE may request additional information as needed to confirm the CONTRACTOR's CEA determination and/or provider capacity to meet the member's needs, and shall, only upon receipt of satisfactory documentation, enroll the member in CHOICES or ECF CHOICES, as applicable.
- 2.9.6.3.21 The CONTRACTOR shall be responsible for (1) advising members who appear to meet the nursing facility level of care that are seeking access to CHOICES HCBS through enrollment in CHOICES Group 2 when an enrollment target has been (or will soon be) reached; (2) advising such persons that they may choose to receive nursing facility services if CHOICES Group 2 HCBS are not immediately available; (3) determining whether the person wants nursing facility services if CHOICES Group 2 HCBS are not immediately available; and (4) at the CONTRACTOR's sole discretion, making a determination regarding whether enrollment in Group 2 constitutes a CEA because the immediate provision of nursing facility services will otherwise be required and submitting appropriate documentation to TENNCARE if there is a waiting list for CHOICES Group 2 but the CONTRACTOR chooses to enroll a member in Group 2 as a CEA (see Section A.2.9.6.3.20.1).
- 2.9.6.3.22 If a person is processed for enrollment in an available slot in ECF CHOICES Group 5 and is determined to meet NF LOC for reasons other than a safety determination, and a slot is not available in ECF CHOICES Group 6, the CONTRACTOR shall offer the person the choice of enrolling in ECF CHOICES Group 5, so long as his or her needs can be safely met with the array of benefits available if enrolled in Group 5.
- 2.9.6.3.23 The State will be responsible for determining TennCare categorical and financial eligibility and level of care and enrolling eligible TennCare members into CHOICES and ECF CHOICES. If the applicant does not meet target population or medical eligibility requirements as determined by TENNCARE, TENNCARE shall send written notification to the applicant and his or her designee, including information regarding the right to an appeal.
- 2.9.6.3.24 TENNCARE will notify the CONTRACTOR via the outbound 834 enrollment file when a person has been enrolled in CHOICES or ECF CHOICES and, if the member is enrolled in CHOICES or ECF CHOICES, the member's CHOICES or ECF CHOICES Group and applicable patient liability amounts (see Section A.2.6.7).
- 2.9.6.3.24.1 For members in CHOICES Group 2 TENNCARE will notify the CONTRACTOR of the member's cost neutrality cap (see definition in Section A.1 and see Section A.2.6.1.5.2.3), which shall be the average cost of Level 1

nursing facility care, or upon implementation of the new nursing facility reimbursement methodology, the average cost of nursing facility care (the Level 1/Level 2 distinction will be eliminated), unless a higher cost neutrality cap is established by TENNCARE based on information submitted by the AAAD or MCO (as applicable) in the level of care, because the member would qualify to receive Enhanced Respiratory Care reimbursement in a nursing facility.

- 2.9.6.3.24.2 For members in ECF CHOICES, TENNCARE will notify the CONTRACTOR of the member's expenditure cap (see definition in Section 1), on the outbound 271 file, and the CONTRACTOR shall receive, process, and update this file in accordance with Section A.2.4.6.1.
- 2.9.6.3.25 For all newly enrolled CHOICES Group 1 members, the CONTRACTOR shall reimburse NF services in accordance with the level of nursing facility services or reimbursement approved by TENNCARE, and as of the effective date of CHOICES enrollment, except that the CONTRACTOR may reimburse a lesser level of service which such lesser level of service is billed by the facility.
- 2.9.6.3.26 For CHOICES and ECF CHOICES members, the Care Coordinator, Support Coordinator, or Integrated Support Coordination Team, as applicable, shall complete a comprehensive assessment in a manner sufficient to ensure strengths, needs, opportunities, and challenges are identified and addressed in the PCSP, and conduct a caregiver assessment, and authorize and initiate CHOICES HCBS and ECF CHOICES HCBS as described and in accordance with timeframes specified in this section.
- 2.9.6.3.26.1 For CHOICES members, the CONTRACTOR shall authorize and initiate immediately needed CHOICES HCBS within ten (10) business days of receiving notice of a member's enrollment, except when a later date is requested by the member which shall be documented in writing (e.g., when a CHOICES member elects to participate in consumer direction and refuses services from an agency in the interim). CHOICES HCBS authorized and initiated while the member's comprehensive PCSP is developed will continue automatically after the comprehensive PCSP is developed, unless a limited duration is specified in the member's PCSP and authorized accordingly.
- 2.9.6.3.26.2 For ECF CHOICES members, the CONTRACTOR shall determine if the member immediately needs any ECF CHOICES HCBS while the comprehensive PCSP is developed. Immediately needed ECF CHOICES HCBS may include but are not limited to services that a person needs in order to facilitate timely discharge from an inpatient setting or to prevent inappropriate placement in an inpatient or other restrictive setting, to prevent imminent placement outside the person's current living arrangement, to address severe co-occurring behavioral health and/or psychiatric conditions that place the person or others at significant risk of harm, or consistent with the program's primary goals, to prevent imminent loss of competitive integrated employment or an offer of such employment. Intensive Behavioral Family-Centered Treatment, Stabilization and Supports (IBFCTSS) and Intensive Behavioral Community Transition and Stabilization Services shall be considered "immediately needed" services. The CONTRACTOR may utilize other covered benefits or cost-effective alternative services as needed to address these immediate needs while ECF CHOICES services are put into place or provide incentives to providers with prior approval from TENNCARE to provide such immediately needed services and to put in place sustainable strategies to enable the provider to do so on ongoing basis. The

CONTRACTOR shall document immediately needed ECF CHOICES HCBS or other covered benefits or cost-effective alternative services to address immediate needs in the PCSP and shall authorize and initiate any immediately needed ECF CHOICES HCBS or other covered benefits or cost-effective alternative services to address immediate needs within ten (10) business days of receiving notice of a member's enrollment or as expeditiously as needed to facilitate timely discharge or avoid inappropriate placement, or to avoid imminent loss of competitive integrated employment or an offer of such employment. In the case of immediately needed ECF CHOICES HCBS, initiation shall include the commencement of the actual provision of services (or other covered benefits or cost-effective alternative services). Any ECF CHOICES HCBS authorized and initiated while the member's comprehensive PCSP is developed shall continue automatically after the comprehensive PCSP is developed, unless a limited duration is specified in the member's PCSP and authorized accordingly. For ECF CHOICES members who were enrolled under one of the employment-related priority categories, the development of the person centered support plan process shall address first, the goals and support/service needs specific to the employment-related priority category through which the member gained enrollment into the program.

- 2.9.6.3.26.2.1 For members enrolled in ECF CHOICES Group 7, service initiation shall include the initial face-to-face contact with the IBFCTSS provider, full engagement of the IBFCTSS clinical team, and other in-home supports sufficient to meet person's needs. In the event that qualified staff must be identified and trained (e.g., in order to meet individualized needs), the Supportive Home Care component of the IBFCTSS benefit shall be initiated as soon as possible, but no more than 60 days following effective date of enrollment in Group 7, so long as other covered benefits or cost-effective alternative services are provided in the home to ensure the person's needs are met. The CONTRACTOR shall submit a copy of the PCSP, identifying immediately needed services, and a revised PCSP, as assessments are completed and remaining service components are put into place. Other covered benefits or CEA services shall be billed separately, and not as the Supportive Home Care component of the IBFCTSS benefit, until such time that qualified staff begin providing the Supportive Home Care component of the IBFCTSS benefit.
- 2.9.6.3.26.2.2 For members enrolled in ECF CHOICES Group 8, service initiation shall include the initial face-to-face contact with the IBCTSS provider, engagement of the IBCTSS clinical team for purposes of assessment/planning, and alternative placement services (e.g., crisis respite, etc.) sufficient to meet person's needs (unless the person is not yet stable/ready for discharge). In the event that qualified staff must be identified and trained (e.g., in order to meet individualized needs), IBCTSS shall be initiated as soon as possible, but no more than 60 days following the effective date of enrollment in Group 8, so long as other alternative placement services are in place to facilitate immediate transition (unless the person is not yet stable/ready for discharge). The CONTRACTOR shall submit a copy of the PCSP, identifying immediately needed (alternative placement) services, and shall notify TennCare when IBCTSS services are initiated. Alternative placement services shall be billed separately, and not as the IBCTSS benefit, until such time that qualified staff are in place and the IBCTSS benefit is initiated.
- 2.9.6.3.26.3 The Support Coordinator or Care Coordinator, as applicable, shall, within thirty (30) calendar days of notice of enrollment in CHOICES or ECF CHOICES,

complete the comprehensive assessment (see A.2.9.6.5) and develop the PCSP and authorize and initiate services as specified in the PCSP except when a later date is requested, for one or more specified services, by the member which shall be documented in writing (e.g., these shall include but are not limited to, (1) when an ECF CHOICES member elects to participate in consumer direction and refuses services from an agency in the interim, or (2) a member requests additional time to complete person-centered planning processes, select a provider and/or staff that are best aligned with his or her goals, needs, and preferences, or visit and select from available options or develop a Community Living Supports living arrangement. In non-urgent circumstances, which shall be distinct from those described in 2.9.6.2.5.3.2, “initiation” may also take into account the time required by the provider to hire and train qualified staff if the CONTRACTOR has informed the member of any providers with existing trained staff available to initiate the service and the member has declined those providers. In this case, services shall be considered “initiated” if a provider has been selected by the member, the services have been authorized by the CONTRACTOR, the provider has agreed to provide the requested service(s), and the CONTRACTOR verifies that the provider is actively engaged in hiring and/or training staff to provide the requested services. The CONTRACTOR shall be responsible for ongoing follow-up with the provider selected by the member to ensure that these processes are completed timely and services commence. The PCSP shall be developed in accordance with protocols developed by TENNCARE and the principles of self-determination, including dignity of risk and supported decision-making. The CONTRACTOR shall discuss with the member opportunities, benefits, and potential negative outcomes associated with risks that may result from the member’s decisions, and strategies to mitigate potential negative outcomes associated with identified risks, which shall be documented in the PCSP as appropriate.

2.9.6.3.26.3.1 In developing the PCSP for ECF CHOICES, the Support Coordinator shall ensure that the Employment Informed Choice Process is followed.

2.9.6.3.26.3.1.1 Upon completion of Exploration services, if the member elects not to pursue Individualized Integrated Employment or Self-Employment, the Support Coordinator shall obtain signed acknowledgement from the member/representative before Community Integration Support Services and/or Independent Living Skills Training may continue or be newly authorized. The signed acknowledgement is to be obtained after the Support Coordinator meets with the individual and involved family, guardian, or conservator, if applicable, to review results of Exploration services and the Exploration report and provide re-education or additional education on the benefits of employment and supports available for employment. If the person still declines to pursue employment, and declines to participate in any employment service, the Support Coordinator shall obtain written confirmation of the person’s informed choice not to pursue individualized, integrated employment or Self-Employment at the time. The meeting, including signing of the acknowledgement when applicable, shall occur within thirty (30) calendar days of the CONTRACTOR receiving the completed Exploration report. If Community Integration Support Services and/or Independent Living Skills Training are already authorized, these services may continue until the meeting is held and signed acknowledgement is obtained.

- 2.9.6.3.26.3.2 The CONTRACTOR shall ensure a seamless transition from (a) CHOICES HCBS or ECF CHOICES HCBS that are immediately needed by the member or other covered benefits or cost-effective alternative services to address immediate needs to (b) CHOICES HCBS or ECF CHOICES HCBS in the PCSP identified through the person-centered planning process that are needed to help people achieve their goals across all domains of the PCSP, including those immediately needed services that are also needed on an ongoing basis, with no gaps in care.
- 2.9.6.3.26.4 Initiation of the comprehensive assessment and determination of immediately needed services for ECF CHOICES members may, at the CONTRACTOR's discretion, occur during the enrollment visit (i.e., prior to enrollment in ECF CHOICES).
- 2.9.6.3.27 For the CONTRACTOR's members enrolled into CHOICES Group 2 or Group 3 or ECF CHOICES, the member's Care Coordinator or Support Coordinator, as applicable, shall, within the timeframes prescribed in this section, authorize and initiate CHOICES or ECF CHOICES HCBS, as applicable.
- 2.9.6.3.27.1 For purposes of the CHOICES and ECF CHOICES programs, service authorizations for CHOICES HCBS or ECF CHOICES HCBS shall include the amount, frequency, and duration of each service to be provided, and except for services provided through Consumer Direction, the schedule at which such care is needed or preferred, if applicable, and whether the member requests or agrees to accept flexibility in his/her typical schedule, as applicable and after the member has received education on options and advantages of flexible scheduling; and other relevant information as required by TENNCARE. The CONTRACTOR shall not lead a member to develop a schedule that is more prescriptive than is needed or preferred, or that does not provide for flexibility that the member may want—whether to allow flexibility so the member's preferred provider has capacity to deliver needed services or to provide the member with flexibility to adjust the schedule as his or her needs and preferences change. When a member's PCSP includes CHOICES or ECF CHOICES HCBS that will be delivered by multiple providers (e.g., Individual Employment Supports, Community Integration Support Services, and Personal Assistance), the CONTRACTOR shall be responsible for providing assistance to the member and providers to coordinate on an ongoing basis the scheduling of these services in accordance with the member's needs and preferences, and to avoid duplication. The CONTRACTOR shall be responsible for ensuring that the provider receives sufficient information as part of the referral to make an informed decision regarding the provider's ability to deliver services in accordance with the member's needs, including: the member's zip code or specific area where the service is desired; the member's support needs, including specialized physical or behavioral health or functional support needs that could require special training or expertise; the amount and type of service needed; start date needed and/or desired; goals the service is intended to address with specificity to the extent necessary to reflect member preferences; schedule needed or preferred by the member or indication of flexible scheduling needed or preferred; billing code indicating staffing ratio if applicable (e.g., 1:1, 1:2 or 1:3 for Community Integration Support Services); member needs and preferences regarding staff and, if applicable, individuals who may be paired with the member to share staff support. The CONTRACTOR may share the PCSP (or relevant parts of the PCSP) as needed to address some or all of the information specified above. The CONTRACTOR shall also be responsible for confirming the provider's capacity and commitment to initiate services as authorized on or

before the requested start date, and if the provider is unable to initiate services as authorized on or before the requested start date, for arranging an alternative provider who is able to initiate services as authorized on or before the requested start date. The CONTRACTOR may determine, subject to requirements set forth in the approved service definitions, and in policy and protocol, the duration of time for which CHOICES HCBS or ECF CHOICES HCBS will be authorized. Additionally, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES or ECF CHOICES HCBS in accordance with the PCSP. The CONTRACTOR shall further be responsible for ensuring that service authorizations are consistent with the PCSP, including the schedule at which services are needed and any updates to the PCSP, and/or schedule, and except in the following circumstance, for notifying providers in advance when a service authorization (including a schedule) will be changed. Retroactive entry or adjustments in service authorizations for CHOICES HCBS or ECF CHOICES HCBS should be made only when required to accommodate payment of services that had been authorized but an adjustment in the schedule of services was required based on the member's needs.

- 2.9.6.3.27.2 Notwithstanding the address and/or phone number in the 834 file, for purposes of the EVV system (see Section A.2.9.6.13.6), the CONTRACTOR shall use the member's address or phone number or appropriate alternative phone number as confirmed during the intake and/or enrollment visit (see Section A.2.9.6.3.11) and updated (as applicable) during subsequent care coordination or support coordination contacts, through EVV alert monitoring or other member contacts for all HCBS that will be logged into the EVV system.
- 2.9.6.3.27.3 Except as required pursuant to Section A. 2.14.5.8, the CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care and/or reimbursement (including the duration of such level of care and/or reimbursement) approved by TENNCARE (see Section A.2.14.1.14). Until the new nursing facility reimbursement methodology is effective in the TennCare Rules, the CONTRACTOR may however reimburse a facility at the Level I per diem rate when such rate is billed by the facility and there is an approved LOC eligibility segment for such level of reimbursement. If the CONTRACTOR elects to authorize nursing facility services, the CONTRACTOR may determine the duration of time for which nursing facility services will be authorized. However, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES nursing facility services in accordance with the level of care and/or reimbursement approved by TENNCARE. Retroactive entry or adjustments in service authorizations for nursing facility services should be made only upon notification of retroactive enrollment into or disenrollment from CHOICES Group 1a or 1b via the outbound 834 file from TENNCARE.
- 2.9.6.3.27.4 The CONTRACTOR shall provide at least verbal notice to the member prior to initiation of CHOICES or ECF CHOICES HCBS identified in the plan of care or PCSP, as applicable, regarding any change in providers selected by the member for each CHOICES or ECF CHOICES HCBS; including the reason such change has been made. If the CONTRACTOR is unable to place a CHOICES or ECF CHOICES member in the nursing facility or community-based residential alternative setting requested by the member, the Care Coordinator or Support Coordinator, as applicable, shall meet with the member and his/her representative

to discuss the reasons why the member cannot be placed with the requested facility and the available options and identify an alternative facility.

- 2.9.6.3.27.5 If the CONTRACTOR is unable to initiate any long-term care service within the timeframes specified in this Contract or in TENNCARE protocol, the CONTRACTOR shall issue written notice to the member, documenting the service(s) that will be delayed, the reasons for the delay and the date the service(s) will start, and shall make good faith efforts to ensure that services are provided as soon as practical.
- 2.9.6.3.27.6 For members enrolled in CHOICES or ECF CHOICES who are, upon CHOICES or ECF CHOICES enrollment, receiving nursing facility or community-based residential alternative services from a contract provider, the CONTRACTOR shall authorize such services from the current provider as of the effective date of CHOICES enrollment. The CONTRACTOR shall not move members enrolled in CHOICES or ECF CHOICES who are, upon CHOICES or ECF CHOICES enrollment, receiving services in a nursing facility or community-based residential alternative setting to another facility unless: (1) the member or his/her representative specifically requests to move, which shall be documented in the member's file; (2) the member or his/her representative provides written consent to move based on quality or other concerns raised by the CONTRACTOR, which shall not include the nursing facility's rate of reimbursement; or (3) the facility where the member is residing is not a contract provider; if the community-based residential facility where the member is currently residing is not a contract provider, the CONTRACTOR shall provide continuation of services in such facility for at least thirty (30) days, which shall be extended as necessary to ensure continuity of care pending the facility's contracting with the CONTRACTOR or the member's transition to a contract facility; if the member is transitioned to a contract facility, the CONTRACTOR shall facilitate a seamless transition to the new facility; if the nursing facility where the member is currently residing is a non-contract provider, the CONTRACTOR shall (a) authorize continuation of the services pending enrollment of the facility as a contract provider (except a facility excluded for a 2-year period when the facility has withdrawn from Medicaid participation); (b) authorize continuation of the services pending facilitation of the member's transition to a contract facility, subject to the member's agreement with such transition; or (c) may continue to reimburse services from the non-contract nursing facility in accordance with TennCare rules and regulations.
- 2.9.6.3.27.7 For members receiving nursing facility services, the Care Coordinator shall participate as appropriate in the nursing facility's care planning process (see Section A.2.9.6.5.1) and may supplement the facility's PCSP as necessary (see Section A.2.9.6.6.1).
- 2.9.6.3.27.8 The CONTRACTOR shall not divert or transition members in CHOICES Group 1 to CHOICES HCBS unless the member chooses to receive CHOICES HCBS as an alternative to nursing facility and is enrolled in Group 2 or a member enrolled in CHOICES on or after July 1, 2012 no longer meets nursing facility level of care but does meet the at-risk level of care and is enrolled in Group 3.
- 2.9.6.3.27.9 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 2 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and : (1) is expected to require a short-term nursing facility care stay for ninety (90) days or less; (2) chooses to transition to

a nursing facility and enroll in Group 1; or (3) the CONTRACTOR determines that it cannot safely and effectively meet the needs of the member and at a cost that is less than the member's cost neutrality cap and the member agrees to transition to a nursing facility and enroll in Group 1.

- 2.9.6.3.27.10 The CONTRACTOR shall not admit a member enrolled in CHOICES Group 3 to a nursing facility unless the member meets the nursing facility level of care in place at the time of admission and: (1) is expected to require short-term nursing facility services for ninety (90) days or less; or (2) chooses to transition to a nursing facility and enroll in Group 1.
- 2.9.6.3.27.11 The CONTRACTOR shall not admit a member enrolled in any ECF CHOICES Group or any member with I/DD who would qualify for enrollment in any ECF CHOICES Group to a nursing facility, including for short-term stay, without providing advance notification to TENNCARE, which shall include documentation of thoroughly exploring and exhausting all attempts to provide services in a more integrated community setting.
- 2.9.6.3.27.11.1 The member must meet the NF LOC in place at the time of admission and: (1) be expected to require short-term nursing facility services for ninety (90) days or less; or (2) make an informed choice to transition to a nursing facility and enroll in Group 1. Informed choice requires thorough exploration and exhaustion of all integrated community setting options.
- 2.9.6.3.27.11.2 A PASRR must be completed prior to admission, the member must be determined appropriate for placement in a nursing facility, and all identified specialized services must be coordinated by the CONTRACTOR immediately upon admission.
- 2.9.6.3.27.11.3 If a member enrolled in any ECF CHOICES Group or any member with I/DD who would qualify for enrollment in any ECF CHOICES Group is admitted to a nursing facility without the CONTRACTOR's knowledge (e.g., following discharge from an inpatient hospital stay of which the CONTRACTOR had no knowledge), the CONTRACTOR shall immediately commence assessment of the member's interest and ability to transition into a more integrated community setting, and shall assist the member in exploring all possible integrated community setting options.
- 2.9.6.3.27.11.4 The CONTRACTOR shall be responsible for ensuring seamless coordination of discharge planning on behalf of members enrolled in its companion D-SNP and for coordinating with other Medicare Advantage D-SNPs regarding members enrolled in a D-SNP that is not the CONTRACTOR's companion D-SNP (see Section A.2.9.14), which shall include appropriate triage of inpatient admission notifications and coordination in discharge planning when Medicaid LTSS or other Medicaid services are needed upon discharge in order to ensure that care is provided in the most appropriate, cost effective and integrated setting.
- 2.9.6.3.27.12 Upon receiving notification from TENNCARE that a member's eligibility has ended, the CONTRACTOR shall within two (2) business days notify all providers of ongoing HCBS that the member's CHOICES or ECF CHOICES eligibility has ended, which may be accomplished by notification in the EVV system when applicable. Such notification shall not be provided in advance of the actual end date of member's CHOICES or ECF CHOICES eligibility, as a prospective end date could be extended.

- 2.9.6.3.28 When the CONTRACTOR determines that a member with an intellectual disability or related condition or a member who has mental illness, whether such a member is CHOICES or non-CHOICES, is appropriate for nursing facility placement and specialized services are recommended in the member's PASRR, the nursing facility shall be required to confirm, in a manner specified by TENNCARE, its willingness and ability to provide the specialized services for the member. The CONTRACTOR shall ensure that any approved specialized services are part of the nursing facility's PCSP for the member and shall coordinate with the NF to ensure that such specialized services are delivered. This shall include the CONTRACTOR's timely authorization of medically necessary covered benefits, including NEMT to such benefits when provided outside the facility setting.
- 2.9.6.3.29 TENNCARE may establish, pursuant to policies and protocols for management of waiting or referral lists, alternative timeframes for completion of specified intake and enrollment functions and activities for persons when there is a waiting or referral list, or upon implementation of ECF CHOICES.
- 2.9.6.3.30 The CONTRACTOR shall complete all intake processes in Section A.2.9.6.3 within thirty (30) calendar days, unless an exception is granted by TENNCARE in writing due to extenuating circumstances beyond the CONTRACTOR's control. If TENNCARE grants an exception, such exception will provide the CONTRACTOR an additional thirty (30) calendar days to complete an intake process for the applicant, totaling sixty (60) calendar days to complete the intake process. If TENNCARE grants the CONTRACTOR an exception and the CONTRACTOR does not complete the intake process within sixty (60) calendar days, the CONTRACTOR shall close the referral, notify TENNCARE, and document the reason(s) the intake process was not completed for that applicant, and shall maintain such documentation and provide the documentation to TENNCARE upon request.
- 2.9.6.4 Care Coordination upon Enrollment in CHOICES and Support Coordination upon Enrollment in ECF CHOICES
- 2.9.6.4.1 Upon notice of a member's enrollment in CHOICES or ECF CHOICES, the CONTRACTOR shall assume responsibility for all care coordination or support coordination functions and activities described herein (assessment and care planning activities for members currently enrolled with the CONTRACTOR shall begin prior to CHOICES enrollment and may begin for members currently enrolled with the CONTRACTOR prior to ECF CHOICES enrollment; see Section A.2.9.6.3).
- 2.9.6.4.2 The CONTRACTOR shall be responsible for all aspects of care coordination or support coordination, as applicable, and all requirements pertaining thereto, including but not limited to requirements set forth in the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols.
- 2.9.6.4.3 The CONTRACTOR shall assign to each member a specific Care Coordinator or Support Coordinator who shall have primary responsibility for performance of care coordination or support coordination activities as specified in this Contract, and who shall be the member's point of contact for coordination of all physical health, behavioral health, and long-term services and supports. Members in ECF CHOICES Groups 7 and 8 shall be assigned a specific Integrated Support Coordination Team, as defined herein.

- 2.9.6.4.3.1 For CHOICES or ECF CHOICES members, who are, upon CHOICES or ECF CHOICES enrollment, receiving services in a nursing facility or a community-based residential alternative setting, the CONTRACTOR shall assign a specific Care Coordinator or Support Coordinator prior to the first face-to-face visit required in this Contract. If the first face-to-face visit will not occur within the first ten (10) days of the member's enrollment in CHOICES or ECF CHOICES, the CONTRACTOR shall send the member written notification within ten (10) calendar days of the member's enrollment that explains how the member can reach the care coordination unit or the support coordination unit, as applicable, for assistance with concerns or questions pending the assignment of a specific Care Coordinator or Support Coordinator.
- 2.9.6.4.3.2 For CHOICES or ECF CHOICES members who, upon enrollment in CHOICES or ECF CHOICES, are not receiving services in a nursing facility or a community-based residential alternative setting, the CONTRACTOR shall assign a specific Care Coordinator or Support Coordinator, as applicable, and shall advise the member of the name of his/her Care Coordinator or Support Coordinator and provide contact information prior to the initiation of services (see Section A.2.9.6.2.5.3 and A.2.9.6.3.27), but no more than ten (10) calendar days following CHOICES or ECF CHOICES enrollment.
- 2.9.6.4.3.3 For all CHOICES members and ECF CHOICES members, the assigned Care Coordinator or Support Coordinator shall be linguistically competent in the member and primary caregiver's spoken language or in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication. If a Care Coordinator or Support Coordinator is assigned before the CONTRACTOR identifies the member's primary spoken language or other communication needs, and the Care Coordinator or Support Coordinator is not linguistically competent in the member and primary caregiver's primary spoken language or is unable to accommodate the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication the CONTRACTOR shall assign a new Care Coordinator or Support Coordinator who is linguistically competent in the member and primary caregiver's primary spoken language, or who is trained in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, as applicable, and the use of other auxiliary aids or services in order to achieve effective communication and shall notify the member of the new Care Coordinator or Support Coordinator and the reason for such assignment. If the CONTRACTOR is unable to assign a Care Coordinator for a CHOICES member or a Support Coordinator for an ECF CHOICES member who is linguistically competent in the member and primary caregiver's primary spoken language, or who is trained in the use of sign language or other non-verbal forms of communication, including the use of assistive technology, and the use of other auxiliary aids or services in order to achieve effective communication as applicable, the CONTRACTOR shall ensure the availability of translation services in the member and primary caregiver's primary spoken language or in sign language, or who can facilitate non-verbal forms of communication, including the use of assistive technology, as applicable, and the

use of other auxiliary aids or services in order to achieve effective communication for all comprehensive assessment and care planning activities.

- 2.9.6.4.4 The CONTRACTOR may utilize a care coordination or support coordination team approach to performing care coordination or support coordination activities prescribed in Section A.2.9.6. For each CHOICES or ECF CHOICES member, the CONTRACTOR's care coordination or support coordination team shall consist of the member's Care Coordinator or Support Coordinator and specific other persons with relevant expertise and experience appropriate to address the needs of CHOICES or ECF CHOICES members. Care coordination or support coordination teams shall be discrete entities within the CONTRACTOR's organizational structure dedicated to fulfilling CHOICES or ECF CHOICES care coordination or support coordination functions. - 2.9.6.6.2.5.3 When the refusal to sign is due to the inclusion of services that the member does not want to receive, either in totality or in the amount, frequency, scope or duration of services in the PCSP, the Care Coordinator shall for CHOICES Group 2 and 3 members note, the associated risks and the measures to mitigate the risks in the member's PCSP. In the event the Care Coordinator determines that the member's needs cannot be safely and effectively met in the community without receiving these services, the CONTRACTOR may request that it no longer provide long-term care services to the member (see Section A.2.6.1.5.7).
- 2.9.6.6.2.5.4 Instances in which a member's signature is not required are limited to: 1) member-initiated schedule changes to the POC or PCSP, as applicable, that do not alter the level of services (i.e. the amount, duration or type of services) detailed in the current POC or PCSP, as applicable, for the member (however, all schedule changes must be member-initiated); 2) changes in the provider agency that will deliver services that do not alter the level of services (i.e. the amount, duration or type of services) detailed in the current POC or PCSP, as applicable, for the member; 3) changes in the member's current address and phone number(s) or the phone number(s) or address that will be used to log visits into the EVV system; 4) the end of a member's participation in MFP at the conclusion of his 365-day participation period; 5) for ECF CHOICES members, the completion of one employment service and the initiation of another one as the member progresses towards meeting individual employment goals established in the PCSP; or 6) instances as permitted pursuant to TennCare policies and protocols, including emergency circumstances where the member's health and safety necessitate service initiation prior to member or representative signature. Documentation of such changes shall be maintained in the member's records,

including an attachment listing all of the member's current LTSS providers. Each time a change in the member's LTSS provider(s) occur(s), the CONTRACTOR shall be responsible for circulating an amended attachment listing the current, updated LTSS provider list to all providers on the attachment within five (5) business days of any such update.

- 2.9.6.6.2.6 The member's Care Coordinator/care coordination or Support Coordinator/support coordination team shall provide a copy of the member's completed comprehensive assessment and plan of care or PCSP, as applicable, including any updates, to the member, the member's representative, as applicable, the member's community-based residential alternative provider, as applicable, and other providers authorized to deliver services to or for the benefit of the member. The member's Care Coordinator/care coordination or Support Coordinator/support coordination team shall further require that: (a) each provider signs the plan of care or PCSP, as applicable, indicating they have reviewed it in its entirety, they understand and agree to provide the services as described and in accordance with the specific goals, preferences and needs of the member, as outlined in the plan of care or PCSP, as applicable and the comprehensive assessment; and (b) each provider receives the fully completed comprehensive assessment and plan of care or PCSP, as applicable, at least two business days prior to the scheduled implementation of services and prior to any change in such services in order to ensure appropriate and timely training of provider staff. The CONTRACTOR shall have mechanisms in place to ensure that such signatures and confirmation of each provider's agreement to provide services occurs within the timeframes specified in A. 2.9.6.3.12, A.2.9.6.3.20, and A.2.9.6.6.2.7, such that a delay in the initiation of services does not result. Electronic signatures shall be accepted for providers who are not present during the care or support planning process or as needed to facilitate timely implementation, including updates to the plan of care or PCSP, as applicable, based on the member's needs.
- 2.9.6.6.2.7 Within five (5) business days of completing a reassessment of a member's needs, the member's Care Coordinator or Support Coordinator, as applicable, shall update the member's plan of care or PCSP, as appropriate, and the CONTRACTOR shall authorize and initiate CHOICES or ECF CHOICES HCBS in the updated plan of care or PCSP, as applicable, except when such service(s) may be initiated only upon completion of an adverse action such that advance notice is required. In such case, HCBS in the updated plan of care or PCSP, as applicable, shall be initiated upon expiration of the advance notice period or upon resolution of any timely filed appeal requiring continuation of the existing benefits. The CONTRACTOR shall comply with requirements for service authorization in Section A.2.9.6.2.5.12, change of provider in Section A.2.9.6.2.5.13, and notice of service delay in Section A.2.9.6.2.5.14.
- 2.9.6.6.2.7.1 Within three (3) business days of updating the member's plan of care or PCSP, as applicable, the member's Care Coordinator/care coordination or Support Coordinator/support coordination team shall provide a copy of all relevant changes to the FEA, as applicable, and to other providers authorized to deliver care to the member. Relevant information shall include any information needed to ensure the provision of quality care for the member and to help ensure the member's health, safety, and welfare, including but not limited to any changes in the tasks and functions to be performed.

- 2.9.6.6.2.8 The member's Care Coordinator or Support Coordinator, as applicable, shall inform each member of his/her eligibility end date (if known) and educate members regarding the importance of maintaining TennCare CHOICES or ECF CHOICES eligibility, that eligibility must be redetermined at least once a year, and that members receiving CHOICES or ECF CHOICES HCBS can receive assistance from the CONTRACTOR in completing an annual renewal packet (e.g., collecting appropriate documentation and completing the necessary forms), as part of the annual PCSP process and/or when a packet has been mailed and such process has not been completed timely, placing the member at risk of losing eligibility.
- 2.9.6.7 Nursing Facility Diversion
- 2.9.6.7.1 The CONTRACTOR shall develop and implement a nursing facility diversion process that complies with the requirements in this Section A.2.9.6.7 and is prior approved in writing by TENNCARE. The diversion process shall not prohibit or delay a member's access to nursing facility services when these services are medically necessary and requested by the member, provided that for persons who have an intellectual or developmental disability, the CONTRACTOR shall make every effort to provide services in the community and may admit a person to a nursing facility only in accordance with federal PASRR requirements.
- 2.9.6.7.2 At a minimum the CONTRACTOR's diversion process shall target the following groups for diversion activities:
- 2.9.6.7.2.1 Members who are waiting for placement in a nursing facility;
- 2.9.6.7.2.2 CHOICES or ECF CHOICES members residing in their own homes who have a negative change in circumstances and/or deterioration in health or functional status and who request nursing facility services;
- 2.9.6.7.2.3 CHOICES or ECF CHOICES members residing in adult care homes or other community-based residential alternative settings who have a negative change in circumstances and/or deterioration in health or functional status and who request nursing facility services;
- 2.9.6.7.2.4 CHOICES, ECF CHOICES and non-CHOICES and non-ECF CHOICES members admitted to an inpatient hospital or inpatient rehabilitation who are not residents of a nursing facility; and
- 2.9.6.7.2.5 CHOICES, ECF CHOICES and non-CHOICES and non-ECF CHOICES members who are placed short-term in a nursing facility regardless of payer source.
- 2.9.6.7.3 The CONTRACTOR's nursing facility diversion process shall be tailored to meet the needs of each group identified in Section A.2.9.6.7.2 above.
- 2.9.6.7.4 The CONTRACTOR's nursing facility diversion process shall include a detailed description of how the CONTRACTOR will work with providers (including hospitals regarding notice of admission and discharge planning; see Sections A.2.9.6.3.5 and A.2.9.6.3.18) to ensure appropriate communication among providers and between providers and the CONTRACTOR, training for key CONTRACTOR and provider staff, early identification of members who may be candidates for diversion (

CHOICES, ECF CHOICES and non-CHOICES and non-ECF CHOICES members), and follow-up activities to help sustain community living.

2.9.6.7.5 The CONTRACTOR's nursing facility diversion process shall include specific timelines for each identified activity.

2.9.6.8 Nursing Facility-to-Community Transition

2.9.6.8.1 The CONTRACTOR shall develop and implement methods for identifying members who may have the ability and/or desire to transition from a nursing facility to the community. Such methods shall include, at a minimum:

2.9.6.8.1.1 Referrals, including but not limited to, treating physician, nursing facility, other providers, community-based organizations, family, and self-referrals;

2.9.6.8.1.2 Identification through the care coordination and support coordination process, including but not limited to: assessments, information gathered from nursing facility staff, participation in at least quarterly coordination meetings/phone calls which may be conducted by phone, between Care or Support Coordinators and designated nursing facility staff, or review and assessment of members whose nursing facility level of care is ending and who appear to meet the at-risk level of care for CHOICES Group 3 or ECF CHOICES Groups 4 or 5.

2.9.6.8.1.3 Review and analysis of members identified by TENNCARE based on Minimum Data Set (MDS) data from nursing facilities.

2.9.6.8.1.4 Identification of members in a nursing facility who have an intellectual or developmental disability and can be served in a more integrated home and community based setting in ECF CHOICES.

2.9.6.8.2 Members in CHOICES Group 1 (who are residents of a nursing facility) and who are under the age of twenty-one (21) and have requested to transition home will be provided coordination of care by the CONTRACTOR's CHOICES and Population Health staff.

2.9.6.8.3 Notwithstanding the nursing facility-to-community transition requirements set forth in this Section (A.2.9.6.8), the CONTRACTOR shall be responsible for monitoring all Group 1 members' level of care eligibility (see Section A.2.9.6.8.1.2) and for completing the process to re-establish nursing facility level of care or transition to Group 3, 4, or 5 HCBS, as appropriate, prior to expiration of nursing facility level of care.

2.9.6.8.4 For transition referrals by or on behalf of a nursing facility resident, regardless of referral source, the CONTRACTOR shall ensure that within fourteen (14) days of the referral a Care Coordinator or Support Coordinator conducts an in-facility visit with the member to determine the member's interest in and potential ability to transition to the community, and provide orientation and information to the member regarding transition activities. The member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall document in the member's case file that transition was discussed with the member and indicate the member's wishes as well as the member's potential for transition. The CONTRACTOR shall not require a member to transition from Group 1 to Group 2 when the member expresses a desire to continue receiving nursing facility services.

- 2.9.6.8.5 For identification by the CONTRACTOR by means other than referral or the care coordination process of a member who may have the ability and/or desire to transition from a nursing facility to the community, the CONTRACTOR shall ensure that within ninety (90) days of such identification a Care Coordinator or Support Coordinator conducts an in-facility visit with the member to determine whether or not the member is interested in and potential ability to pursue transition to the community. The member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall document in the member's case file that transition was discussed with the member and indicate the member's wishes as well as the member's potential for transition. The CONTRACTOR shall not require a member to transition when the member expresses a desire to continue receiving nursing facility services.
- 2.9.6.8.6 If the member wishes to pursue transition to the community, within fourteen (14) days of the initial visit (see Sections A.2.9.6.8.3 and A.2.9.6.8.4 above) or within fourteen (14) days of identification through the care coordination or support coordination process, the Care Coordinator or Support Coordinator shall conduct an in-facility assessment of the member's ability and/or desire to transition using tools and protocols specified or prior approved in writing by TENNCARE. This assessment shall include the identification of any barriers to a safe transition.
- 2.9.6.8.7 As part of the transition assessment, the Care Coordinator shall conduct a risk assessment in accordance with protocols developed by TENNCARE, discuss with the member the risk involved in transitioning to the community and shall include, as applicable for members who would transition into CHOICES Group 2 or Group 3, any identified risks to the member, the consequences of such risks, strategies to mitigate the identified risks, and the member's decision regarding his/her acceptance of risk as part of the PCSP. The risk mitigation strategy in the PCSP shall include the frequency and type of Care Coordinator contacts that exceed the minimum contacts required (see Section A.2.9.6.10.4), to mitigate any additional risks associated with transition and shall address any special circumstances due to transition. For members transitioning to Group 2, the member's Care Coordinator/care coordination team shall also make a determination regarding whether the member's needs can be safely and effectively met in the community and at a cost that does not exceed nursing facility care. The member's Care Coordinator shall explain to the member the individual cost neutrality cap and obtain a signed acknowledgement of understanding by the member or his/her representative that a change in a member's needs or circumstances that would result in the cost neutrality cap being exceeded or that would result in the CONTRACTOR's inability to safely and effectively meet a member's needs in the community and within the cost neutrality cap may result in the member's disenrollment from CHOICES Group 2, in which case, the CONTRACTOR will assist with transition to a more appropriate care delivery setting. For members transitioning to Group 3, the Care Coordinator shall explain the expenditure cap. For members transitioning to ECF CHOICES, the Support Coordinator shall identify risks and strategies to mitigate risks as part of the transition plan and PCSP.
- 2.9.6.8.8 For those members whose transition assessment indicates that they are not candidates for transition to the community, the Care Coordinator or Support Coordinator shall notify them in accordance with the specified transition assessment protocol.
- 2.9.6.8.9 For those members whose transition assessment indicates that they are candidates for transition to the community, the Care Coordinator or Support Coordinator shall

facilitate the development of and complete a transition plan within fourteen (14) days of the member's transition assessment.

- 2.9.6.8.10 The Care Coordinator or Support Coordinator shall include other individuals such as the member's family and/or caregiver in the transition planning process if the member requests and/or approves, and such persons are willing and able to participate.
- 2.9.6.8.11 As part of transition planning, prior to the member's physical move to the community, the Care Coordinator or Support Coordinator shall visit the residence where the member will live to conduct an on-site evaluation of the physical residence and meet with the member's family or other caregiver who will be residing with the member (as appropriate). The Care Coordinator or Support Coordinator shall include in the transition plan activities and/or services needed to mitigate any perceived risks in the residence including but not limited to an increase in face-to-face visits beyond the minimum required contacts in Sections A.2.9.6.8.19 and A.2.9.6.8.20.
- 2.9.6.8.12 The transition plan shall address all services necessary to safely transition the member to the community and include at a minimum member needs related to housing, transportation, availability of caregivers, and other transition needs and supports. The transition plan shall also identify any barriers to a safe transition and strategies to overcome those barriers.
- 2.9.6.8.13 The CONTRACTOR shall approve the transition plan and authorize any covered or cost effective alternative services included in the plan within ten (10) business days of completion of the plan. The transition plan shall be fully implemented within ninety (90) days from approval of the transition plan, except under extenuating circumstances which must be documented in writing.
- 2.9.6.8.14 The member's Care Coordinator shall also complete a PCSP that meets all criteria described in Section A.2.9.6.6 for members in CHOICES Groups 2 and 3 including but not limited to completing a comprehensive assessment, completing a risk assessment, and making a final determination of cost neutrality. The member's Support Coordinator shall also complete a PCSP that meets all criteria described in Section A.2.9.6.6 for members in ECF CHOICES, including but not limited to completing a comprehensive assessment and shall identify risks and strategies to mitigate risks as part of the transition plan and PCSP. The PCSP shall be authorized prior to and initiated upon the member's transition to the community.
- 2.9.6.8.14.1 If a transitioning member is enrolled in CHOICES Group 1, any CHOICES HCBS or ECF CHOICES HCBS that must be completed prior to a member's transition from a nursing facility to the community in order to ensure the member's health and safety upon transition (e.g., for a CHOICES member, minor home modifications, adaptive equipment, or PERS installation; or for an ECF CHOICES member, minor home modifications, assistive technology, etc.) shall be completed while the member is enrolled in Group 1, but shall be billed as a Group 2 or ECF CHOICES service once the member is enrolled into Group 2 or ECF CHOICES, as applicable, with the date of service the effective date of enrollment in CHOICES Group 2 or ECF CHOICES (see State Medicaid Director Letter, Olmstead Update No. 3, July 25, 2000).
- 2.9.6.8.14.2 If a transitioning member is enrolled in CHOICES Group 2 or 3 or ECF CHOICES Groups 4, 5, or 6, but is receiving short-term nursing facility care, any CHOICES HCBS or ECF CHOICES HCBS that must be completed prior to a

member's transition from a nursing facility to the community in order to ensure the member's health and safety upon transition (e.g., for a CHOICES member, minor home modifications, adaptive equipment, or PERS installation; or for an ECF CHOICES member, minor home modifications, assistive technology, etc.) shall be completed while the member resides in the facility and billed as a Group 2 or Group 3 or ECF CHOICES service, as applicable. However, a member shall not be transitioned from CHOICES Group 1 into Group 2 or 3 or ECF CHOICES for receipt of short-term nursing facility services in order to provide these services. Short-term nursing facility care is available only to a CHOICES 2 or CHOICES 3 or ECF CHOICES Groups 4, 5, or 6 participant who was receiving home and community based services upon admission to the short-term nursing facility stay.

- 2.9.6.8.15 For members requesting transition from Group 1 to Group 2, the CONTRACTOR shall not prohibit a member from transitioning to the community once the member has been counseled regarding risk. However, the CONTRACTOR may determine that the member's needs cannot be safely and effectively met in the community and at a cost that does not exceed nursing facility care. In such case, the CONTRACTOR shall seek written review and approval from TENNCARE prior to denial of any member's request to transition to the community. If TENNCARE approves the CONTRACTOR's request, the CONTRACTOR shall notify the member in accordance with TennCare rules and regulations and the transition assessment protocol, and the member shall have the right to appeal the determination (see Section A.2.19.3.12 of this Contract).
- 2.9.6.8.16 Once completed, the CONTRACTOR shall submit to TENNCARE documentation, as specified by TENNCARE to verify that for members transitioning to Group 2, the member's needs can be safely and effectively met in the community and within the cost neutrality cap. Before transitioning a member, the CONTRACTOR shall verify that the member has been approved for enrollment in CHOICES Group 2 or Group 3 or ECF CHOICES, as applicable, effective as of the planned transition date.
- 2.9.6.8.17 Ongoing CHOICES HCBS or ECF CHOICES HCBS and any medically necessary covered home health or private duty nursing services needed by the member shall be initiated immediately upon transition from a nursing facility (i.e., CHOICES Group 1) to the community (i.e., CHOICES Group 2, CHOICES Group 3, or ECF HCBS) and as of the effective date of transition with no gaps between the member's receipt of nursing facility services and ongoing CHOICES HCBS or ECF CHOICES HCBS.
- 2.9.6.8.18 The member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall monitor all aspects of the transition process and take immediate action to address any barriers that arise during transition.
- 2.9.6.8.19 For members transitioning to a setting other than a community-based residential alternative setting, the Care Coordinator/care coordination team or Support Coordinator/support coordination team shall upon transition utilize the EVV system to monitor the initiation and daily provision of services in accordance with the member's new plan of care or PCSP, as applicable, and shall take immediate action to resolve any service gaps (see definition in Section A.1).
- 2.9.6.8.20 For members who will live independently in the community or whose on-site visit during transition planning indicated an elevated risk, within the first twenty-four (24) hours, the Care Coordinator or Support Coordinator shall visit the member in his/her residence. During the initial ninety (90) day post-transition period, the Care

Coordinator or Support Coordinator shall conduct monthly face-to-face in-home visits to ensure that the plan of care or PCSP, as applicable, is being followed, that the plan of care or PCSP, as applicable, continues to meet the member's needs, and the member has successfully transitioned to the community.

- 2.9.6.8.21 For members transitioning to a community-based residential alternative setting or who will live with a relative or other caregiver, within the first twenty-four (24) hours the Care Coordinator or Support Coordinator shall contact the member and within seven (7) days after the member has transitioned to the community, the Care Coordinator or Support Coordinator shall visit the member in his/her new residence. During the initial ninety (90) day post-transition period, the Care Coordinator or Support Coordinator shall (1) at a minimum, contact the member by telephone each month to ensure that the plan of care or PCSP, as applicable is being followed, that the plan of care or PCSP, as applicable, continues to meet the member's needs, and the member has successfully transitioned to the community; and (2) conduct additional face-to-face visits as necessary to address issues and/or concerns and to ensure that the member's needs are met.
- 2.9.6.8.22 The CONTRACTOR shall monitor hospitalizations and nursing facility re-admission for members who transition from a nursing facility to the community to identify issues and implement strategies to improve transition outcomes.
- 2.9.6.8.23 2.9.6.8.23 The CONTRACTOR shall be permitted to coordinate or subcontract with local community-based organizations to assist in the identification, planning and facilitation processes related to nursing facility-to-community transitions that are not specifically assigned to the Care Coordinator or Support Coordinator.
- 2.9.6.8.24 The CONTRACTOR shall develop and implement any necessary assessment tools, transition plan templates, protocols, or training necessary to ensure that issues that may hinder a member's successful transition are identified and addressed. Any tool, template, or protocol must be prior approved in writing by TENNCARE.
- 2.9.6.8.25 To facilitate nursing facility to community transition, the CONTRACTOR shall, effective July 1, 2015, maintain at least one (1) dedicated staff person without a caseload who meets the qualifications of a Care Coordinator specified in Section A.2.9.6.12, in each Grand Region in which the CONTRACTOR serves TennCare members. The dedicated staff person(s) shall not be reported in the Care Coordinator or Support Coordinator ratios specified in Section A.2.9.6.12. Such staff person(s) shall be responsible for proactively identifying TennCare members in NFs who are candidates to transition to the community, and to further assist with the completion of the transition process specified in Section A.2.9.6.8. All transition activities identified as responsibilities of the Care Coordinator or Support Coordinator shall be completed by an individual who meets all of the requirements to be a Care Coordinator or Support Coordinator.
- 2.9.6.8.26 Any nursing facility to community transition shall be based on the individualized needs and preferences of the member. The CONTRACTOR shall not establish a minimum number of members on any Care Coordinator's caseload or a minimum number of residents of any facility that must be transitioned to the community. The CONTRACTOR shall ensure that Care Coordinators are screening members' potential for and interest in transition (see Section A.2.9.6.5.1.1) and when applicable, facilitating transition activities in a timely manner (see Section A.2.9.6.8), but shall not require any Care Coordinator as a condition of employment to identify a minimum number of nursing facility residents for transition to the community. Nor

shall the CONTRACTOR pay any Care Coordinator incentive or bonus based on the number of persons transitioned from a nursing facility to the community, unless there are appropriate safeguards, as determined and approved in writing by TENNCARE, to ensure that transitions are appropriate and consistent with the needs and preferences of residents.

2.9.6.8.27 The CONTRACTOR shall implement policies and processes necessary to ensure that it is aware when a member is admitted to or discharged from a NF in order to facilitate care planning and as seamless a transition as possible, and to ensure timely notification to TENNCARE and other entities as appropriate.

2.9.6.8.27.1 The CONTRACTOR shall require NFs to notify the CONTRACTOR of all NF discharges, transfers between NFs, or elections of hospice services in a NF.

2.9.6.8.27.2 The CONTRACTOR shall, in a manner prescribed by TENNCARE notify: a) TENNCARE of all NF discharges and elections of hospice services in a NF and of all NF discharges and transfers between NFs; and b) receiving NFs of all applicable level of care information when a member is transferring between NFs.

2.9.6.8.27.3 The CONTRACTOR shall conduct a census as frequently as deemed necessary by TENNCARE to confirm the residency status and Group assignment of all CHOICES members (i.e., Group 1 receiving services in a NF or Group 2 receiving HCBS or short-term NF services). The CONTRACTOR shall take actions as necessary to address any discrepancies when a CHOICES member is found to no longer be receiving LTSS services, or is receiving services in a different service delivery setting, e.g., NF, HCBS, or hospice in a NF, including, as appropriate, disenrollment from CHOICES and/or enrollment in a different CHOICES Group.

2.9.6.9 Community-Based Residential Alternative (CBRA) Services

2.9.6.9.1 The CONTRACTOR shall authorize CBRA services and shall facilitate a member's transition into a CBRA service and a specific CBRA setting *only* when such service and setting have been selected by the member; the member has been given the opportunity to meet and to choose to reside with any housemates who will also live in the CBRA setting; the setting has been determined to be appropriate for the member based on the member's needs, interests, and preferences; and a transition plan has been developed and fully implemented to ensure that all necessary services and supports (including physical and behavioral health, medications, HCBS, and social supports needed to assure the member's health and safety) are in place prior to the member's transition. The CONTRACTOR shall be responsible for coordinating with the all providers, regardless of payer source, and all agencies and entities necessary to ensure the member's safe and orderly transition and to minimize any potential for disruption, including inpatient admission.

2.9.6.9.2 Prior to transition of any CHOICES Group 2 or 3 or ECF CHOICES member into a community-based residential alternative setting and the initiation of any community-based residential alternative services other than companion care (including assisted care living facility services, adult care homes, community living supports, community living supports-family model, and Intensive Behavioral Community Transition and Stabilization Services, as applicable), and prior to the transition of any CHOICES Group 2 or 3 or ECF CHOICES member to a new community-based residential alternative services provider, the Care Coordinator or Support Coordinator shall visit the residence where the member will live and shall, in accordance with

protocols developed by TENNCARE, conduct an on-site assessment of the proposed community-based residential alternative setting to ensure that the living environment and living situation are appropriate and that the member's needs will be safely and effectively met, and that all necessary services and supports (including physical and behavioral health, medications, HCBS, and social supports needed to assure the member's health and safety) are in place.

- 2.9.6.9.3 Within the first twenty-four (24) hours of the transition of any CHOICES Group 2 or 3 or ECF CHOICES member into a community-based residential alternative setting and the initiation of any community-based residential alternative services other than companion care (including assisted care living facility services, adult care homes, community living supports, community living supports-family model, and Intensive Behavioral Community Transition and Stabilization Services, as applicable), and within the first twenty-four (24) hours of the transition of any CHOICES Group 2 or 3 or ECF CHOICES member to a new community-based residential alternative services provider, the Care Coordinator or Support Coordinator shall contact the member and within seven (7) days after the member has transitioned, the Care Coordinator or Support Coordinator shall visit the member in his/her new residence to confirm the member's satisfaction with the CBRA provider and services; that a medication reconciliation has been completed (as applicable) and that the member is receiving all necessary services and supports (including physical and behavioral health, medications, HCBS, and social supports needed to assure the member's health and safety), and any follow-up appointments have been arranged; that the plan of care or PCSP is being implemented; that the services are being delivered in a manner that is consistent with the member's preferences and which supports the member in achieving his or her goals and desired outcomes; and that the member's needs are safely and effectively met. Such contacts may be completed by a member of the Transition Team who meets all of the requirements to be a Care Coordinator or Support Coordinator.
- 2.9.6.9.4 The CONTRACTOR shall not place any CHOICES or ECF CHOICES member in an unlicensed home or residence providing room and board for two (2) or more unrelated individuals, regardless of whether other assistance is provided in the setting.
- 2.9.6.10 Ongoing Care Coordination and Support Coordination
- 2.9.6.10.1 *For Members in CHOICES Group 1*
- 2.9.6.10.1.1 The CONTRACTOR shall provide for the following ongoing care coordination to CHOICES members in Group 1:
 - 2.9.6.10.1.1.1 Develop protocols and processes to work with nursing facilities to coordinate the provision of care. At minimum, a Care Coordinator or Support Coordinator assigned to a resident of the nursing facility shall participate in at least quarterly coordination meetings/phone calls with designated nursing facility staff with relevant and current knowledge of members' needs and circumstances and shall identify and address any member who 1) has experienced a potential significant change in needs or circumstances (see Section A.2.9.6.10.1.1.5); 2) the nursing facility or MCO has expressed concerns; or 3) is under the age of twenty-one (21);

- 2.9.6.10.1.1.2 Develop and implement targeted strategies to improve health, functional, or quality of life outcomes, e.g., related to Population Health or pharmacy management, or to increase and/or maintain functional abilities;
- 2.9.6.10.1.1.3 Coordinate with the nursing facility as necessary to facilitate access to physical health and/or behavioral health services needed by the member and to help ensure the proper management of the member's acute and/or chronic health conditions, including services covered by the CONTRACTOR that are beyond the scope of the nursing facility services benefit;
- 2.9.6.10.1.1.4 Intervene and address issues as they arise regarding payment of patient liability amounts and assist in interventions to address untimely or non-payment of patient liability in order to avoid the consequences of non-payment;
- 2.9.6.10.1.1.5 In the manner prescribed by TENNCARE and in accordance with this Contract and TENNCARE policies and protocols pertaining thereto: 1) facilitate transfers between nursing facilities which, at a minimum, includes notification to the receiving facility of the member's level of care, and notification to TENNCARE; and 2) facilitate transitions to CHOICES Group 2 which shall include (but is not limited to) timely notification to TENNCARE; and
- 2.9.6.10.1.1.6 At a minimum, the CONTRACTOR shall consider the following a potential significant change in needs or circumstances for CHOICES Group 1 members who are residing in a nursing facility and contact the nursing facility to determine if a visit and reassessment is needed:

If the allegation is in reference to a worker or representative and concerns physical or sexual abuse, the FEA shall contact the member/representative to determine if the member/representative wants to place the worker or representative on administrative leave until DIDD or the MCO, as applicable, has completed its investigation. If the representative is the subject of the allegation, the representative shall not be allowed to decide whether to take leave, and such a decision shall solely be up to the member. The member/representative may additionally decide to remove staff at their discretion for allegations concerning other Tier 1 or Tier 2 incidents in ECF CHOICES (see Section A.2.15.7.6) or critical incidents in CHOICES, as applicable. The FEA shall notify the CONTRACTOR regarding this communication with the member/representative and the member or representative's decision. The Care Coordinator or Support Coordinator shall work with the member to find a new representative and the FEA shall work with the member to find a suitable replacement worker, if applicable. If the allegations are substantiated as a result of the investigation and result in placement on any registry included in Section A.2.29.2.2, then the representative or worker shall no longer be allowed to participate in the CHOICES or ECF CHOICES program as a representative or worker. If the investigation does not result in such placement, then the member may elect to retain the worker or representative. The member's Care Coordinator or Support Coordinator, with assistance from the FEA as appropriate, shall make any updates to the member's PCSP deemed necessary to help ensure the member's health and safety after a risk assessment is conducted, and shall provide, at least annually, education to the member and his/her representative of the risk of, and signs and symptoms of, abuse and neglect. The CONTRACTOR may initiate action to involuntary disenroll the member from consumer direction at any time the CONTRACTOR feels that the member's decisions or actions constitute unreasonable risk such that the member's needs can no longer be safely and effectively met in the community while participating in consumer direction.

- 2.9.6.12.9.3 Each CHOICES Group 3 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of one and three quarters (1.75). Effective July 1, 2015, each CHOICES Group 3 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two (2), except for Group 3 members who receive CBRA services in a CLS or CLS-FM setting, who shall have an acuity level of three (3);
- 2.9.6.12.9.4 Each ECF CHOICES Group 4 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two (2);
- 2.9.6.12.9.5 Each ECF CHOICES Group 5 member shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of two and one half (2.5), except for Group 5 members who receive CBRA services in a CLS or CLS-FM setting, who shall have an acuity level of three (3); and
- 2.9.6.12.9.6 Each ECF CHOICES Group 6 member shall be factored into the weighted caseload and staffing ratio calculations in accordance with their objectively assessed level of need as follows:
- 2.9.6.12.9.6.1 ECF CHOICES Group 6 members determined by an objective assessment to have low to moderate need and not to have exceptional medical or behavioral needs shall be factored into the weighted caseload and staffing ratio calculations utilizing an acuity level of three (3).

- 2.9.6.13.6.14 The ability to confirm visits that occur per the authorized services schedule;
- 2.9.6.13.6.15 The ability to provide immediate (i.e., "real time") notification to the CONTRACTOR, provider and FEA, as applicable, if a provider or worker does not arrive as scheduled or otherwise deviates from the authorized schedule or the schedule created by the provider with the CONTRACTOR and the member when the member has elected a more flexible scheduling approach, so that service gaps and the reason the service was not provided as scheduled, are immediately identified and addressed, including through the implementation of back-up plans, as appropriate;
- 2.9.6.13.6.16 The ability to automate contact with the member to address late visits that could signal a potential gap in care in order to identify and target intervention as needed;
- 2.9.6.13.6.17 The ability for a provider of home-delivered meals to log in and enter the meals that have been delivered during the day, including the member's name, time delivered and the reason a meal was not delivered (when applicable);

- 2.9.6.13.6.21 The ability to leverage the member-based technology for health education and self-management of chronic conditions, including monitoring, reminders and documentation of self-care (e.g., glucose checks, blood pressure checks, etc.);
- 2.9.6.13.6.22 Access to the EVV system and a dashboard for TennCare to conduct real-time monitoring of the CONTRACTOR's performance with these requirements;

- 2.9.6.13.6.23 The CONTRACTOR shall ensure that the EVV system creates and makes available to providers and to the FEA on at least a daily basis an electronic claims submission file in the 837 format, including exceptions which have been resolved, which may be submitted to the CONTRACTOR for claims processing at the appropriate frequency;
- 2.9.6.13.6.24 The CONTRACTOR shall ensure providers and the FEA receive an electronic reconciliation report for all submitted claims.
- 2.9.6.13.6.25 The ability to store each worker's Social Security Number within the system;
- 2.9.6.13.6.26 The ability to share and transfer information with each MCO EVV system in real time, or at minimum, within twenty-four (24) hours. Such information shall include the worker's Social Security Number in order for the system to report in real time, or at minimum, within twenty-four (24) hours
- 2.9.6.13.6 The CONTRACTOR shall require and shall conduct readiness review activities as necessary to confirm that the EVV system vendor has a plan in place and will be compliant with all Version 5010 and ICD-10 coding requirements in a timely manner.
- 2.9.6.13.7 Notwithstanding the address and/or phone number in the 834 file, the CONTRACTOR shall use the member's address or phone number or appropriate alternative phone number, as confirmed during the intake or enrollment visit (see Section A.2.9.6.3.9) and updated (as applicable) during subsequent care coordination or support coordination contacts (see Section A.2.9.6.10.2.1.5) for all HCBS that will be logged into the EVV system.
- 2.9.6.13.8 The CONTRACTOR shall not require that provider staff delivering home-delivered meals log in at arrival and departure. Instead, the provider may opt to log in on a daily basis after meals have been delivered and enter information on all the meals that were delivered that day (see Section A.2.9.6.13.6.16 above).
- 2.9.6.13.9 The CONTRACTOR shall monitor and use information from the electronic visit verification system to verify that services are provided as specified in the plan of care or PCSP, and in accordance with the established schedule, including the amount, frequency, duration, and scope of each service, and that services are provided by the authorized provider/worker; and to identify and immediately address service gaps, including late and missed visits. The CONTRACTOR shall monitor services anytime a member is receiving services, including after the CONTRACTOR's regular business hours.
- 2.9.6.13.10 The CONTRACTOR shall develop and maintain an electronic case management system that includes the functionality to ensure and document compliance with all requirements specified in the Section 1115 TennCare Demonstration Waiver, federal and state laws and regulations, this Contract, and TennCare policies and protocols, including but not limited to the following:

- 2.9.6.13.10.2 The ability to capture and track compliance with minimum care coordination or support coordination contacts as specified in Section A.2.9.6.10.4 of this Contract;
- 2.9.6.13.10.3 The ability to notify the Care Coordinator or Support Coordinator about key dates, e.g., TennCare eligibility end date, date for annual level of care reassessment, date of needs reassessment, and date for update to the plan of care or PCSP;
- 2.9.6.13.10.4 The ability to capture and track eligibility/enrollment information, level of care assessments and reassessments, and comprehensive assessments and reassessments;
- 2.9.6.13.10.5 The ability to capture and monitor the plan of care or PCSP;
- 2.9.6.13.10.6 The ability to track requested and approved service authorizations, including covered long-term care services and any services provided as a cost-effective alternative to other covered services;
- 2.9.6.13.10.7 The ability to document all referrals received by the Care Coordinator or Support Coordinator on behalf of the member for covered long-term services and supports; home health and private duty nursing services; other physical or behavioral health services needed to help the member maintain or improve his or her physical or behavioral health status or functional abilities and maximize independence; and other social support services and assistance needed in order to ensure the member's health, safety and welfare, and as applicable, to delay or prevent the need for more expensive institutional placement, including notes regarding how such referral was handled by the Care Coordinator or Support Coordinator;
- 2.9.6.13.10.8 The ability to establish a schedule of services for each member not participating in consumer direction, which identifies the time at which each service is needed and for all members which identifies the amount, frequency, duration and scope of each service;
- 2.9.6.13.10.9 The ability to provide, via electronic interface with the electronic visit verification system, service authorizations on behalf of a CHOICES or ECF CHOICES member, including the schedule at which each service is needed;

- 2.9.6.13.10.13 The ability to document case notes relevant to the provision of care coordination or support coordination.

2.9.6.13.11 The CONTRACTOR shall also monitor the EVV system to validate that any given worker is not clocked into multiple shifts at the same time, and shall have a process in place to address this with the provider(s) as needed, and to ensure that overlapping visits by the same worker are not paid.

2.9.6.14 PAE Tracking System

2.9.6.14.1 The CONTRACTOR shall use the TENNCARE PAE Tracking System, the system of record for CHOICES and ECF CHOICES level of care determinations, to facilitate submission of all PreAdmission Evaluation (i.e., level of care) applications, including required documentation pertaining thereto, and to facilitate enrollments into and transitions between LTSS programs, including CHOICES and ECF CHOICES. The CONTRACTOR shall comply with all data entry and tracking processes and timelines established by TENNCARE in policy or protocol in order to ensure efficient and effective administration and oversight of the CHOICES and ECF CHOICES programs.

A.2.9.7 Consumer Direction of Eligible CHOICES HCBS and Eligible ECF CHOICES HCBS

2.9.7.1 General

2.9.7.1.1 The CONTRACTOR shall offer consumer direction of eligible CHOICES HCBS and eligible ECF CHOICES HCBS to all CHOICES Group 2 and 3 and ECF CHOICES members who are determined by a Care Coordinator or Support Coordinator, as applicable, through the comprehensive assessment/reassessment process, to need (for CHOICES) attendant care, personal care, in-home respite, companion care services and (for ECF CHOICES) personal assistance, including supportive home care, respite, and community transportation and/or any other service specified in TennCare rules and regulations as available for consumer direction. (Companion care is only available for persons in Group 2 electing consumer direction of eligible CHOICES HCBS.) A service that is not specified in TennCare rules and regulations as available for consumer direction or that is not a CHOICES or ECF CHOICES HCBS shall not be consumer directed. Consumer direction in CHOICES or ECF CHOICES affords members the opportunity to have choice and control over how eligible CHOICES HCBS and eligible ECF CHOICES HCBS are provided, who provides the services and how much workers are paid for providing care, up to a specified maximum amount established by TENNCARE (see Section A.2.9.7.6.11). Members in ECF CHOICES shall have modified budget authority. Once a budget has been established based on the member's needs and the units of service necessary to meet the member's needs, the budget for personal assistance or supportive home care services and a separate budget for community transportation services shall be allocated on a monthly basis and the budget for respite services shall be allocated on an annual basis. For persons electing to receive the hourly respite benefit (up to two hundred sixteen (216) hours per year), the annual respite budget will be a dollar amount. For persons electing to receive the daily respite benefit (up to thirty (30) days per year), the respite budget will be thirty (30) dates of service. For purposes of this Section, a date of service means a distinct, calendar day in which a person receives respite, regardless of the amount of respite that person receives on that day. The member may direct each service budget available through Consumer Direction so long as the applicable budget is not exceeded. For hourly services, this may include purchasing more units of a particular service than was used by the CONTRACTOR to establish the budget for that service (i.e., based on the wages set by the member for their worker(s)). Such services shall be a cost-effective alternative to services that would otherwise be provided by an agency. For members in Group 6, the CONTRACTOR

may elect, as part of determining the budget, to include units of personal assistance services in excess of the monthly benefit limit as a cost-effective alternative service; however, once established, the monthly budget for personal assistance shall not be exceeded. Member participation in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS is voluntary. Members may elect to participate in or withdraw from consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS at any time, service by service, without affecting their enrollment in CHOICES or ECF CHOICES. To the extent possible, the member shall provide his/her Care Coordinator or Support Coordinator ten (10) days advance notice regarding his/her intent to no longer direct one or more eligible CHOICES HCBS or eligible ECF CHOICES HCBS or to withdraw from participation in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS entirely. The CONTRACTOR shall respond to the member's request in keeping with the timeframes and processes set forth in this Section, in order to facilitate a seamless transition to appropriate service delivery. TENNCARE may establish reasonable limitations on the frequency with which members may opt into and out of consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS. In limited circumstances, as prescribed by TennCare rules, policy, and guidance, the CONTRACTOR may authorize, as a cost-effective alternative, a higher rate of payment to workers for services provided through Consumer Direction. These are instances in which a member requires the performance of frequent intermittent or continuous skilled nursing tasks that will be self-directed to the worker or otherwise performed within the scope of the worker's professional license, or where the member's behavior support needs necessitate the hiring of staff with professional licensure, advanced education and training, qualifications, and/or expertise. Limited circumstances in which the CONTRACTOR may authorize a higher level of as a cost-effective alternative include only those which meet all of the following criteria:

- 2.9.7.1.1.1 The frequency or complexity of the person's skilled nursing needs or the complexity and intensity of the member's behavior support needs necessitate the hiring of staff with professional licensure, advanced education and training, qualifications and/or expertise (e.g. a licensed nurse);
- 2.9.7.1.1.2 Absent the rate of a higher rate of reimbursement in order to employ workers with such advanced training, qualifications, and/or expertise, the person's needs cannot be safely met in the community, resulting in institutional placement; and
- 2.9.7.1.1.3 A higher rate of reimbursement can be paid for consumer directed service, while ensuring the total cost of the HCBS (including HH and PDN, as applicable), does not exceed the member's Cost Neutrality Cap in CHOICES or Expenditure Cap in ECF CHOICES.
- 2.9.7.1.2 Consumer direction is a process by which eligible CHOICES HCBS or eligible ECF CHOICES HCBS are delivered; it is not a service. If a member chooses not to direct his/her care, he/she shall receive authorized CHOICES HCBS or ECF CHOICES HCBS through contract providers. While the denial of a member's request to participate in consumer direction or the termination of a member's participation in consumer direction gives rise to due process including the right to fair hearing, such appeals shall be processed by the TennCare Division of Long Term Services and Supports rather than the TennCare Solutions Unit, which manages medical appeals pertaining to TennCare benefits (i.e., services).
- 2.9.7.1.3 Members who participate in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS choose either to serve as the employer of record of

their workers or to designate a representative (see definition below in Section A.2.9.7.2.1) to serve as the employer of record on his/her behalf. As the employer of record the member or his/her representative is responsible for the following:

- 2.9.7.1.3.1 Recruiting, hiring and firing workers;
 - 2.9.7.1.3.2 Determining workers' duties and developing job descriptions;
 - 2.9.7.1.3.3 Scheduling workers;
 - 2.9.7.1.3.4 Supervising workers;
 - 2.9.7.1.3.5 Evaluating worker performance and addressing any identified deficiencies or concerns;
 - 2.9.7.1.3.6 Setting wages from a range of rates established by TENNCARE;
 - 2.9.7.1.3.7 Training workers to provide personalized care based on the member's needs and preferences;
 - 2.9.7.1.3.8 Ensuring that workers deliver only those services authorized, and reviewing and approving hours worked by consumer-directed workers;
 - 2.9.7.1.3.9 Reviewing and ensuring proper documentation for services provided; and
 - 2.9.7.1.3.10 Developing and implementing as needed a back-up plan to address instances when a scheduled worker is not available or fails to show up as scheduled.
- 2.9.7.1.4 The CONTRACTOR's operating systems shall have the ability to implement the model of Consumer Direction or Self-Direction currently employed in CHOICES, ECF CHOICES, and the 1915c Statewide HCBS Waiver (including employer authority, budget authority, and modified budget authority), and the flexibility to transition from an employer authority model to a budget authority or modified budget authority model if necessary to meet programmatic change requirements within timeframes specified by the State, allowing a reasonable period for any systems modifications required to accomplish such changes.
- 2.9.7.2 Representative for Consumer Direction
- 2.9.7.2.1 A member may designate, or have appointed by a guardian, a representative to assume the consumer direction responsibilities on his/her behalf. A representative shall meet, at minimum the following requirements: be at least 18 years of age, have a personal relationship with the member and understand his/her support needs; knows the member's daily schedule and routine, medical and functional status, medication regimen, likes and dislikes, and strengths and weaknesses; and be physically present in the member's residence on a regular basis or at least at a frequency necessary to supervise and evaluate each worker.
 - 2.9.7.2.2 In order to participate in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS with the assistance of a representative, one of the following must apply: (1) the member must have the ability to designate a person to serve as his/her representative or (2) the member has a legally appointed representative who may serve as the member's representative.

- 2.9.7.2.3 The Care Coordinator or Support Coordinator shall, based on a self-assessment completed by the member, determine if the member requires assistance in carrying out the responsibilities required for consumer direction and therefore requires a representative. The member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall verify that a representative meets the qualifications as described in Section A.2.9.7.2.1 above.
- 2.9.7.2.4 A member's representative shall not receive payment for serving in this capacity and shall not serve as the member's worker for any consumer directed service. The CONTRACTOR shall use a representative agreement developed by TENNCARE to document a member's choice of a representative for consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS and the representative's contact information, and to confirm the individual's agreement to serve as the representative and to accept the responsibilities and perform the associated duties defined therein. The CONTRACTOR shall notify the FEA within three (3) business days when it becomes aware of any changes to a representative's contact information.
- 2.9.7.2.5 The representative agreement shall be signed by the member (or person authorized to sign on member's behalf) and the representative in the presence of the Care Coordinator. The Care Coordinator shall include the representative agreement in the member's file and provide copies to the member and/or the member's representative and the FEA.
- 2.9.7.2.6 A member may change his/her representative at any time. The member shall immediately notify his/her Care Coordinator or Support Coordinator and the FEA when he/she intends to change representatives. The Care Coordinator or Support Coordinator shall verify that the new representative meets the qualifications as described above. A new representative agreement shall be completed and signed, in the presence of a Care Coordinator or Support Coordinator, prior to the new representative assuming their respective responsibilities. The Care Coordinator or Support Coordinator shall immediately notify the FEA in writing when a member changes his/her representative and provide a copy of the representative agreement. The CONTRACTOR shall facilitate a seamless transition to the new representative, and ensure that there are no interruptions or gaps in services. As part of the comprehensive assessment and plan of care or PCSP process, the Care Coordinator or Support Coordinator shall educate the member about the importance of notifying the Care Coordinator or Support Coordinator prior to changing a representative.
- 2.9.7.2.7 The FEA shall ensure that the new representative signs all service agreements (see Section A.2.9.7.6.6).
- 2.9.7.3 Fiscal Employer Agent (FEA)
- 2.9.7.3.1 The CONTRACTOR shall enter into a contract with the FEA specified by TENNCARE to provide assistance to members choosing consumer direction.
- 2.9.7.3.2 The FEA shall fulfill, at a minimum, the following financial administration and supports brokerage functions, as specified in the CONTRACTOR's contract with the FEA and the FEA's contract with TENNCARE, for all CHOICES members electing consumer direction of eligible CHOICES HCBS and all ECF CHOICES members electing consumer direction of eligible ECF CHOICES HCBS:
- 2.9.7.3.2.1 Assign a supports broker to each CHOICES or ECF CHOICES member electing to participate in consumer direction of eligible CHOICES HCBS or eligible ECF

- CHOICES HCBS. The supports broker shall be responsible for assisting the member with enrollment into consumer direction and with the enrollment of new workers;

 - 2.9.7.3.2.7 Receive, review and process timesheets;
 - 2.9.7.3.2.8 Resolve discrepancies regarding timesheets;
 - 2.9.7.3.2.9 Develop and implement a process to support members or their representatives in ensuring that consumer directed workers maintain in the member's home (or alternative location or format approved by TENNCARE) documentation of service delivery to support payments for services provided through consumer direction, and periodically monitor such documentation;
 - 2.9.7.3.2.10 Withhold, file and pay applicable: federal, state and local income taxes; employment and unemployment taxes; and worker's compensation;
 - 2.9.7.3.2.11 Pay workers for authorized services rendered within authorized timeframes;
 - 2.9.7.3.2.12 Facilitate resolution of any disputes regarding payment to workers for services rendered; and

A member's Care Coordinator or Support Coordinator shall be responsible for monitoring the member's services through consumer direction.
- 2.9.7.3.5 The CONTRACTOR's contract with the FEA shall include the provisions specified by TENNCARE in the model CONTRACTOR-FEA contract.
- 2.9.7.3.6 The CONTRACTOR in collaboration with the FEA shall establish a process that allows for the efficient exchange of all relevant member information regarding members electing to participate in consumer direction between the CONTRACTOR and the FEA.

If a worker has been excluded, the FEA shall notify the member regarding the worker's status and work with the member to find a replacement worker. The FEA shall notify the CONTRACTOR regarding the worker status. The CONTRACTOR shall work with the member to obtain a replacement contract provider until a replacement worker can be found and all worker requirements are fulfilled and verified.
- 2.9.7.3.10 The CONTRACTOR shall assist the FEA in maintaining an updated list of Care Coordinators and Support Coordinators for members participating in Consumer Direction. - 2.9.7.4.3 If the member intends to direct one or more needed eligible CHOICES HCBS or eligible ECF CHOICES HCBS, throughout the period of time that consumer direction is being initiated, the CONTRACTOR shall arrange for the provision of needed CHOICES HCBS or ECF CHOICES HCBS through contract providers in accordance with Section A.2.9.6. The Care Coordinator or Support Coordinator shall obtain from the member his/her choice of contract providers who will provide CHOICES HCBS or ECF CHOICES HCBS until such time as workers are secured and ready to begin delivering services through consumer direction.
- 2.9.7.4.3.1 If a CHOICES member has been assessed to need companion care services, the CONTRACTOR shall identify non-residential services that will offer interim support to address the member's needs and assist the member in obtaining contract providers for these services.

- 2.9.7.4.3.2 If a member electing to participate in consumer direction refuses to receive eligible CHOICES HCBS or eligible ECF CHOICES HCBS from contract providers while services are initiated through consumer direction, the decision must be documented on a signed and dated Consumer Direction Participation Form. The CONTRACTOR shall not encourage a member to forego receipt of eligible CHOICES HCBS or eligible ECF CHOICES HCBS from contract providers while these HCBS are being initiated through consumer direction.
- 2.9.7.4.3.3 For any CHOICES Group 2 or Group 3 or ECF CHOICES member electing to participate in consumer direction that refuses to receive eligible CHOICES HCBS or eligible ECF CHOICES HCBS from contract providers while services are initiated through consumer direction, the member's Care Coordinator or Support Coordinator shall visit the member face to face at least monthly to ensure that the member's needs are safely met, and shall continue to offer eligible CHOICES HCBS or eligible ECF CHOICES HCBS through contract providers.
- 2.9.7.4.3.4 If eligible CHOICES HCBS or eligible ECF CHOICES HCBS are not initiated within sixty (60) days following referral to the FEA, the CONTRACTOR shall notify the member that eligible CHOICES HCBS or eligible ECF CHOICES HCBS must be initiated by contract providers unless these HCBS are not needed on an ongoing basis in order to safely meet the member's needs in the community, in which case, the CONTRACTOR shall submit documentation to TENNCARE to begin the process of disenrollment from CHOICES or ECF CHOICES. Even if services are initiated by contract providers, if consumer directed services are not initiated within ninety (90) days of FEA referral, the CONTRACTOR shall assess whether consumer direction is appropriate for the member at this time or whether the member should be disenrolled from consumer direction. Disenrollment from consumer direction does not preclude the member from initiating consumer directed services at a later point.
- 2.9.7.4.4 Except as specified in Section A.2.9.7.4.3.2. and in accordance with requirements pertaining thereto, the CONTRACTOR shall be responsible for providing all needed eligible CHOICES HCBS or eligible ECF CHOICES HCBS using contract providers, including a back-up plan for such services, until all necessary requirements have been fulfilled in order to implement consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS, including but not limited to: the FEA verifies that workers for these services meet all necessary requirements (see Section A.2.9.7.6.1 of this Contract); service agreements are completed and signed; and authorizations for consumer directed services are in place. The CONTRACTOR, in conjunction with the FEA, shall facilitate a seamless transition between contract providers and workers and ensure that there are no interruptions or gaps in services.
- 2.9.7.4.5 The Care Coordinator or Support Coordinator shall determine if the member will appoint a representative to assume the consumer direction functions on his/her behalf. If the member does not intend to appoint a representative, the Care Coordinator or Support Coordinator shall determine the extent to which a member requires assistance to participate in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS, based upon the results of the member's responses to the self-assessment instrument developed by TENNCARE. The self-assessment instrument shall be completed by the member with assistance from the member's Care Coordinator or Support Coordinator as appropriate. The Care Coordinator or Support Coordinator shall file the completed self-assessment in the member's file and provide a copy to the FEA.

- 2.9.7.4.5.1 If, based on the results of the self-assessment the Care Coordinator or Support Coordinator determines that a member requires assistance to direct his/her services, the Care Coordinator or Support Coordinator shall inform the member that he/she will need to designate a representative to assume the consumer direction functions on his/her behalf.
- 2.9.7.4.5.2 The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to deny participation in consumer direction because a Care Coordinator or Support Coordinator has determined that the health, safety and welfare of the member would be in jeopardy if the member participates in consumer direction without a representative but the member does not want to appoint a representative to assist in directing his/her services. The CONTRACTOR shall abide by TENNCARE's decision.
- 2.9.7.4.6 The member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall ensure that the person identified to serve as the representative meets all qualifications (see Section A.2.9.7.2.1 of this Contract) and that a representative agreement is completed and signed by the member and the person prior to forwarding a referral to the FEA (see Section A.2.9.7.4.7 below).
- 2.9.7.4.7 Within two (2) business days of signing the representative agreement or completion of the self-assessment instrument if the member has not designated a representative and the Care Coordinator or Support Coordinator determines that the member does not require a representative to assist the member in directing his/her care, the CONTRACTOR shall forward to the FEA a referral initiating the member's participation in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS. The referral shall include at a minimum: the date of the referral; the member's name, address, telephone number, and social security number (SSN); the name of the representative and telephone number (if applicable); member's MCO ID number; member's CHOICES or ECF CHOICES enrollment date; eligible selected HCBS, including for CHOICES members, amount, frequency and duration of each by type, and for ECF CHOICES members, each service type and monthly or annual amount (as applicable) of the budget for each service; and Care Coordinator's or Support Coordinator's name and contact information. The CONTRACTOR shall also forward to the FEA a copy of the written confirmation of the member's decision to participate in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS, the signed POC or PCSP, and the representative agreement, if applicable. Referrals shall be submitted electronically on a daily basis using the agreed upon data interface (either a standard electronic file transfer or the FEA's web portal technology or both) and process. Referrals shall be submitted on a member-by-member basis.
- 2.9.7.4.8 Within two (2) business days of receipt of the referral, the FEA shall assign a supports broker to the member, notify the Care Coordinator or Support Coordinator of the assignment and provide the name and contact information of the supports broker.
- 2.9.7.4.9 Within five (5) days of receipt of the referral, the FEA shall contact the member to inform the member of his/her assigned supports broker, provide contact information for the supports broker, and to begin the process of initiating consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS.

- 2.9.7.4.10 *Back-up Plan for Consumer Direction and Conducting a Risk Assessment as applicable*
- 2.9.7.4.10.1 The member/representative (as applicable) shall have primary responsibility for the development and implementation of the back-up plan for consumer directed services. The FEA shall assist the member/representative as needed in developing and verifying the initial back-up plan for consumer direction that adequately identifies how the member/representative will address situations when a scheduled worker is not available or fails to show up as scheduled. The Care Coordinator or Support Coordinator shall assist the member as needed with implementing the back-up plan and shall update and verify the back-up plan annually and as needed.
- 2.9.7.4.10.2 The member/representative (as applicable) may not elect, as part of the back-up plan, to go without services.
- 2.9.7.4.10.3 The back-up plan for consumer direction shall include the names and telephone numbers of contacts (workers, agency staff, organizations, supports) for alternate care, the order in which each shall be notified and the services to be provided by contacts. Back-up contacts may include paid and unpaid supports; however, it is the responsibility of the member electing consumer direction and/or his/her representative to secure paid (as well as unpaid) back-up contacts who are willing and available to serve in this capacity. The CONTRACTOR shall not be expected or required to maintain contract providers “on standby” to serve in a back-up capacity for services a member has elected to receive through consumer direction.
- 2.9.7.4.10.4 All persons and/or organizations noted in the back-up plan for consumer direction shall be contacted by the member/representative to determine their willingness and availability to serve as back-up contacts. For the initial back-up plan, the FEA shall confirm with these persons and/or organizations their willingness and availability to provide care when needed, document confirmation in the member’s file and forward a copy of the documentation to the CONTRACTOR. The Care Coordinator or Support Coordinator shall be responsible for updating and verifying the back-up plan on an ongoing basis.
- 2.9.7.4.10.5 The member’s Care Coordinator or Support Coordinator shall integrate the member’s back-up plan for consumer-directed workers (including any updates thereto) into the member’s back-up plan for services provided by contract providers, as applicable, and the member’s plan of care or PCSP. The Care Coordinator or Support Coordinator shall review the back-up plan developed by the member or his/her representative (as applicable) for consumer direction to determine its adequacy to address the member’s needs, and as part of ongoing care coordination or support coordination activities to ensure that the member is receiving services as specified in the plan of care or PCSP, shall monitor that the back-up plan was implemented timely, when applicable, and that the member’s needs are being met.
- 2.9.7.4.10.6 The Care Coordinator or Support Coordinator shall assist the member or his/her representative (as applicable) in implementing the back-up plan for consumer direction as needed, monitor to ensure that the back-up plan is implemented and effectively working to meet the member’s needs, and immediately address any concerns with the back-up plan or the member’s care.

- 2.9.7.4.10.7 The Care Coordinator or Support Coordinator shall assist the member or his/her representative (as applicable) in reviewing and updating the back-up plan for consumer direction at least annually and as frequently as necessary, which shall include any time there are changes in the type, amount, duration, scope of eligible CHOICES HCBS or eligible ECF CHOICES HCBS or the schedule at which such services are needed, changes in workers (when such workers also serve as a back-up to other workers) and changes in the availability of paid or unpaid back-up workers to deliver needed care. As part of the annual review of the back-up plan, the member or his/her representative and the Care Coordinator or Support Coordinator shall confirm that each person specified in the back-up plan continues to be willing and available to serve as back-up workers to deliver needed care and to perform the tasks and functions needed by the member. Any updates to the back-up plan for consumer direction shall be provided to the FEA.
- 2.9.7.4.10.8 The FEA and the CONTRACTOR shall each file a copy of the back-up plan for consumer direction in the member's file.
- 2.9.7.4.10.9 The member's Care Coordinator or Support Coordinator shall reassess the adequacy of the member's back-up plan for consumer direction on at least an annual basis which shall include any time there are changes in the type, amount, duration, scope of eligible CHOICES HCBS or eligible ECF CHOICES HCBS or the schedule at which such services are needed, changes in consumer-directed workers (when such workers also serve as a back-up to other workers) or changes in the availability of paid or unpaid back-up workers to deliver needed care.
- 2.9.7.4.10.10 For members in CHOICES, the Care Coordinator shall conduct a risk assessment which takes into account the member's decision to participate in consumer direction, and which identifies any additional risks associated with the member's decision to direct his/her services, the potential consequences of such risks, as well as measures to mitigate these risks to incorporate into the member's PCSP. The member/representative shall participate in the process. The member's representative (if applicable) shall participate in the risk assessment process. The CONTRACTOR, member/representative, and FEA shall receive a copy of the updated PCSP. The CONTRACTOR and the FEA shall each file a copy of the updated PCSP in the member's file. For members in ECF CHOICES, risks associated with participation in consumer direction and mitigation strategies are addressed in the PCSP.
- 2.9.7.4.10.11 The FEA shall notify the member's Care Coordinator or Support Coordinator immediately if they become aware of changes in the member's needs and/or circumstances which warrant a reassessment of needs and/or risk or changes to the PCSP.
- 2.9.7.4.10.12 The FEA shall assist the CONTRACTOR in identifying and addressing in the risk assessment and plan of care or PCSP processes any additional risk associated with the member participating in consumer direction.
- 2.9.7.4.10.13 On an ongoing basis, the CONTRACTOR shall ensure that needs reassessments and updates to the plan of care or PCSP occur per requirements specified in Sections A.2.9.7.9 of this Contract. The Care Coordinator or Support Coordinator shall ensure that the FEA is invited to participate in these meetings as appropriate.

2.9.7.5 Authorizations for Consumer Directed Services and Service Initiation

- 2.9.7.5.1 Consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS shall not be initiated until all requirements are fulfilled including but not limited to the following: (1) the FEA verifies that the member's employer and related documentation is in order; (2) the FEA verifies that workers meet all qualifications, including participation in required training; (3) there is a signed service agreement specific to each individual worker (see Section A.2.9.7.6.6 of this Contract); and (4) the CONTRACTOR issues to the FEA an authorization for consumer directed services (see Section A.2.9.7.5.6 below) for each service.
- 2.9.7.5.2 The FEA shall work with the member to determine the appropriate level of assistance necessary to recruit, interview and hire workers and provide the assistance.
- 2.9.7.5.3 Once potential workers are identified, the FEA shall verify that a potential worker meets all applicable qualifications (see Section A.2.9.7.6.1 of this Contract).
- 2.9.7.5.4 The FEA shall ensure that a service agreement is signed between the member or member's representative and his/her worker within five (5) business days following the FEA's verification that a worker meets all qualifications.
- 2.9.7.5.5 On a weekly basis the FEA shall update the member's Care Coordinator or Support Coordinator of the status of completing required functions necessary to initiate consumer direction, including obtaining completed paperwork from the member/representative and obtaining workers for each identified consumer directed service and any anticipated timeframes by which qualified workers shall be secured and consumer directed services may begin.
- 2.9.7.5.6 The provision of consumer directed services shall begin as soon as possible but not longer than sixty (60) days from the date of the CONTRACTOR's referral to the FEA, except due to circumstances beyond the control of the FEA. Prior to beginning the provision of consumer directed services, the FEA shall notify the CONTRACTOR that all requirements have been fulfilled, including verification of all worker qualifications, criminal background checks, signed service agreements, and that the member is ready to begin consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS. Within two (2) business days of receipt of the notification from the FEA, the CONTRACTOR shall forward to the FEA an authorization for consumer directed services. For CHOICES members, each authorization for consumer directed services shall include authorized service, authorized units of service, start and end dates, and service code(s). For ECF CHOICES members, each authorization for consumer directed services shall include authorized service, authorized budget for service(s), start and end dates, and service code(s). For ECF CHOICES members, each authorization for consumer directed services shall include authorized service; the dollar amount for each month of service authorized (i.e., the monthly budget for that service), or for respite services, the dollar amount (applicable for hourly respite) or days (applicable for daily respite) for the year of service authorized (i.e., the annual budget); Services provided through consumer direction shall be authorized in accordance with the PCSP. A CHOICES member participating in consumer direction shall have authority to manage the schedule at which authorized services provided through consumer direction are needed, including personal care visits and attendant care, and to modify such schedule based on needs and preferences. Should this flexibility in scheduling result in a CHOICES member utilizing all of their authorized personal care visits or

attendant care hours before the end of the month, (e.g., because one or more service encounters originally anticipated to be less than four hours exceeded four hours), the member shall be permitted to utilize the remaining units of the other service interchangeably, as needed, with such units billed and paid as the service for which authorized units remain for that month. A member shall not be permitted to utilize more than the authorized total units of personal care visits and attendant care during the month. Authorized units of service in a service authorization should reflect the units of measure specified by TENNCARE for the benefit (e.g. visits, hours, days). An ECF CHOICES member participating in consumer direction shall have authority to manage the schedule at which each of the authorized services provided through consumer direction are needed, including respite and personal assistance or supportive home care and to modify such schedule based on needs and preferences within the monthly or annual budget for that service. A member shall not be permitted to utilize more than the authorized budget for personal assistance or supportive home care, or more than the authorized annual budget for respite. Community transportation shall also be authorized on a monthly basis as a separate budgeted amount; the monthly transportation budget shall not be exceeded. The CONTRACTOR shall submit authorizations electronically on at least a daily basis using the agreed upon data interface (which may include a standard electronic file transfer, the FEA's web portal technology, or any combination thereof).

- 2.9.7.5.7 If initiation of consumer directed services does not begin within sixty (60) days from the date of the CONTRACTOR's referral to the FEA, the FEA shall contact the CONTRACTOR regarding the cause of the delay and provide appropriate documentation to demonstrate efforts to meet the timeframe. The CONTRACTOR shall determine the appropriate next steps, including but not limited to whether additional time is needed or if the member is still interested in participating in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS.
- 2.9.7.5.8 Upon the scheduled start date of consumer directed services, the member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall begin monitoring to ensure that services have been initiated and continue to be provided as authorized. This shall include ongoing monitoring via service utilization reports to ensure that services are provided in accordance with the member's PCSP. Upon the identification of any gaps in care, the member's Care Coordinator/care coordination team or Support Coordinator/support coordination team shall assist the member or his/her representative upon request in implementing the member's back-up plan for consumer direction, and shall continue to monitor service utilization on an ongoing basis.
- 2.9.7.5.9 Within five (5) business days of the scheduled start date of consumer directed services as specified in the authorization of consumer directed services, a member of the Care Coordinator or Support Coordinator team shall contact the member or his/her representative to confirm that services are being provided and that the member's needs are being met.
- 2.9.7.5.10 On an ongoing basis, in addition to requirements specified above in Sections A.2.9.7.5.3 – A.2.9.7.5.9 above:

2.9.7.5.10.1 The CONTRACTOR shall develop and forward to the FEA a new authorization for consumer directed services when the following occur: (1) a change in the number of service units for CHOICES members; a change in the monthly or annual (as applicable) budget for any service for ECF CHOICES members, which shall be based solely on a change in the member's needs or circumstances and not on the member's management of the authorized budget for such service and shall not exceed any established benefit limit except for personal assistance authorized by the CONTRACTOR as a cost-effective alternative service; budget based on needed service units for ECF CHOICES members; or (2) a change in the services to be provided through consumer direction, including the provision of a new service through consumer direction or termination of a service through consumer direction. Absent a change in circumstances, a reassessment of the member's needs as a result of such change in circumstances, and any necessary changes to the plan of care or PCSP, the CONTRACTOR shall not authorize additional services due to member exhaustion of approved services or service hours.

2.9.7.6 Worker Qualifications

2.9.7.6.1 As prescribed in the FEA's contract with TENNCARE, the FEA shall ensure that workers meet all requirements prior to the worker providing services. The FEA shall ensure that workers: meet all TennCare established requirements for consumer directed services; complete a background check which includes criminal background check (including fingerprinting), or, as an alternative, a background check from a licensed private investigation company, verification that the person's name does not appear on the State abuse registry, verification that the person's name does not appear on the State and national sexual offender registries and licensure verification, as applicable; complete all required training, including the training specified in Section A.2.9.7.7 of this Contract; complete all required applications to become a TennCare provider; sign an abbreviated Medicaid agreement; are assigned a Medicaid provider ID number; and sign a service agreement.

2.9.7.6.1.1 A member cannot waive a background check for a potential worker. A background check may reveal a potential worker's past criminal conduct that may pose an unacceptable risk to the member. The following findings may place the member at risk and may disqualify a person from serving as a worker:

2.9.7.6.1.1.1 Conviction of an offense involving physical, sexual or emotional abuse, neglect, financial exploitation or misuse of funds, misappropriation of property, theft from any person, violence against any person, or manufacture, sale, possession or distribution of any drug; and

2.9.7.6.1.1.2 Entering of a plea of nolo contendere or when a jury verdict of guilty is rendered but adjudication of guilt is withheld with respect to a crime reasonably related to the nature of the position sought or held.

2.9.7.6.1.2 If a potential worker's background check includes past criminal conduct, the member must review the past criminal conduct with the help of the FEA. The member, with the assistance of the FEA, will consider the following factors:

2.9.7.6.1.2.1 Whether or not the evidence gathered during the potential worker's individualized assessment shows that the criminal conduct is related to the job in such a way that could place the member at-risk;

- 2.9.7.6.1.2.2 The nature and gravity of the offense or conduct, such as whether the offense is related to physical or sexual or emotional abuse of another person, if the offense involves violence against another person or the manufacture, sale or distribution of drugs; and;
- 2.9.7.6.1.2.3 The time that has passed since the offense or conduct and/or completion of the sentence;
- 2.9.7.6.1.3 After considering the above factors and any other evidence submitted by the potential worker, the member must decide whether to hire the potential worker.
- 2.9.7.6.1.4 If a member decides to hire the potential worker, the FEA shall assist the member in notifying the CONTRACTOR of this decision and shall collaborate with the CONTRACTOR to amend identified risks and mitigation strategies for CHOICES Group 2 and 3 members in the member's PCSP to reflect that the member voluntarily chose to take on the risk associated with hiring an individual with a criminal history and is solely responsible for any negative consequences stemming from that decision, or collaborate on a risk mitigation strategy for ECF CHOICES members.
- 2.9.7.6.2 Workers are not required to be contract providers. The CONTRACTOR shall not require a worker to sign a provider agreement or any other agreement not specified by TENNCARE.
- 2.9.7.6.3 Members shall have the flexibility to hire persons with whom they have a close personal relationship to serve as a worker, such as a neighbor or a friend.
- 2.9.7.6.4 Members may hire family members, excluding spouses, to serve as a worker. A family member shall not be reimbursed for a service that he/she would have otherwise provided without pay. The CONTRACTOR shall use the comprehensive assessment process (see Section A.2.9.6.5) to assess the member's available existing supports, including supports provided by family members.
- 2.9.7.6.5 A member may have multiple workers or both a worker and a contract provider for a given service, in which case, there must be a set schedule which clearly defines when contract providers will be utilized. A member may elect to have a worker provide more than one service.
- 2.9.7.6.6 A member shall develop a service agreement with each worker. The service agreement template shall be developed by TENNCARE and shall include, at a minimum: the roles and responsibilities of the worker and the member; the worker's schedule (as developed by the member and/or representative), including hours and days, which may be changed by the member based on needs and preferences (see A.2.9.7.5.6); the scope of each service, i.e., the specific tasks and functions the worker is to perform; the service rate; and the requested start date for services. The service agreement shall serve as the worker's written confirmation of his/her commitment to initiate services on or before the date specified and to provide services in accordance with specified terms (including the tasks and functions to be performed and the schedule at which care is needed). If necessary, the FEA shall assist in this process. Service agreements shall be updated anytime there is a change in any of the terms or conditions

specified in the agreement. Service agreements shall be signed by the new representative when there is a change in representatives.

- 2.9.7.6.7 The service agreement shall also stipulate if a worker will provide one or more self-directed health care tasks, the specific task(s) to be performed, and the frequency of each self-directed health care task (see Section A.2.7.3).
- 2.9.7.6.8 The FEA shall ensure that a service agreement is in place for each worker prior to the worker providing services.
- 2.9.7.6.9 A copy of each service agreement shall be provided to the member and/or representative. The FEA shall give a copy of the service agreement to the worker and shall maintain a copy for its files.
- 2.9.7.6.10 A member may terminate a worker at any time if he/she feels that the worker is not adhering to the terms of the service agreement and/or is not providing quality services. If the FEA or Care Coordinator or Support Coordinator has concerns that a worker is unable to deliver appropriate care as prescribed in the service agreement and the PCSP, but the member and/or representative chooses to continue to employ the worker, the Care Coordinator or Support Coordinator shall note the concern and the member's choice to continue using the worker in the member's PCSP, and shall conduct a risk assessment as applicable and appropriate. The FEA and Care Coordinator or Support Coordinator shall collaborate to develop strategies to address identified issues and concerns. The FEA shall inform the member and/or representative of any potential risks associated with continuing to use the worker. The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to disenroll the member from consumer direction because a Care Coordinator or Support Coordinator has determined that the health, safety and welfare of the member may be in jeopardy if the member continues to employ a worker but the member and/or representative does not want to terminate the worker. The CONTRACTOR and FEA shall abide by TENNCARE's decision.
- 2.9.7.6.11 A member shall have the flexibility to choose from a range of TENNCARE specified reimbursement levels for all eligible consumer directed HCBS, excluding companion care services which shall be reimbursed at the rate specified by TENNCARE.
- 2.9.7.6.12 In order to receive payment for services rendered, all workers must:
 - 2.9.7.6.12.1 Deliver services in accordance with the member's plan of care or PCSP and the MCO's service authorization, and in accordance with worker assignments and the schedule determined by the member or his/her representative.
 - 2.9.7.6.12.2 Maintain and submit documentation of service delivery (i.e., documentation of the tasks and functions performed during the provision of services), and any other documentation, as required, for units of service delivered.
 - 2.9.7.6.12.3 Provide no more than forty (40) hours of services within a Sunday to Saturday work week, except as specified in Section A.2.9.7.6.12.4 below.
 - 2.9.7.6.12.4 An ECF CHOICES member participating in consumer direction shall have the authority to assign a worker to provide services in accordance with the member's

PCSP for more than forty (40) hours per week within a Sunday to Saturday week (work week) only under one of the following circumstances: (1) the number of units of service needed by the member can be handled with minimal overtime pay, and the member chooses to provide overtime pay in lieu of additional hours of service that could otherwise be provided within the member's approved consumer direction budget; or (2) the member chooses to have a worker previously scheduled to work no more than forty (40) hours cover additional time that another scheduled worker is unable to provide which shall be in lieu of additional hours of service that could otherwise be provided within the member's consumer direction budget. The CONTRACTOR shall ensure that the member understands that, should the member elect to allow a worker to provide services for more than forty (40) hours per work week, no additional funding will be allocated to the member's monthly budget for personal assistance or supportive home care, as applicable, or for persons receiving hourly respite, the member's annual budget, to cover the overtime pay.

2.9.7.7 Training

2.9.7.7.1 The CONTRACTOR shall require all members electing to enroll in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS and/or their representatives to receive relevant training. The FEA shall be responsible for providing or arranging for initial and ongoing training of members/representatives. When training is not directly provided by the FEA, the FEA shall validate completion of training. Initial training shall be completed prior to initiation of consumer-directed services.

2.9.7.7.2 At a minimum, consumer direction training for members and/or representatives shall address the following issues:

2.9.7.7.2.1 Understanding the role of members and representatives in consumer direction;

2.9.7.7.2.2 Understanding the role of the Care Coordinator or Support Coordinator and the FEA;

2.9.7.7.2.3 Selecting workers;

2.9.7.7.2.4 Abuse and neglect prevention and reporting;

2.9.7.7.2.5 Being an employer, evaluating worker performance and managing workers;

2.9.7.7.2.6 Fraud and abuse prevention and reporting;

2.9.7.7.2.7 Performing administrative tasks such as reviewing and approving timesheets;

2.9.7.7.2.8 Scheduling workers and back-up planning; and

2.9.7.7.2.9 Ensuring workers maintain daily communication notes for authorized services provided.

2.9.7.7.3 Ongoing training shall be provided by the FEA to members and/or representatives upon request and/or if a Care Coordinator or Support Coordinator or FEA, through monitoring, determines that additional training is warranted.

- 2.9.7.7.4 The FEA shall be responsible for providing or arranging for initial and ongoing training of all workers. When training is not directly provided by the FEA, the FEA shall validate completion of training. Initial training shall be completed prior to initiation of services. At a minimum, training shall consist of the following required elements:
- 2.9.7.7.4.1 Overview of the CHOICES program and consumer direction of eligible CHOICES HCBS or overview of the ECF CHOICES program and consumer direction of eligible ECF CHOICES HCBS, as applicable;
 - 2.9.7.7.4.2 Providing person-centered support for older adults, adults with physical disabilities or individuals with intellectual or developmental disabilities, as applicable;
 - 2.9.7.7.4.3 Abuse and neglect identification and reporting;
 - 2.9.7.7.4.4 Fraud and abuse identification and reporting;
 - 2.9.7.7.4.5 Critical incident and Reportable Event reporting;
 - 2.9.7.7.4.6 Submission of required documentation and withholdings;
 - 2.9.7.7.4.7 Use of the time keeping system;
 - 2.9.7.7.4.8 As appropriate and only for members in CHOICES, administration of self-directed health care task(s). The member or his/her representative shall be responsible for training the worker(s) regarding individualized service needs and preferences and for specific training regarding health care tasks the member or his/her representative elects to self-direct (as applicable); and
 - 2.9.7.7.4.9 Universal precautions and blood borne pathogens training.
- 2.9.7.7.5 The FEA shall assist the member/representative in determining to what extent the member/representative shall be involved in the above-specified training. The member/ representative) shall provide additional training to the worker regarding individualized service needs and preference.

- 2.9.7.8.2 The CONTRACTOR shall monitor service utilization by consumer-directed members.
- 2.9.7.8.3 The CONTRACTOR shall monitor implementation of the back-up plan by the member or his/her representative.
- 2.9.7.8.4 The CONTRACTOR shall monitor a member's participation in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS to determine, at a minimum, the success and the viability of the service delivery model for the member. The CONTRACTOR shall note any patterns, such as frequent turnover of representatives or workers, habitual mismanagement of authorized services, failure to cooperate with the FEA and changing between consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS and contract providers that may warrant intervention by the CONTRACTOR. The CONTRACTOR may submit a request to TENNCARE, pursuant to TennCare policy, to involuntarily withdraw the member from consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS if the CONTRACTOR has concerns about its ability to protect the health, safety and welfare of the member (see Section A.2.9.7.9.4). The FEA may submit a request to the CONTRACTOR to involuntarily withdraw the member from consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS due to concerns regarding the member's health, safety and welfare if the member continues in consumer direction. The CONTRACTOR must submit copies of all such requests to TENNCARE with documentation of its decision.
- 2.9.7.8.5 If at any time abuse or neglect is suspected, the member's Care Coordinator or Support Coordinator or the FEA shall report the allegations to the CONTRACTOR within twenty-four (24) hours in accordance with the abuse and neglect plan protocols developed by the CONTRACTOR for CHOICES members and in accordance with timeframes set forth in TennCare's Reportable Events protocol for ECF CHOICES members. The CHOICES notification shall include at a minimum: the member name; date of allegation reported and/or identified; description of issue; measures taken to mitigate risk; status of reporting to CPS or APS, as appropriate. For ECF CHOICES, notification shall be provided in a form and format prescribed by TENNCARE. If the allegation concerns physical or sexual abuse and is in reference to a worker or representative, the FEA shall contact the member/representative to determine if the member/representative wants to place the worker on unpaid leave until DIDD or the MCO, as applicable, has completed its investigation. If the representative is the subject of the allegation, the representative shall not be allowed to decide whether to take leave, and such a decision shall solely be up to the member. The member/representative may additionally decide to remove staff at their discretion for allegations concerning other Tier 1 or Tier 2 incidents in ECF CHOICES (see Section A.2.15.7.6) or critical incidents in CHOICES, as applicable as those incidents are defined in this Contract in Section A.2.15.7. The FEA shall notify the CONTRACTOR regarding this communication with the member/representative and the member or representative's decision. The Care Coordinator or Support Coordinator shall work with the member to find a new

If the investigation does not result in such placement, then the member may elect to retain the worker or representative. The member's Care Coordinator or Support Coordinator, with appropriate assistance from the FEA, shall conduct a risk assessment and make any needed updates to the member's PCSP deemed necessary to help ensure the member's health and safety, and the CONTRACTOR may initiate action to involuntary disenroll the member from consumer direction at any time the CONTRACTOR feels that the member's decisions or actions constitute unreasonable risk such that the member's needs can no longer be safely and effectively met in the community while participating in consumer direction. In the event a representative of a member who does not have decision-making capacity is alleged to have committed abuse, neglect, or exploitation against the member, the representative shall immediately be removed from his or her representative capacity during the investigation. During such removal, the member's participation in Consumer Direction shall be suspended. If the investigation concludes the allegations against the representative are unsubstantiated, both the member's and the representative's participation in Consumer Direction shall be reinstated. However, if the allegations against the representative are substantiated, the CONTRACTOR shall work with the member to identify a replacement representative for Consumer Direction. If a replacement representative cannot be identified within ten (10) business days from completion of the investigation, the member shall be disenrolled from Consumer Direction.

2.9.7.9.1 A member may voluntarily withdraw from consumer direction of eligible CHOICES HCBS at any time. 2.9.7.9.4 The CONTRACTOR shall forward to TENNCARE for disposition, pursuant to TennCare policy, any cases in which the CONTRACTOR plans to disenroll a member from consumer direction. The CONTRACTOR may initiate involuntary withdrawal of a member from consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS:

- 2.9.7.9.4.1 If a member's representative fails to perform in accordance with the terms of the representative agreement and the health, safety and welfare of the member is at risk, and the member wants to continue to use the representative.
- 2.9.7.9.4.2 If a member has consistently demonstrated that he/she is unable to manage, with sufficient supports (including appointment of a representative) his/her services and the Care Coordinator or Support Coordinator or FEA has identified health, safety and/or welfare issues.
- 2.9.7.9.4.3 A Care Coordinator or Support Coordinator has determined that the health, safety and welfare of the member may be in jeopardy if the member continues to employ a worker but the member and/or representative does not want to terminate the worker.
- 2.9.7.9.4.4 Other significant concerns regarding the member's participation in consumer direction which jeopardize the health, safety or welfare of the member.
- 2.9.7.9.5 If TENNCARE approves the CONTRACTOR's request, the CONTRACTOR shall notify the member in accordance with TennCare rules and regulations, and the member shall have the right to appeal the determination (see Section A.2.19.3.12 of this Contract).
- 2.9.7.9.6 The CONTRACTOR, in conjunction with the FEA, shall facilitate a seamless transition from workers to contract providers and ensure there are no interruptions or gaps in services.

The notification should include the effective date of withdrawal and/or disenrollment, as applicable.
- 2.9.7.9.9 Members who have been involuntarily withdrawn may request to be reinstated in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS. The Care Coordinator or Support Coordinator shall work with the FEA to ensure that the issues previously identified as reasons for withdrawal have been adequately addressed prior to reinstatement. All members shall be required to participate in consumer direction training programs prior to re-instatement in consumer direction of eligible CHOICES HCBS or eligible ECF CHOICES HCBS.

2.9.7.9.10 Claims Submission and Payment

- 2.9.7.9.10.1 The CONTRACTOR shall reimburse the FEA for authorized eligible CHOICES HCBS or authorized eligible ECF CHOICES HCBS provided by workers at the appropriate rate for the consumer-directed services, which includes applicable payroll taxes.

Members will not be eligible to enroll in MFP if they have already transitioned out of the Qualified Institution.

2.9.8.3 Eligibility/Enrollment into MFP

There shall be a minimum of ninety (90) days between MFP participation occurrences. Prior to enrollment in a second MFP occurrence, the Care Coordinator shall assess the reason for the re-institutionalization to determine if the member is an appropriate candidate for re-enrollment in MFP and if so, shall develop a PCSP that will help to ensure that appropriate supports and services are in place to support successful transition and permanency in the community, including any identified risks and corresponding mitigation strategies identified as a result of a risk assessment.

For ECF CHOICES members, if the short-term stay will exceed ninety (90) days, the CONTRACTOR shall facilitate transition from ECF CHOICES to CHOICES Group 1, subject to federal PASRR requirements. A transition from ECF CHOICES to Group 1 will not necessitate a member's disenrollment from MFP, regardless of the length of stay in the facility, except in cases that Support Coordinator has assessed the reason for the re-institutionalization and determined that the member is not an appropriate candidate for continued enrollment in ECF CHOICES and MFP.
- 2.9.8.8.5 The member's Care Coordinator or Support Coordinator shall monitor the member's inpatient stay and shall visit the member face-to-face at least monthly during the inpatient stay or more frequently as necessary to facilitate timely and appropriate discharge planning.

During the ninety (90) days following transition and re-instatement into MFP, the Care Coordinator or Support Coordinator shall conduct monthly face-to-face in-home visits to ensure that the plan of care or PCSP, as applicable, is being followed, that the plan of care or PCSP, as applicable, continues to meet the member's needs, and the member has successfully transitioned back to the community.
- 2.9.8.8.8 MFP participants admitted for short-term nursing facility stays shall be re-instated in MFP upon discharge and return to a Qualified Residence in the community. The

member is not required to meet the ninety (90) day residency requirement criteria for re-instatement into MFP.

2.9.8.8.9 Days that are spent in an inpatient facility, including short-term nursing facility stays, do not count as part of the member's 365-day MFP participation period.

However, the CONTRACTOR shall maintain an agreement with the PBM for the purpose of making payment to the PBM on behalf of TENNCARE for TennCare covered services. This requirement does not impose any further responsibilities on the CONTRACTOR regarding the provider's and/or provider's claims that are reimbursed through this payment structure. The CONTRACTOR shall not be at risk for payment made to the TennCare contracted PBM (see Section C.3). The CONTRACTOR shall coordinate with the PBM as necessary to ensure that members receive appropriate pharmacy services without interruption. The CONTRACTOR shall monitor and manage its contract providers as it relates to prescribing patterns and its members as it relates to utilization of prescription drugs. The CONTRACTOR shall participate in regularly scheduled meetings with the PBM and TENNCARE to discuss operational and programmatic issues.

 - 2.9.11.4.2 Intervening with contract providers whose prescribing practices appear to be operating outside industry or peer norms as defined by TENNCARE, are non-compliant as it relates to adherence to the PDL and/or generic prescribing patterns, and/or who are failing to follow required prior authorization processes and procedures. The goal of these interventions will be to improve prescribing practices among the identified contract providers, as appropriate. Interventions shall be personal and one-on-one.
- 2.9.11.5 At any time, upon request from TENNCARE, the CONTRACTOR shall provide assistance in educating, monitoring and intervening with providers. For example, TENNCARE may require assistance in monitoring and intervening with providers regarding prescribing patterns for narcotics.

- 2.9.12.1.3 The CONTRACTOR may require prior authorization for services related to dental services including the facility, anesthesia, and/or medical services related to the dental service. However, the CONTRACTOR may waive authorization of said services based upon authorization of the dental services by the dental benefits manager. The CONTRACTOR shall approve and arrange transportation to and from dental services in accordance with this Contract, including but not limited to Attachment XI.

2.9.12.2 Services and Responsibilities

The CONTRACTOR shall coordinate with the DBM and/or the ID HCBS waiver contractor for dental services. Coordination of dental services, at a minimum, includes establishing processes for:

- 2.9.12.2.1 Means for referral that ensures immediate access for emergency care and provision of urgent and routine care according to TennCare guidelines for specialty care (see Attachment III);

- 2.9.12.2.7 Ensuring that the cost of dental services provided by the DBM are accounted for when determining the cost of ECF CHOICES HCBS provided to a member that must be counted against the member's expenditure cap.
- 2.9.12.2.8 Resolving disputes related to prior authorizations and claims and payment issues; and
- 2.9.12.2.9 Cooperation with the DBM regarding training activities provided by the DBM.

2.9.12.3 Operating Principles

Coordinating the delivery of dental services to TennCare members is the primary responsibility of the DBM and/or the ID HCBS waiver contractor. However, the CONTRACTOR shall provide coordination assistance and shall be responsible for communicating the DBM/HCBS provider services, provider relations, and/or claim coordinator contact information to all of its contract providers. With respect to specific member issues, the CONTRACTOR shall work with the DBM/HCBS coordinator towards a resolution. Should systemic issues arise, the CONTRACTOR shall meet and resolve the issues with the DBM/HCBS waiver contractor. In the event that such issues cannot be resolved, the MCO and the DBM/HCBS waiver contractor shall meet with TENNCARE to reach final resolution of matters involved. Final resolution of system issues shall occur within ninety (90) calendar days from referral to TENNCARE.

2.9.12.4 Resolution of Requests for Prior Authorization

- 2.9.12.4.1 The CONTRACTOR agrees, and recognizes that the DBM has agreed through its contractual arrangement with the State, that any dispute concerning which party should respond to a request for prior authorization shall not cause a denial, delay, reduction, termination or suspension of any appropriate service to a TennCare enrollee. The CONTRACTOR shall require that its DBM Care Coordinators will, in addition to their responsibilities for DBM care coordination, deal with issues related to requests for prior authorization that require coordination between the DBM and the

CONTRACTOR. The CONTRACTOR shall provide the DBM with a list of its DBM Care Coordinators and telephone number(s) at which each DBM Care Coordinator may be contacted. When the CONTRACTOR receives a request for prior authorization from a provider for a member and the CONTRACTOR believes the service is the responsibility of the DBM, the CONTRACTOR's DBM Care Coordinator shall contact the DBM's Care Coordinator by the next business day after receiving the request for prior authorization. The DBM Care Coordinator shall also contact the member and/or member's provider. For routine requests contact to the member or member's provider shall be made within fourteen (14) days or less of the provider's request for prior authorization and shall comply with all applicable consent decrees and court orders and TennCare rules and regulations. For urgent requests, contact shall be made immediately after receiving the request for prior authorization.

2.9.12.4.2 The CONTRACTOR shall assign staff members to serve on a coordination committee with DBM staff members. This committee shall be responsible for addressing all issues of dental care coordination. The committee will review disputes regarding clinical care and provide a clinical resolution to the dispute, subject to the terms of this Contract. The CONTRACTOR and the DBM shall attempt in good faith to resolve any dispute and communicate the decision to the provider requesting prior authorization of a service. In the event the CONTRACTOR and the DBM cannot agree within ten (10) calendar days of the provider's request for prior authorization, the party who first received the request from the provider shall be responsible for prior authorization and payment to the contract provider within the time frames designated by TENNCARE. The CONTRACTOR and the DBM are responsible for enforcing hold harmless protection for the member. The CONTRACTOR shall ensure that any response to a request for authorization shall not exceed fourteen (14) calendar days and shall comply with all applicable consent decrees and court orders and TennCare rules and regulations.

2.9.12.5 Claim Resolution Processes

2.9.12.5.1 The CONTRACTOR shall designate one or more claims coordinators to deal with issues related to claims and payment issues that require coordination between the DBM and the CONTRACTOR. The CONTRACTOR shall provide the DBM and TennCare, with a list of its claims coordinators and telephone number(s) at which each claims coordinator may be contacted.

2.9.12.5.2 When the CONTRACTOR receives a disputed claim for payment from a provider for a member and believes care is the responsibility of the DBM, the CONTRACTOR's claims coordinators shall contact the DBM's claims coordinators within four (4) calendar days of receiving such claim for payment. If the CONTRACTOR's claims coordinator is unable to reach agreement with the DBM's claims coordinators on which party is responsible for payment of the claim, the claim shall be referred to the Claims Coordination Committee (described below) for review.

2.9.12.5.3 The CONTRACTOR shall assign claims coordinators and other representatives, as needed, to a joint CONTRACTOR/DBM Claims Coordination Committee. The number of members serving on the Claims Coordination Committee shall be determined within ten (10) calendar days of the execution of this Contract by the

mutual agreement of the DBM and MCO. The CONTRACTOR shall, at a minimum, assign two (2) representatives to the committee. The make-up of the committee may be revisited from time to time during the term of this Contract. The Claims Coordination Committee shall review any disputes and negotiate responsibility between the CONTRACTOR and the DBM. Unless otherwise agreed, such meeting shall take place within ten (10) calendar days of receipt of the initial disputed claim or request from the provider. If resolution of the claim results in the party who assumed responsibility for authorization and payment having no liability, the other party shall reimburse and abide by the prior decisions of that party. Reimbursement shall be made within ten (10) calendar days of the Claims Coordination Committee's decision.

- 2.9.12.5.4 If the Claims Coordination Committee cannot reach an agreement as to the proper division of financial responsibility within ten (10) calendar days of the initial referral to the Claims Coordination Committee, said claim shall be referred to both the CONTRACTOR's and the DBM's CEO or the CEO's designee, for resolution immediately. A meeting shall be held among the CEOs or their designee(s) as soon as possible, but not longer than ten (10) calendar days after the meeting of the Claims Coordination Committee.
- 2.9.12.5.5 If the meeting between the CEOs, or their designee(s), of the DBM and MCO does not successfully resolve the dispute within ten (10) calendar days, the parties shall, within fourteen (14) calendar days of the meeting, submit a Request for Resolution of the dispute to the State or the State's designee for a decision on responsibility.
- 2.9.12.5.6 The process before the submission of a Request for Resolution, as described above, shall be completed within thirty (30) calendar days of receiving the claim for payment. In the event the parties cannot agree within thirty (30) calendar days of receiving the claim for payment, the MCO and the DBM shall be responsible for enforcing hold harmless protections for the member and the party who first received the request or claim from the provider shall be responsible for authorization and payment to the provider in accordance with the requirements of the MCO's or DBM's respective contract with the State of Tennessee. Moreover, the party that first received the request or claim from the provider shall also make written request of all requisite documentation for payment and shall provide written reasons for any denial.
- 2.9.12.5.7 The Request for Resolution shall contain a concise description of the facts regarding the dispute, the applicable contract provisions, and the position of the party making the request. A copy of the Request for Resolution shall also be delivered to the other party. The other party shall then submit a Response to the Request for Resolution within fifteen (15) calendar days of the date of the Request for Resolution. The Response shall contain the same information required of the Request for Resolution. Failure to timely file a Response or obtain an extension from the State shall be deemed a waiver of any objections to the Request for Resolution.
- 2.9.12.5.8 The State or its designee shall make a decision in writing regarding who is responsible for the payment of services within ten (10) calendar days of the receipt of the required information ("Decision"). The Decision may reflect a split payment responsibility that designates specific proportions to be paid by the MCO and the DBM. The Decision shall be determined solely by the State or its designee based on specific circumstances regarding each individual case. Within five (5) business days of receipt of the Decision, the non-successful party shall reimburse any payments made by the successful party for the services. The non-successful party shall also pay to the State, within thirty (30) calendar days of the Decision, an administrative fee

equal to ten percent (10%) of the value of the claims paid, not to exceed one-thousand dollars (\$1,000), for each Request for Resolution. The amount of the DBM's or MCO's payment responsibility shall be contained in the State's Decision. These payments may be made with reservation of rights regarding any judicial resolution. If a party fails to pay the State for the party's payment responsibility as described in this Section, Section A.2.9.12.5.8, within thirty (30) calendar days of the date of the State's Decision, the State may deduct amounts of the payment responsibility from any current or future amount owed the party by the State.

2.9.12.6 Denial, Delay, Reduction, Termination or Suspension

The CONTRACTOR agrees that any claims payment dispute or request for authorization shall not cause a denial, delay, reduction, termination or suspension of any appropriate services to a TennCare member. In the event there is a claim for emergency services, the party receiving a request for authorization to treat any member shall insure that the member is treated immediately and payment for the claim shall be approved or disapproved based on the definition of emergency services specified in this Contract.

2.9.12.7 Emergencies

Prior authorization shall not be required for emergency services prior to stabilization.

2.9.12.8 Claims Processing Requirements

All claims shall be processed in accordance with the requirements of the MCO's and DBM's respective contracts with the State of Tennessee.

2.9.12.9 Appeal of Decision

Appeal of any Decision shall be to a court or commission of competent jurisdiction and shall not constitute a procedure under the Administrative Procedure Act, TCA 4-5-201 *et seq.* Exhaustion of the above-described process shall be required before filing of any claim or lawsuit on issues covered by this Section, Section A.2.9.12.9

2.9.12.10 Duties and Obligations

The existence of any dispute under this Contract shall in no way affect the duty of the CONTRACTOR and the DBM to continue to perform their respective obligations, including their obligations established in their respective contracts with the State pending resolution of the dispute under this Section, Section A.2.9.12.10. In accordance with TCA 56-32-126(b), a provider may elect to resolve the claims payment dispute through independent review.

2.9.12.11 Confidentiality

2.9.12.11.1 The CONTRACTOR agrees, and recognizes that the DBM has agreed through its contractual arrangement with the State, to cooperate with the State to develop confidentiality guidelines that (1) meet state, federal, and other regulatory requirements; (2) meet the requirements of the professions or facilities providing care and maintaining records; and (3) meet both DBM and MCO standards. These standards shall apply to both DBM's and MCO's providers and staff. If the CONTRACTOR or DBM believes that the standards require updating, or operational changes are needed to enforce the standards, the CONTRACTOR shall meet with the

DBM to resolve these issues. Such standards shall provide for the exchange of confidential e-mails to ensure the privacy of the members.

2.9.12.11.2 The DBM and MCO shall ensure all materials and information directly or indirectly identifying any current or former member which is provided to or obtained by or through the MCO's or DBM's performance of this Contract, whether verbal, written, tape, or otherwise, shall be maintained in accordance with the standards of confidentiality of TCA 33-4-22, Section E.6 of this Contract, 42 CFR Part 2, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and, unless required by applicable law, shall not be disclosed except in accordance with those requirements or to TENNCARE, and CMS, or their designees. Nothing stated herein shall prohibit the disclosure of information in summary, statistical, or other form that does not identify any current or former member or potential member.

2.9.12.12 Access to Service

The CONTRACTOR agrees and recognizes that the DBM has agreed through its contractual arrangement with the State, to establish methods of referral which ensure immediate access to emergency care and the provision of urgent and routine care in accordance with TennCare guidelines.

A.2.9.13 Coordination with Medicare

2.9.13.1 The CONTRACTOR is responsible for providing medically necessary covered services to members who are also eligible for Medicare if the service is not covered by Medicare.

2.9.13.2 The CONTRACTOR shall ensure that services covered and provided pursuant to this Contract are delivered without charge to members who are dually eligible for Medicare and Medicaid services.

2.9.13.3 The CONTRACTOR shall coordinate with Medicare payers, Medicare Advantage plans, and Medicare providers as appropriate to coordinate the care and benefits of members who are also eligible for Medicare.

A.2.9.14 Coordination with Medicare Advantage Dual Eligible Special Needs Plans (D-SNPs) regarding the CONTRACTOR's Full Benefit Dual Eligible (FBDE) Members Enrolled in a D-SNP

2.9.14.1 The CONTRACTOR shall modify its IT systems to accept Medicare enrollment data and to load the data in the CONTRACTOR's case management system for use by Care Coordinators and case management, DM/Population Health and UM staff.

2.9.14.2 The CONTRACTOR shall coordinate with a FBDE member's D-SNP regarding discharge planning from any inpatient setting or observation stay when Medicaid LTSS (NF or HCBS), Medicaid home health or private duty nursing, or other Medicaid services may be needed upon discharge in order to ensure that care is provided in the most appropriate, cost effective and integrated setting.

2.9.14.2.1 The CONTRACTOR shall develop, for review and approval by TENNCARE, policies, procedures and training for CONTRACTOR staff, including Care Coordinators and Support Coordinators, regarding coordination with a FBDE member's D-SNP in discharge planning from an inpatient setting or observation stay to the most appropriate, cost effective and integrated setting.

- 2.9.14.2.2 The CONTRACTOR shall receive and process in a timely manner a standardized electronic Daily Inpatient Admissions, Census and Discharge Report, from each D-SNP operating in the Grand Region served by the CONTRACTOR.

However, to the extent that services available to a member through a HCBS ID waiver are also covered services pursuant to this Contract, the CONTRACTOR shall be responsible for providing all medically necessary covered services. HCBS ID waiver services may supplement, but not supplant, medically necessary covered services. ICF/IID services and HCBS ID waiver services shall be provided to qualified members as described in TennCare rules and regulations through contracts between TENNCARE and appropriate providers.

2.9.15.2 The CONTRACTOR is responsible for covered services for members residing in an ICF/IID or enrolled in a HCBS ID waiver. For members residing in an ICF/IID, the CONTRACTOR is responsible for providing covered services that are not included in the per diem reimbursement for institutional services (e.g., certain items of durable medical equipment, non-emergency ambulance transportation, and non-emergency transportation). Except as provided below for NEMT, for members enrolled in a HCBS ID waiver, the CONTRACTOR shall provide all medically necessary covered services, including covered services that may also be provided through the HCBS ID waiver. - 2.9.15.4 The CONTRACTOR shall be responsible for the ECF CHOICES HCBS provided to a member with intellectual or developmental disabilities enrolled in ECF CHOICES.

A.2.9.16 Inter-Agency Coordination

- 2.9.16.6 Area Agencies on Aging and Disability (AAADs) regarding intake of members new to both TennCare and CHOICES;
- 2.9.16.7 Tennessee Department of Education (DOE) and local education agencies for the purposes of coordinating educational services in compliance with the requirements of Individuals with Disabilities Education Act (IDEA) and to ensure school-based services for students with special needs are provided;

- 2.9.16.7.1 The CONTRACTOR is responsible for the delivery of medically necessary covered services to school-aged children. MCOs are encouraged to work with school-based providers to manage the care of students with special needs. DOE and local education agencies are responsible to document when a school-aged child has a need for medical services in an Individualized Education Plan (IEP). If the child is enrolled in TennCare, the school is responsible for obtaining parental consent to share the IEP with the MCO and for subsequently sending a copy of the parental consent and IEP to the MCO in a manner required by the MCO. The CONTRACTOR shall determine whether it chooses to receive the IEP and parental consent prior to providing and paying for identified medically necessary covered services or upon request during a post payment audit.
- 2.9.16.7.2 The CONTRACTOR may choose to provide the medically necessary covered services identified either within the school setting or outside the school setting. The CONTRACTOR may require a school based provider billing for covered services be a participating provider in the CONTRACTOR's network.
- 2.9.16.7.3 The CONTRACTOR may choose not to require DOE to send eligible students' IEPs to the CONTRACTOR prior to the CONTRACTOR being responsible to pay for the medically-necessary covered services.
- 2.9.16.7.3.1 If the CONTRACTOR has chosen not to receive an IEP in advance of paying for covered services in the school based setting, the CONTRACTOR shall, at a minimum, conduct regular post payment sample audits of IEPs and all other documentation to support the medical necessity of the school based services reimbursed by the CONTRACTOR. When the CONTRACTOR requests a copy of an IEP, the provider must also include a copy of the appropriate parental consent.
- 2.9.16.7.4 If the CONTRACTOR requires DOE submit an IEP to the CONTRACTOR as a request for covered services, DOE shall include a copy of parental consent and the CONTRACTOR shall:
- 2.9.16.7.4.1 Either accept the IEP as indication of a medical problem and treat the IEP as a request for service or assist in making an appointment to have the child evaluated by the child's PCP or another contract provider. If the CONTRACTOR does not accept the documentation provided with the IEP as indication of a medical problem, the CONTRACTOR shall have the child re-evaluated in order to make a decision about the appropriateness of the requested service.
- 2.9.16.7.4.2 Send a copy of the IEP and any related information (e.g. action taken by the MCO in response to receipt of the IEP, action the MCO expects the PCP to take) to the PCP.
- 2.9.16.7.4.3 Notify the designated school contact of the ultimate disposition of the request (e.g. what services have been approved for the child, what arrangements have been made for service delivery) within fourteen (14) days of the CONTRACTOR's receipt of the IEP.
- 2.9.16.7.5 The CONTRACTOR shall designate a contact person to whom correspondence concerning children with medical services included in their IEPs will be directed.

- 2.9.16.8 Local law enforcement agencies and hospital emergency rooms for the purposes of crisis service provider relationships, and the transportation of individuals certified for further assessment for emergency psychiatric hospitalization.
- 2.9.16.9 Tennessee Department of Intellectual and Developmental Disabilities (DIDD) and TennCare for the purpose of participating in the Abuse Registry Referral Committee (ARRC) which shall be responsible for reviewing Tier 1 Reportable Events/Critical Incident investigation findings involving ECF CHOICES members. A.2.11 PROVIDER NETWORK

A.2.11.1 General Provisions

- 2.11.1.1 The CONTRACTOR shall provide or ensure the provision of all covered services specified in Section A.2.6.1 of this Contract. Accessibility of covered services, including geographic access and appointments and wait times shall be in accordance with the access and network adequacy standards set forth in the applicable federal regulations and the CRA requirements, including, but not limit to the requirements set forth in: CRA Sections A.2.30.8.4 and A.2.11.7; in Attachment III; the Specialty Network Standards in Attachment IV; the Access and Availability for Behavioral Health Services in Attachment V; and the applicable federal requirements. These minimum requirements shall not release the CONTRACTOR from the requirement to provide or arrange for the provision of any medically necessary covered service required by its members, whether specified above or not.
- 2.11.1.2 The CONTRACTOR may provide covered physical health and behavioral health services directly or may enter into written agreements with providers and provider subcontracting entities or organizations that will provide covered physical health and behavioral health services to the members in exchange for payment by the CONTRACTOR for services rendered. The CONTRACTOR shall enter into written agreements with providers to provide covered long-term care services. The CONTRACTOR shall not directly provide long-term care services.
- 2.11.1.3 When the CONTRACTOR contracts with providers, the CONTRACTOR shall:
 - 2.11.1.3.1 Not execute provider agreements with providers who have been excluded from participation in the Medicare, Medicaid, and/or SCHIP programs pursuant to Sections 1128 or 1156 of the Social Security Act or who are otherwise not in good standing with the TennCare program;
 - 2.11.1.3.2 Consider: the anticipated TennCare enrollment; the expected utilization of services, taking into consideration the characteristics of specific TennCare populations included in this Contract; the number and types of providers required to furnish TennCare services; the number of contract providers who are not accepting new

members; and the geographic location of providers and TennCare members, considering distance, travel time, the means of transportation ordinarily used by TennCare members, and whether the location provides physical access for members with disabilities;

- 2.11.1.3.3 Have in place, written policies and procedures for the selection and retention of providers. These policies and procedures shall not discriminate against particular providers that service high risk populations or specialize in conditions that require costly treatment;
- 2.11.1.3.4 Not discriminate for the participation, reimbursement, or indemnification of any provider who is acting within the scope of his or her license or certification under applicable state law, solely on the basis of that license or certification. The CONTRACTOR's ability to credential providers as well as maintain a separate network and not include any willing provider is not considered discrimination;
- 2.11.1.3.5 Give affected providers written notice if it declines to include individual or groups of providers in its network;
- 2.11.1.3.6 Maintain all provider agreements in accordance with the provisions specified in 42 CFR 438.12, 438.214 and Section A.2.12 of this Contract; and
- 2.11.1.3.7 Not discriminate against providers and entities in accordance with the federal prohibition against discrimination as provided for under the collective "federal health care provider conscience protection statutes," referenced individually as the Church Amendments, 42 U.S.C. § 300a-7, section 245 of the Public Health Service Act, 42 U.S.C. § 238n, and the Weldon Amendment, Consolidated Appropriations Act, 2010, Public Law 111-117, Div. D, Sec. 508(d), 123 Stat. 3034, 3279-80.
- 2.11.1.4 Section A.2.11.1.3 shall not be construed to:
 - 2.11.1.4.1 Require the CONTRACTOR to contract with providers beyond the number necessary to meet the needs of its members and the access standards of this Contract; however, the CONTRACTOR shall contract with nursing facilities pursuant to the requirements of Section A.2.11.7 of this Contract and shall contract with at least two (2) providers for each CHOICES HCBS to cover each county in the Grand Region, as specified in Section A.2.11.7.3;
 - 2.11.1.4.2 Preclude the CONTRACTOR from using different reimbursement amounts for different specialties or for different providers in the same specialty; however, the CONTRACTOR shall reimburse long-term care services in accordance with Sections A.2.13.3 and A.2.13.4; or
 - 2.11.1.4.3 Preclude the CONTRACTOR from establishing measures that are designed to maintain quality of services and control costs and are consistent with its responsibilities to members.
- 2.11.1.5 The CONTRACTOR may not prohibit, or otherwise restrict, a health care professional acting within the lawful scope of practice, from advising or advocating on behalf of a member who is his or her patient for the following:
 - 2.11.1.5.1 The member's health status, medical, behavioral health, or long-term care, or treatment options, including any alternative treatment that may be self administered;

- 2.11.1.5.2 Any information the member needs in order to decide among all relevant treatment options;
- 2.11.1.5.3 The risks, benefits, and consequences of treatment or non-treatment; or
- 2.11.1.5.4 The member's right to participate in decisions regarding his or her health care, including the right to refuse treatment, and to express preferences about future treatment decisions.
- 2.11.1.6 Prior to including a provider on the *Provider Enrollment File* (see Section A.2.30.8.1) and/or paying a provider's claim, the CONTRACTOR shall ensure that the provider has a National Provider Identifier (NPI) Number, where applicable, and has obtained a Medicaid provider number from TENNCARE.
- 2.11.1.7 If a member requests a provider located outside the access standards, and the CONTRACTOR has an appropriate provider within the access requirements who accepts new members, it shall not be considered a violation of the access requirements for the CONTRACTOR to grant the member's request. However, in such cases the CONTRACTOR shall not be responsible for providing transportation for the member to access care from this selected provider, and the CONTRACTOR shall notify the member in writing as to whether or not the CONTRACTOR will provide transportation for the member to seek care from the requested provider.
- 2.11.1.8 If the CONTRACTOR is unable to meet the access standard for a covered service for which the CONTRACTOR is responsible for providing non-emergency transportation to a member, the CONTRACTOR shall provide transportation regardless of whether the member has access to transportation.
 - 2.11.1.8.1 In the event the CONTRACTOR is unable to meet the access standard for adult day care (see Attachment III), the CONTRACTOR shall provide and pay for the cost of transportation for the member to the adult day care facility until such time the CONTRACTOR has sufficient provider capacity.
 - 2.11.1.8.2 The CONTRACTOR is not required to provide non-emergency transportation for HCBS provided through a 1915(c) waiver program for persons with intellectual disabilities and HCBS provided through the CHOICES program, except as provided in Section A.2.11.1.8.1 above.
- 2.11.1.9 If the CONTRACTOR is unable to provide medically necessary covered services to a particular member using contract providers, the CONTRACTOR shall adequately and timely cover these services for that member using non-contract providers, for as long as the CONTRACTOR's provider network is unable to provide them. At such time that the required services become available within the CONTRACTOR's network and the member can be safely transferred, the CONTRACTOR may transfer the member to an appropriate contract provider as specified in Section A.2.9.5.
- 2.11.1.10 The CONTRACTOR shall monitor provider compliance with access requirements specified in Attachment III, including but not limited to appointment and wait times and take corrective action for failure to comply. The CONTRACTOR shall maintain an emergency/contingency plan in the event that a large provider of services collapses or is otherwise unable to provide needed services and shall conduct surveys and office visits to monitor compliance with appointment waiting time standards and

shall report findings and corrective actions to TENNCARE in accordance with Section A.2.30.8.2.

- 2.11.1.11 The CONTRACTOR shall use its best efforts to contract with providers to whom the CONTRACTOR routinely refers members.
- 2.11.1.12 TENNCARE reserves the right to direct the CONTRACTOR to terminate or modify any provider agreement when TENNCARE determines it to be in the best interest of the State.
- 2.11.1.13 To demonstrate sufficient accessibility and availability of covered services, the CONTRACTOR shall comply with all reporting requirements specified in Section A.2.30.8.

A.2.11.2 Primary Care Providers (PCPs)

- 2.11.2.1 With the exception of members dually eligible for Medicare and TennCare, the CONTRACTOR shall ensure that each member has an assigned PCP, as defined in Section A.1, who is responsible for coordinating the covered services provided to the member. For CHOICES members, the CONTRACTOR shall develop and implement protocols that address, at a minimum, the roles and responsibilities of the PCP and Care Coordinator and collaboration between a member's PCP and Care Coordinator.
- 2.11.2.2 The CONTRACTOR shall ensure that there are PCPs willing and able to provide the level of care and range of services necessary to meet the medical and behavioral health needs of its members, including those with chronic conditions. There shall be a sufficient number of PCPs who accept new TennCare members within the CONTRACTOR's service area so that the CONTRACTOR meets the access standards provided in Attachment III.
- 2.11.2.3 To the extent feasible and appropriate, the CONTRACTOR shall offer each member (other than members who are dually eligible for Medicare and TennCare) the opportunity to select a PCP.
- 2.11.2.4 The CONTRACTOR may, at its discretion, allow vulnerable populations (for example, persons with multiple disabilities, acute, or chronic conditions, as determined by the CONTRACTOR) to select their attending specialists as their PCP so long as the specialist is willing to perform all responsibilities of a PCP as defined in Section A.1.
- 2.11.2.5 If a member who is not dually eligible for Medicare and TennCare fails or refuses to select a PCP from those offered within thirty (30) calendar days of enrollment, the CONTRACTOR shall assign a PCP. The CONTRACTOR may assign a PCP in less than thirty (30) calendar days if the CONTRACTOR provides the enrollee an opportunity to change PCPs upon receipt of notice of PCP assignment.
- 2.11.2.6 The CONTRACTOR shall establish policies and procedures to enable member's reasonable opportunities to change PCPs. Such policies and procedures may not specify a length of time greater than twelve (12) months between PCP changes under normal circumstances. If the ability to change PCPs is limited, the CONTRACTOR shall include provisions for more frequent PCP changes with good cause. The policies and procedures shall include a definition of good cause as well as the procedures to request a change and must allow members to call or fax a change

request that will facilitate an immediate change to the assigned PCP. The criteria for PCP change limitations must be approved by TENNCARE.

- 2.11.2.7 If a member requests assignment to a PCP located outside the distance/time requirements in Attachment III and the CONTRACTOR has PCPs available within the distance/time requirements who accept new members, it shall not be considered a violation of the access requirements for the CONTRACTOR to grant the member's request. However, in such cases the CONTRACTOR shall have no responsibility for providing transportation for the member to access care from this selected provider, and the CONTRACTOR shall notify the member in writing as to whether or not the CONTRACTOR will provide transportation for the member to seek care from the requested provider. In these cases, the CONTRACTOR shall allow the member to change assignment to a PCP within the distance/time requirements at any time if the member requests such a change.
- 2.11.2.8 The CONTRACTOR agrees to implement Primary Care Transformation strategies, inclusive of PCMH (comprehensive primary care program) and Tennessee Health Link (integrated care coordination for members with the highest behavior health needs), consistent with Tennessee's multi-payer payment reform initiative in a manner and on a timeline approved by TENNCARE.

This means that, at a minimum:

2.11.3.2.1.1 The CONTRACTOR has signed provider agreements with providers of the specialty types listed in Attachment IV who accept new TennCare enrollees and are available on at least a referral basis; and

2.11.3.2.1.2 The CONTRACTOR is in compliance with the access and availability requirements in Attachments III, IV, and V.

2.11.3.3 TENNCARE Monitoring

2.11.3.3.1 TENNCARE will monitor CONTRACTOR compliance with specialty network standards on an ongoing basis. TENNCARE will use data from the monthly *Provider Enrollment File* required in Section A.2.30.8.1, to verify compliance with the specialty network requirements. TENNCARE will use these files to confirm the CONTRACTOR has a sufficient number and distribution of physician specialists and in conjunction with MCO enrollment data to calculate member to provider ratios. TENNCARE will also periodically phone providers listed on these reports to confirm that the provider is a contract provider as reported by the CONTRACTOR. TENNCARE shall also monitor appeals data for indications that problems exist with access to specialty providers.

2.11.3.3.2 TENNCARE will require a corrective action plan from the CONTRACTOR when:

2.11.3.3.2.1 Twenty-five percent (25%) or more of non-dual members do not have access to one or more of the physician specialties listed in Attachment IV within sixty (60) miles;

2.11.3.3.2.2 Any non-dual member does not have access to one or more of the physician specialties listed in Attachment IV within ninety (90) miles; or

2.11.3.3.2.3 The member to provider ratio exceeds that listed in Attachment IV.

2.11.3.3.3 TENNCARE will review all corrective action plans and determine, based on the actions proposed by the CONTRACTOR, appeals data, and the supply of specialty providers available to non-TennCare members, whether the corrective action plan will be accepted. Corrective action plans shall include, at a minimum, the following:

2.11.3.3.3.1 The addition of contract providers to the provider network as documented on the provider enrollment file that resolves the specialty network deficiency;

2.11.3.3.3.2 A list of providers with name, location, and expected date of provider agreement execution with whom the CONTRACTOR is currently negotiating a provider agreement and, if the provider becomes a contract provider would resolve the specialty network deficiency;

2.11.3.3.3.3 For those deficiencies that are not resolved, a detailed account of attempts to secure an agreement with each provider that would resolve the deficiency. This shall include the provider name(s), address(es), date(s) contacted, and a detailed

explanation as to why the CONTRACTOR is unable to secure an agreement, e.g., lack of provider willingness to participate in the TennCare program, provider prefers to limit access to practice, or rate requests are inconsistent with TennCare actuarial assumptions;

- 2.11.3.3.3.4 A listing of non-contract providers, including name and location, who are being used to provide the deficient specialty provider services and the rates the CONTRACTOR is currently paying these non-contract providers;
- 2.11.3.3.3.5 Affirmation that transportation will be provided for members to obtain services from providers who are willing to provide services to members but do not meet the specialty network standards;
- 2.11.3.3.3.6 Documentation of how these arrangements are communicated to the member; and
- 2.11.3.3.3.7 Documentation of how these arrangements are communicated to the PCPs.

A.2.11.4 **Medication Assisted Treatment (MAT) Network**

- 2.11.4.1 The CONTRACTOR shall establish a provider network for Medication Assisted Treatment (MAT) for members with opioid use disorder (OUD). The CONTRACTOR shall engage all contracted MAT providers, at the individual NPI level, as described below.
 - 2.11.4.1.1 For the first two (2) calendar years of a provider's participation in the MAT network, the CONTRACTOR shall provide at minimum three (3) engagements as described below with the contracted MAT provider. These three (3) engagements shall include, at a minimum, the in-person check in, the in-person audit meeting, and the virtual education session as described below.
 - 2.11.4.1.1.1 The CONTRACTOR shall conduct at minimum one (1) in-person check-in, at individual NPI-level, with each contracted MAT provider per calendar year. The CONTRACTOR must have the appropriate representative present to discuss the following with the provider in-person:
 - 2.11.4.1.1.1.1 Billing or processing questions;
 - 2.11.4.1.1.1.2 Provide education (programmatic and clinical);

For Tier 3 Reportable Behavioral Events, this may include follow up with the member's PCP or behavioral health provider, as applicable, to provide information and determine any needed treatment adjustments, follow up with the person's Support Coordinator regarding any needed adjustments in the PCSP, and targeted training or assistance for agency staff who support the person. All Tier 3 Reportable Events, any medical attention provided, and follow up shall be documented in the member's record.
- 2.12.20.4 Both the provider and CONTRACTOR shall be responsible for tracking and trending all Tier 3 Reportable Events above and evaluating such events to determine how to prevent or reduce similar occurrences in the future whenever possible. Such efforts may be targeted to an individual person supported, a particular service setting or location, a particular type of Tier 3 Reportable Event, a particular provider, or may be system-wide.
- A.2.12.21 The CONTRACTOR shall require that all contracted ECF CHOICES providers shall be responsible for documenting, addressing, tracking, and trending Non-Reportable Events, which do not rise to the level of Tier 1, Tier 2, or Tier 3 Reportable Events as defined by TENNCARE. The provider shall immediately contact DIDD by appropriate hotline number or the MCO and DIDD within twenty-four (24) hours if during a provider's review of a Non-Reportable Event the provider discovers the Non-Reportable Event should be classified as a Tier 1 or Tier 2 Reportable Event (see Section A.2.15.7.6), respectively. Non-Reportable Events shall be defined as follows:

- 2.12.21.2 Failure to provide goods or services which do not result in injury or probable risk of serious harm (i.e., does not meet neglect threshold);
 - 2.12.21.3 Minor injury not requiring medical treatment beyond first aid by a lay person and is not associated with abuse or neglect; and
 - 2.12.21.4 Staff misconduct that falls outside the definition of Tier 1 or Tier 2 Reportable Events (see Section A.2.15.7.6) or Tier 3 Reportable Medical and Behavioral Events and does not result in serious injury or probable risk of serious injury. - A.2.12.22 All ECF CHOICES provider agreements shall require that all direct support staff (i.e., provider staff working directly with people in ECF CHOICES) complete required training as prescribed by TENNCARE within thirty (30) days of hire and prior to providing direct support to members.
 - A.2.12.23 All provider agreements between the CONTRACTOR and a home health agency (HHA) shall require the HHA to comply with the federal regulations delineating the conditions of participation that HHAs must meet in order to participate in the Medicaid program. Each provider agreement must contain a general provision to that effect.
- 2.12.23.1 Each provider agreement must specify that the contracted HHA supply each enrollee with the following:
 - 2.12.23.1.1 Written and verbal notice of the enrollee's rights and responsibilities as a home health patient as required under 42 CFR §484.50(a);
 - 2.12.23.1.2 Written and verbal notice of the HHA's policy for transfer and discharge as required under 42 CFR §484.50(d), including an explanation in plain language that disruptive, abusive, or uncooperative behaviors could give rise to a "discharge for cause," and the requirements that must be satisfied by the HHA in order for transfer or a discharge to be effectuated;
 - 2.12.23.1.3 Written and verbal notice of the HHA's obligation to accept complaints made by the enrollee about the care that is (or fails to be) furnished, and of the HHA's obligation to investigate, document, and resolve these enrollee complaints (as well as complaints of mistreatment, neglect, or verbal, mental, sexual, and physical abuse, or injuries of unknown source, or misappropriation of the enrollee's property by anyone furnishing care on behalf of the HHA) as required under 42 CFR §484.50(e).
 - 2.12.23.1.4 The HHA must explain to the enrollee the scope of the home health services that the enrollee will be receiving. Afterwards, the HHA must obtain the signature of the enrollee verifying that an HHA staff member has explained the scope of services to the enrollee. Likewise, the HHA must obtain, as required under 42 C.F.R. § 484.50(a)(2), the enrollee's or the legal representative's signature confirming that they received written notice of the enrollee's rights and responsibilities as required by Section A.2.12.23.1.1. The HHA must maintain all signature(s) in their record of the enrollee.

- 2.12.23.1.5 The HHA must develop a back-up plan for each enrollee to be implemented during missed visits, as defined by Section A.2.15.9.1, or when otherwise necessary.
- 2.12.23.1.6 When the HHA is notified before a missed visit occurs or as it is occurring, the HHA must contact the enrollee and implement the back-up plan or offer a suitable alternative service. The HHA must report all missed visits to the CONTRACTOR in writing within three calendar days of the missed visit. This report must be submitted on a CONTRACTOR-approved form, which captures all of the information the CONTRACTOR requires, including, but not limited to, the following: the identity of the enrollee; the type of service involved; the date of the missed visit; the cause(s); and, what corrective action was taken to mitigate the cause(s) of the missed visit. The HHA must ensure that the staff member enters notes about the circumstances of a missed visit in every instance in which notes are possible.
- 2.12.23.1.7 When a conflict arises between an enrollee and an assigned HHA staff member, or when an enrollee refuses to allow an assigned staff member to begin or to complete their assigned visit, the staff member will immediately notify the HHA. Once notified, the HHA will contact the enrollee and offer to either (1) implement the existing back-up plan or (2) staff the care with a qualified alternative staff member. In every instance, the HHA must record these missed visits, as described above, and timely submit them to the CONTRACTOR. All of the aforementioned facts should be included in the reports with as much written explanation as possible regarding the causes and factors contributing to the conflict. If additional conflicts arise between the enrollee and the HHA or alternative staff member (for example, if an enrollee refuses to admit the alternative staff member into enrollee's home), the HHA must notify the CONTRACTOR and must continue making reasonable efforts to staff the approved care with qualified alternative staff members until the HHA, in its discretion, plans to discharge the enrollee for cause. At that point, the HHA must notify the CONTRACTOR of its decision to discharge or transfer the enrollee.

- 2.13.1.3 The CONTRACTOR shall not pay a PCP for services provided to members that have not been assigned to the PCP or the practice within which the PCP is affiliated. However, the CONTRACTOR shall allow members to call or fax a PCP change

request that will facilitate an immediate change to the assigned PCP (see Section A.2.11.2.6).

- 2.13.1.4 If the CONTRACTOR is required to reimburse a non-contract provider pursuant to this Contract, and the CONTRACTOR's payment to a non-contract provider is less than it would have been for a contract provider, and the provider contests the payment amount, the CONTRACTOR shall notify the non-contract provider that the provider may initiate the independent review procedures in accordance with TCA 56-32-126, including but not limited to reconsideration by the CONTRACTOR.
- 2.13.1.5 The CONTRACTOR shall ensure that the member is held harmless by the provider for the costs of medically necessary covered services except for applicable TennCare cost sharing amounts (described in Section A.2.6.7 and in Attachment II of this Contract) and patient liability amounts.

 - 2.13.1.6.4 Furnished by an individual or entity to whom the State has failed to suspend payments during any period when there is a pending investigation of a credible allegation of fraud against the individual or entity, unless the State determines there is good cause not to suspend such payments;
 - 2.13.1.6.5 With respect to any amount expended for which funds may not be used under the Assisted Suicide Funding Restriction Act (ASFRA) of 1997;

The protocols allow public health nurses from across the licensure spectrum to provide services specific to diagnosis, treatment and delivery of preventive services under the general, but not necessarily onsite, supervision of a physician. These services include, but may not be limited to, EPSDT services for children, immunizations, family planning and sexually transmitted disease treatment. TennCare is a state operated program and is not bound by Medicare policy regarding the interpretation of billing codes, therefore, in accordance with the training and protocols the state's public health nurses practice within, the CONTRACTOR shall allow public health nurses to bill using the same CPT codes, related to the aforementioned services, as would be used if the service was delivered by an advance practice nurse.
- 2.13.7.3 TENNCARE may conduct an audit of the CONTRACTOR's reimbursement methodology and related processes on an annual basis to verify compliance with this requirement. In addition, the Local Health Department may initiate the independent review procedure at any time it believes the CONTRACTOR's payment is not the required reimbursement rate or that the CONTRACTOR has denied claims inappropriately.

A.2.13.8 Medicaid Payment for Primary Care

- 2.13.8.1 In accordance with the Patient Protection and Affordable Care Act of 2010 (The Affordable Care Act), for calendar years 2013 and 2014, TennCare MCOs were required to make payments for certain primary care services (as described by CMS) and furnished by primary care providers (as described by CMS) in an amount determined by CMS. If CMS extends this requirement, the CONTRACTOR shall make payments in accordance with CMS and TENNCARE specified requirements.

- 2.13.8.2 In addition to the routine claims payment reports required by this Contract, the CONTRACTOR shall report to TENNCARE any information related to this requirement in a format described by TENNCARE. At a minimum, the reports shall be sufficient to accomplish the following:
 - 2.13.8.2.1 Assure payments made to specified primary care providers are at the minimum Medicare primary care payment levels as required by 42 CFR 447, subpart G. This includes the assurance that eligible providers receive direct and full benefit of the payment increase for each of the primary care services specified in the final rule implementing this section of The Affordable Care Act regardless of whether the provider is paid directly or through a capitated arrangement;
 - 2.13.8.2.2 Submit any documentation to TENNCARE, sufficient to enable TENNCARE and CMS to ensure that provider payments increase as required by 42 CFR 438.6(c)(5)(vi)(A) are made and to adequately document expenditures eligible for 100% FFP and to support all audit or reconciliation processes. TENNCARE shall report these data to CMS.

A.2.13.9 Payment to TennCare PBM

- 2.13.9.1 The CONTRACTOR shall make payment to the PBM on behalf of TENNCARE for TennCare covered services. The CONTRACTOR shall not be at risk for payment made to the TennCare contracted PBM (see Section C.3). The CONTRACTOR shall adhere to the following process for payments to the PBM:
 - 2.13.9.1.1 The CONTRACTOR shall maintain a separate bank account for the funds transfer from TENNCARE for purposes of payment to the PBM.
 - 2.13.9.1.2 The CONTRACTOR shall receive a weekly invoice from the PBM for services rendered by the PBM.
 - 2.13.9.1.3 The CONTRACTOR shall invoice TENNCARE for the cost of the payments to be made to the PBM based on the weekly PBM invoice as well as any associated regulatory costs.
 - 2.13.9.1.4 The CONTRACTOR shall make payment to the PBM in the full amount of the funds transfer from TENNCARE no later than the Friday following receipt of the funds from TENNCARE unless extended by TENNCARE due to unforeseen circumstances or bank holidays.

A.2.13.10 Physician Incentive Plan (PIP)

- 2.13.10.1 The CONTRACTOR shall notify and make TENNCARE and TDCI aware of any operations or plans to operate a physician incentive plan (PIP). Prior to implementation of any such plans, the CONTRACTOR shall submit to TDCI any provider agreement templates or subcontracts that involve a PIP for review as a material modification.
- 2.13.10.2 The CONTRACTOR shall not implement a PIP in the absence of TDCI review and written approval.

- 2.13.10.3 If the CONTRACTOR operates a PIP, the CONTRACTOR shall ensure that no specific payment be made directly or indirectly under a PIP to a physician or physician group as an inducement to reduce or limit medically necessary services furnished to an individual.
- 2.13.10.4 If the CONTRACTOR operates a PIP, upon TENNCARE's request, the CONTRACTOR shall report descriptive information about its incentive plan in sufficient detail to enable TENNCARE to adequately monitor the CONTRACTOR. The information that may be requested shall include, but not be limited to, the following:
 - 2.13.10.4.1 Whether services not furnished by the physician or physician group are covered by the incentive plan;
 - 2.13.10.4.2 The type or types of incentive arrangements, such as, withholds, bonus, capitation;
 - 2.13.10.4.3 The percent of any withhold or bonus the plan uses;
 - 2.13.10.4.4 Assurance that the physicians or physician group has adequate stop-loss protection, and the amount and type of stop-loss protection; and
 - 2.13.10.4.5 The patient panel size and, if the plan uses pooling, the pooling method.

A.2.13.11 Emergency Services Obtained from Non-Contract Providers

- 2.13.11.1 Payments to non-contract providers for emergency services may, at the CONTRACTOR's option, be limited to the treatment of emergency medical conditions, including post-stabilization care services, as described in Section A.1. Payment amounts shall be consistent with the pricing policies developed by the CONTRACTOR and in accordance with TENNCARE requirements, including TennCare rules and regulations for emergency services provided by non-contract providers.
- 2.13.11.2 Payment by the CONTRACTOR for properly documented claims for emergency services rendered by a non-contract provider shall be made within thirty (30) calendar days of receipt of a clean claim by the CONTRACTOR.
- 2.13.11.3 The CONTRACTOR shall review and approve or disapprove claims for emergency services based on the definition of emergency services specified in Section A.1 of this Contract. If the CONTRACTOR determines that a claim requesting payment of emergency services does not meet the definition as specified in Section A.1 and subsequently denies the claim, the CONTRACTOR shall notify the provider of the denial. This notification shall include information to the provider regarding the CONTRACTOR's process and time frames for reconsideration. In the event a provider disagrees with the CONTRACTOR's decision to disapprove a claim for emergency services, the provider may pursue the independent review process for disputed claims as provided by TCA 56-32-126, including but not limited to reconsideration by the CONTRACTOR.

A.2.13.12 Medically Necessary Services Obtained from Non-Contract Provider when MCO Assignment is Unknown

2.13.12.1 The CONTRACTOR shall pay for medically necessary covered services provided to an enrollee by a non-contract provider when TENNCARE has enrolled the enrollee in the CONTRACTOR's MCO, but the enrollee could not have known which MCO they were enrolled in at the time of the service. Examples of when this may occur include, but are not limited to, (i) when an enrollee receives services during a retroactive eligibility period (see Section A.2.4.5) and the enrollee did not select an MCO and is assigned to an MCO by TENNCARE, or (ii) the enrollee was assigned to an MCO other than the one that he/she requested (see Section A.2.4.4.5). In these cases, the effective date of enrollment may occur prior to the CONTRACTOR or the enrollee being notified of the enrollee becoming a member of the CONTRACTOR's MCO.

2.13.12.2 When this situation arises, the CONTRACTOR shall not deny payment for medically necessary covered services provided during this period of eligibility for lack of prior authorization or lack of referral; likewise, the CONTRACTOR shall not deny a claim on the basis of the provider's failure to file a claim within a specified time period after the date of service when the provider could not have reasonably known which MCO the enrollee was in during the timely filing period. However, in such cases the CONTRACTOR may impose timely filing requirements beginning on the date of notification of the individual's enrollment.

2.13.12.3 The CONTRACTOR shall only pay for covered long-term care services for which the member was eligible (see Section A.2.6), as determined by the State and shown in the outbound 834 enrollment file furnished by TENNCARE to the CONTRACTOR.

A.2.13.13 Medically Necessary Services Obtained from Contract Provider without Prior Authorization when MCO Assignment is Unknown

2.13.13.1 The CONTRACTOR shall pay for medically necessary covered services provided to an enrollee by a contract provider without prior authorization or referral when TENNCARE has enrolled the enrollee in the CONTRACTOR's MCO, but the enrollee could not have known which MCO they were enrolled in at the time of the service.

2.13.13.2 When this situation arises, the CONTRACTOR shall not deny payment for medically necessary covered services for lack of prior authorization or lack of referral; likewise, a CONTRACTOR shall not deny a claim on the basis of the provider's failure to file a claim within a specified time period after the date of service when the provider could not have reasonably known which MCO the enrollee was in during the timely filing period. However, in such cases the CONTRACTOR may impose timely filing requirements beginning on the date of notification of the individual's enrollment.

2.13.13.3 The CONTRACTOR shall only pay for covered long-term care services for which the member was eligible (see Section A.2.6), as determined by the State and shown in the outbound 834 enrollment file furnished by TENNCARE to the CONTRACTOR.

A.2.13.14 Medically Necessary Services Obtained from Non-Contract Provider Referred by Contract Provider

The CONTRACTOR shall pay for any medically necessary covered services provided to a member by a non-contract provider at the request of a contract provider. The

CONTRACTOR's payment shall not be less than eighty percent (80%) of the rate that would have been paid by the CONTRACTOR if the member had received the services from a contract provider. The CONTRACTOR shall only pay for covered long-term care services for which the member was eligible (see Section A.2.6) and that were authorized by the CONTRACTOR in accordance with the requirements of this Contract.

A.2.13.15 Medically Necessary Services Obtained from Non-Contract Provider Not Authorized by the CONTRACTOR

2.13.15.1 With the exception of circumstances described in Section A.2.13.14 when an enrollee has utilized medically necessary non-emergency covered services from a non-contract provider, and the CONTRACTOR has not authorized such use in advance, the CONTRACTOR shall not be required to pay for the service(s) received unless payment is required pursuant to a directive from TENNCARE or an Administrative Law Judge.

2.13.15.2 The CONTRACTOR shall not make payment to non-contract providers for covered services that are not medically necessary or for long-term care services for which the member was not eligible (see Section A.2.6).

A.2.13.16 Covered Services Ordered by Medicare Providers for Dual Eligibles

2.13.16.1 Generally, when a TennCare enrollee is dually eligible for Medicare and TennCare and requires services that are covered under this Contract but are not covered by Medicare, and the services are ordered by a Medicare provider who is a non-contract provider, the CONTRACTOR shall pay for the ordered, medically necessary service if it is provided by a contract provider. However, if all of the following criteria are met, the CONTRACTOR may require that the ordering physician be a contract provider:

2.13.16.1.1 The ordered service requires prior authorization; and

2.13.16.1.2 Dually eligible enrollees have been clearly informed of the contract provider requirement and instructed in how to obtain assistance identifying and making an appointment with a contract provider; and

2.13.16.1.3 The CONTRACTOR assists the enrollee in obtaining a timely appointment with a contract provider upon request of the enrollee or upon receipt of an order from a non-contract provider.

2.13.16.2 Reimbursement shall be at the same rate that would have been paid had the service been ordered by a contract provider.

2.13.16.3 The CONTRACTOR shall not pay for non-covered services, services that are not medically necessary, or services ordered and obtained from non-contract providers.

A.2.13.17 Transition of New Members

The CONTRACTOR shall pay for the continuation of covered services for new members pursuant to the requirements in Section A.2.9.2 regarding transition of new members.

A.2.13.18 Transition of CHOICES Members Receiving Long-Term Care Services at the Time of Implementation

The CONTRACTOR shall pay for the continuation of covered long-term care services for transitioning CHOICES members pursuant to the requirements in Section A.2.9.3 regarding transition of members receiving long-term care services at the time of implementation.

A.2.13.19 Transition of Care

In accordance with the requirements in Section A.2.9.5.1 of this Contract, if a provider has terminated participation with the CONTRACTOR, the CONTRACTOR shall pay the non-contract provider for the continuation of treatment through the applicable period provided in Section A.2.9.5.1.

A.2.13.20 Limits on Payments to Providers and Subcontractors Related to the CONTRACTOR

2.13.20.1 The CONTRACTOR shall not pay more for similar services rendered by any provider or subcontractor that is related to the CONTRACTOR than the CONTRACTOR pays to providers and subcontractors that are not related to the CONTRACTOR. For purposes of this subsection, “related to” means providers or subcontractors that have an indirect ownership interest or ownership or control interest in the CONTRACTOR, an affiliate (see definition in Section A.1 of this Contract) of the CONTRACTOR, or the CONTRACTOR’s management company as well as providers or subcontractors that the CONTRACTOR, an affiliate of the CONTRACTOR or the CONTRACTOR’s management company has an indirect ownership interest or ownership or control interest in. The standards and criteria for determining indirect ownership interest, an ownership interest or a control interest are set out at 42 CFR Part 455, Subpart B.

2.13.20.2 Any payments made by the CONTRACTOR that exceed the limitations set forth in this Section shall be considered non-allowable payments for covered services and shall be excluded from medical expenses reported in the MLR report required in Section A.2.30.16.2.1, except that services which exceed a benefit limit and are provided as a cost-effective alternative service to another covered benefit in CHOICES or ECF CHOICES shall be considered medical expenses.

2.13.20.3 As provided in Section A.2.30.10 of this Contract, the CONTRACTOR shall submit information on payments to related providers and subcontractors.

A.2.13.21 1099 Preparation

In accordance with federal requirements, the CONTRACTOR shall prepare and submit Internal Revenue Service (IRS) Form 1099s for all providers who are not employees of the CONTRACTOR to whom payment is made.

A.2.13.22 Payments to the FEA

The CONTRACTOR shall reimburse the Fiscal Employer Agent (FEA) for authorized eligible CHOICES HCBS provided by consumer-directed workers as specified in the contract between the CONTRACTOR and the FEA. TENNCARE will pay the FEA the administrative fees specified in the contract between TENNCARE and the FEA.

A.2.14 UTILIZATION MANAGEMENT (UM)

A.2.14.1 General

- 2.14.1.1 The CONTRACTOR shall develop and maintain a utilization management (UM) program which shall be documented in writing. As part of this program the CONTRACTOR shall have policies and procedures with defined structures and processes. The UM program shall assign responsibility to appropriate individuals including a designated senior physician and shall involve a designated behavioral health care practitioner in the implementation of behavioral health aspects of the program and a designated long-term care professional in the implementation of the long-term care aspects of the program.
 - 2.14.1.1.1 In accordance with 42 CFR 438.910(d), the CONTRACTOR shall not impose NQTLs for mental health or substance use disorder benefits in any classification unless, under the policies and procedures of the CONTRACTOR as written and in operation, any processes, strategies, evidentiary standards, or other factors used in applying the NQTL to mental health or substance use disorder benefits in the classification are comparable to, and are applied no more stringently than, the processes, strategies, evidentiary standards, or other factors used in applying the limitation for medical/surgical benefits in the classification.
- 2.14.1.2 The UM program shall be supported by an associated work plan and shall be evaluated annually and updated as necessary.
 - 2.14.1.2.1 The UM program description, work plan and program evaluation shall be exclusive to TENNCARE and shall not contain documentation from other state Medicaid programs or product lines operated by the CONTRACTOR.
- 2.14.1.3 The UM program, including the UM program description, associated work plan, and annual evaluation shall address Emergency Department (ED) utilization and ED diversion efforts.
- 2.14.1.4 The CONTRACTOR's UM program shall include distinct policies and procedures regarding long-term care services and shall specify the responsibilities and scope of authority of Care Coordinators in authorizing long-term care services and in submitting service authorizations to providers and/or the FEA for service delivery.
- 2.14.1.5 The CONTRACTOR shall notify all contract providers of and enforce compliance with all provisions relating to UM procedures.
- 2.14.1.6 The UM program shall have criteria that:
 - 2.14.1.6.1 Are objective and based on medical, behavioral health and/or long-term care evidence, to the extent possible;
 - 2.14.1.6.2 Are applied based on individual needs;
 - 2.14.1.6.3 Are applied based on an assessment of the local delivery system;
 - 2.14.1.6.4 Involve appropriate practitioners in developing, adopting and reviewing them;
 - 2.14.1.6.5 Assure family planning services are provided in a manner that protects and enables the member's freedom to choose the method of family planning to be used; and

- 2.14.1.6.6 Are annually reviewed and up-dated as appropriate.
- 2.14.1.7 For long-term care services, the CONTRACTOR's UM program shall have criteria that are consistent with the guiding principles set forth in TCA 71-5-1402 and shall take into consideration the member's preference regarding cost-effective long-term care services and settings.
- 2.14.1.8 The CONTRACTOR shall use appropriately licensed professionals to supervise all medical necessity decisions and specify the type of personnel responsible for each level of UM, including prior authorization and decision making. The CONTRACTOR shall have written procedures documenting access to Board Certified Consultants to assist in making medical necessity determinations. Any decision to deny a service authorization request or to authorize a service in an amount, duration, or scope that is less than requested shall be made by a physical health or behavioral health care professional who has appropriate clinical expertise in treating the member's condition or disease or, in the case of long-term care services, a long-term care professional who has appropriate expertise in providing long-term care services.
- 2.14.1.9 The CONTRACTOR shall use written criteria based on sound clinical evidence to make utilization decisions. The written criteria shall specify procedures for appropriately applying the criteria. The criteria must be in accordance with NCQA standards and requirements. The CONTRACTOR shall apply objective and evidence based criteria and take individual circumstances and the local delivery into account when determining the medical appropriateness of health care services.
- 2.14.1.10 The CONTRACTOR shall have mechanisms in place to ensure that required services are not arbitrarily denied or reduced in amount, duration, or scope solely because of the diagnosis, type of illness, or condition.
- 2.14.1.11 The CONTRACTOR shall assure, consistent with 42 CFR 438.3, 42 CFR 422.208 and 422.210, that compensation to individuals or entities that conduct UM activities is not structured so as to provide incentives for the individual or entity to deny, limit, or discontinue medically necessary covered services to any member.
- 2.14.1.12 As part of the provider survey required by Section A.2.18.7.4, the CONTRACTOR shall assess provider/office staff satisfaction with UM processes to identify areas for improvement.
- 2.14.1.13 Inpatient Care
- The CONTRACTOR shall provide for methods of assuring the appropriateness of inpatient care. Such methodologies shall be based on individualized determinations of medical necessity in accordance with UM policies and procedures and, at a minimum, shall include the items specified in subparagraphs A.2.14.1.13.1 through A.2.14.1.13.5 below:
- 2.14.1.13.1 Pre-admission certification process for non-emergency admissions;

- 2.14.1.13.2 A concurrent review program to monitor and review continued inpatient hospitalization, length of stay, or diagnostic ancillary services regarding their appropriateness and medical necessity. In addition, the CONTRACTOR shall have a process in place to determine for emergency admissions, based upon medical criteria, if and when a member can be transferred to a contract facility in the network, if presently in a non-contract facility;
- 2.14.1.13.3 Admission review for urgent and/or emergency admissions, on a retroactive basis when necessary, in order to determine if the admission is medically necessary and if the requested length of stay for the admission is reasonable based upon an individualized determination of medical necessity. Such reviews shall not result in delays in the provision of medically necessary urgent or emergency care;
- 2.14.1.13.4 Restrictions against requiring pre-admission certification for admissions for the normal delivery of children; and
- 2.14.1.13.5 Prospective review of same day surgery procedures.
- 2.14.1.14 Nursing Facility
- 2.14.1.14.1 The CONTRACTOR shall be responsible for monitoring the member's continued need for and receipt of skilled and/or rehabilitative services in a NF only when approval of NF LOC is conditioned on the receipt of such services, and in such case, when skilled and/or rehabilitative services are no longer medically necessary, shall submit information needed by TENNCARE to reevaluate the member's level of care (i.e., reimbursement) for nursing facility services (see also Section A.2.14.1.14).
- 2.14.1.15 Emergency Department (ED) Utilization
- The CONTRACTOR shall utilize the following guidelines in identifying and managing care for members who are determined to have excessive and/or inappropriate ED utilization:
- 2.14.1.15.1 Review ED utilization data, at a minimum, every six (6) months to identify members with utilization exceeding the threshold defined by TENNCARE as ten (10) or more visits in the defined six (6) month period (January through June and July through December);
- 2.14.1.15.2 Enroll non-CHOICES members whose utilization exceeds the threshold of ED visits defined by TENNCARE in the previous six (6) month period in the appropriate level of Population Health services (see Section A.2.8.4 of this Contract) and may use the information to identify members who may be eligible for CHOICES in accordance with the requirements in Section A.2.9.6.3 if appropriate;
- 2.14.1.15.3 For CHOICES members whose utilization exceeds the threshold of ED visits defined by TENNCARE in the previous six (6) month period, the Care Coordinator shall conduct appropriate follow-up to identify the issues causing frequent ED utilization and determine appropriate next steps. For CHOICES members in Group 1, appropriate next steps may include communication with the nursing facility to determine interventions to better manage the member's condition. For CHOICES members in Groups 2 and 3, appropriate next steps may include modifications to the member's PCSP in order to address service delivery needs and better manage the member's condition.

- 2.14.1.15.4 As appropriate, make contact with members whose utilization exceeded the threshold of ED visits defined by TENNCARE in the previous six (6) month period and their primary care providers for the purpose of providing education on appropriate ED utilization; and
- 2.14.1.15.5 Assess the most likely cause of high utilization and develop a Population Health Complex Case Management (see Section A.2.8.4 of this Contract) plan based on results of the assessment for each non-CHOICES member.

2.14.1.16 Hospitalizations and Surgeries

The CONTRACTOR shall comply with any applicable federal and state laws or rules related to length of hospital stay. TENNCARE will closely monitor encounter data related to length of stay and re-admissions to identify potential problems. If indicated, TENNCARE may conduct special studies to assess the appropriateness of hospital discharges.

A.2.14.2 Prior Authorization for Physical Health and Behavioral Health Covered Services

- 2.14.2.1 The CONTRACTOR shall have in place, and follow, written policies and procedures for processing requests for initial and continuing prior authorizations of services and have in effect mechanisms to ensure consistent application of review criteria for prior authorization decisions. The policies and procedures shall provide for consultation with the requesting provider when appropriate. If prior authorization of a service is granted by the CONTRACTOR and the service is provided, payment for the prior authorized service shall not be denied based on the lack of medical necessity, assuming that the member is eligible on the date of service, unless it is determined that the facts at the time of the denial of payment are significantly different than the circumstances which were described at the time that prior authorization was granted.
- 2.14.2.2 Prior authorization for home health nurse, home health aide and private duty nursing services shall comply with TennCare rules and regulations.
- 2.14.2.3 Prior authorization requests shall be processed in accordance with 42 CFR § 438.210(d) and the guidelines described in TennCare rules and regulations which include, but are not limited to, provisions regarding decisions, notices, medical contraindication, and the failure of an MCO to act timely upon a request. If the CONTRACTOR determines that following the standard authorization timeframe could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or regain maximum function, the CONTRACTOR shall make an expedited service authorization decision and provide notice as expeditiously as the enrollee's health condition requires and no later than seventy-two (72) hours after receipt of the request for service. See 42 C.F.R. §438.210(d)(2)(i); 42 C.F.R. §438.404(c)(6).
- 2.14.2.4 The CONTRACTOR's prior authorization requirements shall comply with the requirements for parity in mental health and substance use disorder benefits in 42 CFR 438.910(d). TENNCARE may request copies of the CONTRACTOR's policies and procedures to assure compliance with 42 CFR, Subpart K.

A.2.14.3 **Referrals for Physical Health and Behavioral Health**

- 2.14.3.1 Except as provided in Section A.2.14.4, the CONTRACTOR may require members to seek a referral from their PCP prior to accessing non-emergency specialty physical health services.
- 2.14.3.2 If the CONTRACTOR requires members to obtain PCP referral, the CONTRACTOR may exempt certain services, identified by the CONTRACTOR in the member handbook, from PCP referral.
- 2.14.3.3 For members determined to need a course of treatment or regular care monitoring, the CONTRACTOR shall have a mechanism in place to allow members to directly access a specialist as appropriate for the members' condition and identified needs.
- 2.14.3.4 The CONTRACTOR shall not require that a woman go in for an office visit with her PCP in order to obtain the referral for prenatal care.
- 2.14.3.5 Referral Provider Listing
 - 2.14.3.5.1 The CONTRACTOR shall provide all PCPs with information on how to access a current listing of referral providers, including behavioral health providers, as well as the right to request a hard copy at least thirty (30) calendar days prior to the start date of operations. Thereafter the CONTRACTOR shall provide notification to PCPs regarding how to access and request a hard copy of an updated version of the listing on a quarterly basis. The CONTRACTOR shall maintain an updated electronic, web-accessible version of the referral provider listing.
 - 2.14.3.5.2 The referral provider listing shall be in the format specified by TENNCARE for the provider directory in Section A.2.17.8.
 - 2.14.3.5.3 As required in Section A.2.30.11.5, the CONTRACTOR shall submit to TENNCARE a copy of the notification regarding the referral provider listing, a data file of the provider information in a media and format described by TENNCARE, and documentation regarding mailing.

A.2.14.4 **Exceptions to Prior Authorization and/or Referrals for Physical Health and Behavioral Health**

2.14.4.1 Emergency and Post-Stabilization Care Services

The CONTRACTOR shall provide emergency services without requiring prior authorization or PCP referral, as described in Section A.2.7.1, regardless of whether these services are provided by a contract or non-contract provider. The CONTRACTOR shall provide post-stabilization care services (as defined in Section A.1) in accordance with 42 CFR 422.113.

2.14.4.2 TennCare Kids

The CONTRACTOR shall not require prior authorization or PCP referral for the provision of TennCare Kids screening services.

2.14.4.3 Access to Women's Health Specialists

The CONTRACTOR shall allow female members direct access (without requiring a referral) to a women's health specialist who is a contract provider for covered services necessary to provide women's routine and preventive health care services. This is in addition to the member's designated source of primary care if that source is not a women's health specialist.

2.14.4.4 Behavioral Health Services

The CONTRACTOR shall not require a PCP referral for members to access a behavioral health provider.

2.14.4.5 Transition of New Members

Pursuant to the requirements in Section A.2.9.2 regarding transition of new members, the CONTRACTOR shall provide for the continuation of medically necessary covered services regardless of prior authorization or referral requirements. However, as provided in Section A.2.9.2, in certain circumstances the CONTRACTOR may require prior authorization for continuation of services beyond the initial thirty (30) days.

A.2.14.5 **Authorization of Long-Term Care Services**

2.14.5.1 The CONTRACTOR shall have in place an authorization process for covered long-term services and supports and cost effective alternative services that is separate from but integrated with the CONTRACTOR's prior authorization process for covered physical health and behavioral health services (See Section A.2.9.6 of this Contract).

2.14.5.2 The CONTRACTOR may decide whether it will issue service authorizations for nursing facility services, or whether it will instead process claims for such services in accordance with the level of care (i.e., reimbursement, including the duration of such level of reimbursement) approved by TENNCARE (see Section A.2.14.1.14).

2.14.5.3 The CONTRACTOR shall authorize and initiate CHOICES HCBS for CHOICES members and ECF CHOICES HCBS for ECF CHOICES members within the timeframes specified in Sections A.2.9.2, A.2.9.3, and A.2.9.6 of this Contract.

2.14.5.4 The CONTRACTOR shall not require that CHOICES HCBS or ECF CHOICES HCBS except Specialized Consultation and Training services, as applicable be ordered by a treating physician, but may consult with the treating physician as appropriate regarding the member's physical health, behavioral health, and long-term services and supports needs and in order to facilitate communication and coordination regarding the member's physical health, behavioral health, and long-term services and supports. Participation by the Specialized Consultation and Training services provider in the person-centered planning process shall not require a physician's order, except as required pursuant to state law or regulation.

- 2.14.5.5 The CONTRACTOR may determine the duration of time for which CHOICES or ECF CHOICES HCBS will be authorized. Additionally, the CONTRACTOR shall be responsible for monitoring its authorizations and for ensuring that there are no gaps in authorizations for CHOICES or ECF CHOICES HCBS in accordance with the PCSP, including transition from the CHOICES or ECF CHOICES HCBS that are immediately needed by the member to CHOICES or ECF CHOICES HCBS in the PCSP that are needed on an ongoing basis, including those immediately needed services that are also needed on an ongoing basis. The CONTRACTOR shall further be responsible for ensuring that service authorizations are consistent with the PCSP, including, except for services provided through consumer direction, the schedule at which services are needed and any updates to the PCSP and/or schedule, and except in the following circumstance, for notifying providers in advance when a service authorization (including a schedule) will be changed. Retroactive entry or adjustments in service authorizations for CHOICES or ECF CHOICES HCBS should be made only when required to accommodate payment of services that had been authorized but an adjustment in the schedule of services was required based on the member's needs.
- 2.14.5.6 For non-CHOICES members receiving care in non-contract nursing facilities authorized by the CONTRACTOR as a cost-effective alternative, the CONTRACTOR shall reimburse services in accordance with its authorization until such time that the member is no longer eligible for services, is enrolled in CHOICES, or such care is no longer medically necessary or cost-effective.
- 2.14.5.7 The CONTRACTOR shall determine medical necessity of ventilator weaning and short term tracheal suctioning for individuals recently weaned from a ventilator, but who still require intensive respiratory intervention. TENNCARE shall determine medical necessity of chronic ventilator care and tracheal suctioning other than short-term tracheal suctioning following recent ventilator weaning through the PAE process.

The CONTRACTOR shall submit all identified Provider Preventable Conditions in a form or frequency as described by TENNCARE.

A.2.15.9 Missed Visits of Home Health Services

- 2.15.9.1 "Missed visit," as used herein, refers to a period of one or more hours that a staff member of an HHA does not furnish the home health service that an enrollee is

authorized to receive and which has been implemented. A missed visit may be due to exigent circumstances beyond any party's control. It may also be due to a fault of the HHA, the staff member, or the CONTRACTOR. It may also be due to a fault of the enrollee. For example, the enrollee refuses to allow the staff member to enter the home or to remain there after beginning work; the staff member suspects or witnesses unlawful activity in the home; or, the environment in the enrollee's home is such that the staff member fears for their personal safety.

- 2.15.9.2 The CONTRACTOR shall collect all missed-visit reports delivered to them by the HHAs and monitor them. As a general practice, the CONTRACTOR shall identify negative trends with regard to particular HHAs or enrollees. The CONTRACTOR shall contact the HHAs and attempt to resolve such negative trends. In its discretion, the CONTRACTOR may contact enrollees in order to remediate such negative trends.
- 2.15.9.3 The CONTRACTOR shall respond to all inquiries from TENNCARE regarding potential missed visits by submitting timely documentation showing the dates and times of any missed visits, the name of the HHA involved, and the cost of each visit had it been provided, as well as any other information reasonably requested by TENNCARE.
- 2.15.9.4 Upon monitoring the missed-visit reports or upon being notified by an HHA of an enrollee's refusal of two (2) or more staff members, the CONTRACTOR shall contact the HHA and the enrollee to attempt a resolution while the HHA remains willing and able to provide services to the enrollee. This may include the CONTRACTOR scheduling a meeting between a member of its management, the enrollee, and HHA personnel. The CONTRACTOR shall document every action taken.
- 2.15.9.5 If the enrollee has refused two (2) or more staff members, the CONTRACTOR shall assign a case-manager to the enrollee if one is not already assigned. The CONTRACTOR shall also contact the primary care provider to advise him or her of the enrollee's pattern of refusing the authorized services and to discuss a possible solution. The conversation, and any decisions made, shall be documented in the CONTRACTOR'S record for the enrollee.
- 2.15.9.6 If the HHA plans to discharge the enrollee for cause, the CONTRACTOR shall send the enrollee a letter informing them that the HHA will no longer be providing their care as of a certain date, and that they have either found or are searching for another HHA to replace it. The CONTRACTOR, however, should only seek the services from in-network HHAs. The CONTRACTOR shall also send a delay notice to the enrollee if a delay occurs to the enrollee receiving the service from the new provider.
- 2.15.9.7 If the enrollee continues to refuse staff members from the newly selected HHA, the CONTRACTOR shall again follow the protocol.
- 2.15.9.8 If after the CONTRACTOR follows the protocol in Section A.2.15.9.5 twice and the situation is not then resolved, the CONTRACTOR, at its discretion, shall make a reasonable number of attempts (if any) to arrange for further in-network HHAs to provide the enrollee's authorized care taking into account the number of HHAs available in the enrollee's county and/or adjacent counties.
- 2.15.9.9 When all reasonable attempts have been exhausted, the CONTRACTOR shall move to terminate the enrollee's home health service. When the CONTRACTOR decides

to terminate the enrollee's care, it shall, if it has not already done so, collect all of the relevant missed-visit reports. The CONTRACTOR must then, if it has not already done so, make a single record consisting of a list of the names of the agencies used and how many staff members from each agency were refused by the enrollee. The CONTRACTOR shall also offer a covered medically necessary alternative, such as facility-based care, to the enrollee.

- 2.15.9.10 Once these steps are completed, the CONTRACTOR shall issue a Notice of Adverse Benefit Determination, citing Tenn. Comp. R. & Regs. ("Rule") 1200-13-16-.05(1)(c), and (5) (or other rule(s) as TENNCARE may direct), and the reason for the termination. The notice shall also state the covered medically necessary alternative, if any. The CONTRACTOR shall forward a copy of that notice to TENNCARE.

A.2.16 MARKETING

- 2.18.7.2 The CONTRACTOR shall provide one-on-one assistance to long-term care providers (including CHOICES and ECF CHOICES providers) as needed to help long-term care providers submit clean and accurate claims and minimize claim denial. The CONTRACTOR shall develop and implement protocols, prior approved by TENNCARE, that specify the CONTRACTOR's criteria for providing one-on-one assistance to a provider and the type of assistance the CONTRACTOR will provide. At a minimum, the CONTRACTOR shall contact a provider if, during the first year after implementation of CHOICES or ECF CHOICES in each Grand Region covered by this Contract, the CONTRACTOR has or will deny ten percent (10%) or more of the total value of the provider's claims for a rolling thirty (30) day period, and shall, in addition to issuing a remittance advice, contact the provider to review each of the error(s)/reason(s) for denial and advise how the provider can correct the error for resubmission (as applicable) and avoid the error/reason for denial in the future.
- 2.18.7.3 The CONTRACTOR shall implement policies to monitor and ensure compliance of providers with the requirements of this Contract.

2.18.7.4 The CONTRACTOR shall conduct an annual survey of providers, based on Tax Identification Number, who furnish physical health services, behavioral health services, nursing facility services, CHOICES HCBS, and/or ECF-CHOICES HCBS. All providers or a statistically representative sample of providers shall be surveyed. The CONTRACTOR shall include questions specified by TENNCARE to assess satisfaction with provider enrollment, provider communication, provider education, provider complaints, claims processing, claims reimbursement, utilization management processes, including medical reviews, and overall satisfaction with the CONTRACTOR. The CONTRACTOR shall submit the survey tool(s) for TENNCARE review at least thirty (30) days prior to use of the survey tool(s). The CONTRACTOR shall submit an annual report on the survey to TENNCARE as required in Section A.2.30.13.3. The CONTRACTOR shall take action to address opportunities for improvement identified through the survey and provide an update on actions taken in the previous year to improve provider satisfaction. The survey shall be structured so that results are separately reported for physical health providers; behavioral health providers; CHOICES (nursing facilities and HCBS) providers; and ECF-CHOICES HCBS providers.

A.2.18.8 Provider Complaint System

2.18.8.1 The CONTRACTOR shall establish and maintain a provider complaint system for any provider (contract or non-contract) who is not satisfied with the CONTRACTOR's policies and procedures or a decision made by the CONTRACTOR that does not impact the provision of services to members.

2.18.8.2 The procedures for resolution of any disputes regarding the payment of claims shall comply with TCA 56-32-126(b) (see Section A.2.22.5.2).

A.2.18.9 FEA Education and Training

The CONTRACTOR shall provide education and training to the FEA and its staff and subcontracted support brokers (as applicable) regarding key requirement in this Contract and the contract between the CONTRACTOR and the FEA (see Section A.2.9.7.3 of this Contract).

A.2.18.10 Member Involvement with Behavioral Health Services

2.18.10.1 The CONTRACTOR shall develop policies and procedures with respect to member, parent, or legally appointed representative involvement with behavioral health. These policies and procedures shall include, at a minimum, the following elements:

2.18.10.1.1 The requirement that all behavioral health treatment plans document member involvement. Fulfilling this requirement means that each treatment plan has a member/family member signature or the signature of a legally appointed representative on the treatment plan and upon each subsequent treatment plan review, where appropriate, and a description of how this requirement will be met;

2.18.10.1.2 The requirement that member education materials include statements regarding the member's, parent's, or legally appointed representative's right to involvement in behavioral health treatment decisions, their ability to choose and change service providers, and a description of how this requirement will be met;

2.18.10.1.3 The requirement that provider education include materials regarding the rights of members, parent(s), or legally appointed representatives to be involved in behavioral health treatment decisions and a description of how this requirement will be met; and

- 2.18.10.1.4 A description of the quality monitoring activities to be used to measure provider compliance with the requirement for member, parent, or legally appointed representative involvement in behavioral health treatment planning.
- 2.18.10.2 The CONTRACTOR shall provide an education plan for all members with behavioral health issues; education shall occur on a regular basis. At a minimum, educational materials shall include information on medications and their side effects; behavioral health disorders and treatment options; self-help groups, peer recovery services, family support services, and other community support services available for members and families.
- 2.18.10.3 The CONTRACTOR shall require providers to inform children and adolescents for whom residential treatment is being considered and their parent(s) or legally appointed representative, and adults for whom voluntary inpatient treatment is being considered, of all their options for residential and/or inpatient placement, and alternatives to residential and/or inpatient treatment and the benefits, risks and limitations of each in order that they can provide informed consent.
- 2.18.10.4 The CONTRACTOR shall require providers to inform all members being considered for prescription of psychotropic medications of the benefits, risks, and side effects of the medication, alternate medications, and other forms of treatment.

A.2.18.11 Beneficiary Support System

- 2.18.11.1 The CONTRACTOR shall, as required by TENNCARE, collaborate with TENNCARE’s beneficiary support system contractor for the purpose of addressing member grievances and appeals.
- 2.18.11.2 The CONTRACTOR shall, as requested by TENNCARE, train TENNCARE’s beneficiary support system contractor on the CONTRACTOR’s process for addressing member grievances and appeals.

A.2.19 GRIEVANCES AND APPEALS

A.2.19.1 General

As permitted under federal and state law, the State, at its sole discretion, may delegate back to the State any portion of this Section A.2.19 that the CONTRACTOR is obligated to perform. The CONTRACTOR understands that the Grievance and Appeal process requirements are always subject to change based on legal developments and on TENNCARE’s interpretation of its obligations under new or existing law. CMS has determined that the Reconsideration phase of TENNCARE’s existing State Fair Hearing (SFH)/Appeal process satisfies the requirement for a CONTRACTOR-level benefit appeal process. Accordingly, enrollees will not be required to exhaust an appeal with the CONTRACTOR before requesting a SFH/Appeal. In this section A.2.19, the terms “appeal” and “state fair hearing” are synonymous—each refers to the *TennCare* appeal process, and to enrollee requests to engage the *TennCare* state fair hearing process.

- 2.19.1.1 Grievance System. Although CONTRACTOR shall follow *TENNCARE*’s process for handling enrollee appeal requests, the CONTRACTOR shall have its own internal system for processing *grievances* filed with the CONTRACTOR. As distinguished from an “appeal”, a “grievance” includes a complaint or an expression of dissatisfaction about any matter other than an Adverse Benefit Determination. The

CONTRACTOR shall have a formally structured internal Grievance System in place for handling enrollee grievances in accordance with 42 CFR §438.402(a)-(b), and 42 CFR §438.228(a) and in accordance with the definition of “Grievance” found in section A.1. of this Contract.

- 2.19.1.2 TENNCARE Appeal System. TENNCARE, on written approval from CMS, has delegated back to itself certain aspects of the benefit appeal process set forth under 42 CFR 438 subpart F. Specifically, CONTRACTOR shall not have its own internal appeal system for enrollee benefit appeals. Enrollees will not exhaust an internal appeal process with CONTRACTOR before being permitted to request a TENNCARE appeal. Therefore, CONTRACTOR shall not operate its own internal appeal process. CONTRACTOR must fulfill its obligations as described in Contract Section A.2.19. CONTRACTOR shall not modify the appeal process except by written direction from TENNCARE. Accordingly, the provisions in 42 CFR § 438.402 that relate to a CONTRACTOR-level appeal system do not apply under this Contract. The enrollee will receive these protections through the Reconsideration phase of the TENNCARE appeal process. Any enrollee who seeks to contest an adverse benefit determination may do so by filing a request with TENNCARE for a TENNCARE appeal.
- 2.19.1.3 Reasonable Assistance with Grievances and Requests for Appeal. The CONTRACTOR must give enrollees any reasonable assistance in completing grievance and appeal forms and other procedural steps related to a grievance or appeal. This includes availability of enrollee support staff, auxiliary aids and services, such as interpreter services and toll-free numbers with adequate TTY/TDD and interpreter capability. See 42 C.F.R. §438.406(a); 42 C.F.R. §438.228(a).
- 2.19.1.4 Acknowledgment of Grievances and Requests for Appeal.
 - 2.19.1.4.1 Acknowledgment of Grievances. In accordance with 42 CFR §438.406(b) and 42 CFR §438.228(a), CONTRACTOR shall acknowledge receipt of an enrollee grievance.
 - 2.19.1.4.2 Acknowledgment of Requests for SFH/Appeal. In accordance with 42 CFR §438.406(b) and 42 CFR §438.228(a), the CONTRACTOR shall acknowledge receipt of an enrollee grievance. If an enrollee attempts to contest an Adverse Benefit Determination by filing an appeal/SFH request with the CONTRACTOR, the CONTRACTOR shall submit the SFH request to TENNCARE within one (1) business day for expedited SFH requests and within five (5) business days for standard SFH requests. TENNCARE will send the enrollee an acknowledgement letter and inform the enrollee that the matter will be treated as a request for a SFH..
- 2.19.1.5 Decision-Makers. The CONTRACTOR shall ensure that decision-makers on grievances, and decision-makers responsible for rendering a medical review of CONTRACTOR’s proposed adverse benefit determination during the Reconsideration stage of the appeal process, were not either:
 - 2.19.1.5.1 Involved in any previous level of review or decision-making relating to the grievance or benefit appeal, or
 - 2.19.1.5.2 Subordinates of any individual who was involved in a previous level of review or decision-making relating to the grievance or benefit appeal. See 42 C.F.R. §438.406(b)(2)(i); 42 C.F.R. §438.228(a).

- 2.19.1.6 Clinical Expertise of Decision-Maker. The CONTRACTOR shall require that decision-makers on grievances and decision-makers on any aspect of the appeal process (such as the Reconsideration decision) are individuals with appropriate clinical expertise, as determined by applicable law, in treating the enrollee's condition or disease if:
 - 2.19.1.6.1 The decision hinges on whether a benefit request meets medical necessity,
 - 2.19.1.6.2 The decision concerns whether to grant a request for expedited resolution of an appeal, or concerns a grievance about a previous denial of an expedited resolution request, or
 - 2.19.1.6.3 The decision hinges on the decision-maker's assessment of clinical issues. See 42 C.F.R. §438.406(b)(2)(ii)(A) – (C); 42 C.F.R. §438.228(a).
- 2.19.1.7 Information to be considered. The CONTRACTOR's decision-makers shall take into account all comments, documents, records, and other information submitted during the grievance, prior authorization, or appeal process without regard to whether such information was submitted or considered in the initial adverse benefit determination. See 42 C.F.R. §438.406(b)(2)(iii); 42 C.F.R. §438.228(a).

A.2.19.2 **Notice of Adverse Benefit Determination (NABD) Requirements**

- 2.19.2.1 NABD Content. The CONTRACTOR'S NABD shall explain, in plain language, the adverse benefit determination the CONTRACTOR has made or intends to make. See 42 C.F.R. §438.404(b)(1).
- 2.19.2.2 NABD Content. The CONTRACTOR'S NABD shall explain the reasons for the adverse benefit determination, and shall explain the enrollee's right to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other information relevant to the enrollee's adverse benefit determination. Such information includes medical necessity criteria, and any processes, strategies, or evidentiary standards used in setting coverage limits. See 42 C.F.R. §438.404(b)(2).
- 2.19.2.3 NABD Content. The CONTRACTOR'S NABD must explain the enrollee's right to appeal the CONTRACTOR's adverse benefit determination by filing a request for an appeal with TENNCARE. See 42 C.F.R. §438.404(b)(3); 42 C.F.R. 438.402(b)-(c).
- 2.19.2.4 NABD Content. The CONTRACTOR'S NABD shall explain the procedures necessary for requesting an appeal. See 42 C.F.R. §438.404(b)(4).
- 2.19.2.5 NABD Content: How to request expedited resolution. The CONTRACTOR'S NABD must explain the circumstances under which the appeal can be expedited and how to request expedited resolution. See 42 C.F.R. §438.404(b)(5).
- 2.19.2.6 NABD Content: Requests for Continuation of Benefits (COB). The CONTRACTOR'S NABD shall explain the enrollee's right to have benefits continue until the appeal is resolved and must explain the procedures necessary for exercising this right. Additionally, if permitted by TennCare policy, the NABD shall explain the circumstances under which the enrollee may be required to pay the costs of continued services. See 42 C.F.R. §438.404(b)(6).

2.19.2.7 NABD Templates. In order to ensure consistency and to lessen the risk of issuing a notice that fails to meet applicable requirements, the CONTRACTOR shall use TENNCARE-developed or TENNCARE-approved NABD templates. NABD templates shall be written in a format and language that, at a minimum, meets applicable notification standards set forth at 42 CFR §438.10 and the notice-content requirements prescribed by 42 CFR §438.404(b).

A.2.19.3 **Notice of Adverse Benefit Determination Timing**

2.19.3.1 When the CONTRACTOR's adverse benefit determination is a termination, suspension, or reduction of previously authorized covered service, the CONTRACTOR shall mail the NABD at least ten (10) days before the date of action. See 42 C.F.R. §438.404(c)(1); 42 C.F.R. §431.211.

2.19.3.2 The CONTRACTOR may mail the NABD as few as five (5) days prior to the date of action if TENNCARE has facts indicating that action should be taken because of probable fraud by the enrollee, and the facts have been verified, if possible, through secondary sources. See 42 C.F.R. §438.404(c)(1); 42 C.F.R. §431.214.

2.19.3.3 The CONTRACTOR shall mail the NABD by the date of the action when any of the following occur:

2.19.3.3.1 The enrollee has died,

2.19.3.3.2 The enrollee submits a signed written statement requesting service termination,

2.19.3.3.3 The enrollee submits a signed written statement including information that requires service termination or reduction and indicates an understanding that service termination or reduction will result,

2.19.3.3.4 The enrollee has been admitted to an institution where he or she is ineligible under the plan for further services,

2.19.3.3.5 The enrollee's address is determined unknown based on returned mail with no forwarding address,

2.19.3.3.6 The enrollee is accepted for Medicaid services by another state,

2.19.3.3.7 A change in the level of medical care is prescribed by the enrollee's physician,

2.19.3.3.8 The notice involves an adverse determination with regard to preadmission screening requirements of section 1919(e)(7) of the Social Security Act, or

2.19.3.3.9 The transfer or discharge from a facility shall occur in an expedited fashion. See 42 C.F.R. §438.404(c)(1); 42 C.F.R. §431.213; 42 C.F.R. §431.231(d); section 1919(e)(7) of the Act; 42 C.F.R. 483.12(a)(5)(i); 42 C.F.R. §483.12(a)(5)(ii).

2.19.3.4 The CONTRACTOR shall give NABD on the date of determination when the action is a denial of payment. See 42 C.F.R. §438.404(c)(2).

2.19.3.5 The CONTRACTOR shall give NABD as expeditiously as the enrollee's condition requires within fourteen (14) calendar days following receipt of the request for service, for standard authorization decisions that deny or limit services. See 42 C.F.R. §438.210(d)(1); 42 C.F.R. §438.404(c)(3).

- 2.19.3.6 The CONTRACTOR may extend the fourteen (14) calendar day NABD timeframe for standard authorization decisions that deny or limit services up to fourteen (14) additional calendar days if the enrollee or the provider requests extension. See 42 C.F.R. §438.404(c)(4); 42 C.F.R. §438.210(d)(1)(i).
- 2.19.3.7 The CONTRACTOR may extend the fourteen (14) calendar day NABD timeframe for standard authorization decisions that deny or limit services up to fourteen (14) additional calendar days if the CONTRACTOR justifies to TENNCARE a need for additional information and shows how the extension is in the enrollee's best interest. See 42 C.F.R. §438.210(d)(1)(ii); 42 C.F.R. §438.404(c)(4).
- 2.19.3.8 If the CONTRACTOR extends the fourteen (14) calendar day NABD timeframe for standard authorization decisions that deny or limit services, the CONTRACTOR shall give the extension and inform the enrollee of the right to file a grievance with CONTRACTOR if the enrollee disagrees with the decision. See 42 C.F.R. §438.210(d)(1)(ii); 42 C.F.R. §438.404(c)(4)(i).
- 2.19.3.9 If the CONTRACTOR extends the fourteen (14) calendar day NABD timeframe for standard authorization decisions that deny or limit services, the CONTRACTOR shall issue and carry out its determination as expeditiously as the enrollee's health condition requires and no later than the date the extension expires. See 42 C.F.R. §438.210(d)(1)(ii); 42 C.F.R. §438.404(c)(4)(ii).
- 2.19.3.10 If the CONTRACTOR determines that following the standard authorization timeframe could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or regain maximum function, the CONTRACTOR shall make an expedited service authorization decision and provide notice as expeditiously as the enrollee's health condition requires and no later than seventy-two (72) hours after receipt of the request for service. See 42 C.F.R. §438.210(d)(2)(i); 42 C.F.R. §438.404(c)(6).
- 2.19.3.11 The CONTRACTOR may extend the seventy-two (72) hour expedited service authorization decision time period by up to fourteen (14) calendar days if the enrollee requests an extension, or if the CONTRACTOR justifies to TENNCARE the need for additional information and how the extension is in the enrollee's interest. See 42 C.F.R. §438.210(d)(2)(ii); 42 C.F.R. §438.404(c)(6).

A.2.19.4 Who May File Appeals

- 2.19.4.1 Enrollees shall be instructed to file appeal requests with TENNCARE. If an enrollee attempts to contest an adverse benefit determination by filing an appeal request with CONTRACTOR (instead of with TENNCARE as instructed), CONTRACTOR shall, in accordance with 42 C.F.R. §438.406, assist the enrollee to ensure the prospective appeal is filed with TENNCARE. TENNCARE will send enrollee an acknowledgement letter and inform enrollee that the request has been received. See 42 C.F.R. §438.402(c)(1); 42 C.F.R. §438.406; and §438.408.
- 2.19.4.2 Enrollee-authorized representatives, acting on behalf of the enrollee and with the enrollee's written consent, may file appeal requests and may represent the enrollee during the appeal. The enrollee's treating provider may serve as an authorized representative, but may not request provision of continuation of benefits. See 42 C.F.R. §438.402(c)(1)(i) – (ii); 42 C.F.R. §438.408. See also definition of "Enrollee-Authorized Representative" herein at §A.1.

A.2.19.5 **Timeframes for Filing Requests for Appeal**

- 2.19.5.1 Enrollee must file an appeal request within sixty (60) calendar days from the date on the CONTRACTOR-issued NABD. It is TENNCARE's responsibility to determine whether or not the appeal request is timely. See 42 CFR 438.402(c)(2)(ii).

A.2.19.6 **Process for Filing a Standard or Expedited Request for Appeal**

- 2.19.6.1 Enrollee may file a request for appeal either orally or in writing. See 42 C.F.R. §438.402(c)(3)(ii).

- 2.19.6.2 ORR for Expedited Resolution Determination. When an enrollee files a request for expedited resolution of an appeal, TENNCARE will issue an On Request Report (ORR) to CONTRACTOR. The ORR requires CONTRACTOR to determine whether the request warrants expedited or standard resolution. If CONTRACTOR determines that the request warrants expedited resolution, within seventy-two (72) hours of the time that the expedited resolution request was filed, CONTRACTOR shall simultaneously supply TENNCARE with both its (1) resolution timeframe decision, and its (2) reconsideration determination. If CONTRACTOR determines that the appeal request warrants standard resolution, CONTRACTOR shall supply its resolution timeframe decision to TENNCARE within two (2) business days, and shall supply TENNCARE its reconsideration determination within the timeframe provided in Section A.2.19.6.2.1.

- 2.19.6.2.1 ORR for Reconsideration. If the enrollee's appeal request warrants expedited resolution, as provided in 2.19.6.2, the CONTRACTOR shall simultaneously supply TENNCARE with both its resolution timeframe decision and its reconsideration determination. If the CONTRACTOR determines that the appeal request warrants standard resolution, CONTRACTOR shall complete its Reconsideration review and submit its Reconsideration decision to TENNCARE, along with the other information requested in the ORR, within fourteen (14) days of the time that the appeal request was filed. If the CONTRACTOR denies a request for expedited resolution, the matter shall receive standard resolution. See 42 C.F.R. §438.410(c); 42 C.F.R. §438.408(b)(2); 42 C.F.R. §438.408(c)(2).

- 2.19.6.2.2 Test for whether Appeal warrants Standard or Expedited Resolution. A benefit under dispute warrants expedited resolution if the CONTRACTOR determines that taking the time for a standard resolution could seriously jeopardize the enrollee's life, physical or mental health, or ability to attain, maintain, or regain maximum function. Although the enrollee or his treating provider may request expedited resolution, the CONTRACTOR alone has the authority to determine whether an enrollee appeal receives expedited or standard resolution. See 42 C.F.R. §438.410(a); Final Rule, 81 Fed. Reg. 27,498, 27,519 (May 6, 2016) (to be codified at 42 C.F.R. pt. 438).

- 2.19.6.2.3 Information to be supplied in response to ORR for Reconsideration. CONTRACTOR's Reconsideration response shall contain all of the information used by CONTRACTOR in arriving at the adverse benefit determination. This includes the enrollee medical records and any other information considered, relied upon, or created in arriving at a Prior Authorization or Reconsideration decision. (TENNCARE will provide this information to enrollee when TENNCARE issues its Notice of Hearing to enrollee. See §2.19.6.4 below.) For example, CONTRACTOR's Reconsideration response must include the following:
- 2.19.6.2.3.1 Complete case file;
 - 2.19.6.2.3.2 Medical records and medical history pertaining to the benefit under dispute;
 - 2.19.6.2.3.3 NABD issued to enrollee by CONTRACTOR;
 - 2.19.6.2.3.4 Prior authorization decision issued to requesting provider by CONTRACTOR;
 - 2.19.6.2.3.5 Medical review substantiating the prior authorization decision; and
 - 2.19.6.2.3.6 CONTRACTOR's Reconsideration decision upholding or reversing original prior authorization determination, along with the attendant substantiating medical review. See 42 C.F.R. §438.406(b)(5).
- 2.19.6.3 Parties at the Appeal's State Fair Hearing. The parties to a State Fair Hearing are TENNCARE and the enrollee (including enrollee's authorized representative, or the legal representative of a deceased enrollee's estate). See 42 C.F.R. §438.406(b)(6).
- 2.19.6.4 TennCare Notice of Hearing. TENNCARE will provide enrollee a Notice of Hearing, which informs enrollee of the hearing procedure and which contains the enrollee case file and includes the information used by the CONTRACTOR in arriving at its adverse benefit determination. TENNCARE will issue the Notice of Hearing sufficiently in advance of the requisite resolution timeframe. See 42 C.F.R. §438.406(b)(4); 42 C.F.R. §438.408(b); 42 C.F.R. §438.408(c).
- 2.19.6.5 The CONTRACTOR shall ensure that punitive action is not taken against a provider who requests expedited resolution, or who supports an enrollee's request for appeal. See 42 C.F.R. §438.410(b).

A.2.19.7 Timeframes for Resolving Standard and Expedited Appeal Requests

- 2.19.7.1 Each appeal shall be resolved as expeditiously as the enrollee's health condition requires. Standard appeals shall be resolved within ninety (90) calendar days of receipt; Expedited appeals shall be resolved within three business days of TENNCARE's receipt of CONTRACTOR's Reconsideration response. CONTRACTOR's Reconsideration response must be received within 72 hours of enrollee's request for appeal. See 42 C.F.R. §438.408(a); 42 C.F.R. §438.408(b)(2)-(3); 42 C.F.R. §431.244(f)(2).
- 2.19.7.2 The CONTRACTOR may extend the resolution timeframe by up to fourteen (14) calendar days if either:
- 2.19.7.2.1 The enrollee requests the extension, or

- 2.19.7.2.2 Consistent with TennCare policy, the CONTRACTOR shows the need for additional information and shows that the delay is in the enrollee's interest. See 42 C.F.R. §438.408(c)(1); 42 C.F.R. §438.408(b)(2).
- 2.19.7.3 If the CONTRACTOR extends the resolution timeframe pursuant to A.2.19.7.2, CONTRACTOR shall, within two (2) calendar days, give enrollee written notice of the reason for the extension. (Reasonable effort should also be made to confer oral notice). This written notice shall inform enrollee of the right to file a grievance with CONTRACTOR if enrollee disagrees with the extension. See 42 C.F.R. §438.408(c)(2)(i)-(iii); 42 C.F.R. §438.408(b)(2).

A.2.19.8 Notice of Appeal Resolution

- 2.19.8.1 TENNCARE must provide enrollee with a written and dated notice of appeal resolution. The notice of appeal resolution must be in a format and language that meets 42 C.F.R. §438.10.
- 2.19.8.2 If the notice of resolution concerns an expedited appeal, in addition to the written notice supplied to enrollee by TENNCARE, the CONTRACTOR shall make reasonable effort to confer oral notice of the expedited appeal resolution, and shall document its efforts to do so. See 42 C.F.R. §438.408(d)(2)(ii).

A.2.19.9 Continuation of Benefits

- 2.19.9.1 The CONTRACTOR shall not accept a continuation of benefits request from a provider, since providers are prohibited from requesting continuation of benefits pursuant to 42 C.F.R. §438.402(c)(1)(ii) and §438.420(b)(5). The CONTRACTOR shall continue the enrollee's benefits while an appeal is in process if all of the following occur:
- 2.19.9.1.1 The enrollee files the request for an appeal within sixty (60) calendar days following the date on the NABD.
- 2.19.9.1.2 The appeal involves the termination, suspension, or reduction of a previously authorized Medicaid service.
- 2.19.9.1.3 The enrollee's services were ordered by an authorized provider.
- 2.19.9.1.4 The period covered by the original authorization has not expired.
- 2.19.9.1.5 Enrollee files the request for continuation of benefits within ten (10) calendar days of the date on the NABD, or if enrollee files the request before the intended effective date of the proposed adverse benefit determination. See; 42 C.F.R. §438.420(b)(1)-(5); 42 C.F.R. §438.402(c)(2)(ii).
- 2.19.9.2 If, at the enrollee's request, the CONTRACTOR continues or reinstates the enrollee's benefits while the appeal is pending, the benefits shall be continued until one of the following occurs:
- 2.19.9.2.1 The enrollee withdraws the appeal; or
- 2.19.9.2.2 An appeal decision adverse to the enrollee is issued. See 42 C.F.R. §438.420(c)(1)-(3); 42 C.F.R. §438.408(d)(2).

- 2.19.9.3 The CONTRACTOR shall authorize or provide the disputed services promptly, and as expeditiously as the enrollee's health condition requires (but no later than seventy-two (72) hours from the date it receives notice reversing the determination). See 42 C.F.R. §438.424(a). A.2.22.1 General

To the extent that the CONTRACTOR compensates providers on a fee-for-service or other basis requiring the submission of claims as a condition of payment, the CONTRACTOR shall process, as described herein, the provider's claims for covered benefits provided to members consistent with applicable CONTRACTOR policies and procedures and the terms of this Contract including but not limited to timely filing, compliance with all applicable state and federal laws, rules and regulations, including the development, staff and provider education and training, and implementation of all state and federal standardization initiatives (e.g., 5010, ICD 10, etc.) within the designated guidelines and timeframes specified by TENNCARE and/or CMS. A.2.22.2 Claims Management System Capabilities

- 2.22.2.1 The CONTRACTOR shall maintain a claims management system that can uniquely identify the provider of the service (ensuring all billing information related to tax-reporting business entities and information related to individuals who provide services are properly reported on claims), date of receipt (the date the CONTRACTOR receives the claim as indicated by a date-stamp), real-time-accurate history of actions taken on each provider claim (i.e., paid, denied, suspended, appealed, etc.), date of payment (the date of the check or other form of payment) and all data elements as required by TENNCARE for encounter data submission (see Section A.2.23), and can track and report service use against benefit limits in accordance with a methodology set by TENNCARE. In addition, the CONTRACTOR's claims management system shall support the requirements set out in Section A.2.23.4.1 of this Contract.
- 2.22.2.2 The CONTRACTOR shall have in place, an electronic claims management (ECM) capability that can handle online submission of individual claims by long-term care providers as well as accept and process batches of claims submitted electronically with the exception of claims that require written documentation to justify payment (e.g., hysterectomy/sterilization consent forms, certification for medical necessity for abortion, necessary operative reports, etc.). The online claims submission capability for long-term care providers shall be accessible via the World Wide Web or through an alternate, functionally equivalent medium.
- 2.22.2.3 The ECM capability shall function in accordance with information exchange and data management requirements specified in Section A.2.23 of this Contract.
- 2.22.2.4 As part of the ECM function, the CONTRACTOR shall also provide on-line and phone-based capabilities to obtain claims processing status information.

- 2.22.2.5 The CONTRACTOR shall support an automated clearinghouse (ACH) mechanism that allows providers to request and receive electronic funds transfer (EFT) of claims payments.
- 2.22.2.6 For any entities to which the CONTRACTOR makes payment via electronic transfers, the CONTRACTOR shall have a signed EFT form that shall have 42 CFR 455.18 and 455.19 statements immediately preceding the “Signature” section.
- 2.22.2.7 The CONTRACTOR shall not derive financial gain from a provider’s use of electronic claims filing functionality and/or services offered by the CONTRACTOR or a third party. However, this provision shall not be construed to imply that providers may not be responsible for payment of applicable transaction fees/charges.

A.2.22.3 Paper Based Claims Formats

- 2.22.3.1 The CONTRACTOR shall comply at all times with standardized paper billing forms/formats (and all future updates) as follows:

- 2.22.3.3 For the forms identified in Section A.2.22.3.1, the CONTRACTOR shall adhere to national standards and standardized instructions and definitions that are consistent with industry norms that are developed jointly with TENNCARE. These shall include, but not be limited to, HIPAA-based standards, federally required safeguard requirements including signature requirements described in Section 112821.1 of the CMS State Medicaid Manual and 42 CFR 455.18 and 455.19, as well as TDCI rules for Uniform Claims Process for TennCare in accordance with TCA 71-5-191.
- 2.22.3.4 The CONTRACTOR agrees that at such time that TENNCARE in conjunction with appropriate work groups presents recommendations concerning claims billing and processing that are consistent with industry norms, the CONTRACTOR shall comply with said recommendations within ninety (90) calendar days from notice by TENNCARE.

A.2.22.4 Prompt Payment

- 2.22.4.1 The CONTRACTOR shall comply with prompt pay claims processing requirements in accordance with TCA 56-32-126.
- 2.22.4.2 The CONTRACTOR shall ensure that ninety percent (90%) of clean claims for payment for services delivered to a TennCare enrollee are paid within thirty (30) calendar days of the receipt of such claims.
- 2.22.4.3 The CONTRACTOR shall process, and if appropriate pay, within sixty (60) calendar days ninety-nine point five percent (99.5%) of all claims for covered services delivered to a TennCare enrollee. The terms “processed and paid” are synonymous with terms “process and pay” of TCA 56-32-126(b)(1)(A) and (B).

- 2.22.4.4 Notwithstanding Sections A.2.22.4.1 through A.2.22.4.3, the CONTRACTOR shall comply with the following processing requirements for nursing facility claims and for CHOICES HCBS and ECF CHOICES HCBS claims for services submitted electronically in a HIPAA-compliant format:

 - 2.22.4.7 If a claim is partially or totally denied on the basis the provider did not submit any required information or documentation with the claim, then the remittance advice or other appropriate written or electronic notice shall specifically identify all such information and documentation. Resubmission of a claim with further information and/or documentation shall constitute a new claim for purposes of establishing the time frame for claims processing.
 - 2.22.4.8 To the extent that the provider agreement requires compensation of a provider on a monthly fixed fee basis or on any other basis that does not require the submission of a claim as a condition to payment, such payment shall be made to the provider by no later than (i) the time period specified in the provider agreement/contract between the provider and the CONTRACTOR or subcontractor, or if a time period is not specified in the contract (ii) the tenth (10th) day of the calendar month if the payment is to be made by a subcontractor, or (iii) if the CONTRACTOR is required to compensate the provider directly, within five (5) calendar days after receipt of the capitated payment and supporting remittance advice information from TENNCARE.
 - 2.22.4.9 The CONTRACTOR shall not deny provider claims on the basis of untimely filing in situations regarding coordination of benefits or subrogation, in which case the provider is pursuing payment from a third party or if an enrollee is enrolled in the CONTRACTOR's MCO with a retroactive eligibility date. In situations of third party benefits, the time frames for filing a claim shall begin on the date that the third party documented resolution of the claim. In situations of enrollment in the CONTRACTOR's MCO with a retroactive eligibility date, the time frames for filing a claim shall begin on the date that the CONTRACTOR receives notification from TENNCARE of the enrollee's eligibility/enrollment.

- 2.22.4.10 As it relates to MCO Assignment Unknown (see Sections A.2.13.12 and A.2.13.13), the CONTRACTOR shall not deny a claim on the basis of the provider's failure to file a claim within a specified time period after the date of service when the provider could not have reasonably known which MCO the member was in during the timely filing period. However, in such cases the CONTRACTOR may impose timely filing requirements beginning on the date of notification of the individual's enrollment.
- 2.22.4.11 For purposes of timely filing (see Section A.2.12.9.28):
- 2.22.4.11.1 For institutional claims that include span dates of service (i.e., a 'From' and 'Through' date on the claim), the 'Through' date on the claim shall be used for determining the date of service for claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service or "Through" date on a span bill, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.2 For claims submitted by physicians and other suppliers that include span dates of service, the line item 'From' date shall be used for determining the date of service for claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service or "Through" date on a span bill, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.3 For claims submitted by physicians and other suppliers that do not include span dates of service, the date of service shall be used for determining claims filing timeliness. The CONTRACTOR shall provide a minimum of sixty (60) days from the date of initial notice of an invalid and/or insufficient claim or one hundred twenty (120) days from the date of service, whichever is later, for submission of a valid, complete claim.
- 2.22.4.11.4 Except for 1) recovery of overpayments as required pursuant to Section 6402 of the Affordable Care Act and TENNCARE policy; and 2) retrospective adjustments of a nursing facility's per diem rate(s) (see Section A.2.13.3.4), paid claims requiring correction or resubmission must be submitted as adjustments to the paid claim within 120 days of the date of payment notification. Corrections to a claim should only be submitted if the original claim information was wrong or incomplete.
- 2.22.4.11.5 The provider has the right to file a dispute if he or she disagrees with a claim decision regarding the denial or compensation of a claim in accordance with Section (A.2.12.9)
- 2.22.4.11.6 The CONTRACTOR shall specify in its provider manual a period of time that is consistent with the requirements of Section A.2.22.4.
- 2.22.4.12 The CONTRACTOR shall not require, as a condition to reimbursement, a Medicare Explanation of Benefits for nursing facility claims, nor shall the CONTRACTOR delay such reimbursement on the basis that third party liability must be captured and paid. However, the CONTRACTOR shall seek any applicable third party liability that is applicable and recover those amounts.

A.2.22.5 Claims Dispute Management

- 2.22.5.1 The CONTRACTOR shall have an internal claims dispute procedure that will be reviewed and approved in writing by TENNCARE prior to its implementation.
- 2.22.5.2 The CONTRACTOR shall contract with independent reviewers to review disputed claims as provided by TCA 56-32-126.
- 2.22.5.3 The CONTRACTOR shall systematically capture the status and resolution of all claim disputes, as well as all associated documentation.

The CONTRACTOR shall submit to TENNCARE on a quarterly basis, a report, in the manner and format prescribed by TENNCARE, of all long-term care contractors for whom the number or dollar value of denied claims for long-term care services exceeded ten percent (10%) during the first year following implementation of CHOICES or ECF CHOICES or thereafter twenty percent (20%) of the total number or dollar value of claims for long-term care services submitted by the provider during any month.
- 2.22.5.5 The CONTRACTOR shall also monitor, on an at least a monthly basis, the number, dollar value and percentage of each long-term care provider's rejected claims for long-term care services (NF and CHOICES HCBS and ECF CHOICES HCBS), including the cause of such claims rejection. The CONTRACTOR shall take immediate action to resolve issues that are the responsibility of the CONTRACTOR and are preventing the submission of clean claims for the identified provider and for all other providers who may be affected by the same issue(s). This shall include, but is not limited to issues with service authorizations. The CONTRACTOR shall initiate training and technical assistance as needed to any long-term care provider whose rejected claims for long-term care services are a result of provider error.

A minimum sample of one hundred and sixty (160) claims randomly selected from the entire population of

electronic and paper claims processed or paid upon initial submission for the month tested is required. Additionally, each monthly sample of one hundred and sixty (160) claims shall contain a minimum of thirty (30) claims associated with nursing facility services provided to CHOICES members, thirty (30) claims associated with CHOICES HCBS provided to CHOICES members, and thirty (30) claims associated with ECF CHOICES HCBS provided to ECF CHOICES members.

- 2.22.6.7 The CONTRACTOR shall also conduct analysis of its results to determine whether the underlying cause(s) of any claims processed or paid in error has also impacted other claims for the affected provider or for other providers and shall take immediate action to implement resolution across affected providers.

A.2.22.7 Monthly Focused Claims Testing

- 2.22.7.1 In addition to the claims payment accuracy testing procedures described in Section A.2.22.6, the CONTRACTOR shall perform a monthly self test on the accuracy of claims processing based on claims judgmentally selected by TDCI. The maximum number of claims selected by TDCI each month will not exceed twenty-five (25), unless TDCI, at its discretion, determines a larger sample is warranted based on the results of the accuracy tests. The results reported by the CONTRACTOR are not intended to represent the percentage of compliance or non-compliance for the total population of claims processed by the CONTRACTOR or subcontractors.
- 2.22.7.2 The monthly focused claims testing procedures include:
 - 2.22.7.2.1 The CONTRACTOR shall complete the attribute sheets provided by TDCI for each claim to be tested within thirty (30) calendar days of receipt from TDCI.
 - 2.22.7.2.2 The CONTRACTOR shall submit a plan of correction as requested by TDCI.
- 2.22.7.3 The CONTRACTOR shall also conduct analysis of the TDCI focused claims testing results to determine whether the underlying cause(s) of any claims processed or paid in error has also impacted other claims for the affected provider or for other providers and shall take immediate action to implement resolution across affected providers.

A.2.22.8 Claims Processing Methodology Requirements

- 2.22.8.1 The CONTRACTOR shall perform front end system edits, including but not limited to:

 - 2.22.8.1.2 Third party liability (TPL);
 - 2.22.8.1.3 Medical necessity (e.g., appropriate age/sex for procedure);

- 2.22.8.1.4 Prior approval: the system shall determine whether a covered service required prior approval and, if so, whether the CONTRACTOR granted such approval;
- 2.22.8.1.5 Duplicate claims: the system shall in an automated manner flag a claim as being (1) exactly the same as a previously submitted claim or (2) a possible duplicate and either deny or pend the claim as needed;
- 2.22.8.1.6 Covered service: the system shall verify that a service is a covered service and is eligible for payment;
- 2.22.8.1.7 Provider validation: the system shall approve for payment only those claims received from providers eligible to render services for which the claim was submitted, including requirements related to public health nurses as described in Section A.2.13.7.2;
- 2.22.8.1.8 Benefit limits: the system shall ensure that benefit limit rules set by TENNCARE are factored into the determination of whether a claim should be adjudicated and paid and whether CHOICES or ECF CHOICES HCBS that exceed a benefit limit were approved as a cost effective alternative; and
- 2.22.8.1.9 HIPAA compliancy validation prior to entering the claims adjudication system.
- 2.22.8.2 The CONTRACTOR shall perform system edits for valid dates of service: the system shall assure that dates of service are valid dates, e.g., date of discharge is later than date of admission; admission or discharge dates are not in the future or outside of a member's TennCare eligibility span.
- 2.22.8.3 Identify improper payments made to invalid, missing, and/or mismatched NPIs, and/or TINs/EINs.
- 2.22.8.4 The CONTRACTOR shall ensure that the cost neutrality cap or expenditure cap applicable to a particular CHOICES HCBS or ECF CHOICES member is not exceeded.

The EOBs shall be examined for correctness based on how the associated claim was processed and for adherence to the requirements outlined in Section A.2.22.8. The CONTRACTOR shall ensure that the examined EOBs constitute a representative sample of EOBs from all types of services and provider types. To the extent that the CONTRACTOR and/or TENNCARE considers a particular type of service or provider to warrant closer scrutiny, the CONTRACTOR shall over sample as needed.
- 2.22.9.5 Based on the EOBs sent to TennCare enrollees, the CONTRACTOR shall track any complaints received from enrollees and resolve the complaints according to its established policies and procedures. The resolution may be enrollee education, provider education, or referral to TBI/OIG. The CONTRACTOR shall use the feedback received to modify or enhance the EOB sampling methodology.

- 2.22.10.2 The status report shall contain appropriate explanatory remarks related to payment or denial of the claim, including but not limited to TPL data.
- 2.22.10.3 If a claim is partially or totally denied on the basis the provider did not submit any required information or documentation with the claim, then the remittance advice shall specifically identify all such information and documentation.
- 2.22.10.4 In accordance with 42 CFR 455.18 and 455.19, the following statement shall be included on each remittance advice sent to providers: “I understand that payment and satisfaction of this claim will be from federal and state funds, and that any false claims, statements, documents, or concealment of a material fact, may be prosecuted under applicable federal and/or state laws.”

A.2.22.11 Processing of Payment Errors

All information, whether data or documents, and reports that contain or make references to said information, involving or arising out of this Contract is owned by TENNCARE. The CONTRACTOR is expressly prohibited from sharing or publishing TENNCARE information and reports without the prior written consent of TENNCARE.

A.2.23.3 System and Data Integration Requirements

2.23.3.1 Adherence to Standards for Data Exchange

2.23.3.1.1 The CONTRACTOR's Systems shall be able to transmit, receive and process data in HIPAA-compliant or TENNCARE-specific formats and methods, including but not limited to secure File Transfer Protocol (FTP) over a secure connection such as a VPN, that are in use at the start of Systems readiness review activities. These formats are detailed in the HIPAA Implementation and TennCare Companion guides.

2.23.3.1.2 The CONTRACTOR's Systems shall conform to future federal and/or TENNCARE specific standards for data exchange within one-hundred twenty (120) calendar days of the standard's effective date or, if earlier, the date stipulated by CMS or TENNCARE. The CONTRACTOR shall partner with TENNCARE in the management of current and future data exchange formats and methods and in the development and implementation planning of future data exchange methods not specific to HIPAA or other federal effort. Furthermore, the CONTRACTOR shall conform to these standards as stipulated in the plan to implement such standards.

2.23.3.2 HIPAA Compliance Checker

All HIPAA-conforming exchanges of data between TENNCARE and the CONTRACTOR shall be subjected to the highest level of compliance as measured using an industry-standard HIPAA compliance checker application.

2.23.3.3 TENNCARE/State Website/Portal Integration

Where deemed that the CONTRACTOR's Web presence will be incorporated to any degree to TENNCARE's or the state's web presence/portal, the CONTRACTOR shall conform to the applicable TENNCARE or state standards for website structure, coding and presentation.

2.23.3.6 Address Standardization

The CONTRACTOR's System(s) shall possess mailing address standardization functionality in accordance with US Postal Service conventions.

A.2.23.4 **Encounter Data Provision Requirements (Encounter Submission and Processing)**

2.23.4.1 General Encounter Data Standards

2.23.4.1.1 The CONTRACTOR's claims management system shall contain the following capabilities for the purpose of encounter data submissions:

2.23.4.1.1.1 Collection and maintenance of sufficient enrollee encounter data to identify the provider who delivers any item(s) or service(s) to enrollees.

2.23.4.1.1.2 Submission of enrollee encounter data to TENNCARE at a frequency and level of detail to be specified by CMS and TENNCARE, based on program administration, oversight, and program integrity needs.

2.23.4.1.1.3 Submission of all enrollee encounter data that TENNCARE is required to report to CMS.

2.23.4.1.1.4 Specifications for submitting encounter data to TENNCARE in standardized Accredited Standards Committee (ASC) X12N 837 and National Council for Prescription Drug Programs (NCPDP) formats, and the ASC X12N 835 format as appropriate.

2.23.4.3 Quality of Submission

2.23.4.3.1 The CONTRACTOR shall submit encounter data that meets established TENNCARE data quality standards. These standards are defined by TENNCARE to ensure receipt of complete and accurate data for program administration and will be closely monitored and strictly enforced. TENNCARE will revise and amend these standards as necessary to ensure continuous quality improvement. The CONTRACTOR shall make changes or corrections to any systems, processes or data transmission formats as needed to comply with TENNCARE data quality standards as originally defined or subsequently amended. The CONTRACTOR shall comply with industry-accepted clean claim standards for all encounter data, including submission of complete and accurate data for all fields required on standard billing forms or electronic claim formats to support proper adjudication of a claim. In the event that the CONTRACTOR denies provider claims for reimbursement due to lack of sufficient or accurate data required for proper adjudication, the CONTRACTOR shall submit all available claim data to TENNCARE without alteration or omission. Where the CONTRACTOR has entered into capitated reimbursement arrangements with providers, the CONTRACTOR shall require submission of all utilization or encounter data to the same standards of completeness and accuracy as required for proper adjudication of fee-for-service claims (see Section A.2.12.9.34); the CONTRACTOR shall require this submission from providers as a condition of the

capitation payment and shall make every effort to enforce this contract provision to ensure timely receipt of complete and accurate data. The CONTRACTOR shall be required to submit all data relevant to the adjudication and payment of claims in sufficient detail, as defined by TENNCARE, in order to support comprehensive financial reporting and utilization analysis. The CONTRACTOR shall submit encounter data according to standards and formats as defined by TENNCARE, complying with standard code sets and maintaining integrity with all reference data sources including provider and member data. All encounter data submissions will be subjected to systematic data quality edits and audits on submission to verify not only the data content but also the accuracy of claims processing. Any batch submission which contains fatal errors that prevent processing or that does not satisfy defined threshold error rates will be rejected and returned to the CONTRACTOR for immediate correction. Re-submittals of rejected files, or notification of when the file will be resubmitted shall be completed within one (1) business day. Due to the need for timely data and to maintain integrity of processing sequence, should the CONTRACTOR fail to respond in accordance with this Section, the CONTRACTOR shall address any issues that prevent processing of an encounter batch in accordance with procedures specified in Section A.2.23.13.

2.23.4.3.2 TENNCARE will reject an entire file or an individual encounter failing certain edits, as deemed appropriate and necessary by TENNCARE to ensure accurate processing or encounter data quality, and will return these transactions to the CONTRACTOR for research and resolution. TENNCARE will require expeditious action on the part of the CONTRACTOR to resolve errors or problems associated with said claims or the adjudication thereof, including any necessary changes or corrections to any systems, processes or data transmission formats. The CONTRACTOR shall, unless otherwise directed by TENNCARE, address entire file rejects within two (2) business days of TENNCARE's rejection and individual encounter rejects within forty-five (45) calendar days of TENNCARE's rejection. Such errors will be considered acceptably addressed when the CONTRACTOR has either confirmed and corrected the reported issue or disputed the reported issue with supporting information or documentation that substantiates the dispute. TennCare may require resubmission of the transaction with reference to the original in order to document resolution. Failure to promptly research and address reported errors, including submission of and compliance with an acceptable corrective action plan as required may result in damages and sanctions as described in Section A.2.23.13.

2.23.4.4 Provision of Encounter Data

2.23.4.4.1 Within two (2) business days of the end of a payment cycle the CONTRACTOR shall generate encounter data files for that payment cycle from its claims management system(s) and/or other sources. If the CONTRACTOR has more than one (1) payment cycle within the same calendar week, the encounter data files may be merged and submitted within two (2) business days of the end of the last payment cycle during the calendar week.

2.23.4.4.2 Any encounter data from a subcontractor shall be included in the file from the CONTRACTOR. The CONTRACTOR shall not submit separate encounter files from subcontractors.

2.23.4.4.3 The files shall contain settled claims and claim adjustments, including but not limited to adjustments necessitated by payment errors, processed during that payment cycle, as well as encounters processed during that payment cycle from providers with whom the CONTRACTOR has a capitation arrangement.

- 2.23.4.4.4 The level of detail associated with encounters from providers with whom the CONTRACTOR has a capitation arrangement shall be equivalent to the level of detail associated with encounters for which the CONTRACTOR received and settled a fee-for-service claim.
- 2.23.4.4.5 The CONTRACTOR shall adhere to federal and/or TENNCARE payment rules in the definition and treatment of certain data elements, e.g., units of service, that are standard fields in the encounter data submissions and will be treated similarly by TENNCARE across all MCOs.
- 2.23.4.4.6 The CONTRACTOR shall provide encounter data files electronically to TENNCARE in adherence to the procedure and format indicated in the HIPAA Implementation and TennCare Companion guides.
- 2.23.4.4.7 The CONTRACTOR shall institute processes to insure the validity and completeness of the data it submits to TENNCARE. At its discretion, TENNCARE will conduct general data validity and completeness audits using industry-accepted statistical sampling methods. Data elements that will be audited include but are not limited to: member ID, date of service, provider ID (including NPI number and Medicaid I.D. Number), category and sub category (if applicable) of service, diagnosis codes, procedure codes and modifiers, revenue codes, adherence to hard benefit limits, date of claim processing, and date of claim payment. Control totals shall also be reviewed and verified. Additionally, the CONTRACTOR shall reconcile all encounter data submitted to the State to control totals and to the CONTRACTOR's Medical Loss Ratio reports and supply the reconciliation to TENNCARE with each of the Medical Loss Ratio report submissions as specified in Section A.2.30.16.2.1 (see Section A.2.30.18.3).
- 2.23.4.4.8 Encounter records shall be submitted such that payment for discrete services which may have been submitted in a single claim can be ascertained in accordance with the CONTRACTOR's applicable reimbursement methodology for that service.
- 2.23.4.4.9 The CONTRACTOR shall be able to receive, maintain and utilize data extracts from TENNCARE and its contractors, e.g., pharmacy data from TENNCARE or its PBM.
- 2.23.4.4.10 The CONTRACTOR shall not implement imitations of TENNCARE's Custom SNIP 7 Encounter Edits Listing or likewise use the TennCare Edifecs Ramp Manager tool for the purpose of preventing submission of post adjudicated encounter production data to TENNCARE. It is permissible for the CONTRACTOR to implement imitations of TENNCARE's Custom SNIP 7 Encounter Edits Listing prior to claim adjudication.

A.2.23.5 Eligibility and Enrollment Data Exchange Requirements

- 2.23.5.1 The CONTRACTOR shall receive, process and update outbound 834 enrollment files sent daily by TENNCARE.
- 2.23.5.2 The CONTRACTOR shall systematically update its eligibility/enrollment databases within twenty-four (24) hours of receipt of said files. Any outbound 834 transactions which fail to update/load systematically must be manually updated within twenty-four (24) hours of receipt. The CONTRACTOR shall report to TENNCARE, in a form and format to be provided by TENNCARE, outbound 834 transactions that are not processed within these time frames and include information regarding when the

transactions were completed. Any transactions that are not updated/loaded within twenty-four (24) hours of receipt from TENNCARE and/or persistent issues with high volumes of transitions that require manual upload may require the CONTRACTOR to initiate a Corrective Action Plan for resolution of the issues preventing compliance. If the CONTRACTOR has reason to believe they may not meet this requirement based on unusual circumstances, the CONTRACTOR must notify TENNCARE and TENNCARE may make an exception without requiring a Corrective Action Plan.

- 2.23.5.3 The CONTRACTOR shall submit daily, inbound 834 enrollment files to TENNCARE.
- 2.23.5.4 The CONTRACTOR shall report address changes, other TPL resource and PCP assignments for their members in the daily 834 inbound files within twenty-four (24) hours or within the next 834 inbound file submission to TENNCARE. If the CONTRACTOR has reason to believe they may not meet this requirement based on unusual circumstances, the CONTRACTOR must notify TENNCARE and TENNCARE may make an exception without requiring a Corrective Action Plan.
- 2.23.5.5 The CONTRACTOR shall transmit daily to TENNCARE, in the formats and methods specified in the HIPAA Implementation and TennCare Companion guides or as otherwise specified by TENNCARE: member address changes, telephone number changes, third party liability and PCP.
- 2.23.5.6 The CONTRACTOR shall be capable of uniquely identifying a distinct TennCare member across multiple populations and Systems within its span of control.
- 2.23.5.7 The CONTRACTOR shall be able to identify potential duplicate records for a single member and, upon confirmation of said duplicate record by TENNCARE, and resolve the duplication such that the enrollment, service utilization, and customer interaction histories of the duplicate records are linked or merged.

A.2.23.6 System and Information Security and Access Management Requirements

- 2.23.6.1 The CONTRACTOR's Systems shall employ an access management function that restricts access to varying hierarchical levels of system functionality and information. The access management function shall:
 - 2.23.6.1.1 Restrict access to information on a "least privilege" basis, e.g., users permitted inquiry privileges only will not be permitted to modify information;
 - 2.23.6.1.2 Restrict access to specific system functions and information based on an individual user profile, including inquiry only capabilities; global access to all functions shall be restricted to specified staff jointly agreed to by TENNCARE and the CONTRACTOR; and
 - 2.23.6.1.3 Restrict unsuccessful attempts to access system functions to three (3), with a system function that automatically prevents further access attempts and records these occurrences.
- 2.23.6.2 The CONTRACTOR shall make System information available to duly authorized representatives of TENNCARE and other state and federal agencies to evaluate, through inspections or other means, the quality, appropriateness and timeliness of services performed.

- 2.23.6.3 The CONTRACTOR's Systems shall contain controls to maintain information integrity. These controls shall be in place at all appropriate points of processing. The controls shall be tested in periodic and spot audits following a methodology to be developed jointly by and mutually agreed upon by the CONTRACTOR and TENNCARE.
- 2.23.6.4 Audit trails shall be incorporated into all Systems to allow information on source data files and documents to be traced through the processing stages to the point where the information is finally recorded. The audit trails shall:
 - 2.23.6.4.1 Contain a unique log-on or terminal ID, the date, and time of any create/modify/delete action and, if applicable, the ID of the system job that effected the action;
 - 2.23.6.4.2 Have the date and identification "stamp" displayed on any on-line inquiry;
 - 2.23.6.4.3 Have the ability to trace data from the final place of recording back to its source data file and/or document;
 - 2.23.6.4.4 Be supported by listings, transaction reports, update reports, transaction logs, or error logs;
 - 2.23.6.4.5 Facilitate auditing of individual records as well as batch audits; and
 - 2.23.6.4.6 Be maintained online for no less than two (2) years; additional history shall be retained for no less than ten (10) years and shall be retrievable within 48 hours.
- 2.23.6.5 The CONTRACTOR's Systems shall have inherent functionality that prevents the alteration of finalized records.
- 2.23.6.6 The CONTRACTOR shall provide for the physical safeguarding of its data processing facilities and the systems and information housed therein. The CONTRACTOR shall provide TENNCARE with access to data facilities upon request. The physical security provisions shall be in effect for the life of this Contract.
- 2.23.6.7 The CONTRACTOR shall restrict perimeter access to equipment sites, processing areas, and storage areas through a card key or other comparable system, as well as provide accountability control to record access attempts, including attempts of unauthorized access.
- 2.23.6.8 The CONTRACTOR shall include physical security features designed to safeguard processor site(s) through required provision of fire retardant capabilities, as well as smoke and electrical alarms, monitored by security personnel.
- 2.23.6.9 The CONTRACTOR shall put in place procedures, measures and technical security to prohibit unauthorized access to the regions of the data communications network inside of a CONTRACTOR's span of control. This includes but is not limited to: no provider or member service applications shall be directly accessible over the Internet and shall be appropriately isolated to ensure appropriate access.
- 2.23.6.10 The CONTRACTOR shall ensure that remote access users of its Systems can only access said Systems through two-factor user authentication and via methods such as

Virtual Private Network (VPN), which must be prior approved in writing by TENNCARE.

- 2.23.6.11 The CONTRACTOR shall comply with recognized industry standards governing security of state and federal automated data processing systems and information processing. At a minimum, the CONTRACTOR shall conduct a security risk assessment and communicate the results in an information security plan provided prior to the start date of operations. The risk assessment shall also be made available to appropriate federal agencies.

Should the CONTRACTOR have a subcontract arrangement for utilization management activities, the CONTRACTOR shall ensure, consistent with 42 CFR 438.210(e) that compensation to individuals or entities that conduct utilization management activities is not structured so as to provide incentives for the individual or entity to deny, limit, or discontinue medically necessary services to any enrollee, as provided by the Balanced Budget Act of 1997 and the provisions of 42 CFR 438.210(e).

A.2.26.16 Notice of Subcontractor Termination

- 2.26.16.1 When a subcontract that relates to the provision of services to enrollees or claims processing services is being terminated, the CONTRACTOR shall give at least thirty (30) calendar days prior written notice of the termination to TENNCARE and TDCI.

- B.1 This Contract shall be effective for the period beginning January 1, 2014, and ending on December 31, 2020. The Middle Tennessee region is scheduled to have implementation of services effective January 1, 2015. Implementation dates for West and East Tennessee will be determined by the State and shared with the contractors within one month of announcement of the winning proposers. In no case will these implementation dates be earlier than January 1, 2015 or later than January 1, 2016.
- B.2 Term Extension. The State reserves the right to extend this Contract for an additional period or periods of time representing increments of no more than one year and a total contract term of no more than eight (8) years, provided that such an extension of the contract term is effected prior to the current, contract expiration date by means of a contract amendment. If a term extension necessitates additional funding beyond that which was included in the original Contract, an increase of the State's maximum liability will also be effected through contract amendment, and shall be based upon payment rates provided in the original Contract.

SECTION C PAYMENT TERMS AND CONDITIONS:

C.1 MAXIMUM LIABILITY

C.1.1 In no event shall the maximum liability of the State under this Contract exceed Three Billion Seven Hundred Seventy-Five Million Three Hundred Thirty-One Thousand Eight Hundred Dollars (\$3,775,331,800.00). The payment methodology in section C.3 shall constitute the entire compensation due the CONTRACTOR for all service and CONTRACTOR obligations hereunder regardless of the difficulty, materials or equipment required. The payment method or rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs incurred or to be incurred by the CONTRACTOR.

The CONTRACTOR is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the CONTRACTOR and does not guarantee payment of any such funds to the CONTRACTOR under this Contract unless the State requests work and the CONTRACTOR performs said work. In which case, the CONTRACTOR shall be paid in accordance with the payment rates detailed in section C.3. The State is under no obligation to request work from the CONTRACTOR in any specific dollar amounts or to request any work at all from the CONTRACTOR during any period of this Contract.

C.1.2 If the Contract maximum would be exceeded as a result of an increase in enrollment, a change in mix of enrollment among rate cells or any rate adjustment pursuant to Section C.3.4, the State shall adjust the Contract maximum liability to accommodate the aforementioned circumstances. This adjustment shall be based on consultation with the State's independent actuary.

C.1.3 This Contract does not obligate the State to pay a fixed minimum amount and does not create in the CONTRACTOR any rights, interests or claims of entitlement in any funds.

C.1.4 The CONTRACTOR is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract. The maximum liability represents available funds for payment to the CONTRACTOR and does not guarantee payment of these funds to the CONTRACTOR under this Contract.

C.2 COMPENSATION FIRM

C.2.1 The capitation rates and the Maximum Liability of the State under this Contract are firm for the duration of the Contract and are not subject to escalation for any reason unless amended, or changed by the Notice specified in Section C.3.4.2 of this Contract.

C.3 PAYMENT METHODOLOGY

C.3.1 GENERAL

C.3.1.1 The CONTRACTOR shall be compensated based on the payment rates herein for units of service authorized by the State in a total amount not to exceed the Contract Maximum Liability established in section C.1.

- C.3.1.2 TENNCARE shall make monthly payments to the CONTRACTOR for its satisfactory performance and provision of covered services under this Contract. Capitation rates shall be paid according to the methodology as described in this Contract.
- C.3.1.3 The CONTRACTOR agrees that capitation payments, any payments related to processing claims for services incurred prior to the start date of operations pursuant to Section C.3.7.1.2.1, any payments for claims incurred during a period of retroactive eligibility greater than twelve (12) months prior to the member's date of enrollment with the CONTRACTOR, and any incentive payments (if applicable) are payment in full for all services provided pursuant to this Contract. TENNCARE shall not reimburse CONTRACTOR for any costs, liquidated damages and/or penalties incurred by the CONTRACTOR and which result from actions or inactions, including penalties associated with CONTRACTOR's failure to timely pay any and all expenses, fees, taxes and other regulatory/ministerial costs associated with the requirements of operating as an HMO in this state. The taxes, fees, expenses, and other regulatory/ministerial costs referenced herein shall include but not be limited to premium taxes associated with any and all obligations required by the Tennessee Health Maintenance Organization Act of 1986 codified at TCA 56-32-101 *et seq.* or any subsequent amendments thereto and/or the Tennessee Prepaid Limited Health Services Act of 2000 codified at TCA 56-51-101 *et seq.* or any subsequent amendments thereto. TENNCARE shall not share with the CONTRACTOR any financial losses realized under this Contract.
- C.3.1.4 The CONTRACTOR shall ensure that no payment is made to a network provider other than the services covered under the Contract between the state and the CONTRACTOR, except when these payments are specifically required to be made by the state in Title XIX of the Social Security Act, in 42 CFR 438.60, or when the state agency makes direct payments to network providers for graduate medical education costs approved under the state plan.
- C.3.1.5 The CONTRACTOR shall fully participate in and faithfully execute all directed payment programs established by TENNCARE. These directed payment programs will be defined by TENNCARE. TENNCARE will establish criteria for each directed payment program, including but not limited to the time frame for the directed payment; providers who will participate in the directed payment; and the mechanism for the calculation and delivery of the amount(s) to be paid to the selected providers. The CONTRACTOR will collect and provide to TENNCARE such information as is required to support all directed payment programs. Directed payment programs will be in accordance with CMS requirements, including 42 CFR 438.6(c).

C.3.2 **ANNUAL ACTUARIAL STUDY**

In accordance with TCA 71-5-188, the State will retain a qualified actuary to conduct an annual actuarial study of the TennCare program. The CONTRACTOR shall provide any information requested and cooperate in any manner necessary as requested by TENNCARE in order to assist the State's actuary with completion of the annual actuarial study.

C.3.3 **CAPITATION PAYMENT RATES**

- C.3.3.1 The CONTRACTOR will be paid a base capitation rate for each enrollee based on the enrollee's rate category. Rate categories are based on various factors, including the enrollee's enrollment in CHOICES or ECF CHOICES, category of aid, age/sex combination and the Grand Region served by the CONTRACTOR under this Contract. TENNCARE shall take Third Party Liability (TPL) into account in the development of capitation rates consistent with this Contract (Section A.2.21.4 and the definition of Medical Expenses described herein). This recognizes that it is the CONTRACTOR that is primarily responsible for TPL recoveries and that medical claims experience used for rate setting is net of any TPL

recoveries of subrogation activities. The rate categories and the specific rates associated with each rate category are specified in Attachment XII.

3.3.1.1 The capitation payment for MFP participants who must also be enrolled in CHOICES or ECF CHOICES will be the applicable CHOICES or ECF CHOICES capitation payment. There will be no add-on for MFP participants.

3.3.1.2 The capitation payment for ECF CHOICES members shall be the capitation payment for physical and behavioral health services as specified in C.3.3.2 below. The CONTRACTOR shall be reimbursed separately for other costs related to the provision of services for ECF CHOICES members as specified in Section C.3.7.1.9 below.

C.3.3.2 The major aid categories are as follows:

3.3.2.1 Medicaid;

3.3.2.2 Uninsured/Uninsurable;

3.3.2.3 Disabled - The disabled rate is only for those enrollees who are eligible for Medicaid as a result of a disability; and

3.3.2.4 Duals/Waiver Duals - For the purpose of capitation rates, Duals/Waiver Duals are TennCare Medicaid or TennCare Standard enrollees who have Medicare eligibility.

C.3.3.3 TENNCARE will determine the appropriate rate category to which each enrollee is assigned for payment purposes under this Contract.

C.3.3.4 TENNCARE's assignment of an enrollee to a rate category is for payment purposes under this Contract, only, and is not an "adverse action" or determination of the benefits to which an enrollee is entitled under the TennCare program, TennCare rules and regulations, TennCare policies and procedures, the TennCare waiver or relevant court orders or consent decrees.

C.3.4 **CAPITATION RATE ADJUSTMENT**

C.3.4.1 The CONTRACTOR and TENNCARE agree that the capitation rates described in Section C.3 of this Contract may be adjusted periodically.

C.3.4.2 The CONTRACTOR and TENNCARE further agree that adjustments to capitation rates shall occur only by written notice from TENNCARE to the CONTRACTOR and followed up with Contract amendment. The notice will be given at least thirty (30) calendar days before the new rates are paid. Should the CONTRACTOR refuse to continue this Contract under the new rates, the CONTRACTOR then may activate the Termination provisions contained in Section E.14.7 of this Contract. During the six (6) month Termination Notice period the CONTRACTOR will continue to be paid under the new rates. In the event the CONTRACTOR indicates that it is refusing to accept the new rates, but does not choose to institute Termination proceedings under Section E.14.7 of this Contract then the State may at its option:

3.4.2.1 Declare that a public exigency exists under Section E.12 of this Contract. If the State makes this declaration the CONTRACTOR will continue to be paid under the new rates,

- 3.4.2.2 Declare that the Contract is Terminated for Convenience in whole or in part (one or more Grand Regions) under the provisions of Section E.14.6 and D.3. of this Contract. If the State makes this declaration the CONTRACTOR will continue to be paid under the new rates for the period of time until the Termination date.
- C.3.4.3 The base capitation rates shall be adjusted by the State for health plan risk in accordance with the following:
- 3.4.3.1 Health plan risk assessment scores will be initially calibrated after current TennCare enrollees are assigned to the MCOs for retroactive application to payment rates effective on the start date of operations. This initial calibration will be based upon the distribution of enrollment on the start date of operations and health status information will be derived from encounter data submitted to TENNCARE by MCOs serving the Grand Region through the most recent twelve (12) month period deemed appropriate by the State's actuary.
- 3.4.3.2 Health plan risk assessment scores will be calibrated annually based upon health status information derived from encounter data submitted to TENNCARE by MCOs serving the Grand Region through the most recent twelve (12) month period deemed appropriate by the State's actuary.
- 3.4.3.3 TENNCARE will calibrate health plan risk assessment scores on an ongoing basis for the purpose of monitoring shifts in enrollment. If warranted prior to the next scheduled annual calibration as demonstrated by a significant change in health plan risk assessment scores, TENNCARE may adjust the original base capitation rates as subsequently adjusted for all MCOs.
- 3.4.3.4 In addition to the annual calibration of risk adjustment factors, those factors will be updated when there is a significant change in program participation. This may occur when an MCO is removed from a Grand Region. If an MCO is removed from a Grand Region, that MCO's membership may be temporarily distributed to TennCare Select or distributed to the remaining MCOs or to new MCOs. New risk adjustment values for the remaining MCOs or new MCO(s) will be calculated that consider the population that will be enrolled in the MCO for the remainder of the contract year only. In this instance, MCOs would be given the option to provide TENNCARE, in writing, with a six (6) months notice of termination in accordance with Section E.14.7.2. This notice option is not available for rate adjustments as described in Sections C.3.4.3.1 through C.3.4.3.3.
- 3.4.3.5 An individual's health status will be determined in accordance with a methodology established or adopted by TENNCARE and described in protocols developed by TENNCARE.
- 3.4.3.6 For CHOICES members, only the non-long-term care component of the base capitation rate will be adjusted for health plan risk. The long-term care component of the base capitation rate will not be adjusted for health plan risk. The long-term care component of the base capitation rate will be adjusted in accordance with a methodology established or adopted by TENNCARE and described in protocols developed by TENNCARE.
- C.3.4.4 In addition to other adjustments specified in Section C.3.4 of this Contract, the capitation rates shall be adjusted annually for inflation in accordance with the recommendation of the State's actuary.

- C.3.4.5 If (i) changes are required pursuant to federal or state statute, federal regulations, the action of a federal agency, a state or federal court, or rules and regulations of a State of Tennessee agency other than the Division of TennCare and (ii) the changes are likely to impact the actuarial soundness of the capitation rate(s) described in Section C.3.2, as determined by TENNCARE, TENNCARE shall have its independent actuary review the required change and determine whether the change would impact the actuarial soundness of the capitation rate(s). If TENNCARE's independent actuary determines that the change would impact the actuarial soundness of one or more of the capitation rates, the actuary shall determine the appropriate adjustment to the impacted capitation rate(s).
- C.3.4.6 In the event TENNCARE amends TennCare rules or regulations or initiates a policy change not addressed in Section C.3.4.5 above that is likely to impact the capitation rate(s) described in Section C.3.4, as determined by TENNCARE, TENNCARE shall have its independent actuary review the proposed change and determine whether the change would impact the actuarial soundness of the capitation rate(s). If TENNCARE's independent actuary determines that the change would impact the actuarial soundness of one or more of the capitation rates, the actuary shall determine the appropriate adjustment to the impacted capitation rate(s).
- C.3.4.7 With respect to Post Eligibility Treatment of Income (PETI), TENNCARE will perform a review of patient liability experience to determine remaining liability that had not been addressed in the managed care rate setting process. If additional adjustments are necessary, the adjustments will be made on a periodic basis to assure the correct application of federal funds.
- C.3.4.8 In the event the amount of the six percent (6%) premium tax is increased or decreased during the term of this Contract, the payments shall be increased or decreased by an amount equal to the increase/decrease in premium payable by the CONTRACTOR.
- C.3.4.9 Any rate adjustments shall be subject to the availability of state appropriations.

C.3.5 CAPITATION PAYMENT SCHEDULE

TENNCARE shall make payment by the fifth (5th) business day of each month to the CONTRACTOR for the CONTRACTOR's satisfactory performance of its duties and responsibilities as set forth in this Contract.

C.3.6 CAPITATION PAYMENT CALCULATION

- C.3.6.1 When eligibility has been established by the State for enrollees, the amount owed to the CONTRACTOR shall be calculated as described herein.
- C.3.6.2 Each month payment to the CONTRACTOR shall be equal to the number of enrollees enrolled in the CONTRACTOR's MCO five (5) business days prior to the date of the capitation payment multiplied by the appropriate capitation rate(s) for the enrollee.
- C.3.6.3 The capitation rates stated in Attachment XII will be the amounts used to determine the amount of the monthly capitation payment.
- C.3.6.4 The actual amount owed the CONTRACTOR for each member shall be determined by dividing the appropriate monthly capitation rate(s) by the number of days in the month and then multiplying the quotient of this transaction by the actual number of days the member was enrolled in the CONTRACTOR's MCO.

C.3.6.5 The amount paid to the CONTRACTOR shall equal the total of the amount owed for all enrollees determined pursuant to Section C.3.6.4 less the withhold amount (see Section C.3.9), capitation payment adjustments made pursuant to Section C.3.7 or C.3.12, and any other adjustments, which may include withholds for penalties, damages, liquidated damages, or adjustments based upon a change of enrollee status.

C.3.7 **CAPITATION PAYMENT ADJUSTMENTS**

C.3.7.1 The State has the discretion to retroactively adjust the capitation payment for any enrollee if TENNCARE determines an incorrect payment was made to the CONTRACTOR; provided, however:

3.7.1.1 For determining the capitation rate(s) only, each Grand Region being served by the enrollee's MCO under this Contract will be used to determine payment. The capitation payment shall not be retroactively adjusted to reflect a different Grand Region of residence so long as the enrollee's MCO assignment is effective.

3.7.1.2 For individuals enrolled with a retroactive effective date on the date of enrollment, the payment rate for retroactive periods shall be the capitation rate(s) for the applicable rate category and the Grand Region in which the enrollee's assigned MCO is operating under this Contract as specified in Attachment XII, except that:

3.7.1.2.1 The CONTRACTOR agrees to manually process claims and reimburse providers for services incurred prior to the start date of operations of this Contract; however, the CONTRACTOR will not be at risk for these services. The CONTRACTOR shall be paid two dollars (\$2.00) per claim as reimbursement for processing claims for services incurred prior to the start date of operations. Actual expenditures for covered services and the allowed amount for claims processing are subject to TCA 56-32-124. The CONTRACTOR shall negotiate provider reimbursement subject to TENNCARE prior written approval and prepare checks for payment of providers for the provision of covered services incurred during an enrollee's period of eligibility prior to the start date of operations on an as needed basis. The CONTRACTOR shall notify the State of the amount to be paid in a mutually acceptable form and format at least forty-eight (48) hours in advance of distribution of any provider payment related to this requirement. TENNCARE shall remit payment to the CONTRACTOR in an amount equal to: the amount to be paid to providers; plus, two dollars (\$2.00) per claim processed by the CONTRACTOR; plus, an amount sufficient to cover any payment due in accordance with TCA 56-32-124 within forty-eight (48) hours of receipt of notice. The CONTRACTOR shall then release payments to providers within twenty-four (24) hours of the receipt of funds from the State. The CONTRACTOR is responsible for any payments required pursuant to TCA 56-32-124.

3.7.1.2.2 The CONTRACTOR will not receive a capitation payment for periods of retroactive eligibility greater than nine (9) months prior to the member's date of enrollment with the CONTRACTOR. The CONTRACTOR agrees to process claims and reimburse providers for services incurred during a period of retroactive eligibility more than nine (9) months prior to the member's date of enrollment with the CONTRACTOR; however, the CONTRACTOR will not be at risk for these services. Actual expenditures for covered services are subject to TCA 56-32-124. The CONTRACTOR shall reimburse providers in accordance with this Contract and shall submit to TENNCARE on a monthly basis a claims invoice file for the provision of covered services incurred during an enrollee's period of retroactive eligibility greater than nine (9) months prior to the member's date of enrollment with the CONTRACTOR. TENNCARE shall remit payment to the CONTRACTOR in an

amount equal to: the amount to be paid to providers; plus, an amount sufficient to cover any payment due in accordance with TCA 56-32-124 within ten (10) business days of receipt of notice; however, TENNCARE reserves the right to further review such claims and to recover any overpayments subsequently identified. The CONTRACTOR shall release payments to providers within two (2) business days of the receipt of funds from the State. The CONTRACTOR is responsible for any payments required pursuant to TCA 56-32-124. Based on the provisions herein, TENNCARE shall not make any further retroactive adjustments, other than those described herein.

- 3.7.1.3 If a provider seeks reimbursement for a service provided during a retroactive period of eligibility, the CONTRACTOR shall assess cost sharing responsibilities in accordance with the cost sharing schedules in effect on the date of service for which reimbursement is sought (see Attachment II) and collect patient liability from CHOICES members as applicable (see Sections A.2.6.7 and A.2.21.5).
- 3.7.1.4 Should TENNCARE determine after the capitation payment is made that an enrollee's capitation rate category had changed or the enrollee was deceased, TENNCARE shall retroactively adjust the payment to the CONTRACTOR as follows:
 - 3.7.1.4.1 If an enrollee is deceased, TENNCARE shall recoup any and all capitation payments made after the enrollee's date of death, including any pro-rated share of a capitation payment intended to cover dates of service after the enrollee's date of death.
 - 3.7.1.4.2 If an enrollee's capitation rate category has changed, TENNCARE shall retroactively adjust the payment to the CONTRACTOR to accurately reflect the enrollee's capitation rate category for the period for which payment has been made, up to a maximum of nine (9) months. For changes in an enrollee's eligibility category covering a retroactive period greater than nine (9) months that affect an enrollee's capitation rate category, the capitation payment made to the CONTRACTOR for periods greater than nine (9) months shall not be adjusted, and the CONTRACTOR shall consider the capitation payment already received as payment in full. Based on the provisions herein, TENNCARE shall not make any further retroactive adjustments, other than those described herein.
 - 3.7.1.4.3 TENNCARE and the CONTRACTOR agree that the nine (9) month limitation described in Section C.3.7.1.4 is applicable only to retroactive capitation rate payment adjustments described in those paragraphs and shall in no way be construed as limiting the effective date of eligibility or enrollment in the CONTRACTOR's MCO.
- 3.7.1.5 The CONTRACTOR shall not be entitled to a CHOICES or ECF CHOICES capitation payment for any calendar month during which a CHOICES or ECF CHOICES member does not receive nursing facility services in CHOICES or ongoing CHOICES HCBS or ECF CHOICES HCBS, except under extenuating circumstances which must be reported to TENNCARE on the CHOICES and ECF CHOICES Utilization Report. Acceptable extenuating circumstances may include, but are not limited to, a member's temporary hospitalization or temporary receipt of Medicare-reimbursed skilled nursing facility care. The determination that the CONTRACTOR is not entitled to a CHOICES or ECF CHOICES capitation payment shall be made by TENNCARE based on information provided in monthly CHOICES and ECF CHOICES Utilization Reports and/or upon review and analysis of the CONTRACTOR's encounter data. For any month in which the CONTRACTOR is

not entitled to the CHOICES or ECF CHOICES capitation payment, the capitation payment will be retroactively adjusted to reflect the appropriate non-CHOICES or non-ECF CHOICES capitation rate applicable for that month.

- 3.7.1.6 The effective date of the CHOICES or ECF CHOICES capitation payment may be retroactively adjusted by TENNCARE in any instance in which the CONTRACTOR fails to initiate nursing facility services in CHOICES or ongoing CHOICES HCBS or ECF CHOICES HCBS within the timeframes prescribed in Section A.2.9.6, in which case, the effective date of the CHOICES or ECF CHOICES capitation payment will be the date of initiation of nursing facility or ongoing HCBS.
- 3.7.1.7 The CONTRACTOR shall, at TENNCARE's discretion and pursuant to policies or protocols established by TENNCARE, participate in a periodic capitation reconciliation process regarding CHOICES capitation payments to verify the receipt of nursing facility services in CHOICES or ongoing CHOICES HCBS or ECF CHOICES HCBS during each month that a CHOICES or ECF CHOICES capitation payment was made, and to adjust the capitation payment for all months during which such services were not provided to the member, except under specific circumstances defined by TENNCARE in policies and protocols. Such reconciliation process shall be conducted based on encounters submitted to TENNCARE by the CONTRACTOR pursuant to Section A.2.23.4 of this Contract.
- 3.7.1.8 Payment adjustments resulting in a reduction or increase of the capitation rate shall be accomplished through the monthly capitation reconciliation process, or pursuant to other processes as established by TENNCARE.

3.7.1.9. *Payments related to the operation of the ECF CHOICES Program*

In addition to the capitation payment for physical and behavioral health services for members enrolled in ECF CHOICES as specified in C.3.3.1.2 above, the CONTRACTOR shall be reimbursed for:

- 3.7.1.9.1 Actual and reasonable costs related to the provision of support coordination, subject to a maximum specified by TENNCARE;
- 3.7.1.9.2 Actual and reasonable administrative costs related specifically to requirements for the operation of ECF CHOICES as defined in this agreement, including primarily the management and delivery of covered services to members, payments to providers for such services, and ongoing quality assurance and quality improvement activities, subject to a maximum specified by TENNCARE. Requirements set forth in this agreement that also apply to the operation of the CHOICES program or that affect populations served in CHOICES or ECF CHOICES but who are not enrolled in such programs shall be allocated to ECF CHOICES proportionate to the CONTRACTOR's population enrolled in ECF CHOICES, the CONTRACTOR's population enrolled in CHOICES, and the CONTRACTOR's members who are in the populations served in CHOICES or ECF CHOICES but who are not enrolled in such programs; and
- 3.7.1.9.3 The actual cost of ECF CHOICES HCBS and cost-effective alternative services provided under the ECF CHOICES program as a cost-effective alternative to NF services or to other ECF CHOICES services, in order to develop sufficient experience for purposes of establishing an actuarially sound capitation rate for ECF CHOICES HCBS.

- 3.7.1.9.4 Payments related to the operation of ECF CHOICES as specified in this section shall be paid based on a monthly invoice submitted by the CONTRACTOR. The invoice shall be submitted to TENNCARE in the form and format specified by TENNCARE.
- 3.7.1.10 In accordance with 42 CFR 438.6(e), states may make a monthly capitation payment to an MCO for an enrollee aged 21-64 receiving inpatient treatment in an IMD, as defined in 42 CFR 435.1010 for no more than fifteen (15) days during the period of the monthly capitation payment. Treatment received in an IMD outside of this requirement shall be invoiced by the CONTRACTOR in a manner described by TENNCARE.

C.3.8 SERVICE DATES

Except where required by this Contract or by applicable federal or state law, the CONTRACTOR shall not make payment for the cost of any services provided prior to the effective date of eligibility in the CONTRACTOR's MCO. The CONTRACTOR shall make payment for the cost of any covered services obtained on or after 12:01 a.m. on the effective date of eligibility in the CONTRACTOR's MCO.

C.3.9 WITHHOLD OF THE CAPITATION RATE

- C.3.9.1 A withhold of the aggregate capitation payment shall be applied to ensure CONTRACTOR compliance with the requirements of this Contract and to provide an agreed incentive for assuring CONTRACTOR compliance with the requirements of this Contract. The withhold as described herein shall be applied by Grand Region and may be retained by Grand Region or statewide based upon specific deficiencies as determined by TENNCARE.
- C.3.9.2 The amount due for the first monthly payment, and for each month thereafter, calculated pursuant to Section C.3.6 shall be reduced by the appropriate cash flow withhold percentage amount and set aside for distribution to the CONTRACTOR in the next regular monthly payment, unless retained as provided below.
 - 3.9.2.1 Except as further provided below, the applicable capitation payment withhold amount will be equivalent to ten percent (10%) of the monthly capitation payment for the first six months following the start date of operations, and for any consecutive six (6) month period following the CONTRACTOR's cure of a deficiency as determined by TENNCARE;
 - 3.9.2.2 If, during any consecutive six (6) month period following the start date of operations, TENNCARE determines that the CONTRACTOR has no deficiencies and has not issued a notice of deficiency, the monthly withhold amount will be reduced to five percent (5%) of the monthly capitation payment.
 - 3.9.2.3 If, during any consecutive six (6) month period following a reduction of the monthly withhold amount to five percent (5%) of the monthly capitation payment, TENNCARE determines that the CONTRACTOR has no deficiencies and has not issued a notice of deficiency, the monthly withhold amount will be reduced to two and one half percent (2.5%) of the monthly capitation payment.
 - 3.9.2.4 If the CONTRACTOR is notified by TENNCARE of a minor deficiency and the CONTRACTOR cures the minor deficiency to the satisfaction of TENNCARE within a reasonable time prior to the next regularly scheduled capitation payment cycle, TENNCARE may disregard the minor deficiency for purposes of determining the withhold.

- 3.9.2.5 If TENNCARE has determined the CONTRACTOR is not in compliance with a requirement of this Contract in any given month, TENNCARE may issue a written notice of deficiency and TENNCARE may retain the amount withheld for the month prior to TENNCARE identifying the compliance deficiencies.
- 3.9.2.6 The withhold amounts for subsequent months thereafter in which the CONTRACTOR has not cured the deficiencies may at TENNCARE's discretion be applied in accordance with Section C.3.9.2.1 as described above. If the CONTRACTOR has attained a five percent (5%) withhold or a two and one half percent (2.5%) withhold and TENNCARE subsequently determines the CONTRACTOR is not in compliance with a requirement of this Contract, TENNCARE may provide written notice of such determination and TENNCARE may, at the discretion of TENNCARE, re-institute the retention of the ten percent (10%) withhold as described in Section C.3.9.2.1 at the next capitation payment cycle. Monthly retention of the withhold amount may continue for each subsequent month so long as the identified deficiencies have not been corrected.
- 3.9.2.6.1 These funds may not be distributed to the CONTRACTOR unless it is determined by TENNCARE the CONTRACTOR has come into compliance with the Contract requirement(s) within six (6) months of TENNCARE identifying these deficiencies. For example, if a specified deficiency(s) is corrected within four (4) months and there are no other identified deficiencies which the CONTRACTOR has been given written notice of by TENNCARE, the withhold for the four (4) consecutive months will be paid to the CONTRACTOR upon TENNCARE determination that the deficiency(s) was corrected. However, any amounts withheld by TENNCARE for six (6) consecutive months (i.e., six (6) consecutive capitation payment cycles) for the same or similar compliance deficiency(s) may be permanently retained by TENNCARE on the first day after the sixth consecutive month period and may not be paid to the CONTRACTOR. For purposes of permanent retention of the withhold amount, six (6) consecutive months shall be calculated from the date the withhold amount was initially retained and shall not be based on the date of the notice of deficiency or the date of notification of the withhold retention. If the same or similar specified deficiency(s) continues beyond six (6) consecutive months, TENNCARE may declare the MCO ineligible for future distribution of the ten percent (10%) incentive withhold and may continue to permanently retain any amounts withheld by TENNCARE for six (6) consecutive months. Such ineligibility will continue for each month TENNCARE determines the same or similar specified deficiency(s) continues to exist. Once a CONTRACTOR corrects the deficiency(s), TENNCARE may reinstate the MCO's eligibility for distribution of the ten percent (10%) compliance incentive payment of future withholds. If TENNCARE determines that distribution of the ten percent (10%) withhold is appropriate, distribution of the ten percent (10%) shall be made at the time of the next scheduled monthly check write which includes all other payments due the CONTRACTOR.
- C.3.9.3 No interest shall be due to the CONTRACTOR on any sums withheld or retained under this Section. The provisions of this Section may be invoked alone or in conjunction with any other remedy or adjustment otherwise allowed under this Contract.
- C.3.9.4 If TENNCARE has not identified CONTRACTOR deficiencies, TENNCARE will pay to the CONTRACTOR the withhold of the CONTRACTOR's payments withheld in the month subsequent to the withhold.

C.3.10 PAY-FOR-PERFORMANCE QUALITY INCENTIVE PAYMENTS

C.3.10.1 General

- 3.10.1.1 TENNCARE will make incentive payments to the CONTRACTOR in accordance with this Section C.3.10.
- 3.10.1.2 Pursuant to 42 CFR 438.6, incentive arrangements shall comply with the following:
 - 3.10.1.2.1 The total of all payments made to the CONTRACTOR for a measurement year shall not exceed one hundred and five percent (105%) of capitation payments made to the CONTRACTOR. In addition, the total of all payments made to the CONTRACTOR for a year shall not exceed twenty five cents (\$0.25) per member per month (PMPM) per region (East, Middle, West);
 - 3.10.1.2.2 Are not renewed automatically;
 - 3.10.1.2.3 Are made available to both public and private contractors under the same terms of performance;
 - 3.10.1.2.4 Do not condition MCO participation in the incentive arrangement on the MCO entering into or adhering to intergovernmental transfer agreements.
- 3.10.1.3 In the first year that each measure is available, the CONTRACTOR regional average HEDIS score (as calculated by TENNCARE using audited MCO HEDIS results) for each of the measures specified by TENNCARE for the last full calendar year prior to the year that the CONTRACTOR began operating under this Contract will serve as the baseline. For example, in CY2020 (known as the HEDIS 2021 score), the full CY2019 data (known as the HEDIS 2020 score) will be used to generate the baseline. If complete TennCare HEDIS data for these measures is not available for the region for the year prior to the year that the CONTRACTOR began operating under this Contract, then the last year for which complete data is available will serve as the baseline.
- 3.10.1.4. Wave 1 measures will begin with measurement year 2019 and will remain in the program through measurement year 2020. At that time, TENNCARE will review for replacement and/or continuation. Wave 1 measures are the following HEDIS measures:
 - 3.10.1.4.1 Timeliness of Prenatal Care;
 - 3.10.1.4.2 Postpartum Care;
 - 3.10.1.4.3 Adolescent well-care visits;
 - 3.10.1.4.4 Diabetes-Retinal exam and BP <140/90;
 - 3.10.1.4.5 Antidepressant Medication Management – continuation;
- 3.10.1.5 Wave 2 measures will begin with measurement year 2019 and remain in the program through measurement year 2021. At that time, TENNCARE will review for replacement and/or continuation. Wave 2 measures are the following HEDIS measures:

- 3.10.1.5.1 Breast Cancer Screening;
- 3.10.1.5.2 Immunization for Children – Combination 10;
- 3.10.1.5.3 Immunization for Adolescents – Combination 2;
- 3.10.1.5.4 Asthma Medication Ratio;
- 3.10.1.5.5 Follow-up after Hospitalization for Mental Illness – Within 7 Days;
- 3.10.1.5.6 Engagement of Alcohol and Other Drug Abuse or Dependence Treatment.
- 3.10.1.6 If NCQA makes changes in any of the measures selected by TENNCARE, such that valid comparison to prior years will not be possible, TENNCARE, at its sole discretion, may elect to either eliminate the measure from pay-for-performance incentive eligibility or replace it with another measure.

C.3.10.2 **HEDIS Measures**

- 3.10.2.1 Beginning the first year of operations, on September 1 of each year, the CONTRACTOR shall be eligible for a maximum \$.04 PMPM payment, applied to member months from the preceding calendar year, for each of the audited HEDIS measures in accordance with Section C.3.10.2.2 below (calculated from the preceding calendar year's data). Each audited HEDIS measure payment is determined by both a National Benchmark payment and Significant Improvement payment. National Benchmark payments are defined using Quality Compass national benchmarks and Significant Improvement payments are defined using NCQA's minimum effect size change methodology (see Section C.3.10.3 below).
- 3.10.2.2 Incentive payments will be available for selected audited HEDIS measures as determined by TENNCARE following review and analysis of HEDIS plan-specific rates.
 - 3.10.2.2.1 After the first full year of audited HEDIS measures, and each year thereafter, TENNCARE will notify the CONTRACTOR of the audited HEDIS measures that have been selected for eligibility for the specified calendar year's Pay-For-Performance Quality Incentive Measures in each region for which the CONTRACTOR serves.
 - 3.10.2.2.2 The annual notification will advise the CONTRACTOR of the calendar year being measured and the specifics that TENNCARE will use to determine eligibility for the Pay-For-Performance Quality Incentive Payments.

C.3.10.3 **Quality Incentive Payment Methodology**

- 3.10.3.1 National Benchmark Payment: For each audited HEDIS measure, reporting year measure performance will be compared to the National Quality Compass benchmarks of the same reporting year. For measures that do not have a baseline value of ninety three percent (93%) or higher, no national benchmark payment will be applied to the total measure payment if measure performance decreases significantly between baseline and reporting years. A significant decrease will be defined as a negative point change as determined by the NCQA minimum effect size change methodology in Section A.3.10.3.2. CONTRACTOR comparative performance to these benchmarks will determine the PMPM incentive payment as follows:

National Benchmark	PMPM (per measure)
≥75 th Percentile	+\$0.02
≥50 th Percentile & <75 th Percentile	+\$0.01
≥25 th Percentile & <50 th Percentile	\$0.00
<25 th Percentile	-\$0.01

3.10.3.2 Significant Improvement Payment: For each audited HEDIS measure, a significant positive point change between the baseline rate and the reporting year rate will result in a per metric payment of \$0.02 PMPM. A significant negative point change between the baseline rate and the reporting year rate will result in a per metric risk of -\$0.02 PMPM. No risk will be assessed to measures with a baseline value of ninety three percent (93%) or higher. Significant positive and negative point changes will be determined by the NCQA minimum effect size change methodology as follows:

Baseline Rate	Minimum Effect Size
0-59	At least a 6 percentage point change
60-74	At least a 5 percentage point change
75-84	At least a 4 percentage point change
85-92	At least a 3 percentage point change
93-96	At least a 2 percentage point change
97-99	At least a 1 percentage point change

C.3.11 MFP INCENTIVE PAYMENTS

C.3.11.1 Financial incentives will be paid to the CONTRACTOR based on activities performed as part of the MFP Rebalancing Demonstration and in accordance with the following:

3.11.1.1 Upon successful transition to the community of each MFP demonstration participant up to and including the MCO's established benchmark for the calendar year (or for a partial year at implementation, as applicable) – a one-time payment of \$1,000.

3.11.1.1.1 If a member has been enrolled in more than one MCO during the ninety (90)-day minimum stay in a Qualified Institution established under ADA, the incentive payment shall be awarded to the MCO in which the person is enrolled at transition to the community and enrollment into MFP.

3.11.1.2 Upon successful transition to the community of each MFP demonstration participant that exceeds the MCO's established benchmark for the calendar year (or for a partial year at implementation, as applicable) – a one-time payment of \$2,000.

3.11.1.2.1 If a member has been enrolled in more than one MCO during the ninety (90)-day minimum stay in a Qualified Institution established under ADA, the incentive payment shall be awarded to the MCO in which the person is enrolled at transition to the community and enrollment into MFP.

3.11.1.3 Upon each MFP demonstration participant's completion of community living for the full 365-day demonstration participation period without readmission to a nursing facility (excluding short-term SNF stays solely for purposes of receiving post-

hospital short-term rehabilitative services covered by Medicare) and only until December 31, 2018, a one-time payment of \$5,000.

- 3.11.1.3.1 If a member has been enrolled in more than one MCO during the 365-day participation period in MFP, a pro-rated portion of the incentive payment shall be awarded to each MCO based on the number of days the member was enrolled in each plan. Only days included in the 365-day participation period shall be counted and not any days during which MFP participation was suspended during an inpatient facility stay.
 - 3.11.1.4 Upon achievement of only one (1) of the remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$10,000 per MCO (this payment shall be pro-rated for any partial year).
 - 3.11.1.5 Upon achievement of only two (2) remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$25,000 per MCO (this payment shall be pro-rated for any partial year).
 - 3.11.1.6 Upon achievement of only three (3) remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$50,000 per MCO (this payment shall be pro-rated for any partial year).
 - 3.11.1.7 Upon achievement of all four (4) of the remaining MFP program benchmarks 2-5 for each calendar year of the demonstration (or for a partial year at implementation, as applicable), a one-time payment of \$100,000 per MCO (this payment shall be pro-rated for any partial year).
- C.3.11.2 The CONTRACTOR shall be eligible to receive only one incentive payment pertaining to benchmarks #s 2-5 which shall depend on the total number of benchmarks which the CONTRACTOR meets or exceeds. These incentive payments are not cumulative.
- C.3.11.3 MFP incentive payments pertaining to benchmark #1 shall be payable semi-annually within sixty (60) days following the end of each semi-annual reporting period for activities performed during the semi-annual period.
- C.3.11.4 The MFP incentive payments pertaining to benchmark #s 3-5 (which shall depend on the total number of these benchmarks which the CONTRACTOR meets or exceeds) shall be payable within sixty (60) days following the end of each calendar year for activities performed during the year.
- C.3.12 **EFFECT OF DISENROLLMENT ON CAPITATION PAYMENTS**
- C.3.12.1 Payment of capitation payments shall cease effective the date of the member's disenrollment from the CONTRACTOR's MCO, and the CONTRACTOR shall have no further responsibility for the care of the enrollee. Except for situations involving enrollment obtained by fraudulent applications or death, disenrollment from TennCare shall not be made retroactively.

C.3.12.2 Fraudulent Enrollment

- 3.12.2.1 In the case of fraudulent, misrepresented or deceptive applications submitted by the enrollee, the CONTRACTOR, at its discretion, may refund to TENNCARE all capitation payments made on behalf of persons who obtained enrollment in TennCare through such means and the CONTRACTOR may pursue full restitution for all payments made on behalf of the individual while the person was inappropriately enrolled in the CONTRACTOR's MCO.
- 3.12.2.2 In the event of enrollment obtained by fraud, misrepresentation or deception by the CONTRACTOR's staff, officers, employees, providers, volunteers, subcontractors, or anyone acting for or on behalf of the CONTRACTOR, TENNCARE may retroactively recover capitation amounts plus interest, as allowed by TCA 47-14-103, and any other monies paid to the CONTRACTOR for the enrollment of that individual. The refund of capitation payments plus interest will not preclude the State from exercising its right to criminal prosecution, civil penalties, trebled damages and/or other remedial measures.

C.3.13 HMO PAYMENT TAX

The CONTRACTOR shall be responsible for payment of applicable taxes for all payments received under this Contract pursuant to TCA 56-32-124. In the event the amount due pursuant to TCA 56-32-124 is increased during the term of this Contract, the payments to the CONTRACTOR shall be increased by an amount equal to the increase in the amount due by the CONTRACTOR.

C.3.14 HEALTH INSURER FEE

- C.3.14.1 The CONTRACTOR and TENNCARE acknowledge that the CONTRACTOR is subject to a Health Insurer Fee (HIF) imposed by the federal government under the Patient Protection and Affordable Care Act (PPACA) of 2010. The CONTRACTOR is responsible for payment of a percentage of the Health Insurer Fee for all health insurance providers. The CONTRACTOR'S obligation is determined by the ratio of the CONTRACTOR'S net written premiums for the preceding year compared to the total net written premiums of all covered entities subject to the Health Insurer Fee for the same year.
- C.3.14.2 The amount of the Health Insurer Fee attributable to the CONTRACTOR and attributable to the CONTRACTOR'S premiums under this Contract could affect the actuarial soundness of the premiums received by the CONTRACTOR from TENNCARE for the period during which the Health Insurer Fee is assessed. To preserve the actuarially sound capitation rate payments, TENNCARE shall reimburse the CONTRACTOR for the amount of the Health Insurer Fee, including an actuarially sound adjustment for the estimated impact of the non-deductibility of the Health Insurer Fee for Federal and State tax purposes, specifically attributable to the CONTRACTOR'S TENNCARE membership.

C.3.14.3 The monthly capitation rates will be paid excluding the amount for the Health Insurer Fee. Once the CONTRACTOR'S Health Insurer Fee amount is known, TENNCARE will determine the amount this is as a percent of the capitation rates paid in the previous fiscal year using the aggregate member months for the fiscal year as of the July following the fiscal year and the capitation rates paid for the fiscal year. TENNCARE will then calculate the amount owed to the CONTRACTOR, including any adjustments for Federal and State taxes, in aggregate for the 12 month fiscal year and pay the capitation adjustment as a single payment. The amount attributable to the CONTRACTOR'S TENNCARE membership shall be determined based on the CONTRACTOR'S final Form 8963 filing, the final notification of the Health Insurer Fee amount owed by the CONTRACTOR received from the United States Internal Revenue Service, and supporting documentation from the CONTRACTOR as requested by TENNCARE.

C.3.14.4 TENNCARE shall complete its calculation of the amount owed to the CONTRACTOR within ninety (90) days of its receipt of the final notification and supporting documentation from the CONTRACTOR. Payment is contingent on the availability of State funds and CMS approval of the capitation rates including the Health Insurer Fee adjustment. Capitation rates excluding the Health Insurer Fee adjustment will be included in the contracts and, following payment of the amount owed to the CONTRACTOR, separate rates will be added that contain the capitation rate adjustment to reflect the Health Insurer Fee.

C.3.15 **PAYMENT FOR DISTRIBUTION TO TENNCARE'S PBM**

C.3.15.1 TENNCARE shall make a payment to the CONTRACTOR in an amount equal to the invoice that is billed to the CONTRACTOR by the TennCare PBM. The CONTRACTOR shall make payment to the TennCare PBM no later than the Friday following receipt of the payment from TENNCARE unless extended by TENNCARE due to unforeseen circumstances or bank holidays. This payment is not considered a part of the CONTRACTOR's capitation payment and shall not be subject to the withhold described in Section C.3.9 of this Contract.

C.4 **TRAVEL COMPENSATION**

C.4.1 The CONTRACTOR shall not be compensated or reimbursed for travel, meals, or lodging.

C.5 **RETURN OF FUNDS AND DEDUCTIONS**

C.5.1 In accordance with the Affordable Care Act and TennCare policy and procedures, the CONTRACTOR shall report overpayments and, when it is applicable, return overpayments to TENNCARE within sixty (60) days from the date the overpayment is identified by the CONTRACTOR. Overpayments that are not returned within sixty (60) days from the date the overpayment was identified by the CONTRACTOR may result in a penalty pursuant to state or federal law.

C.5.2 The CONTRACTOR shall refund to TENNCARE any overpayments due or funds disallowed pursuant to this Contract within thirty (30) calendar days of the date of written notification from TENNCARE, unless otherwise authorized by TENNCARE in writing.

C.5.3 The State reserves the right to deduct from amounts which are or shall become due and payable to the CONTRACTOR under this or any agreement or contract between the CONTRACTOR and the State of Tennessee any amounts which are or shall become due and payable to the State of Tennessee by the CONTRACTOR.

C.6 PREREQUISITE DOCUMENTATION

C.6.1 The CONTRACTOR shall not invoice the State under this Contract until the State has received the following documentation properly completed.

C.6.1.1 The CONTRACTOR shall complete, sign, and present to the State an "Authorization Agreement for Automatic Deposit (ACH Credits) Form" provided by the State. By doing so, the CONTRACTOR acknowledges and agrees that, once said form is received by the State, all payments to the CONTRACTOR, under this or any other contract the CONTRACTOR has with the State of Tennessee shall be made by Automated Clearing House (ACH).

C.6.1.2 The CONTRACTOR shall complete, sign, and present to the State a "Substitute W-9 Form" provided by the State. The taxpayer identification number detailed by said form must agree with the CONTRACTOR's Federal Employer Identification Number or Tennessee Edison Registration ID referenced in this Contract.

C.6.1.3 The CONTRACTOR shall not be paid under this Contract until the CONTRACTOR has completed the appropriate forms and submitted them to the State.

SECTION D STANDARD TERMS AND CONDITIONS:

D.1 REQUIRED APPROVALS

The State is not bound by this Contract until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

D.2 MODIFICATION AND AMENDMENT

The CONTRACTOR, upon completion of these continuing obligations, shall submit a final report to TENNCARE describing how the CONTRACTOR has completed its continuing obligations. TENNCARE shall within twenty (20) calendar days of receipt of this report advise in writing whether TENNCARE agrees that the CONTRACTOR has fulfilled its continuing obligations. If TENNCARE finds that the final report does not evidence that the CONTRACTOR has fulfilled its continuing obligations, then TENNCARE shall require the CONTRACTOR to submit a revised final report. TENNCARE shall in writing notify the CONTRACTOR once the CONTRACTOR has submitted a revised final report evidencing to the satisfaction of TENNCARE that the CONTRACTOR has fulfilled its continuing obligations.

E.15 ENTIRE CONTRACT

- E.15.1 This Contract, including any amendments, attachments or notice of capitation rate adjustments, represents the entire Contract between the CONTRACTOR and TENNCARE with respect to the subject matter stated herein, and supersedes all other contracts between the parties with regard to the provision of services described herein. Any communications made before the parties entered into this Contract, whether verbal or in writing, shall not be considered as part of or explanatory of any part of this Contract.
- E.15.2 In the event of a conflict of language between the Contract, any amendments, or adjustments to the capitation rates, the provisions of the amendments and capitation rate adjustment notices shall govern.
- E.15.3 All applicable state and federal laws, rules and regulations, consent decrees, court orders and policies and procedures (hereinafter referred to as Applicable Requirements), including those described in Section E.13 of this Contract are incorporated by reference into this Contract. Any changes in those Applicable Requirements shall be automatically incorporated into this Contract by reference as soon as they become effective. However, as provided in Section C.3.4.5 of this Contract, changes that are likely to impact the actuarial soundness of the capitation rate(s) shall be reviewed by TENNCARE's actuary and the appropriate adjustment to the impacted capitation rate(s) will be made via amendment pursuant to Section D.2.
- E.15.4 Nothing contained herein shall prejudice, restrict or otherwise limit the CONTRACTOR's right to initiate action challenging such Applicable Requirements in a court of competent jurisdiction, including seeking to stay or enjoin the applicability or incorporation of such requirements into this Contract.

E.16 **APPLICABILITY OF THIS CONTRACT**

All terms, conditions, and policies stated in this Contract apply to staff, agents, officers, subcontractors, providers, volunteers and anyone else acting for or on behalf of the CONTRACTOR.

E.17 **TECHNICAL ASSISTANCE**

Technical assistance shall be provided to the CONTRACTOR when deemed appropriate by TENNCARE.

E.19 **QUESTIONS ON POLICY DETERMINATIONS**

On an ongoing basis, should the CONTRACTOR have a question on policy determinations, benefits or operating guidelines, the CONTRACTOR shall request a determination from TENNCARE in writing. The State shall have thirty (30) calendar days to make a determination and respond unless specified otherwise. Should TENNCARE not respond in the required amount of time, the CONTRACTOR shall not be penalized as a result of implementing items awaiting approval. However, failure to respond timely shall not preclude the State from requiring the CONTRACTOR to respond or modify the policy or operating guideline prospectively. The CONTRACTOR shall be afforded at least sixty (60) calendar days to implement the modification.

E.20 **INTERPRETATIONS**

Any dispute between the CONTRACTOR and TENNCARE concerning the clarification, interpretation and application of all federal and state laws, regulations, or policy or consent decrees or court orders governing or in any way affecting this Contract shall be determined by TENNCARE. When a clarification, interpretation and application is required, the CONTRACTOR shall submit a written request to TENNCARE. TENNCARE will contact the appropriate agencies in responding to the request by submitting the written request to the agency within thirty (30) calendar days after receiving that request from the CONTRACTOR. Any clarifications received pursuant to requests for clarification, interpretation and application shall be forwarded upon receipt to the CONTRACTOR. Nothing in this Section shall be construed as a waiver by the CONTRACTOR of any legal right it may have to contest the findings of either the state or federal governments or both as they relate to the clarification, interpretation and application of statute, regulation, or policy or consent decrees or court orders.

E.21 **CONTRACTOR APPEAL RIGHTS**

The CONTRACTOR shall have the right to contest TENNCARE decisions pursuant to the provisions of TCA 9-8-301 et seq. for the resolution of disputes under this Contract. Written notice describing the substance and basis of the contested action shall be submitted to TENNCARE within thirty (30) calendar days of the action taken by TENNCARE. The CONTRACTOR shall comply with all requirements contained within this Contract pending the final resolution of the contested action.

E.22 DISPUTES

Any claim by the CONTRACTOR against TENNCARE arising out of the breach of this Contract shall be handled in accordance with the provision of TCA 9-8-301, et seq. Provided, however, the CONTRACTOR agrees that the CONTRACTOR shall give notice to TENNCARE of its claim thirty (30) calendar days prior to filing the claim in accordance with TCA 9-8-301, et seq.

E.23 NOTIFICATION OF LEGAL ACTION AGAINST THE CONTRACTOR

The CONTRACTOR shall give TENNCARE and TDCI immediate notification in writing by certified mail (or other means such as overnight delivery reasonably designed to document delivery) within five (5) business days of the CONTRACTOR being served with any administrative or legal action or complaint filed regarding any claim in law or equity made against the CONTRACTOR or an affiliate of the CONTRACTOR (including but not limited to a parent company), that would materially impact either such affiliate's ability to operate its business or the CONTRACTOR's performance of duties hereunder. The CONTRACTOR shall also provide similar notice of any arbitration proceedings instituted between a provider and the CONTRACTOR. The CONTRACTOR shall ensure that all tasks related to the provider agreement are performed in accordance with the terms of this Contract. It is the intent of this provision that the CONTRACTOR notify TENNCARE of any and all actions described herein that may affect the CONTRACTOR'S financial viability and/or program operations or integrity.

E.24 DATA THAT MUST BE CERTIFIED

E.24.1 In accordance with 42 CFR 438.604 and 438.606, when State payments to the CONTRACTOR are based on data submitted by the CONTRACTOR, the CONTRACTOR shall certify the data. The data that shall be certified include, but are not limited to, enrollment information, encounter data, and other information required by the State and contained in contracts, proposals and related documents including the medical loss ratio (MLR) report. The data shall be certified by one of the following: the CONTRACTOR's Chief Executive Officer, the CONTRACTOR's Chief Financial Officer, or an individual who has delegated authority to sign for, and who reports directly to the CONTRACTOR's Chief Executive Officer or Chief Financial Officer. The certification shall attest, based on best knowledge, information, and belief, as follows:

E.24.1.1 To the accuracy, completeness and truthfulness of the data; and

E.24.1.2 To the accuracy, completeness and truthfulness of the documents specified by the State.

E.24.2 The CONTRACTOR shall submit the certification concurrently with the certified data.

E.25 USE OF DATA

TENNCARE shall have unlimited but not exclusive rights to use, disclose, or duplicate, for any purpose whatsoever, all information and data developed, derived, documented, or furnished by the CONTRACTOR resulting from this Contract. However, TENNCARE shall not disclose proprietary information that is afforded confidential status by state or federal law.

E.26 **WAIVER**

No covenant, condition, duty, obligation, or undertaking contained in or made a part of this Contract may be waived except by written agreement of the Contract signatories or in the event the signatory for a party is no longer empowered to sign such Agreement, the signatory's replacement. Forbearance, forgiveness, or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed, or discharged by the party to which the same may apply. Until complete performance or satisfaction of all such covenants, conditions, duties, obligations, or undertakings, the other party shall have the right to invoke any remedy available under law or equity notwithstanding any such forbearance, forgiveness or indulgence.

E.27 **CONTRACT VARIATION/SEVERABILITY**

If any provision of this Contract (including items incorporated by reference) is declared or found to be illegal, unenforceable, or void, then both TENNCARE and the CONTRACTOR shall be relieved of all obligations arising under such provision. If the remainder of the Contract is capable of performance, it shall not be affected by such declaration of finding and shall be fully performed. In addition, if the laws or regulations governing this Contract should be amended or judicially interpreted as to render the fulfillment of the Contract impossible or economically unfeasible, both TENNCARE and the CONTRACTOR will be discharged from further obligations created under the terms of the Contract.

E.28 **CONFLICT OF INTEREST**

E.28.1 The CONTRACTOR warrants that no part of the total Agreement amount provided herein shall be paid directly, indirectly or through a parent organization, subsidiary or an affiliate organization to any state or federal officer or employee of the State of Tennessee or any immediate family member of a state or federal officer or employee of the State of Tennessee as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to the CONTRACTOR in connection with any work contemplated or performed relative to this Contract unless disclosed to the Commissioner, Tennessee Department of Finance and Administration. For purposes of Section E.28. and its subparts of this contract, "immediate family member" shall mean a spouse or minor child(ren) living in the household.

E.28.1.1 Quarterly, by January 30, April 30, July 30, and October 30 each year, or at other times or intervals as designated by the Deputy Commissioner of the Division of TennCare, disclosure shall be made by the CONTRACTOR to the Deputy Commissioner of the Division of TennCare, Department of Finance and Administration in writing. The disclosure shall include, but not be limited to, the following:

28.1.1.1 A list of any state or federal officer or employee of the State of Tennessee as well as any immediate family member of a state or federal officer or employee of the State of Tennessee who receives wages or compensation from the CONTRACTOR; and

28.1.1.2 A statement of the reason or purpose for the wages or compensation. The disclosures shall be made by the CONTRACTOR and reviewed by TENNCARE in accordance with Standard Operating Procedures and the disclosures shall be distributed to, amongst other persons, entities and organizations, the Commissioner, Tennessee Department of Finance and Administration, the Tennessee Ethics Commission, the TennCare Oversight Committee and the Fiscal Review Committee.

E.28.1.2 This Contract may be terminated by TENNCARE and/or the CONTRACTOR may be subject to sanctions, including liquidated damages, under this Contract if it is determined that the CONTRACTOR, its agents or employees offered or gave gratuities of any kind to any state or federal officials or employees of the State of Tennessee or any immediate family member of a state or federal officer or employee of the State of Tennessee if the offering or giving of said gratuity is in contravention or violation of state or federal law. It is understood by and between the parties that the failure to disclose information as required under Section E.28 of this Contract may result in termination of this Contract and the CONTRACTOR may be subject to sanctions, including liquidated damages in accordance with Section E.29 of this Contract. The CONTRACTOR certifies that no member of or delegate of Congress, the United States General Accounting Office, DHHS, CMS, or any other federal agency has or will benefit financially or materially from this Contract.

E.28.2 The CONTRACTOR shall include language in all subcontracts and provider agreements and any and all agreements that result from this Contract between CONTRACTOR and TENNCARE to ensure that it is maintaining adequate internal controls to detect and prevent conflicts of interest from occurring at all levels of the organization. Said language may make applicable the provisions of Section E.28. to all subcontracts, provider agreements and all agreements that result from the Contract between the CONTRACTOR and TENNCARE.

E.29 **FAILURE TO MEET CONTRACT REQUIREMENTS**

It is acknowledged by TENNCARE and the CONTRACTOR that in the event of CONTRACTOR's failure to meet the requirements provided in this Contract and all documents incorporated herein, TENNCARE will be harmed. The actual damages which TENNCARE will sustain in the event of and by reason of such failure are uncertain, are extremely difficult and impractical to ascertain and determine. The parties therefore acknowledge that the CONTRACTOR shall be subject to damages and/or sanctions as described below. It is further agreed that the CONTRACTOR shall pay TENNCARE liquidated damages as directed by TENNCARE; provided however, that if it is finally determined that the CONTRACTOR would have been able to meet the Contract requirements listed below but for TENNCARE's failure to perform as provided in this Contract, the CONTRACTOR shall not be liable for damages resulting directly therefrom.

E.29.1 **Intermediate Sanctions**

E.29.1.1 TENNCARE may impose any or all of the sanctions as described in this Section upon TENNCARE's reasonable determination that the CONTRACTOR failed to comply with any corrective action plan (CAP) as described under Section A.2.25.10 or Section A.2.23.13 of this Contract, or is otherwise deficient in the performance of its obligations under the Contract, which shall include, but may not be limited to the following:

 - 29.1.1.7 Has distributed directly, or indirectly through any agent or independent contractor, marketing or member materials that have not been approved by the State or that contain false or materially misleading information; and
 - 29.1.1.8 Has violated any of the other applicable requirements of Sections 1903(m), 1905(t) or 1932 of the Social Security Act and any implementing regulations.
- E.29.1.2 TENNCARE shall only impose those sanctions it determines to be appropriate for the deficiencies identified. However, TENNCARE may impose intermediate sanctions on the CONTRACTOR simultaneously with the development and implementation of a corrective action plan if the deficiencies are severe and/or numerous. TENNCARE will provide the CONTRACTOR with timely written notice before imposing any intermediate sanction (other than required temporary management). Intermediate sanctions may include:
- 29.1.2.1 Liquidated damages as described in Section E.29.2.
 - 29.1.2.2 Suspension of enrollment (by region or statewide) in the CONTRACTOR's MCO;

 - 29.1.2.6 Appointment of temporary management for an MCO as provided in 42 CFR 438.706. If the State imposes temporary management because the CONTRACTOR has repeatedly failed to meet substantive requirements in sections 1903(m) or 1932 of the Act or 42 CFR 438, the State will notify affected enrollees of their right to terminate enrollment without cause;
 - 29.1.2.7 Suspension of all new enrollment (by region or statewide), including default enrollment, after the effective date of the sanction;
 - 29.1.2.8 Suspension of payment for members enrolled after the effective date of the sanction and until CMS or the State is satisfied that the reason for imposition of the sanction no longer exists and is not likely to recur; or
 - 29.1.2.9 Additional sanctions allowed under federal law or state statute or regulation that address areas of noncompliance.

29.2.2.4 Failure to perform specific responsibilities or requirements categorized as Level C are those which represent threats to the smooth and efficient operation of the TennCare program but which do not imperil patient care or the integrity of the TennCare program.

29.2.2.5 TENNCARE may also assess liquidated damages for failure to meet performance standards as provided in Section A.2.24.7, Attachment VII, and Attachment XI of this Contract.

29.2.2.6 TENNCARE reserves the right to assess a general liquidated damage of five hundred dollars (\$500) per occurrence with any notice of deficiency.

29.2.2.6.1 In circumstances for which TENNCARE has applied this general liquidated damage to a notice of a deficiency that is related in any way to CHOICES care coordination or ECF CHOICES support coordination processes and requirements which shall be determined by TENNCARE, the amounts shall be multiplied by two (2) when the CONTRACTOR has not complied with the Caseload and Staffing requirements as specified in Section A.2.9.6.12.12 of this Contract.

SERVICE	Tennessee Health Link
----------------	------------------------------

DEFINITION

Tennessee Health Link is a team of professionals associated with a mental health clinic or other behavioral health provider who provides whole-person, patient-centered, coordinated care for an assigned panel of members with behavioral health conditions. Members who would benefit from Tennessee Health Link will be identified based on diagnosis, health care utilization patterns, or functional need. They will be identified through a combination of claims analysis and provider referral.

Health Link professionals will use care coordination and patient engagement techniques to help members manage their healthcare across the domains of behavioral and physical health, including:

- Comprehensive care management (e.g., creating care coordination and treatment plans)
- Care coordination (e.g., proactive outreach and follow up with primary care and behavioral health providers)
- Health promotion (e.g., educating the patient and his/her family on independent living skills)
- Transitional care (e.g., participating in the development of discharge plans)
- Patient and family support (e.g., supporting adherence to behavioral and physical health treatment)
- Referral to social supports (e.g., facilitating access to community supports including scheduling and follow through)

SERVICE	Psychiatric Rehabilitation
----------------	-----------------------------------

DEFINITION

Psychiatric rehabilitation is an array of consumer-centered recovery services designed to support the individual in the attainment or maintenance of his or her optimal level of functioning. These services are designed to capitalize on personal strengths, develop coping skills and strategies to deal with deficits and develop a supportive environment in which to function as independent as possible on the individual's recovery journey.

The service components included under psychiatric rehabilitation are as follows:

Psychosocial Rehabilitation

Psychosocial Rehabilitation is a community-based program that promotes recovery, community integration, and improved quality of life for members who have been diagnosed with a behavioral health condition that significantly impairs their ability to lead meaningful lives. The goal of Psychosocial Rehabilitation is to support individuals as active and productive members of their communities through interventions developed with a behavioral health professional or certified peer recovery specialist, in a non-residential setting. These interventions are aimed at actively engaging the member in services, and forming individualized service plan goals that will result in measurable outcomes in the areas of educational, vocational, recreational and social support, as well as developing structure and skills training related to activities of daily living. Such interventions are collaborative, person-centered, individualized, and ultimately results in the member's wellness and recovery being sustainable within the community without requiring the support of Psychosocial Rehabilitation. Psychosocial Rehabilitation must meet medical necessity criteria and may be provided in conjunction with routine outpatient services.

Psychosocial Rehabilitation services vary in intensity, frequency, and duration in order to resolve the member's ability to manage functional difficulties.

Supported Employment

Supported employment consists of evidenced based practices (e.g., individual placement and support) to assist individuals to choose, prepare for, obtain, and maintain gainful employment that is based on individuals' preferences, strengths, and experiences. This service also includes support services to the individual, including side-by-side support on the job. These services may be integrated into a psychosocial rehabilitation center.

Peer Recovery Services

Peer recovery services are designed and delivered by people who have lived experience with behavioral health issues. A Certified Peer Recovery Specialist (CPRS) is someone who has self-identified as being in recovery from mental illness, substance use disorder, or co-occurring disorders of both mental illness and substance use disorder. In addition, a Certified Peer Recovery Specialist has completed specialized training recognized by the Tennessee Department of Mental Health and Substance Abuse Services on how to provide peer recovery services based on the principles of recovery and resiliency. Certified Peer Recovery Specialists can provide support to others with mental illness, substance use disorder, or co-occurring disorder and help them achieve their personal recovery goals by promoting self-determination, personal responsibility, and the empowerment inherent in self-directed recovery.

Under the direct clinical supervision of a licensed behavioral health professional, peer recovery services provided by a Certified Peer Recovery Specialist may include: assisting individuals in the development of a strengths-based, person-centered plan of care; serving as an advocate or mentor; developing community support; and providing information on how to successfully navigate the behavioral health care system. Activities which promote socialization, recovery, self-advocacy, development of natural supports, and maintenance of community living skills are provided so individuals can educate and support each other in the acquisition of skills needed to manage their recovery and access resources within their communities. Services are often provided during the evening and weekend hours.

Family Support Services

Family support services are used to assist other caregivers of children or youth diagnosed with emotional, behavioral, or co-occurring disorders, and are provided by a Certified Family Support Specialist under the direct clinical supervision of a licensed behavioral health professional. A Certified Family Support Specialist is a person who has previously self-identified as the caregiver of a child or youth with an emotional, behavioral or co-occurring disorder and who has successfully navigated the child-serving systems to access treatment and resources necessary to build resiliency and foster success in the home, school, and community. This individual has successfully completed and passed training recognized by the Tennessee Department of Mental Health and Substance Abuse Services on how to assist other caregivers in fostering resiliency in their child based on the principles of resiliency and recovery; and has received certification from the Tennessee Department of Mental Health and Substance Abuse Services as a Certified Family Support Specialist.

These services include assisting caregivers in managing their child's illness and fostering resiliency and hope in the recovery process. These direct caregiver-to-caregiver support services include, but are not limited to, developing formal and informal supports, assisting in the development of strengths-based family and individual goals, serving as an advocate, mentor, or facilitator for resolution of issues that a caregiver is unable to resolve on his or her own, or providing education on system navigation and skills necessary to maintain a child with emotional, behavioral or co-occurring disorders in their home environment.

Illness Management & Recovery

Illness management and recovery services refer to a series of weekly sessions with trained mental health practitioners for the purpose of assisting individuals in developing personal strategies for coping with mental illness and promoting recovery. Illness management and recovery is not limited to one curriculum but is open to all evidenced-based and/or best practice classes and programs such as WRAP (Wellness Recovery Action Plan).

Supported Housing

Supported housing services refer to transitional services rendered at facilities that provide behavioral health staff supports for individuals who require treatment services in a highly structured, safe, and secure setting. Supported housing services are for TennCare Priority Enrollees and are intended to prepare individuals to live independently in a community setting. At a minimum, supported housing services include coordinated and structured personal care services to address the individuals' behavioral and physical health needs in addition to fifteen (15) hours per week of psychosocial rehabilitation services to assist individuals in achieving recovery and resiliency based goals and developing the life skills necessary to live independently in a community setting. The required fifteen (15) hours per week of psychosocial rehabilitation is not inclusive of the psychosocial rehabilitation services received in day programs. Supported housing services do not include the payment of room and board.

SERVICE	Crisis Services
----------------	------------------------

Definition

Behavioral health crisis services shall be rendered to individuals with a mental health or substance use/abuse issue when there is a perception of a crisis by an individual, family member, law enforcement, hospital staff or others who have closely observed the individual experiencing the crisis. Crisis services are available twenty-four (24) hours a day, seven (7) days a week. Crisis services include twenty-four (24) hour toll free telephone lines answered in real time by trained crisis specialists and face-to-face crisis services including, but not limited to: prevention, triage, intervention, evaluation/referral for additional services/treatment, and follow-up services. Certified Peer Recovery Specialists and/or Certified Family Support Specialists shall be utilized in conjunction with crisis specialists to assist adults and children in alleviating and stabilizing crises and promote the recovery process as appropriate. Behavioral health crisis service providers are not responsible for pre-authorizing emergency involuntary hospitalizations.

The Mental Health Crisis Response Services - Community Face-to-Face Response Protocols provide guidance for calls that are the responsibility of a crisis response service to determine if a Face-to-Face evaluation is warranted and those that are not the responsibility of the crisis response service. These Protocols were developed to ensure that consumers who are experiencing a behavioral health crisis and have no other resources receive prompt attention. All responses are first determined by clinical judgment.

Guidance for All Calls:

- For calls originating from an Emergency Dept., telehealth is the preferred service delivery method for the crisis response service
- After determining that there is no immediate harm, ask the person if he or she can come to the closest walk-in center
- If a Mandatory Pre-screening Agent (MPA) not employed by a crisis response service is available, there may be no need for a crisis evaluation by mobile crisis
- For all other calls, unless specified in the Protocols, if a person with mental illness is experiencing the likelihood of immediate harm then a response is indicated.

SERVICE	Opioid Use Disorder Treatment
----------------	--------------------------------------

Definition

Treatments for opioid use disorder are designed and delivered across the continuum of care including but not limited to hospital, residential treatment, Intensive Outpatient Program, Office-Based Opioid Treatment, primary care and peer recovery services. Research shows that when treating substance-use disorders, a combination of medication and behavioral therapies is most successful. The duration of

treatment should be based on the needs of the persons served. For opioid use disorder, one essential component within the continuum is Medication Assisted Treatment. Medication Assisted Treatment (MAT) for persons diagnosed with opioid-use disorder is the use of medications, in combination with counseling and behavioral therapies, to provide a whole-patient approach to the treatment of substance use disorders. The medications used to achieve treatment goals include buprenorphine *and naltrexone* products approved by the Food and Drug Administration (FDA) for the use in the treatment of opioid-use disorder.

All providers treating members with opioid use disorder must either provide Medication Assisted Treatment (MAT) or have a policy for referral to a MAT provider for those members wishing to access MAT.

The requested CAP, RFI or ORR response shall detail the CONTRACTOR's network adequacy considering any alternate measures, documentation of unique market conditions and/or its plan for correction. If TENNCARE determines the CONTRACTOR's response demonstrates existence of alternate measures or unique market conditions, TENNCARE may elect to request periodic updates from the CONTRACTOR regarding efforts to address such conditions.

**ATTACHMENT IV
SPECIALTY NETWORK STANDARDS**

ATTACHMENT IV SPECIALTY NETWORK STANDARDS

The CONTRACTOR shall adhere to the following specialty network requirements to ensure access and availability to specialists for all members (adults and children) who are not dually eligible for Medicare and TennCare (non-dual members). For the purpose of assessing specialty provider network adequacy, TENNCARE will evaluate the CONTRACTOR's provider network relative to the requirements described below. A provider is considered a "specialist" if he/she has a provider agreement with the CONTRACTOR to provide specialty services to members.

Access to Specialty Care

The CONTRACTOR shall ensure access to specialty providers (specialists) for the provision of covered services. At a minimum, this means that:

- (1) The CONTRACTOR shall have provider agreements with providers practicing the following specialties: Allergy, Cardiology, Dermatology, Endocrinology, Otolaryngology, Gastroenterology, General Surgery, Nephrology, Neurology, Neurosurgery, Oncology/Hematology, Ophthalmology, Orthopedics, Psychiatry (adult), Psychiatry (child and adolescent), and Urology; and
- (2) The following access standards are met:
 - o Transport access \leq 60 miles travel distance and \leq 90 minutes travel time for at least 75% of non-dual members and
 - o Transport access \leq 90 miles travel distance and \leq 120 minutes travel time for ALL non-dual members

Availability of Specialty Care

The CONTRACTOR shall provide adequate numbers of specialists for the provision of covered services to ensure adequate provider availability for its non-dual members. To account for variances in MCO enrollment size, the guidelines described in this Attachment have been established for determining the number of specialists with whom the CONTRACTOR must have a provider agreement. These are aggregate guidelines and are not age specific. To determine these guidelines the number of providers within each Grand Region was compared to the size of the population in each Grand Region. The CONTRACTOR shall have a sufficient number of provider agreements with each type of specialist in each Grand Region served to ensure that the number of non-dual members per provider does not exceed the following:

Maximum Number of Non-Dual Members per Provider by Specialty

Specialty	Number of Non-Dual Members
Allergy & Immunology	100,000
Cardiology	20,000
Dermatology	40,000
Endocrinology	25,000
Gastroenterology	30,000
General Surgery	15,000
Nephrology	50,000
Neurology	35,000
Neurosurgery	45,000

Oncology/Hematology	80,000
Ophthalmology	20,000
Orthopedic Surgery	15,000
Otolaryngology	30,000
Psychiatry (adult)	25,000
Psychiatry (child & adolescent)	150,000
Urology	30,000

Access to Opioid Use Disorder (OUD) treatment providers

The CONTRACTOR shall ensure access to OUD treatment providers for the provision of covered services. At a minimum, this means that:

- (1) The CONTRACTOR shall have provider agreements with DATA 2000 Waiver approved OUD treatment providers only for the provision of covered services with buprenorphine and
- (2) The following access standards are met:
 - o Transport access \leq 45 miles travel distance and \leq 45 minutes travel time for at least 75% of non-dual members and
 - o Transport access \leq 60 miles travel distance and \leq 60 minutes travel time for ALL non-dual members

Availability of OUD Treatment Care

The CONTRACTOR shall provide adequate numbers of OUD treatment providers for the provision of covered services to ensure adequate provider availability for its non-dual members. To account for variances in MCO enrollment size, the guidelines described in this Attachment have been established for determining the number of OUD treatment providers with whom the CONTRACTOR must have a provider agreement. These are aggregate guidelines and are not age specific. The CONTRACTOR shall have a sufficient number of provider agreements with each type of specialist in each Grand Region served to ensure that the number of non-dual members per provider does not exceed the following:

Maximum Number of Non-Dual Members per Provider by Specialty

Specialty	Number of Non-Dual Members
OUD Treatment provider contracted to treat with buprenorphine	10,000

Capacity of OUD Treatment Providers

All Contracted MAT Providers are required to have a DATA 2000 Waiver to provide Buprenorphine Medication Assisted Treatment (MAT). The DATA 2000 Waiver, as outlined by Substance Abuse and Mental Health Services Administration (SAMSHA), restricts the number of members a provider can treat across all payer types. The number of members a provider can treat is now on referred to as “slots.”

To ensure access to OUD treatment across the state, TennCare will calculate the number of slots and/or providers needed for each MCO’s contracted MAT network by Tennessee Grand Region (West,

Middle, East) on an annual basis. The calculation will be based on prevalence of opioid use disorder (OUD) by Grand Region and MCO enrollment. The Capacity Standards will be **in addition** to the geographic and time standards outlined previously.

The updated adequacy standards will be provided July 1st of every year.

(Provider Enrollment File service type coding options for OUD treatment providers are identified in Attachment V.)

TENNCARE will evaluate the need for further action when the above standards are not met. At its sole discretion TENNCARE may elect one of three options: (1) TENNCARE may request a Corrective Action Plan (CAP), (2) a Request for Information (RFI), (3) or an On Request Report (ORR) depending on the severity of the deficiency.

The requested CAP, RFI or ORR response shall detail the CONTRACTOR's network adequacy considering any alternate measures, documentation of unique market conditions and/or its plan for correction. If TENNCARE determines the CONTRACTOR's response demonstrates existence of alternate measures or unique market conditions, TENNCARE may elect to request periodic updates from the CONTRACTOR regarding efforts to address such conditions.

ATTACHMENT V

NEMT REQUIREMENTS**

**ATTACHMENT XI
NEMT REQUIREMENTS**

A.1 GENERAL

- A.1.1 The CONTRACTOR, in its delivery of NEMT services, shall comply with all of the requirements in this Attachment XI. The requirements in this Attachment are in addition to, not instead of, requirements found elsewhere in the Contract.
- A.1.2 The CONTRACTOR shall develop written policies and procedures that describe how the CONTRACTOR, in the delivery of NEMT services, shall comply with the requirements of the Contract, including this Attachment. Pursuant to Section A.2.25.4 of the Contract, TENNCARE will specify the policies and procedures that must be prior approved in writing by TENNCARE. As part of its policies and procedures the CONTRACTOR shall develop an operating procedures manual detailing procedures for meeting, at a minimum, requirements regarding the following:
 - A.1.2.1 Requesting NEMT services (see Section A.3 of this Attachment);
 - A.1.2.2 Approving NEMT services (see Section A.4 of this Attachment); and
 - A.1.2.3 Scheduling, assigning and dispatching trips (see Section A.5 of this Attachment).
- A.1.3 The CONTRACTOR shall develop and submit to the Division of TennCare for approval, a policy addressing No-Shows which limits the amount of trips a member can take when the CONTRACTOR has determined that the member has missed scheduled trips for NEMT services for a designated number of trips. Upon the approval of these policies by the Office of Contract Compliance, the CONTRACTOR shall assure all policies are implemented and followed by their NEMT brokers and their providers.

A.2 NEMT READINESS REVIEW

The readiness review referenced in Section A.2.1.2 of the Contract shall include NEMT. As part of the readiness review the CONTRACTOR shall demonstrate its ability to meet the NEMT requirements of the Contract, including this Attachment.

A.3 REQUESTING NEMT SERVICES

- A.3.1 Members or their representatives shall be allowed to make requests for NEMT services on behalf of members. For DCS enrollees (as defined in Exhibit A of this Attachment), representatives include the member's DCS liaison, foster parent, adoptive parent, or provider. For members enrolled in an HCBS waiver for persons with Intellectual Disabilities, the member's Independent Support Coordinator/Case Manager or the member's residential or day services provider may make requests for NEMT services, even when the member's residential or day services provider is also a the contract provider that will deliver the NEMT services to the member.

- A.3.2 Requests for NEMT services should be made at least seventy-two (72) hours based on calendar days before the NEMT service is needed. However, this timeframe does not apply to urgent trips (see Section A.5.7 of this Attachment), scheduling changes initiated by the provider, and follow-up appointments when the timeframe does not allow advance scheduling. In addition, the CONTRACTOR shall accommodate requests for NEMT services that are made within the following timeframes: three (3) hours before the NEMT service is needed when the pick-up address is in an urban area and four (4) hours before the NEMT service is needed when the pick-up address is in a non-urban area. The CONTRACTOR shall provide additional education to members who fail to request transportation seventy-two (72) hours before the NEMT service is needed (see Section A.10 of this Attachment).
- A.3.3 The CONTRACTOR shall not have a time limit for scheduling transportation for future appointments. For example, if a member calls to schedule transportation to an appointment that is scheduled in two (2) months, the CONTRACTOR shall arrange for that transportation and shall not require the member to call back at a later time. Members identified as a No Show and have been placed on probation may be required to call back at a later time.

A.4 **APPROVING NEMT SERVICES**

A.4.1 **General**

- A.4.1.1 Transportation for a minor child shall not be denied pursuant to any policy that poses a blanket restriction due to member's age or lack of accompanying adult. Any decision to deny transportation of a minor child due to a member's age or lack of an accompanying adult shall be made on a case-by-case basis and shall be based on the individual facts surrounding the request and State of Tennessee law. Tennessee recognizes the "mature minor exception" to permission for medical treatment. The age of consent for children with mental illness is sixteen (16) (see TCA 33-8-202).
- A.4.1.2 As part of the approval process, the CONTRACTOR shall:
- A.4.1.2.1 Collect relevant information from the caller and enter it into the CONTRACTOR's system (see Section A.5.10 of this Attachment);
 - A.4.1.2.2 Verify the member's eligibility for NEMT services;
 - A.4.1.2.3 Determine the appropriate mode of transportation for the member;
 - A.4.1.2.4 Determine the appropriate level of service for the member;
 - A.4.1.2.5 Approve or deny the request. Transportation shall not be denied for a member with minor children with whom daycare could not be arranged when a member established the need for them to be included in order to reserve space and child restraint upon scheduling of the trip; and
 - A.4.1.2.6 Enter the appropriate information into the CONTRACTOR's system (see Section A.5.10 of this Attachment).

A.4.2 **Verifying Eligibility for NEMT Services**

- A.4.2.1 The CONTRACTOR shall screen all requests for NEMT services to confirm each of the following items:
- A.4.2.2 That the person for whom the transportation is being requested is a TennCare enrollee and enrolled in the CONTRACTOR's MCO;
- A.4.2.3 That the service for which NEMT service is requested is a TennCare covered service (as defined in Exhibit A of this Attachment);
- A.4.2.4 That the enrollee is eligible in accordance with policies and procedures approved by the Office of Contract Compliance regarding No-Shows; and
- A.4.2.5 That the transportation is a covered NEMT service (see Section A.2.6.1.3 of the Contract).

A.4.3 **Determining the Appropriate Mode of Transportation**

A.4.3.1 General

- A.4.3.1.1 If the criteria in Section A.4.2 of this Attachment are met, the CONTRACTOR shall determine what mode of transportation is appropriate to meet the needs of the member. The modes of transportation that shall be covered by the CONTRACTOR include, but are not limited to: fixed route, multi-passenger van, wheelchair van, invalid vehicle, ambulance and member mileage reimbursement program.
- A.4.3.1.2 In order to determine the appropriate mode of transportation, the CONTRACTOR shall:
 - A.4.3.1.2.1 Determine whether the member is ambulatory and the member's current level of mobility and functional independence;
 - A.4.3.1.2.2 Determine whether the member will be accompanied by an escort, and, if so, whether the member requires assistance and whether the escort meets the requirements for an escort (see TennCare rules and regulations);
 - A.4.3.1.2.3 Determine whether a member is under the age of eighteen (18) and will be accompanied by an adult; and
 - A.4.3.1.2.4 Assess any special conditions or needs of the member, including physical or behavioral health disabilities.

A.4.3.2 Fixed Route

A.4.3.2.1 The CONTRACTOR shall utilize fixed route transportation whenever available and appropriate to meet the needs of the member.

A.4.3.2.2 The CONTRACTOR shall be familiar with schedules of fixed route transportation in communities where it is available and where it becomes available during the term of the Contract.

A.4.3.2.3 The CONTRACTOR shall distribute and/or arrange for the distribution of fixed route tickets, tokens or passes to members for whom fixed route transportation is available and appropriate. The CONTRACTOR shall have controls in place to track the distribution of tickets/tokens/passes. The CONTRACTOR shall use best efforts that tickets/tokens/passes are used appropriately.

A.4.3.2.4 The CONTRACTOR shall consider the following when determining whether fixed route transportation is available and appropriate for a member:

A.4.3.2.4.1 The furthest distance a member shall be required to travel to or from a fixed route transportation stop is one-third (1/3) of a mile;

A.4.3.2.4.2 The member shall not be required to change buses/trolleys more than once each leg of the trip;

A.4.3.2.4.3 Using fixed route transportation shall not increase travel time more than sixty (60) minutes as compared to transportation directly from the pick-up location to the drop-off destination;

A.4.3.2.4.4 The fixed route transportation schedule shall allow the member to arrive at the destination no more than sixty (60) minutes prior to the scheduled appointment time and shall be flexible on the return so that the member does not have to wait at the pick-up location more than sixty (60) minutes after the estimated time the appointment will end;

A.4.3.2.4.5 Whether fixed route transportation is appropriate based on the member's physical or behavioral health disabilities; and

A.4.3.2.4.6 Whether using fixed route for the requested trip is appropriate considering the accessibility of the stops and the safety in accessing the stops.

A.4.3.2.5 Fixed route shall not be appropriate for a member whose physician states in writing that the member cannot use fixed route transportation.

A.4.3.3 Ambulance

The CONTRACTOR's policies and procedures regarding the appropriateness of using an ambulance to provide covered NEMT services shall be based on Medicare's medical necessity requirements (see, e.g., 42 CFR 410.40 and Medicare Benefit Policy Manual, Chapter 10 - Ambulance Services).

A.4.3.4 Member Mileage Reimbursement

The CONTRACTOR shall follow policies and procedures as provided by TENNCARE when utilizing this method of transportation. Reporting requirements are specified in Section A.19 of this Attachment

A.4.4 Determining Level of Service

A.4.4.1 The CONTRACTOR shall assess the member's needs to determine whether the member requires curb-to-curb, door-to-door, or hand-to-hand service (as these terms are defined in Exhibit A of this Attachment).

A.4.4.2 The CONTRACTOR may require a medical certification statement from the member's provider in order to approve door-to-door or hand-to-hand service. Medical certification shall be completed within the timeframes specified in Section A.5.1.4 of this Attachment.

A.4.4.3 The CONTRACTOR shall ensure that members receive the appropriate level of service.

A.4.4.4 Failure to comply with requirements regarding level of service may result in liquidated damages as provided in Section E.29.2 of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.4.5 Standing Orders

A.4.5.1 Except as provided in this Section A.4.5, the approval of Standing Orders by the CONTRACTOR shall be consistent with the requirements in Sections A.4.1 through A.4.4.

A.4.5.2 In order to approve a Standing Order (as defined in Exhibit A of this Attachment), the CONTRACTOR shall, at a minimum, call the provider to verify the series of appointments. The CONTRACTOR may, at its discretion, require that the member's provider certify the series of appointments in writing.

A.4.5.3 The CONTRACTOR shall approve Standing Orders consistent with the series of appointments. For example, if the member has a series of appointments over six (6) months, the CONTRACTOR shall approve transportation for each trip, including all legs of the trip, for the six (6) months. However, the CONTRACTOR shall verify the member's eligibility prior to each pick-up. The CONTRACTOR may verify additional information before each pick-up as necessary.

A.4.6 Validating Requests

A.4.6.1 The CONTRACTOR shall conduct random pre-transportation validation checks prior to the member receiving the services in order to prevent fraud and abuse. The amount validated shall be two percent (2%) of NEMT scheduled trips per month.

A.4.6.2 The CONTRACTOR may verify the need for an urgent trip with the provider prior to approving the trip.

- A.4.6.3 If requested by TENNCARE, the CONTRACTOR shall conduct pre-transportation validation checks of trips requested by specified members and/or to specific services or providers.
- A.4.6.4 Focus of the Pre-Validations shall be, but may not be limited to, members who utilize NEMT services frequently but do not have standing orders as well as members who routinely do not adhere to the seventy-two (72) hour notice requirement.
- A.4.6.5 All pre-transportation validation checks shall be conducted within the timeframes specified in Section A.5.1.5 of this Attachment.

A.5 SCHEDULING, ASSIGNING, AND DISPATCHING TRIPS

A.5.1 General

- A.5.1.1 The CONTRACTOR shall ensure that covered NEMT services are available twenty-four (24) hours a day, three hundred and sixty-five (365) days a year.
- A.5.1.2 After approving a NEMT service to be provided by a NEMT provider (i.e., not fixed route), the CONTRACTOR shall schedule and assign the trip to an appropriate NEMT provider (see A.5.3 for persons enrolled in an HCBS waiver for persons with Intellectual Disabilities).
- A.5.1.3 After approving a NEMT service to be provided by a NEMT provider (i.e., not fixed route), the CONTRACTOR shall schedule and assign the trip to an appropriate NEMT provider.
- A.5.1.4 The CONTRACTOR shall approve and schedule or deny a request for transportation (including all legs of the trip) within twenty-four (24) hours of receiving the request. This timeframe shall be reduced as necessary to ensure the member arrives in time for his/her appointment. Failure to comply with this requirement may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.
- A.5.1.5 The CONTRACTOR shall ensure that trips are dispatched appropriately and meet the requirements of this Attachment. The dispatcher shall, at minimum, provide updated information to drivers, monitor drivers' locations, and resolve pick-up and delivery issues.
- A.5.1.6 Failure to comply with requirements regarding scheduling, assigning and dispatching trips may result in liquidated damages as provided in Section E.29.2 of the contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.5.2 Multi-Passenger Transportation

- A.5.2.1 The CONTRACTOR may group enrollees and trips (or legs of trips) to promote efficiency and cost effectiveness. The CONTRACTOR may contact providers if necessary to coordinate multi-passenger transportation.
- A.5.2.2 For multi-passenger trips, the CONTRACTOR shall schedule each trip leg so that a member does not remain in the vehicle for more than one (1) hour longer than the average travel time for direct transportation of that member.
- A.5.2.3 Members shall not be required to arrive at their scheduled appointment more than one (1) hour before their appointment time. Members shall not be dropped off for their appointment before the provider's office or facility has opened their doors.

A.5.3 Choice of NEMT Provider

Except for persons enrolled in an HCBS waiver for persons with Intellectual Disabilities, the CONTRACTOR is not required to use a particular NEMT provider or driver requested by the member. However, the CONTRACTOR may accommodate a member's request to have or not have a specific NEMT provider or driver. If an HCBS waiver participant's residential or day services waiver provider is enrolled with the CONTRACTOR as an NEMT provider (pursuant to A.12.5), the CONTRACTOR shall permit the residential or day services waiver provider to provide medically necessary, covered NEMT services for waiver participants receiving HCBD ID waiver services from the provider, so long as the provider is able to provide the appropriate mode and level of service in a timely manner.

A.5.4 Notifying Members of Arrangements

If possible, the CONTRACTOR shall inform the member of the transportation arrangements (see below) during the phone call requesting the NEMT service. Otherwise, the CONTRACTOR shall obtain the member's preferred method (e.g., phone call, email, fax) and time of contact, and the CONTRACTOR shall notify the member of the transportation arrangements (see below) as soon as the arrangements are in place (within the timeframe specified in Section A.5.1.4 of this Attachment) and prior to the date of the NEMT service. Responsibility of determining whether transportation arrangements have been made shall not be delegated to the member. Information about transportation arrangements shall include but not be limited to the name and telephone number of the NEMT provider, the scheduled time and address of pick-up, and the name and address of the provider to whom the member seeks transport.

A.5.5 Notifying NEMT Providers

A.5.5.1 The CONTRACTOR shall provide a trip manifest to the NEMT provider of all new trips requested prior to 5 p.m. on the same business day.

A.5.5.2 The CONTRACTOR shall have the ability to send trip manifests to a NEMT provider by a facsimile device or secure electronic transmission, at the option of the NEMT provider. The CONTRACTOR shall ensure that provision of the trip manifest is in compliance with HIPAA requirements (see Section A.2.27 of the Contract). The CONTRACTOR shall have dedicated telephone lines available at all times for faxing purposes.

A.5.5.3 The trip manifests supplied to NEMT providers shall include all necessary information for the driver to perform the trip, including but not limited to the information listed in Exhibit B of this Attachment.

A.5.5.4 If the CONTRACTOR notifies a NEMT provider of a trip assignment after the timeframe specified in Section A.5.5.1, the CONTRACTOR shall also contact the NEMT provider by telephone and electronically to confirm that the trip will be accepted.

A.5.5.5 The CONTRACTOR shall communicate information regarding cancellations to the NEMT provider in an expeditious manner to avoid unnecessary trips.

A.5.6 Accommodating Scheduling Changes

A.5.6.1 The CONTRACTOR shall accommodate unforeseen schedule changes and shall timely assign the trip to another NEMT provider if necessary.

A.5.6.2 The CONTRACTOR shall ensure that neither NEMT providers nor drivers change the assigned pick-up time without permission from the CONTRACTOR.

A.5.7 Urgent Trips

For urgent trips (as defined in Exhibit A of this Attachment), the CONTRACTOR shall contact an appropriate NEMT provider so that pick-up occurs within three (3) hours after the CONTRACTOR was notified when the pick-up address is in an urban area and four (4) hours after the CONTRACTOR was notified when the pick-up address is in a non-urban area. Trip mileage does not determine if a trip is urban or non-urban. As provided in Section A.4.6.2 of this Contract, the CONTRACTOR may verify the need for an urgent trip. Failure to comply with requirements regarding urgent trips may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

A.5.8 Adverse Weather Plan

The CONTRACTOR shall have policies and procedures for transporting members who need critical medical care, including but not limited to renal dialysis and chemotherapy, during adverse weather conditions. "Adverse weather conditions" includes, but is not limited to, extreme heat, extreme cold, flooding, tornado warnings and heavy snowfall. The policies and procedures shall include, at a minimum, staff training, methods of notification, and member education.

A.5.9 Contingency and Back-Up Plans

The CONTRACTOR shall have policies and procedures that describe contingency plans for unexpected peak transportation demands and back-up plans for instances when a vehicle is excessively late (more than twenty (20) minutes late) or is otherwise unavailable for service.

A.5.10 Approval and Scheduling System Features

A.5.10.1 Each transportation request processed by the CONTRACTOR shall be assigned a unique number, shall contain all pertinent information about the request, and shall be available to NEMT Call Center staff. This information shall include, but not be limited to the following:

A.5.10.1.1 Verification of member's TennCare eligibility (e.g., member name, address, Medicaid ID number, and telephone number if available; eligibility start and end dates);

A.5.10.1.2 Determination that service is a TennCare covered service (e.g., level of service) (see Section A.4.2 of this Attachment);

A.5.10.1.3 Determination that the transportation is a covered NEMT service (see Section A.4.2 of this Attachment);

A.5.10.1.4 Determination of the appropriate mode of transportation (e.g., member's requested mode of transportation, member's special needs, availability and appropriateness of fixed route, the approved mode of transportation, justification for the approved mode of transportation);

A.5.10.1.5 Determination of the appropriate level of service (see Section A.4.4 of this Attachment);

A.5.10.1.6 Information regarding Standing Orders (if applicable) (see Section A.4.5 of this Attachment);

- A.5.10.1.7 Information about whether the request was modified, approved or denied and how the member was notified;
- A.5.10.1.8 Information about approved and scheduled transportation (e.g., elements required for the trip manifest; see Section A.5.5 of this Attachment);
- A.5.10.1.9 Whether the request was validated;
- A.5.10.1.10 Timeframes for the approval process (e.g., date and time of request, determination, scheduling, and notification of member); and
- A.5.10.1.11 If applicable, reason for trip cancellation.
- A.5.10.2 The CONTRACTOR's approval and scheduling systems shall be coded such that policies and procedures are applied consistently.
- A.5.10.3 Based on approval of previous NEMT services, the CONTRACTOR shall display members' permanent and temporary special needs, appropriate mode of transportation, and any other information necessary to ensure that appropriate transportation is approved and provided. All of this information shall be easily accessible by all NEMT Call Center staff.
- A.5.10.4 The CONTRACTOR's approval and scheduling systems shall also support the following:
 - A.5.10.4.1 A database of NEMT providers that includes information needed to determine trip assignments such as but not limited to: types of vehicles, number of vehicles by type, lift capacity of vehicles, and geographic coverage.
 - A.5.10.4.2 Automatic address validations, distance calculations and trip pricing, if applicable;
 - A.5.10.4.3 Ability to generate a trip manifest (see Section A.5.5 of this Attachment);
 - A.5.10.4.4 Standing Order and Single Trip (as defined in Exhibit A of this Attachment) reservation capability; and
 - A.5.10.4.5 Ability to determine if fixed route transportation is available and appropriate for the member.
- A.5.10.5 The CONTRACTOR's approval and scheduling system shall enable report and data submission as specified in the Contract.

A.6 PICK-UP AND DELIVERY STANDARDS

- A.6.1 The CONTRACTOR shall ensure that NEMT providers arrive on time for scheduled pick-ups. The NEMT provider may arrive before the scheduled pick-up time, but the member shall not be required to board the vehicle prior to the scheduled pick-up time.

- A.6.2 The CONTRACTOR shall ensure that drivers make their presence known to the member and wait until at least five (5) minutes after the scheduled pick-up time. If the member is not present five (5) minutes after the scheduled pick-up time, the driver shall notify the dispatcher before departing from the pick-up location.
- A.6.3 The CONTRACTOR shall ensure that drivers provide, at a minimum, the approved level of service (curb-to-curb, door-to-door, or hand-to-hand).
- A.6.4 The CONTRACTOR shall ensure that members arrive at pre-arranged times for appointments and are picked up at pre-arranged times for the return leg of the trip. If there is no pre-arranged time for the return leg of the trip, the CONTRACTOR shall ensure that members are picked up within one (1) hour after notification. Pick-up and drop-off times should be captured in such a way to allow reporting as requested by TENNCARE. Members shall not be required to arrive at their scheduled appointment more than one (1) hour before their appointment time. Members shall not be dropped off for their appointment before the provider's office or facility has opened their doors.
- A.6.5 The CONTRACTOR shall ensure that the waiting time for members for pick-up does not exceed ten (10) minutes past the scheduled pick-up time. Scheduled pick-up times shall allow the appropriate amount of travel time to assure the members arrive giving them sufficient time to check-in for their appointment. Members shall be dropped off for their appointment no less than fifteen (15) minutes prior to their appointment time to prevent the drop off time from being considered a late drop off.
- A.6.6 The CONTRACTOR shall ensure that if the driver will not arrive on time to the pick-up location, the driver shall notify the dispatcher, and the member is contacted.
- A.6.7 The CONTRACTOR shall ensure that if the driver will not arrive on time to an appointment, the driver shall notify the dispatcher, and the provider is contacted.
- A.6.8 The driver may refuse transportation when the member, his/her escort, or an accompanying adult (for a member under age eighteen (18)), according to a reasonable person's standards, is noticeably indisposed (disorderly conduct, indecent exposure, intoxicated), is armed (firearms), is in possession of illegal drugs, knives and/or other weapons, commits a criminal offense, or is in any other condition that may affect the safety of the driver or persons being transported. The CONTRACTOR shall ensure that if a driver refuses to transport a member the driver immediately notifies the dispatcher, and the dispatcher notifies the CONTRACTOR.
- A.6.9 The CONTRACTOR shall ensure that in the event of an incident or accident (see Section A.17.2 of this Attachment), the driver notifies the dispatcher immediately to report the incident or accident and that, if necessary, alternative transportation is arranged. The CONTRACTOR shall ensure that it is promptly notified of any incident or accident.
- A.6.10 Failure to comply with requirements regarding pick-up and delivery standards may result in liquidated damages as provided in Section E.29.2. of the Contract, Section A.20 of this Attachment, and/or Exhibit F of this Attachment.

- A.7.5 The CONTRACTOR shall ensure that all vehicles transporting members with disabilities comply with applicable requirements of the Americans with Disabilities Act (ADA), including the accessibility specifications for transportation vehicles.
- A.7.6 The CONTRACTOR shall ensure that, at minimum, all vehicles providing stretcher transport are owned and operated by an entity licensed by the Tennessee Department of Health (DOH) to provide invalid services, have an active valid permit issued by DOH as a ground invalid vehicle, and comply with DOH's requirements for ground invalid vehicles.
- A.7.7 The CONTRACTOR shall ensure that, except as otherwise permitted by State of Tennessee law, all ambulances are owned and operated by an entity licensed by DOH to provide ambulance services, have an active valid ambulance permit from DOH, and comply with DOH's requirements for ambulances. The CONTRACTOR shall also ensure that vehicles comply with any applicable local requirements.
